Subject: Spring Clean Up

City of Norman
 201 West Gray
 Norman, Oklahoma 73069

Press Release

For Immediate Release

Contact: Carol Coles
 City Of Norman
 366-5404
carol.coles@normanok.gov

The following are the dates for the City of Norman Spring Clean-Up:

April 07	Customers who have Monday polycart service
April 14	Customers who have Tuesday polycart service
April 21	Customers who have Wednesday polycart service
April 28	Customers who have Thursday polycart service
May 05	Customers who have Friday polycart service

The above schedule also applies to rural customers. However, rural customers need to call Sanitation at 329-1023 and schedule an appointment prior to April 07. Items are not to be placed at the curb earlier than one week before scheduled collection day. Items that are placed out more than one week before schedule pick up date may result in a City of Norman Code violation and a fine. Items must be out by 7:30 a.m. on designated Saturday.

Spring Cleanup is for larger household items that will not fit into the polycart for normal pickup. This is not for brush or yard waste. Yard waste that meets size requirements (2 inch diameter and 4 foot length) can be taken to the Compost Facility. Larger limbs and trunks may be taken to the Transfer Station. Spring Clean up crews will not take remodeling or demolition debris such as broken concrete, bricks, lumber, sheetrock, shingles or junk cars; or any hazardous waste such as tires, batteries, paints, refrigerators or any items with Freon, etc...

A new item for this year, and following Federal Regulations, any items containing Freon (or refrigerant) must have the Freon properly captured by a certified technician (this would be refrigerators, freezers, air-conditioners, etc.) Only items with the proper tag identifying that the Freon has been removed, will be accepted.

Polycarts, wagons, wheelbarrows, etc., are not to be used as containers for clean up items.

The Transfer Station at 3901 S. Chautauqua will be open and free on these Saturdays for any Norman sanitation customer, so you may haul your own if you wish. Remember to take a current utility bill when you go, or have a driver's license with a Norman address.

For those residents in the rural area, there will also be containers set up to dispose of items on Saturday, April 14th.

- 1.) American Legion – north of Hwy 9, on 156th Ave. NE
- 2.) Denver Corner – 10808 E. Alameda

These two locations are for Norman residents with City of Norman trash service. Please show proof of residency with either a copy of your City of Norman trash bill or current driver's license.
