Present Kim Floyd, Michelle Carr, Lee Krumholz, Gary Miller, James Briggs, Officer Katie? Perry, David Huddleston, Angelo Lombardo, Thomas Woodfin

Review of minutes for Feb meeting. Earth day event is April 27 noon to 5.

Minutes are approved with modification.

Earth day. New for this year will include the bike rodeo safety training along with passing out brochures and giving away helmets. We will be calling shops and getting signs. We will be contacting the police department. Lee will post details on facebook page and get volunteers from BLN. April 27th.

Comprehensive transportation plan. 2 meetings happened. CTP committee met, David and Gary are on it. They reviewed with consultants and made sure that map was correct. Transportation subcommittee then met. CTP was well received.

Public hearing for CTP March 13th on Thursday in Norman public schools admin bldg. Flood starts at 7:00 (I went but building was closed and no one was there).

Then planning commission will meet on April 10th to recommend approval for city council

March 18th study session and briefing to council. 5:30 PM not sure where (Gary please find out). We should try to go to all of these.

BAC engagement summary. In preparation.

Enforcement issues. None.

City of Norman updates. First major arterial project with bike lanes will go to bid on Thursday Cedar lane begins construction early summer.

ACOG will have a meeting to discuss criteria for process of selection of alternative transportation projects. Angelo argued that cap at 56% of the money needs to be available for projects. Smaller communities are arguing against.

Bike to work day coming up April. ?.

ACOG is meeting to discuss bike to work day prevents and tracking of event actions. We need Norman employees and companies in Norman to participate. Healthy communities coalition will meet at Norman regional community education center on porter. Lunch Tuesday at 11:30.

Second round of artistic bike racks will go in east of tracks between tracks and porter.

Open streets event on March 30

OU will present webinar on bicycle planning .

BLN rides start tomorrow at Brookhaven. Thursday at 405 and reaves.

ICANbike is looking for volunteers for teaching disabled kids how to ride a bike.

Meeting adjourned at 7:18 pm.
