Subject: Spring Clean Up

City of Norman
201 West Gray
Norman, Oklahoma 73069

Press Release

For Immediate Release

Contact: Carol Coles
City Of Norman
366-5404
carol.coles@normanok.gov

The following are the dates for the City of Norman Spring Clean-Up:

April 06	Customers who have Monday polycart service
April 13	Customers who have Tuesday polycart service
April 20	Customers who have Wednesday polycart service
April 27	Customers who have Thursday polycart service
May 04	Customers who have Friday polycart service

Items must be out by 7:30 a.m. on designated Saturday.

The above schedule also applies to rural customers. However, rural customers need to call Sanitation at 329-1023 and schedule an appointment prior to April 05. Items should not be placed at the curb earlier than one week before scheduled collection day. If items are placed out more than one week before schedule pick up date, this could result in a City of Norman Code violation and a fine can and will be issued to the violator.

Yard waste is not collected as spring clean-up items. Yard waste that meets size requirements can be taken to the Compost Facility. Larger limbs and trunks can be taken to the Transfer Station. Other items not collected may include; remodeling or demolition debris such as broken concrete, bricks, lumber, sheetrock, shingles or junk cars, or any hazardous waste such as tires, batteries, paints, refrigerators or any items with Freon, etc.. Any items containing Freon must have the Freon properly captured by a certified technician. Only with the proper tag identifying that the Freon has been removed, will the items be accepted.

Polycarts, wagons, wheelbarrows, etc., are not to be used as containers for clean-up items.

The Transfer Station at 3901 S. Chautauqua, will be open and free on these Saturdays for any Norman sanitation customer, so you may haul your own if you wish. Remember to take a current utility bill when you go, or have a driver's license with a Norman address.

For those residents in the rural area, there will also be containers set up to dispose of items on Saturday, April 20th.

- 1.) American Legion – north of Hwy 9, on 156th Ave. NE
- 2.) Denver Corner – 10808 E. Alameda

These two locations are for Norman residents with City of Norman trash service. Please show proof of residency with either a copy of your City of Norman trash bill or current driver's license.
