STREET CLOSING AT WEST BOYD STREET BETWEEN DEBAR AVENUE AND ASP AVENUE

City Crews will be closing the west bound outside lane of West Boyd Street and the adjacent sidewalk for one half block between Debar Avenue and Asp Avenue beginning at midnight on Thursday, May 22, 2014. For public safety concerns, crews will be removing two oak trees in the area that are diseased and potentially hazardous to the public. The street and sidewalk will be reopened before 6:00 am Friday morning. Replacement trees will be planted in the area later this fall.

For additional information, please contact Bill Ulch, City of Norman Park Superintendent, at (405) 366-5478 or bill.ulch@normanok.gov.
