Mathew Farley present as visitor.

Gary explains to Matthew the role of the BAC in the City Government

Review of minutes. Approved at 6:47.

Issues with comprehensive transportation plan.

Lindsey. Will have regular 5 ft sidewalk and bike lanes.

Rock Creek. On west side of 36<sup>th</sup> there can be both BL and MMP. 24<sup>th</sup> to 36<sup>th</sup>, there will not be a bike lane. Just MMP. There is potential to put in bike lanes in the future once the area gets built up. East of airport, there is no BL or MMP. One area of 2/3 mile will need to be improved and could have bike lane and MMP.

Alameda. From 36<sup>th</sup> west to 72<sup>nd</sup>, would have a 10ft wide shoulder that can have a bike lane within. Eastern, urban section could have a bike lane in the future.

48<sup>th</sup> ave W. ?

McGee No room for bike lanes south of smoking oak.

12<sup>th</sup> Ave. W. between Tecumseh and rock creek. Should have both BL and MMP.

24<sup>th</sup> Ave. east. Bike lanes N of Robinson should have BL. Lindsey to Robinson will have BL.

Bike lanes on 36<sup>th</sup>. Between 9 and Lindsey.

Lindsey east of 24<sup>th</sup> should have BLs.

Upcoming dates for CTP meetings. Jan. 27<sup>th</sup> Transportation committee meeting of council will meet to discuss. Gary and David will have the opportunity to discuss this with us.

Feb 13. At 6:30. Everyone should be present at this meeting.

Feb 18<sup>th</sup> study section of the full council. Everyone should be there.

Question of the fate of imhoff between hwy 9 and berry was mentioned. But there are no changes likely.

Bike summit coming up this coming weekend.
