

CITY OF NORMAN MEDICAL MARIJUANA LICENSE INFORMATION

It is recommended you first call the Planning Department at 405-366-5433 to ensure the location is zoned to do this type of business before proceeding.

Before you submit for a NEW license, you should first determine if a Building Permit is required.

If a Building Permit is required, you will need to receive your Certificate of Occupancy before your license inspections are responded to and approved by Development Services and Fire.

If a Building permit is not required and you are zoned properly, fill out an online application in the City of Norman Business License Portal HERE. Once your application has been accepted by the City Clerk's Office, inspections will be automatically scheduled. A representative from the Fire Department and Development Services Department will contact you about the inspections.

You will fill out the Certificate of Compliance (COC) required by OMMA, which can be located at <http://omma.ok.gov/compliance>. Have the COC application at the business location for inspectors to sign on designated lines on the back of the OMMA application as outlined below:

- LINE 1 - PLANNING DEPARTMENT SIGNATURE (bring to 225 Webster for signatures)
- LINES 2 and 3 - FIRE DEPARTMENT INSPECTIONS
- LINES 4 and 5 - BUILDING CODE INSPECTIONS
- LINES 6 - CITY CLERK APPROVAL. (Return to 201 Gray for signature AFTER all the other lines are signed.)

CITY LICENSES:

Once you have obtained your OMMA License, you will go back into the portal and upload your Oklahoma Sales Tax Permit (if applicable), a copy of your completed COC, and your State Medical Marijuana License. Once you have submitted the items needed, you will be able to pay for the license for issuance.
