Weather permitting, Monday, November 09, 2009, The City of Norman Street Division in conjunction with Cleveland County District II will close the eastern half of Indian Hills Road at 72<sup>nd</sup> Avenue N.E. The closure is necessary to remove the wooden bridge structure and replace with a new storm water drainage system. The project will be completed and reopened Friday evening, November 13, 2009, if no delays occur. Detour signs will be placed to direct the traveling public.

All questions concerning this project should be directed to the City of Norman Street Division, at 329-2524.
