On Thursday, June 28, weather permitting, the Oklahoma Department of Transportation will be closing the northbound Main Street off ramp from Interstate 35 and on Friday, June 29, the northbound I-35 on-ramp at State Highway 9 and Lindsey Street. The closures will begin at 9:00 am and the ramps will be reopened at 4:00 pm each day.

The temporary closure of the ramps is necessary in order for ODOT's contractor, Manhattan Road and Bridge, to remove the temporary barrier wall located between Lindsey Street and Main Street. The temporary barrier wall was installed in April, 2012 to protect interstate traffic from the sound wall construction activity adjacent to the Normandy Acres neighborhood along the east side of I-35.

Additional questions may be directed to Mr. John Clink, Capital Projects Engineer, at 366-5424.
