PRESENTATION OF WATER AND SANITATION RATE INCREASES PROPOSED IN THE
UPCOMING AUGUST 24, 2010, ELECTION.

Mr. Ken Komiske, Director of Utilities, provided an overview of new information that had not been presented at the previous public meeting on August 11, 2010. This included identifying future capital projects that the rate increase could assist in paying for as well as specific information about a proposed capital project designed to address taste and odor issues – ozonation and the level of toxins it will remove. The public meeting provided an opportunity for citizens to ask questions and provide comments on the proposed water and sanitation rate increases that will be voted on by citizens on August 24, 2010.

Items submitted for the record
