

NORMAN EAST BRANCH LIBRARY

12,000 square-feet | approximately \$5.11M | opening Spring 2018 (estimated)

Design for proposed East Branch Library located adjacent to Fire Station No. 9.

Site designed for minimal maintenance, with convenient parking, managed stormwater run-off, easy drop-off, and an exterior plaza.

Highly flexible space will support a mobile service approach, new education models, collaborative learning, information sharing, and digital literacy, including tablet lending services.

1,100 square-foot children's area with 12 reader seats and three early literacy alcoves.

3,700 square-foot teens and adult area with 38 reader seats, 18 computer stations, and dedicated teens-only hours.

Community program room with seating for 100, plus meeting and study rooms.
