**Subject:** PRESS RELEASE 10/6/15 - I-35/SH-9 East Interchange Project

## **PRESS RELEASE**

**City of Norman**  
**201 West Gray**  
**Norman, Oklahoma 73069**

For Immediate Release: October 6, 2015

Contact: John Clink, Capital Projects Manager, 366-5424, [john.clink@normanok.gov](mailto:john.clink@normanok.gov)

### **I-35/SH-9 East Interchange Project**

The intersection pavement improvements at State Highway 9 East and 24th Avenue SW were substantially completed on Tuesday, October 6, 2015 and ahead of schedule. On Wednesday, October 7, 2015, the construction work zone at the intersection will be modified to once again allow all vehicle turning movements. However, northbound and southbound traffic on 24th Avenue SW at the intersection with SH-9E will be restricted to one lane in each direction.

Construction on the I-35/SH-9E and Lindsey Street Interchanges Reconstruction project began on Monday, March 2, 2015. This is a \$72 million construction project awarded to Sherwood Construction Company of Tulsa, Oklahoma. The Oklahoma Department of Transportation (ODOT) is administering the construction of this project.

Additional questions may be directed to Mr. John Clink, Capital Projects Manager, City of Norman, Department of Public Works, at 366-5424 or [John.Clink@NormanOK.gov](mailto:John.Clink@NormanOK.gov). For additional information on the Lindsey Street Project, visit [www.lindseystreetnorman.com](http://www.lindseystreetnorman.com).
