“WORKING TOGETHER TO DELIVER EXCEPTIONAL SERVICE”

To fulfill our mission, City of Norman employees pledge themselves to these values:

TEAMWORK

We value each other's contribution and encourage teamwork.

CARING

We value service to others in a caring manner. We listen with a willingness to understand the needs of others. We respond in a friendly, helpful way.

ACCOUNTABILITY

We are responsible for our work and actions.

SERVICE

We are committed to providing exceptional service in a courteous, dependable and efficient manner.

RESPECT

We respect our differences and treat each other with understanding and dignity.

FAIRNESS

We seek to understand the needs of others. We strive for equity in the delivery of services and in the treatment of individuals.

PROFESSIONALISM

We value a knowledgeable, capable and effective organization.

RESPONSIVENESS

We value a timely response to both customer and employee.

We believe that these values are the foundation of all our endeavors to make our community a better place now and for future generations.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Norman
Oklahoma**

For the Fiscal Year Beginning

July 01, 2022

Christopher P. Morill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Norman, Oklahoma, for its annual budget for the fiscal year beginning July 1, 2021.

In order to receive this award, a governmental unit must publish a budget document that meets the program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

CITY MANAGER'S LETTER

June 23, 2023

The Honorable Mayor and City Council Members
Municipal Building
Norman, Oklahoma

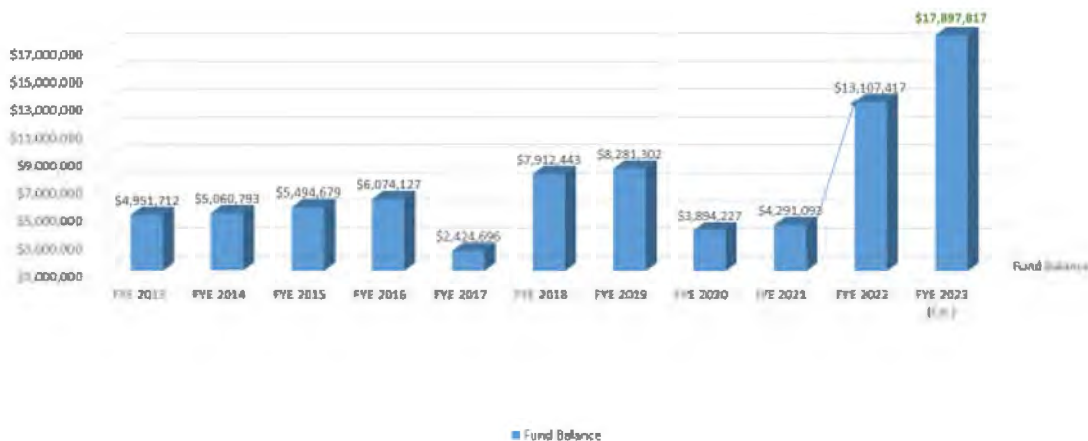

Dear Mayor Heikkila and Council Members:

INTRODUCTION

It is my privilege and responsibility to present the adopted budget for the fiscal year July 1, 2023 – June 30, 2024 (FYE 2024). The adoption of an annual budget is required by the City Charter (Article III, Section 4) and by State law (Title 11, Oklahoma Statutes, Section 17-205). An annual budget must be adopted by the City Council at least seven days before the beginning of the new fiscal year and transmitted to the State Auditor and Inspector within 30 days of the start of the fiscal year. We encourage our citizens to explore their City's budget document, which contains interesting and vital information on all aspects of the City's operation as well as information of general interest on Norman.

The FYE 2024 budget was prepared in an environment of relative plenty in some of the City's financial operations and relative deprivation in others. The City's year-end General Fund balances have grown substantially over the last two fiscal years, as sales and use tax revenues have grown:

General Fund Balance, FYE 2013 – FYE 2023 (Estimated)

Sales + Use Tax Revenue, FYE 2013 – FYE 2023

The sales and use tax growth and “relative plenty” in the City’s General Fund has given the City Council the ability to allocate resources to address some one-time capital needs and to add personnel and increase employee compensation. Among the areas that the Council has appropriated General Fund balance for capital facilities in the last two fiscal years are the following:

| | |
|--|-------------|
| Municipal Complex Reconstruction/Refurbishment (Partial Funding) | \$4,293,000 |
| City Fleet Wash Facility (Partial Funding) | \$ 684,000 |
| Andrews Park Playground Renovation (Accessibility) | \$ 350,000 |
| Legacy Trail Lighting Replacement | \$ 300,000 |
| Long-Range Planning Consultant Studies | \$2,000,000 |
| Senior Wellness Center (Construction and Operation Funding) | \$1,297,277 |
| Emergency Homeless Shelter Operation | \$ 164,500 |

The Council has also allocated funds for additional staffing, based on the City Manager’s strategic direction and prioritization:

| DEPARTMENT/DIVISION | POSITION(S) |
|------------------------------|---|
| City Manager | Assistant City Manager |
| City Attorney | Assistant City Attorney |
| Parks/Facilities Management | Construction-Facilities Program Manager |
| Parks/Facilities Management | Plumber |

| Public Works/Engineering | Capital Projects Engineer |
| Public Transit | Maintenance Worker I |

| Police/Emergency Communications | Communications Officer (2) |
| Police/Staff Services | Database Manager |
| Police/Community Services | Victim Advocate |
| Police/Animal Welfare | Animal Welfare Technician |
| Police/Animal Welfare | Pet Adoption Coordinator |

The growth in the City’s workforce (“Personnel History”) is tracked in the Overview Section.

The City’s Water and Wastewater Reclamation Utility Enterprises continue to face financial challenges to their ability to provide for the capital infrastructure (sewage collection/conveyance systems; water supply and distribution and maintenance) needs for the customers of the Norman Utility Authority. Details of these utility capital programs are discussed in the Capital Budget Section and the Capital Improvement Projects Budget document. Norman is unique in requiring a vote of the people to adjust utility rates. ***On June 13, 2023, the voters approved a rate referendum to partially fund water quality infrastructure improvements***, in the “Water is Life” initiative. Further water and sewer rate adjustments will be needed to adequately fund the capital needs of the City’s utilities in the coming years, however.

The looming question, however, is how long can this growth in the city’s major sales and use tax revenues be maintained? The volatile nature of these revenues are discussed below, but the City’s dependence on these revenues makes the City’s operations particularly vulnerable to economic downturns. The FYE 2024 budget is built on sales tax growth of two percent (2%) assumed.

The total budget for all City of Norman funds for fiscal year ending 2023 was \$225,785,971 and for FYE 2024, the total budget is \$252,962,743. The primary reason for this budget increase is increased General Fund and Public Safety Sales Tax Fund employee costs, related to added personnel and compensation increases for extant employees.

STRATEGIC PLANNING

At the start of each fiscal year, which is also the start of new Council Member terms, the Norman City Council conducts a strategic planning retreat, at which goals and plans for the coming year or years are discussed. Through the Retreat discussions, priority is given to those strategic areas in which the most interest is shown by Council Members. Through Council consensus at this Retreat, the various Council committees are given assignments of areas of concentration within their committee's purview, which will result in Council action and/or directions to the City Manager over the coming fiscal year or longer-term if addressing the priority will take more than a year, or require future voter consideration.

Examples of priority strategic areas directed by Council in fiscal year 2022-2023 were expansion of services to people experiencing homelessness and programming of one-time federal grant funding received through the American Recovery Plan Act (ARPA). It is expected that a continued focus area in FYE 2024 will be on processing the results of long-range planning efforts that were begun in fiscal year 2022-2023 (Comprehensive Land Use and Transportation Plan; Public Safety Resource Planning; Water and Sewer Strategic Plan Updates).

NORMAN SALES TAX TRENDS

Council has had ongoing discussions about the health of our City's sales tax-driven revenue base and the challenges that presents. Sales tax is not only the major source of revenue for the City's largest operational fund, the General Fund; sales tax is the primary (or only) source of revenue related to expanded public safety initiatives approved by our voters in 2008 and 2014; quality of life capital improvements ("Norman Forward") approved in 2015; public transportation (approved in 2019) and for earmarked capital programs, originally approved in 1976. ***The City is dependent on sales tax revenue to fund over half of its general purpose (non-utility fee based) operational and capital programs and is becoming more dependent. Sales tax revenue was flat from the expanded level of FYE 2022, which enabled fund balances to continue to grow. The challenge going forward will be to manage within this relative plenty, while understanding that these levels may not be sustainable.***

GENERAL FUND RESERVE LEVELS

The City of Norman, in keeping with State law and standards of financial prudence, seeks to maintain adequate levels of fund balance to meet emergency expenditure demands, unexpected claims for worker's compensation, medical or torts against the City. Fund balance can only be appropriated for expenditure by an act of the City Council, and the adoption of the budget appropriates projected funds for expenditure in the upcoming fiscal year, less funds that are held in fund balance. Norman has adopted fund balance policies in keeping with accepted accounting standards. By Ordinance O-1011-58 (adopted June 28, 2011) and as amended by Ordinance O-1819-10 (adopted September 11, 2018), the City has adopted formal reserve policies for the General Fund which require that an Emergency Reserve allocation of one percent (1%) of budgeted General Fund expenditures be appropriated within the General Fund budget; at least three percent (3%) of budgeted General Fund expenditures be held in General Fund balance (these are considered Operating, or "unrestricted" reserves by accounting standards); and at least an

additional four percent (4%) of General Fund expenditures must be held in a segregated Net Revenue Stabilization (or “Rainy Day”) Fund.

The Ordinance targets 5% of General Fund expenditures and up to a maximum of 6% of General Fund expenditures to be held in the Net Revenue Stabilization Fund. The Ordinance requires that at least the minimum fund balances be restored to the Rainy Day Fund within three years of any appropriation of fund balance in the Fund. Funds held in Net Revenue Stabilization Fund balance can only be appropriated by the Council if at least one of three circumstances is met:

- The General Fund Operating Reserve falls below one percent of budgeted expenditures;
- A natural or man-made disaster, declared by the President of the United States or the Governor of Oklahoma for the Norman area, has been declared which necessitates emergency expenditures to be made above the 2% Emergency Reserve appropriation;
- A major one-time or capital expenditure has been necessitated, such as for major repairs to City of Norman facilities or equipment damaged in storms or other circumstances.

Net Revenue Stabilization Fund balances are considered to be “Committed” fund balances under accounting standards. The combination of these fund balance reserve requirements results in a minimum of eight percent (8%) of General Fund expenditures to be held in reserve, a target of 9% and a maximum of 10 percent (10%). The City Council has never made any appropriations to spend money from the Rainy Day Fund.

As of the end of FYE 2024, the City projects to meet its Operating Reserve requirements in the General Fund, and the Rainy Day Fund is expected to exceed its (4%) Minimum balance (by \$615,861), and fall short of its (5%) Target balance (by \$363,831). The Council appropriated General Fund revenue of \$265,777 to be deposited to the Rainy Day Fund during FYE 2023.

Council is required by the Rainy Day Fund Ordinance to review the position of the Fund during the fiscal year, at the close of the prior fiscal year audit (in January or February), to consider whether to make a “deposit” to the Rainy Day Fund to restore its Minimum level, to bring it to its Target or Maximum level, or to draw down Rainy Day Fund balances.

Because of the inherent volatility in Norman’s primary sources of General Fund revenue (sales and use tax) and our susceptibility to extreme weather conditions (necessitating unexpected emergency expenditures), it is very important for Norman to maintain adequate fund balances. Projected and actual reserve levels will continue to be proactively managed and balanced with the ability to provide adequate levels of service to our citizens.

FISCAL YEAR 2023-2024 OPERATIONAL BUDGET PREPARATION

General Fund Budget Preparation

As noted in the Community Profile Section, the City of Norman runs a very small, efficient operation compared to cities with similar populations. The cost of providing these General Governmental services have historically grown at a faster rate than the revenue sources to pay for them. With the added ongoing expenses of the last two fiscal years, FYE 2024 General Fund revenues will be exceeded by projected expenses and net revenues are projected to be negative in the future. Fund balances are sufficient to absorb these losses in the near term, but Council will need to continue to make prudent decisions with ongoing expenditures.

Public Transportation and Parking Fund Budget Preparation

The City has completed a Public Transit Master Plan (the “GO Norman” Transit Plan), and is beginning the implementation of route and other service changes recommended by the Plan. A major recommendation of the Public Transit Plan is to move the central Transit Center to a downtown location from the current location on the University of Oklahoma campus. A new downtown Transit Center is under construction and is expected to be completed in 2023.

The Council has directed the expansion of public transit services with a decentralized (on-demand, fee-based service) “micro-transit” service. The expanded service will begin operation in 2023. Due primarily to the expanded service, the Public Transportation Special Revenue Fund is budgeted to receive a revenue transfer (“subsidy”) of \$615,694 from the General Fund to bring the projected Transit Fund balance positive.

Expanded Room Tax Operations

In 1980, the voters of Norman approved a “Transient Guest Room Tax” of four percent (4%) applied to the nightly rental price of hotel rooms in Norman for the purpose of “encouraging, promoting, and fostering the convention and tourism development of the City of Norman”. The Room Tax rate was increased to five percent (5%) in April 2013. At the 5% rate, the Room Tax generated \$1,973,455 in fiscal year 2022-2023. The Room Tax revenue is allocated by Council policy as 50% to tourism attraction, administered by contract with the Norman Convention and Visitors Bureau (“VisitNorman”); 25% to promotion of Norman’s quality of life through the arts and humanities, administered by contract with the Norman Arts Council; and 25% to capital improvements to Norman’s park facilities, administered by the City of Norman Parks Department. On May 9, 2023, the voters of Norman approved an increase in the Guest Room Tax rate from five percent to eight percent (8%). The additional three percent of Room Tax revenue will be used to establish a Sports Commission for Norman, dedicated to the attraction and promotion of sports tourism in Norman and improvements to Norman’s sports facilities. With the completion of major capital facilities funded by the one-half percent NORMAN FORWARD Sales Tax (see discussion in NORMAN FORWARD Section), and with the University of Oklahoma’s pending entrance into the Southeastern Conference in athletics, Norman will be uniquely positioned to attract visitors to statewide, regional, national and international youth and adult sports tournaments. The services, personnel and resources of VisitNorman and the Norman Arts Council will be expanded with the

\$1,275,000 in additional revenue projected to be generated with the increased Room Tax rate to take advantage of the unique tourism and quality of life improvement opportunities presented at this unique point in time in Norman. The Sports Commission will pay entry and application fees to attract sports tournaments to Norman, make temporary and permanent improvements to sports facilities (temporary seating, scoreboards, re-configuration of venues, etc.) for the tournaments once they agree to come to Norman, and work to welcome visitors when they arrive.

Capital Expenditure Budget Preparation

Major City of Norman capital improvement projects are funded by the dedicated 7/10 percent (0.7%) Capital Sales Tax (CST); the ½ percent (0.5%) NORMAN FORWARD and ½ percent (0.5%) Public Safety Sales Tax, utility ratepayer fees, General Obligation Bond issuances, and other sources. Capital projects are detailed in the separate Capital Improvement Projects Budget document, and summarized in the Capital Projects Funds Section. The CST also funds equipment replacements and other “capital outlay” items through transfers from the Capital Fund to the General Fund or related special revenue funds.

General Obligation Bond Programs

On April 6, 2021, the voters of Norman approved a continuation of a rolling five-year General Obligation Bond-financed program to maintain streets throughout Norman. The 2021-2026 Street Maintenance Bond Program will consist of \$27,000,000 in authorized projects in five major areas:

- Urban Asphalt Street Resurfacing
- Rural Asphalt Street Surfacing (in partnership with Cleveland County)
- Urban Concrete Panel Replacement
- Urban Street Reconstruction
- Preventive Street Maintenance

This was the fourth time that voters have renewed the 5-year street maintenance bond program, and the referendum passed with two-thirds (67%) voter approval.

The 2019 “Vision for Norman” General Obligation Bond program for roadway improvement projects (street widening projects with related sidewalks, bike lanes and drainage improvements), authorized for a total of \$72,000,000, is also ongoing. In May 2023, the City issued its 2023A and 2023B bonds to provide funding for the ongoing Street Maintenance and “Vision for Norman” street maintenance and construction programs.

Due to the Oklahoma Constitution’s prohibition against cities using property taxes for operational purposes, voter-approved General Obligation Bonds are the major way that the City can diversify its revenue base and reduce its reliance on sales tax. The Council will consider future capital financing programs with this revenue diversification as a factor in those considerations.

Fleet Replacement Programs

The City Manager recommended and the City Council approved increased allocations for vehicle replacements in the fiscal year 2023-2024. Each year, the Fleet Management Division makes scientific recommendations of fleet equipment which would be economically replaced than maintained. These recommendations are made in the form of a prioritized “Critical” list of vehicles and equipment to be replaced. In most recent years, approximately \$2,000,000 is allocated for vehicle replacements, funded primarily by the Capital Sales Tax. Independent consultant analyses have indicated that the City should be spending approximately \$6,000,000 per year on vehicle replacements. In fiscal year 2023-2024, the following allocations are being made for vehicle replacements, based on the Fleet Management Division’s Critical Replacement List:

\$2,217,217 from the “regular” Capital Sales Tax Outlay Allocation – 21 Vehicles/Equipment
\$3,218,500 Allocated from the General Fund – 7 Vehicles, Included 2 Fire Pumper Trucks
\$1,461,780 Allocated from the Seizures and Restitution Fund for 18 Police Vehicles

The additional \$4,680,280 allocated in FYE 2024 (above the “regular” Capital Outlay allocation) for fleet replacements will substantially improve the conditions of the City’s vehicle fleet.

NORMAN FORWARD Sales Tax Capital Projects Fund

On October 13, 2015, the citizens of Norman approved a ½ percent (0.5%), 15-year duration sales tax to pay for quality of life improvements throughout Norman. The approved initiative includes the following major capital projects:

| | |
|---|---------------|
| • New Central Branch Library | \$ 39,000,000 |
| • New East Branch Library | \$ 5,000,000 |
| • Neighborhood Park/Trail Projects | \$ 14,500,000 |
| • New Indoor Aquatic Facility | \$ 14,000,000 |
| • Westwood (Outdoor) Pool Facilities | \$ 12,000,000 |
| • Griffin Park Soccer Facility | \$ 11,000,000 |
| • Griffin Park Land Acquisition | \$ 10,000,000 |
| • Reaves Park Baseball/Softball Facility | \$ 10,000,000 |
| • New Community Park Development | \$ 9,500,000 |
| • New Indoor Multi-Sport Facility | \$ 8,500,000 |
| • James Garner Avenue Extension | \$ 6,000,000 |
| • Road Improvements | \$ 2,730,000 |
| • New Youth Football/Adult Softball Complex | \$ 2,500,000 |
| • Canadian River Park Development | \$ 2,000,000 |
| • Westwood Tennis Center Improvements | \$ 1,000,000 |

The NORMAN FORWARD Ordinance also authorizes funds from the NORMAN FORWARD Sales Tax (NFST) to be used for other projects and services such as public art at NFST facilities; a senior citizen’s center; and staff and consultant support in the design, construction and maintenance of the NFST facilities.

Because of the intended completion schedule of the major NFST projects, debt financing was anticipated and authorized to move the projects forward ahead of the tax revenues being received. The first of three anticipated Sales Tax Revenue Note issuances was completed by the Norman Municipal Authority in December, 2015, a second Revenue Note was completed in June, 2017, and the final issuance of NFST-backed NMA Notes was completed in December, 2020.

Several of the NORMAN FORWARD facilities have been completed and are being enjoyed by Norman residents and visitors:

- Westwood Family Aquatic Center
- Norman Public Library, East and Central Branches
- Westwood Tennis Center Improvements
- Ruby Grant Community Park
- Blake Baldwin Skate Park at Andrews Park
- Reaves Park Softball/Baseball Complex

The Senior Center was authorized as a Norman Forward project, but no funds were allocated to the project until Council directed that \$7.6 million in NFST funds be re-programmed to the construction of the facility, and that the services provided at the facility be expanded from recreational programs to include wellness programs. The “Senior Wellness Center” (“Adult Wellness and Education, or “AWE”) began construction in 2021 and will be completed in 2023. Supplemental funding was made available for the AWE Center from city Coronavirus Aid, Relief and Economic Recovery Act reimbursement funds, and from proceeds of the sale of City-owned land to the Norman Regional Hospital System, bringing the total construction cost of the facility to over \$13 million.

Several neighborhood park refurbishment projects have been completed as a part of the ongoing NORMAN FORWARD project to replace playground equipment and other facilities at all of the Norman’s public parks. The design of improvements to Saxon Community Park is ongoing. Improvements and expansion of the Griffin Park Soccer Complex are expected to be completed in 2023.

Public art installations have become a major component of the NORMAN FORWARD program. Major public art installations have been completed at the entrance to the Westwood Complex, in Andrews Park, at the East Branch Library, at Ruby Grant Park, and at the Norman Public Library, Central Branch.

The construction of the extension of James Garner Boulevard, from an intersection with Flood Avenue to the completed Acres Street intersection, will begin in the fall of 2022. The project will improve traffic flow into and out of downtown Norman tremendously, as well as serving the NORMAN FORWARD Central Library and Andrews Park facilities. This extension will be highlighted by public art and bridge abutment enhancements honoring one of Norman’s most famous natives, the award-winning actor James Garner.

Nighttime View of James Garner Avenue Overpass of Robinson Street

A future phase of the James Garner Avenue project will extend from Acres to Duffy, serving the Norman Depot and the Cleveland County Courthouse Complex.

The City purchased land in the University North Park (UNP) development for the siting of the NORMAN FORWARD Indoor Multi-Sport (volleyball, cheerleading, basketball, gymnastics, etc.) and Indoor Aquatic Center. Funding for the land purchase and supplemental construction funding was provided from the UNP Tax Increment Finance District Fund (discussed below). The Trae Young Family Foundation has agreed to provide additional construction funding through the purchase of the naming rights to the facility (NBA All-Star Trae Young of the Atlanta Hawks is a Norman native and resident) for \$4,000,000, the largest donation in Norman's history. The project is under construction and is depicted throughout these Budget documents. Completion is scheduled for late 2023.

Locating these major recreational facilities within walking distance of the many hotels, retail establishments and transportation facilities in UNP and adjacent to the OU/Westheimer Airport will make Norman an attractive location for state and regional sports tournaments and other activities, drawing visitors and consumers to the City. By the time the NORMAN FORWARD Sales Tax reaches the halfway point of its 15-year tenure (July 2023), all of the major facilities will have been completed or will be nearing completion.

As all of these projects progress, the full benefit of the NORMAN FORWARD program will begin to be enjoyed.

UTILITY ENTERPRISE FUNDS

The City of Norman operates three utility enterprises: Sanitation, Water, and Water Reclamation (also known as "Wastewater" or "Sewer"). Enterprise funds are established to account for the operations of the City that endeavor to operate like private businesses, in that their services are provided to a discrete base of customers, as opposed to the citizenry as a whole, and user fees are

charged to those customers at a level that seeks to recover the full costs of providing the services. The financial status of the Water and Sewer Utilities is largely driven by capital projects.

Norman Water Enterprise Utility

On June 13, 2023, the voters of Norman approved a water rate increase to fund ongoing maintenance of the Norman Water Utility's distribution system, including location of lead and copper pipes to be replaced, as mandated by federal standards (approximately 300 miles of the 600 miles of water line in the NUA water distribution system are made of metal, and will eventually need to be replaced). This was the first increase in Norman water rates since 2015. The rate increase will also fund improved treatment processes for the NUA groundwater (wells) supplies, treating the well water with residual fluoride and other chemicals produced in NUA surface water treatment systems. Projected revenues from this rate increase were not included in the FYE 2024 budget; a formal budget amendment will be prepared to account for these revenues.

Future water rate adjustments will be needed to fund needed capital projects which have already been identified, including the actual replacement of the NUA's iron and copper pipes, and to continue to meet federal drinking water standards. Norman is the only city in Oklahoma and one of only a few municipal water systems in the U.S. where voter approval is required for rate increases.

Norman Wastewater Reclamation (Wastewater) Enterprise Utility

A new administrative facility for the Utility's Line Maintenance Division is nearing completion, as depicted in photographs in this document. Once complete, line maintenance staff will shift to the new facility in east Norman, and free up space in the City's "North Base Service Center".

Norman Sanitation Enterprise Utility

The Norman Sanitation Utility provides automated municipal solid waste collection and public access transfer station disposal for City customers. The Utility also provides recycling drop-off centers, yard waste collection and composting services, and on-call bulky item pickup services. Curbside recycling collection services, included in basic sanitation customer rates, are provided by an independent contractor. The Norman Sanitation Utility, reflecting the desires of customers and Norman residents, is firmly committed to recycling and reuse of waste products, to the extent practical.

The Sanitation Utility is also completing new administrative offices, parking and employee facilities within the North Base Service Center. The facility was paid for from within ratepayer revenues provided.

Norman Storm Water Utility

Since National Pollutant Discharge Elimination System (NPDES) regulations were promulgated by the U.S. Environmental Protection Agency in the 1990's, the City of Norman has known that its programs in stormwater drainage management, point-source water quality mitigation and other

factors would, by law, have to be improved. Since the adoption of the City of Norman's *Stormwater Master Plan* in 2009, the City has had a plan for how to meet these regulations and professional estimates of the operational and capital costs to do so. The City of Norman has not, however, implemented a stormwater utility fee to pay for the improvements, as have most cities confronted by the same mandated costs. Other cities in Oklahoma and across the country have implemented similar storm water program enhancements over the past 20 years through the adoption of Storm Water Utility (SWU) rates. Norman is the only large city in Oklahoma without a SWU.

The City Council has programmed the use of \$3,000,000 of American Rescue Plan Act (ARPA) entitlement funds for stormwater capital improvements. The highest priority capital project identified in the 2009 Stormwater Master Plan was for streambank and erosion control improvements to the Imhoff Creek. The Council appropriated ARPA funds to match Federal Emergency Management Agency grant funding to complete the Imhoff Creek improvements.

The City will continue to budget for its ongoing stormwater maintenance and related programs within the General Fund and Capital Fund, but the allocations will be far short of requirements of the federal NPDES permit. Future year budgets will be required to provide more adequate funding for these services.

CAPITAL BUDGET

Detailed information on individual capital improvement projects is given in the Fiscal Year Ending 2024 Capital Improvements Project (CIP) Budget document. Pursuant to voter-approved ordinances, seven-tenths of one percent (0.7%) of sales tax revenue is dedicated for capital improvements, and this is a primary source of revenue for the Capital Fund.

CITY COUNCIL BUDGET ACTIONS AND ADOPTION

The fiscal year 2023-2024 budget was presented to Council in a series of public study session meetings, beginning on April 18th. Two formal public hearings on the City Manager's Proposed Budget were held as a part of the budget consideration process. Based on input from Council during these meetings, several amendments to the City Manager's Proposed Budget were considered and ultimately adopted by the Council on June 13th:

- Increase Debt Service Fund allocations by \$1,342,250 to pay principal and interest payments on the 2023A and 2023B General Obligation Bonds issued by the City in 2023.
- Increase projected Room Tax revenue and expenditures by \$1,275,000 to reflect the voter-approved Room Tax rate increase.
- Increase electricity account allocations in the Water Fund (\$16,500) and Wastewater Reclamation Fund (\$33,500) for solar generation fees.

- Increase Capital Fund allocations (transferred from General Fund) by \$25,000 to design street and drainage improvements on Reed Avenue.
- Increase General Fund allocations for passenger greeting services at the Santa Fe Depot by \$4,000.
- Increase Capital Fund allocations (transferred from General Fund) by \$300,000 for capital facility improvements in compliance with Americans with Disabilities Act guidelines.
- Decrease Public Transportation Fund allocations by \$99,768 to eliminate the installation of parking meters along Main Street in downtown Norman.
- Increase Public Transportation Fund allocations by \$12,640 for utility costs at the new Transit Center.
- Increase Public Safety Sales Tax allocations by \$2,100,000 for the purchase of an additional ladder truck.
- Increase Capital Fund allocations (transferred from General Fund) by \$416,635 for additional sidewalk improvement programs.
- Increase Capital Fund allocations (transferred from General Fund) by \$150,000 for a two-year pilot Public Mural Art program.
- Increase Norman Forward Fund allocations by \$358,916 to correct total project allocations.
- Decrease Wastewater Reclamation Fund allocations by \$533,041 to eliminate a discontinued revenue source.
- Increase Capital Fund allocations (transferred from General Fund) by \$500,000 for improvements to 718 N. Porter.

The Fiscal Year 2022-2023 Budget, as amended, was adopted at a Special Council Meeting on June 13, 2023. The budget adoption was the culmination of months of public input and Council discussion of the budget, making it truly a policy, communications, operations and financial document.

SUMMARY

The fiscal year 2023-2024 budget reflects a period of relative plenty in some City operations. The City has directed increased personnel in targeted areas and increased employee compensation, along with allocating funds for one-time capital improvements in prioritized areas. Under the direction of the Council, the City will continue to work within limited resources to provide the services which our residents deserve and demand while looking for new or more efficient revenue sources and/or reducing services in targeted areas. It is to the great credit of our policy makers,

City employees and our citizens that Norman continues to be able to provide these basic services and capital improvements, given our relatively small means. I would be remiss if I did not recognize our elected officials for your leadership throughout this budget year and budget preparation process.

We encourage our residents and visitors to peruse this budget document at their leisure and as their needs require. The Budget documents and all other financial information of the City are open records and our staff and I stand ready to respond to questions that readers have related to the Budget documents.

Sincerely,

A handwritten signature in blue ink, appearing to read "Darrel Pyle", with a stylized flourish at the end.

COMMUNITY PROFILE

History of Norman, Oklahoma

In 1870, the United States Land Office contracted with a professional engineer to survey much of Oklahoma territory. Abner E. Norman, a young surveyor, became chairman and leader of the central survey area in Indian Territory. The surveyor's crew burned the words "NORMAN'S CAMP" into an elm tree near a watering hole to taunt their younger supervisor. When the "SOONERS" (those who headed west before the official Land Run date, April 22, 1889) and the other settlers arrived in the heart of Oklahoma, they kept the name "NORMAN." Today, with an estimated 131,449 residents, Norman is the third largest city in the State of Oklahoma.

Norman was primarily developed around the Santa Fe Railroad. Home to a passenger depot as well as a freight station, Norman became the headquarters for the railway. As business grew, it was necessary to expand the depot three times in the first few years of its existence. The last expansion was announced by J.E. Hurley, General Manager of the Santa Fe Railway, in 1909. The Santa Fe Depot was deeded to the City in 1972 and has had major renovations in the recent past.

The City of Norman has agreed to preserve and maintain the Santa Fe Depot as a historical landmark and use the building in a manner as to benefit the entire community. Performing Arts Studio, Inc. leases the building for rental of meetings, banquets and parties. Daily Amtrak passenger service is provided at the depot as well.

The railroad laid the foundation for Norman to flourish into a prominent city. While other Oklahoma towns were battling to be the capitol, Norman's Mayor, T.R. Waggoner, directed a bill through the Territorial Legislature to become home of the state's first institution of higher learning. In 1890, Norman was chosen as the location for the University of Oklahoma (OU), contingent upon the county passing bonds to construct a building. Town and country residents were also required to donate 40 acres of land for a campus site. The residents of Norman were successful in all their plans to be OU's home and by 1895, the university enrolled 100 students. Today, the Norman campus has an enrollment of approximately 26,695.

Today, OU and the City of Norman are still making history. Norman is recognized as one of the most progressive cities in the state and the Norman Public School system is acknowledged as one of the top school systems in Oklahoma.

Norman's rich history plays an important role in citizen's lives and we continually make our history book more exciting with each passing year.

Norman — The City of Festivals

Widely recognized as the “City of Festivals”, Norman is the host of several annual festivals that are free to the public. Spring and Summer festivals include the Medieval Fair, Earth Day Festival, Norman Music Festival, May Fair, Juneteenth Festival, Jazz in June, and Midsummer Night’s Fair in July. Fall and Winter festivals include a Holiday Celebration in December and the Chocolate Festival held in February.

City Of Norman Organization Chart

COUNCIL STRATEGIC PLAN, PRIORITIES, AND ISSUES

At the start of each fiscal year, which is also the start of New Council Member terms, the Norman City Council conducts a facilitated strategic planning retreat, at which goals and plans for the coming year or years are discussed. Through the Retreat discussion, priority is given to those strategic areas in which the most interest is shown by Council Members. Through Council consensus at this Retreat, the various Council committees are given assignments of areas of concentration within their committee’s purview, which will result in Council action and/or directions to the City Manager over the coming fiscal year or longer-term if addressing the priority will take more than a year, or require future voter consideration. For FYE 24, Council’s priorities include impacts on the City related to the University of Oklahoma’s move to the Southeastern Conference, as well as the completion of multiple Comprehensive Plan updates including Transportation, Stormwater, and Public Safety.

MISSION STATEMENT: Through sustainable, innovative policies that enhance the lives of all residents, the Norman City Council are stewards of the public trust, committed to improving quality of life and responsibly investing in our future.

CITY OF NORMAN

Discussion of the Graph

This graph illustrates the staffing level for the City of Norman relative to the population over a ten-year period. In FYE 2024, the City will employ 916 permanent employees, which is eleven more positions than budgeted in FYE 2023. Eighty-six positions are related to the Public Safety Sales Tax that was approved by citizens of Norman to increase Police & Fire protection. At 916 personnel, the City is budgeting 82 more positions than in FY 2015, or an increase of 9.8%. In 2024, the City of Norman's population is projected to be 133,158, an increase of approximately 13.5% from 2015.

Note: The population figures used for the graph are estimates provided by the City of Norman Planning and Finance Departments

Discussion of the Graph

This graph illustrates the distribution of positions by bargaining unit. In FY 2023-2024 the City will employ 916 budgeted full-time and permanent part-time employees. The largest number of personnel (374) are in the American Federation of State, County and Municipal Employees (AFSCME) union. There are a total of 256 Police Department personnel, of which 178 are members of the Fraternal Order of Police (FOP) union and 53 are AFSCME members. There are a total of 164 Fire Department personnel, of which 158 are members of the International Association of Fire Fighters (IAFF) union. Executive employees include the 12 department directors, the Assistant City Manager, and the City Manager of the City of Norman. There are 206 employees that are non-union members including the executive employees.

ASSESSED PROPERTY VALUATIONS 10 Year Comparison

Discussion of the Graph

Property taxes are utilized by cities in Oklahoma only for repayment of debt and for payment of court judgements against the City. These taxes are assessed on approximately 12% of the estimated actual value of real, personal and public service property. The assessed property valuations reflect the revaluation process as well as the growth factor in the City of Norman. The on-going revaluation process reflects the upswing in real estate values, which began in FYE 1993, and has continued.

* Real Valuations do not include the homestead exemption

CITY OF NORMAN

CITY PORTION OF TOTAL PROPERTY TAX MILL LEVIES

Discussion of the Graph

The City portion of actual property taxes levied in Norman in 2022 were 7.7 mills or \$9,143,452 which is 1% of the assessed property value in Norman. According to the Cleveland County Assessor, the median home value in the City of Norman is an estimated \$186,373.

Annual Property Tax Distribution based on \$186,373 Median Home Value - 2022

Discussion of the Graph

This graph represents new permits for construction of single family residential permit values for the ten-year period. Beginning in 2015, residential construction levels dropped and continued to drop in 2016. In 2017, residential construction began to increase and the average permit value jumped by about \$20,000 per unit from fiscal year 2017 to 2018. Fiscal year 2019 saw a slight decrease in single family construction from 2018. Norman’s permit count increased 56% from fiscal year 2019 to 2021, matching nation-wide growth trends for residential building permits that hit a 12-year high according to the U.S. Census Bureau. Permit counts and values started to return to normal levels in fiscal year 2022.

**PROPERTY, FRANCHISE, SALES & USE TAXES
10 Year Comparison**

Discussion of the Graph

These are the primary tax sources available to the City of Norman. The property tax is used to service bonded debt and court judgments (see graph of Assessed Property Valuations), while the sales, use and franchise taxes are used for General Fund operations and capital (see graphs of General Fund Revenue and Distribution of Sales Tax). Beginning in FYE 09, sales tax includes the Public Safety Sales Tax that was approved by voters on May 13th, 2008. On April 1, 2014, the citizens approved a permanent extension of the Public Safety Sales Tax. On October 13, 2015, the citizens approved a one half of one percent (.5%) sales tax for NORMAN FORWARD quality of life projects. This tax became effective January 1st of 2016. On November 12, 2019, the citizens approved a one eighth of one percent (0.125%) sales tax transfer from Cleveland County to the city for the operation of the city's public transit program, effective April 1, 2020. Sales tax performance is a good indicator of economic trends. Property tax collections indicate an increasing level of bonded indebtedness.

CITY OF NORMAN

Discussion of the Graph

The City of Norman has a 4.125% sales tax rate effective April 1, 2020, which is the primary source of revenue for General Fund operations and capital expenditures. 7/10 of one percent (0.7%) of sales tax revenue is used to finance general governmental capital needs. Sales tax revenues steadily increased from 2012 to 2017, remained relatively flat from 2017 to 2020, and saw significant growth again from 2020 to 2022. On May 13, 2008, Norman citizens approved a 1/2 percent (0.5%), 7-year, public safety sales tax dedicated to additional police and fire personnel and two new fire stations. On April 1, 2014, the citizens approved a permanent extension of that tax. Debt funded with sales tax revenues has remained low over the 10-year period. Beginning in FYE 2014, the portion of sales tax diverted to the General Obligation (G.O.) Combined Purpose Bonds Fund (Fund 64) to pay for 1992 G.O. Bonds is no longer needed. The bond was completely paid off. In October of 2015, citizens approved a 1/2 percent (0.5%) new sales tax called NORMAN FORWARD Sales Tax. The NORMAN FORWARD initiative provides for funding for recreational, athletic, library, park and infrastructural improvements. On November 12, 2019, Norman citizens approved transferring 1/8 of one percent (0.125%) of sales tax from Cleveland County to the city to help fund the transit operation.

FYE 2024 ALL FUNDS PROJECTED TOTAL REVENUES
\$263,135,958

Discussion of the Graph

Budgeted revenues for FYE 2024 of \$263,135,958 are derived from several sources. General Sales Tax and User Fees & Charges provide the City the largest share of revenue. Fees & Charges include user fees for Sanitation, Water, Water Reclamation, Westwood Park, licenses and fees for other City services. The City of Norman is very reliant on sales tax collections for its operations. The "Other Taxes" portion includes the small percentage of property tax the City gets.

CITY OF NORMAN

**FYE 2024 ALL FUNDS PROJECTED TOTAL EXPENDITURES
\$281,428,362**

Discussion of the Graph

Budgeted expenditures for FYE 2024 of \$281,428,362 are derived from several uses. The largest non-capital portion is Public Safety at 24.1%. The City of Norman is known for being a safe community and the citizens place a high importance on public safety.

Discussion of the Graph

The primary sources of General Fund revenues are sales and franchise taxes. Total taxes range from 70% of total revenues in FYE 2015 to an estimated 72.2% of total revenues in FYE 2023, and a projected 73.6% in FYE 2024. Beginning in FYE 11, the Public Safety Sales Tax was accounted for in the Public Safety Sales Tax Fund and removed from the General Fund. Beginning in FYE 20, the University North Park sales tax apportionment was accounted for in the General Fund and the Capital Fund in the same proportion as all general sales taxes. The associated increase in General Fund tax revenues is illustrated on the chart above.

Discussion of the Graph

As shown by the graph, personnel costs represent the largest share of General Fund expenditures. Personnel costs represented approximately 72.2% of total General Fund expenditures in FYE 2015 and are projected to comprise about 64% of General Fund expenditures in FYE 2024. Beginning in FYE 2011, the Public Safety Sales Tax Fund was created and the associated expenses were taken out of the General Fund.

FYE 2024 GENERAL FUND REVENUES BY SOURCE
\$105,057,886

Discussion of the Graph

Taxes comprise approximately 74% of the General Fund's revenue; sales and use tax represents 64.4% while franchise fees represent 6.8% and other taxes account for 2.4%. Cost allocations represent 5.5% of the General Fund's revenue. These allocations are charges for central services such as management, accounting and data processing provided by the General Fund to other funds such as Enterprise Funds. Transfers include charges to the utility funds (payments in lieu of franchise fees and property taxes), a transfer from the Capital Fund for reimbursement of street maintenance crew labor used for capital projects and financing General Fund capital equipment needs, and a transfer from the Debt Service Fund for judgments and claims against the City. Other revenues include miscellaneous revenues such as animal adoption fees, weed abatement fees, returned check fees, etc.

FYE 2024 GENERAL FUND EXPENDITURES BY DEPARTMENT
\$107,620,379

Discussion of the Graph

The largest departmental expenditure from the General Fund is the Police Department. The Police Department's expenditures total \$27,738,761 or 26% of total General Fund expenditures. Public Works has the next highest amount of General Fund expenditures, accounting for 22% of total General Fund expenditures. Public Safety (Police and Fire) and Public Works account for 68% of General Fund expenditures.

**WATER FUND OPERATIONS
10 YEAR COMPARISON**

Discussion of the Graph

The Water Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. Any excess of operating revenues is used for capital outlay and capital project expenses, as well as to fund debt service. The significant increase in revenue in 2016 is due to a water rate increase that was approved by the citizens on January 13, 2015.

WATER RECLAMATION FUND OPERATIONS
10 Year Comparison

Discussion of the Graph

The Water Reclamation Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. The excess of operating revenues is used for capital outlay and capital project expenses, as well as to fund debt service. In FYE 2015, the Sewer Line Maintenance operation was transferred from the Sewer Line Maintenance Fund to the Water Reclamation Fund. The last water reclamation rate increase was approved by the citizens on November, 12, 2013.

Discussion of the Graph

The Sanitation Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. The excess of operating revenues are used for capital outlay and capital project expenses as well as to repay outstanding debt. The last service rate increase was approved by voters on March 1, 2011.

FINANCIAL POLICIES

FINANCIAL POLICIES

Several financial policies have been used in the development of the Fiscal Year Ending 2024 (FYE 24) Budget and five-year forecast. The applications of the policies vary given the type of Fund. The “Budget Highlights” section identifies the specific application of each policy, if it applies to that particular fund. The financial policies that have been applied to various funds are documented below.

Balanced Budget

The City shall annually adopt a balanced budget in accordance with the Oklahoma Municipal Act (Title 11 Oklahoma Statutes 2006). As such, expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget (i.e., a fund balance cannot be negative).

Five Year Forecast

Five-year forecasts of resources and the utilization of those resources have been prepared for all Funds of the City for the purpose of projecting existing conditions into the future to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy actions. The City legally adopts a budget for a one-year period; five-year forecasts are prepared for financial planning purposes. Based on these actions and other factors, actual financial performance in future years will vary from that projected here.

Reasonable Cost of Service

For purposes of projecting existing costs into the future it has been assumed that existing costs are reasonable given existing service levels.

Reserve Policies

Operating Reserve

In fiscal year 2011, Council directed staff to prepare a formal policy in Ordinance form codifying the City’s reserve policies and complying with Governmental Accounting Standards Board Statement # 54. Direction was given to establish a separate “Rainy Day Fund” which could not be used except in unusual circumstances. The Ordinance (effective July 28, 2011) establishes a Net Revenue Stabilization or “Rainy Day” Fund, which would have minimum fund balance of three percent (3%) of annual budgeted General Fund expenses, a target fund balance of four and a half percent (4.5%) of General Fund expenses and a maximum fund balance of six percent (6%) of annual General fund expenses. The Ordinance also requires a minimum General Fund Operating Reserve fund balance of three percent (3%) of General Fund expenses and would require that the two percent (2%) Emergency Reserve allocation be included in future year budgets. Under the Ordinance, Net Revenue Stabilization Fund balance could only be appropriated for expenditure by the City Council if at least one of three circumstances is met:

- 1.) The General Fund Operating Reserve fund balance is projected to fall below one percent (1%) of budgeted expenditures.

- 2.) A natural or man-made disaster has occurred; AND the City of Norman has spent or obligated to spend the two percent Emergency Reserve account in the General Fund
- 3.) A major one-time or capital expenditure has been necessitated, such as for major repairs to or replacement of City of Norman facilities.

Ordinance O-1819-10, approved by the Council in fiscal year ending 2019, reduced the budgeted Emergency Reserve allocation requirement from 2% to 1% in each future budget year. Once the 3% Operating Reserve and the 1% Emergency Reserve have been met, this Ordinance also increases the “Rainy Day Fund” minimum balance to 4% and maximum balance to 7% of annual budgeted General Fund expenses. The new targeted balance set by this Ordinance is 5% of annual budgeted General Fund expenses.

Capital Reserve

A portion of fund balance equal to the average of the forecasted capital expenditures during the five-year forecasted period has been reserved in each fiscal year budget to provide assurance that resources are available to provide for the normal replacement of depreciable assets.

Debt Reserve

A portion of fund balance equal to the average annual debt service requirement has been reserved to provide assurance that resources are available to meet each fiscal year’s debt service payment. This policy may be superseded by requirements of bond covenants or the absence of outstanding debt.

Investment Policy

Policy:

It is the policy of the City of Norman to invest all public funds in a manner which will provide the maximum security of principal, while meeting the daily cash flow demands of the City, conforming to all state and local statutes governing the investment of public funds, and providing the highest practical investment return within these guidelines.

Diversification:

The City of Norman will diversify its investments by institution. With the exception of U.S. Treasury and agency securities and authorized pools, no more than 50% of the entity's total investment portfolio will be placed through a single financial institution.

Maximum Maturities:

To the extent possible, the City of Norman will attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City of Norman will not directly invest in securities maturing more than ten years from the date of purchase.

Internal Control:

The City Finance Director shall establish an annual process of independent review by an external auditor. The review will provide internal control by assuring compliance with policies and procedures.

Performance Standards:

The investment portfolio will be designed to obtain a market average rate of return during budgetary and economic cycles, taking into account the City of Norman's investment risk constraints and cash flow needs.

Reporting:

The City Finance Director shall provide the City Council with a monthly investment activity report within fifteen days of the closing of financial transactions for the month for which the report is made. The report shall include a listing of the investment transactions made and the amounts therefor; interest earned on each investment within the month; current investment and maturity schedules; and overall performance compared to previous years and market benchmarks.

Debt Policy

The Debt Policy for the City of Norman is established to help ensure that all debt is issued both prudently and cost effectively. The Constitution of the State of Oklahoma, Article X, Sections 26-28 allow the indebtedness of a city for the purpose of financing the purchase, construction, or improvement of any public utility or combination of public utilities which shall be owned exclusively by such city.

The City of Norman, with differing levels of approval (majority voter approval for some, 60% voter approval for some, Council approval for some), may legally issue debt using any of the debt instruments below:

- Unlimited Tax General Obligation Bonds
- Limited Tax General Obligation Bonds
- Revenue Bonds
- Certificates of Participation (COPs)
- Special Assessment District Bonds
- Tax Increment Finance District Bonds
- Revenue Anticipation Notes
- Bond Anticipation Notes
- Tax Anticipation Notes
- Short Term Debt
- Local Option Capital Asset Lending (LOCAL) Program Debt

The City of Norman's 2022 legal debt limit is approximately \$118,746, based on Section 26 of the Oklahoma Constitution. It states that bonds issued for road and/or bridge improvements cannot exceed ten percent (10%) of the net assessed valuation (gross valuation minus homestead) of

the City. This limit can be raised by a vote of the people. There is no real legal debt limit; the practical limit is based on what the voters would consider an appropriate level of property tax-backed debt.

The City maintained an "Aaa" rating from Moody's for those general obligation debt issues that are rated by the service. The Norman Utility Authority maintained an "Aaa" rating from Moody's for those debt issues that they rate.

Levelized Rates

Utility rates should be set at a level to meet the average net income requirement over a five-year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Utility Transfer to General Fund

The amount of transfer from the Water and Water Reclamation Funds in support of the General Fund is based on a policy that provides continuity in all three funds. A transfer equal to 5% of the operating revenue in each utility would return to the General Fund an amount consistent with what public utilities provide in franchise fees and property taxes. This transfer was increased in FYE 11 from 2%.

Municipal Budget Act

The City of Norman adopted the "Municipal Budget Act," a provision of State Statute, by Resolution R-7980-28 dated January 22, 1980. A copy of the Municipal Budget Act is found in this section of the document.

THE BUDGET AND ACCOUNTING PROCESS

The City of Norman, Oklahoma, is a municipal corporation incorporated under a Municipal Charter pursuant to Article XVIII, of the Constitution and laws of the State of Oklahoma. The City operates under a Council-Manager form of government and provides such services as are authorized by its Charter to advance the welfare, health, morals, comfort, safety and convenience of the City and its inhabitants.

The City's major activities or functions include police and fire protection, parks and libraries, public health and social services, planning and zoning and general administrative services. In addition, the City owns and operates four major enterprise activities - the Water, Water Reclamation and Sanitation utility system, and the Westwood Park complex. This budget includes the fund and account groups required to account for those activities, organizations and functions that are related to the City and controlled by or dependent upon the City's governing body, the City Council.

THE BUDGET PROCESS

The City prepares its annual operating budget on a basis (Budget basis) which differs from Generally Accepted Accounting Principles (GAAP basis). The major difference between GAAP and Budget basis is that encumbrances are recorded as reservations of fund balance on a GAAP basis as opposed to the equivalent of expenditures (Budget basis) in all governmental funds.

The City of Norman uses modified zero-based budgeting to develop the annual operating budget. This approach requires City Departments to present a basic budget and supplements to the basic budget, which represents program additions or enhancements. The City Council adheres to the following procedures in establishing the budget:

1. Under the City Charter, the City Manager is responsible for preparing and recommending an operating budget for City Council consideration. The City Manager, working with staff in all Departments, reviews and evaluates all basic budgets and supplemental requests to determine whether they fulfill City Council goals and objectives, improve management effectiveness, or increase productivity. The proposed budget, which the City Manager submits to the City Council, includes recommendations of the program of services, which the City should provide, and which can be financed by the City's projected revenue for the budget year. The Manager must submit a balanced budget for the next fiscal year not later than 30 days prior to the end of the current fiscal year.
2. The City Council considers the Manager's recommended budget in a series of work sessions and in public hearings at which citizen comment is invited. Citizens are encouraged to participate in the budget process. A copy of the proposed budget and the adopted budget are filed in the City Clerk's office and the Norman Public Library. Additional or supplemental information is available upon request.
3. The budget for the next fiscal year is legally enacted by the City Council through passage of an ordinance not later than seven days before the beginning of the new budget year.
4. Expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget. The City Manager, without Council approval, may transfer

appropriation balances from one expenditure account to another within a Fund/Department of the City. The City Council, however, must approve any transfer of unencumbered appropriation balance or portions thereof from one Fund to another.

5. Annual budgets are legally adopted for all governmental funds. Budgets for the Debt Service Funds are adopted on a basis consistent with Generally Accepted Accounting Principles. The expendable trust fund includes non-budgeted financial activities, which are not subject to an appropriated budget and the appropriation process nor to any legally authorized non-appropriated budget review and approval process.
6. At the close of each fiscal year, any unencumbered appropriation balance lapses or reverts to the undesignated fund balance.

THE ACCOUNTING PROCESS

The accounting and reporting policies of the City conform to Generally Accepted Accounting Principles (“GAAP”) applicable to state and local governments. Generally Accepted Accounting Principles for local governments include those principles prescribed by the Governmental Accounting Standards Board (“GASB”), which includes all statements and interpretations of the National Council on Governmental Accounting unless modified by the GASB, and those principles prescribed by the American Institute of Certified Public Accountants in the publication entitled Audits of State and Local Governmental Units. The following is a summary of the more significant policies and practices used by the City.

BASIS OF PRESENTATION

The accounts of the City are organized and operated on the basis of funds or account groups, each of which is considered to be a separate fiscal and accounting entity. The operations of each fund are accounted for with a self-balancing set of accounts that comprise its assets, liabilities, fund balances or retained earnings, revenues and expenditures or expenses. The various funds are grouped by category and type. The City maintains the following fund classifications and account groups:

CITY OF NORMAN FUNDS

All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

GOVERNMENTAL FUNDS

Governmental funds are used to account for the relatively liquid portion of the City’s assets that are not accounted for through proprietary or fiduciary funds, the short-term obligations pertaining thereto and the net balance of these financial resources available for subsequent appropriation and expenditure.

General Fund - The General Fund is the general operating fund of the City. This fund is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts or major capital projects) that are legally restricted to expenditures for specific purposes.

CITY OF NORMAN

Debt Service Funds - Debt Service Funds are used to account for the accumulation of resources for, and the payment of general long-term debt principal, interest and related costs.

Capital Project Fund - The Capital Projects Fund is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds). They are presented in a separate document.

PROPRIETARY FUNDS

Proprietary Funds are those used to account for the City's ongoing organizations and activities which are similar to those found in the private sector. The measurement focus is upon capital maintenance and upon determination of net income, financial position and changes in financial position.

Enterprise Funds - Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises wherein the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Internal Service Funds – Internal Service Funds are used to allocate certain costs (e.g. Risk Management/Insurance) to other funds within the government.

FIDUCIARY FUNDS

Fiduciary Funds are used to account for assets held by the City in a trustee capacity or as an agent for other governmental units and/or other funds. Trust and Agency Funds include expendable trust and payroll agency funds. (Not presented in this document).

BASIS OF ACCOUNTING

Basis of accounting refers to the time at which revenues and expenditures or expenses are recognized in the accounts and reported. Governmental funds, expendable trust funds, and agency funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available as net current assets. Available means collectible within the current period or expected to be collected within 60 days after year end and be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include unmatured principal and interest on general long-term obligations which are recognized when due. This exception is in conformity with Generally Accepted Accounting Principles.

Property tax revenues and sales tax receipts are considered measurable and available when collected and recognized as revenue at that time. Licenses and permits, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded on the accrual basis in all funds.

Intergovernmental revenues are recorded on a basis applicable to the legal and contractual requirements of the various individual grant programs.

All proprietary funds are accounted for using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recorded in the accounting period incurred, if measurable.

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities since the commitments will be honored during the subsequent year. For budgetary purposes, encumbrances outstanding at year end and the related appropriation are carried forward to the new fiscal year. Encumbrances constitute the equivalent of expenditures for budgetary purposes.

MUNICIPAL BUDGET ACT
(Title 11 Oklahoma Statutes 2006)

SECTION 17-201. MUNICIPAL BUDGET ACT.

This act may be cited as the “Municipal Budget Act.”

SECTION 17-202. PURPOSE OF ACT.

The purpose of this act is to provide an alternate budget procedure for municipal governments, which will:

1. Establish standard and sound fiscal procedures for the adoption and administration of budgets;
2. Make available to the public and investors sufficient information as to the financial conditions, requirements and expectations of the municipal government; and
3. Assist municipal governments to improve and implement generally accepted standards of finance management.

SECTION 17-203. APPLICATION OF ACT

This act shall apply to any incorporated city or town which, by resolution of the governing body, opts to come under and comply with all its provisions and requirements. Once a municipality has selected the Municipal Budget Act to govern its budget procedures, the provisions of this act shall take precedence over any other state laws applicable to municipal budgets, except as may be provided otherwise in this act, and supersede any conflicting laws. Any action of a municipal governing body to implement, rescind or repeal the application of the Municipal Budget Act shall be effective as of the beginning or end of a budget year pursuant to this act.

SECTION 17-204. DEFINITIONS

As used in this act:

1. “Account” means an entity for recording specific revenues or expenditures, or for grouping related or similar classes of revenues and expenditures and recording them within a fund or department;
2. “Appropriated fund balance” means any fund balance appropriated for a fund for the budget year;
3. “Appropriation” means an authorization to expend or encumber income and revenue provided for a purpose;
4. “Budget” means a plan of financial operations for a fiscal year, including an estimate of proposed expenditures for given purposes and the proposed means for financing them;
5. “Budget summary” means a tabular listing of revenues by source and expenditures by purpose for the budget year;

CITY OF NORMAN

6. "Budget year" means the fiscal year for which a budget is prepared or being prepared;
7. "Chief executive officer" means the mayor of an aldermanic city or a strong-mayor-council city, the mayor of a town, or the city manager or chief administrative officer as it may be defined by applicable law, charter or ordinance;
8. "Current year" means the year in which the budget is prepared and adopted, or the fiscal year immediately preceding the budget year;
9. "Deficit" means the excess of a fund's current liabilities and encumbrances over its current financial assets as reflected by its books of account;
10. "Department" means a functional unit within a fund which carries on a specific activity, such as a fire department or a police department within a general fund;
11. "Estimated revenue" means the amount of revenues estimated to be received during the budget year;
12. "Fiscal year" means the annual period for reporting fiscal operations which begins and ends on dates as the Legislature provides or as provided by law;
13. "Fund" means an independent fiscal and accounting entity with a self-balancing set of accounts to record cash and other financial resources, together with all liabilities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives;
14. "Fund balance" means the excess of a fund's current financial assets over its current liabilities and encumbrances, as reflected by its books of account;
15. "Governing body" means the city council of a city, the board of trustees of a town, or the legislative body of a municipality as it may be defined by applicable law or charter provision;

20. "Municipality" means any incorporated city or town; and
21. "Purpose" means the specific budget item for a contract or claim.

SECTION 17-205. ANNUAL BUDGET - PREPARATION AND SUBMISSION - ASSISTANCE OF OFFICERS, EMPLOYEES AND DEPARTMENTS

At least thirty (30) days prior to the beginning of each fiscal year, a budget for the municipality shall be prepared by the chief executive officer and submitted to the governing body. The chief executive officer may require any other officer or employee who is charged with the management or control of any department or office of the municipality to furnish estimates for the fiscal year covering estimated revenues and expenditures of the department or office on or before a date set by the chief executive officer.

SECTION 17-206. REQUIREMENTS AND CONTENTS OF BUDGET

- A. The municipal budget shall present a complete financial plan for the municipality and shall present information necessary and proper to disclose the financial position and condition of the municipality and the revenues and expenditures thereof.
- B. Unless the budget is prepared in accordance with the subsection E of this section, the budget shall contain the following contents:
 - 1. The budget shall contain a budget summary;
 - 2. It shall also be accompanied by a budget message, which shall explain the budget and describe its important features;
 - 3. The budget format shall be as provided by the governing body in consultation with the chief executive officer; and
 - 4. It shall contain at least the following in tabular form for each fund, itemized by department and account within each fund:
 - a. actual reserves and expenditures for the immediate prior fiscal year,
 - b. revenues and expenditures for the current fiscal year as shown by the budget for the current year as adopted or amended, and
 - c. estimates of revenues and expenditures for the budget year.
- C. The estimate of revenues for any budget year shall include probable income by source which the municipality is legally empowered to collect or receive at the time the budget is adopted. The estimate shall be based on a review and analysis of past and anticipated revenues of the municipality. Any portion of the budget of revenues to be derived from ad valorem property taxation shall not exceed the amount of tax which is available for appropriation, as finally determined by the county excise board, or which can or must be raised as required by law. The budget of expenditures for each fund shall not exceed the estimated revenues for each fund. No more than ten percent (10%) of the total budget for any fund may be budgeted for miscellaneous purposes. Included in the budget of revenues or expenditures for any fund may be amounts transferred from or to another fund. Any such interfund transfer must be shown as a disbursement from the one fund and as a receipt to the other fund.

- D. Encumbrances for funds whose sole purpose is to account for grants and capital projects and/or any unexpended appropriation balances may be considered nonfiscal and excluded from the budget by the governing body, but shall be re-appropriated to the same funds, accounts and for the same purposes for the successive fiscal year, unless the grant, project or purpose is designated or declared closed or completed by the governing body.
- E. As an alternative to the budget format and content described in subsections B, C, and D of this section, the municipality may prepare its budget in a program or purpose format for the municipality as a whole without regard to fund accounting. Such budget shall be subject to all other requirements of the Municipal Budget Act, except those requirements specifically related to fund accounting.

SECTION 17-207. MONIES RECEIVED AND EXPENDED MUST BE ACCOUNTED FOR BY FUND OR ACCOUNT

Any monies received or expended by a municipality must be accounted for by fund and account, regardless of the format of the budget. Each municipality shall adopt an appropriation for the general fund and for all other funds established by the governing body pursuant to the provisions of Section 17-212 of this title, or as an alternative, for each purpose as established by the governing body. The municipal governing body shall determine the needs of the municipality for sinking fund purposes, pursuant to the provisions of Section 431 of Title 62 of the Oklahoma Statutes, Section 3017 of Title 68 of the Oklahoma Statutes, and Section 28 of Article 10 of the Oklahoma Constitution, and include these requirements in the debt service budget for the budget year.

SECTION 17-208. PUBLIC HEARING ON PROPOSED BUDGET - NOTICE - COPIES OF PROPOSED BUDGET

The municipal governing body shall hold a public hearing on the proposed budget no later than fifteen (15) days prior to the beginning of the budget year. Notice of the date, time and place of the hearing, together with the proposed budget summary, shall be published in a newspaper of general circulation in the municipality not less than five (5) days before the date of the hearing. The municipal clerk shall make available a sufficient number of copies of the proposed budget as the governing body shall determine and have them available for review or for distribution or sale at the office of the municipal clerk. Whenever the total operating budget, not including debt service, does not exceed Twelve Thousand Dollars (\$12,000.00) per year, the proposed budget summary and notice may be posted at the governing body's principal headquarters in lieu of publication in a newspaper. At the public hearing on the budget any person may present to the governing body comments, recommendations or information on any part of the proposed budget.

SECTION 17-209. ADOPTION OF BUDGET - FILING - EFFECTIVE PERIOD - USE OF APPROPRIATED FUNDS - LEVYING TAX

- A. After the hearing and at least seven (7) days prior to the beginning of the budget year, the governing body shall adopt the budget by resolution, or as any charter may require. The governing body may add or increase items or delete or decrease the items in the budget. In all cases the appropriations shall not exceed the income and revenue provided by the governing body from estimated revenues and appropriated fund balance.

- B. The adopted budget shall be transmitted to the State Auditor and Inspector within thirty (30) days after the beginning of the fiscal year of the municipality and one copy shall be kept on file in the office of the municipal clerk. A copy of the municipality's sinking fund requirements shall be filed with the excise board of the county or counties in which the municipality is located.
- C. The adopted budget shall be in effect on and after the first day of the fiscal year to which it applies. The budget as adopted and filed with the State Auditor and Inspector shall constitute an appropriation for each purpose as defined by the governing body, and the appropriation thus made shall not be used for any other purpose except as provided by law.
- D. At the time required by law, the county excise board shall levy the taxes necessary for the municipality's sinking fund for the budget year pursuant to Section 431 of Title 62 of the Oklahoma Statutes.

SECTION 17-210. PROTESTS - FAILURE TO PROTEST - EXAMINATION OF FILED BUDGET

Within fifteen (15) days after the filing of any municipal budget with the State Auditor and Inspector, any taxpayer may file protests against any levy of ad valorem taxes for creating sinking funds in the manner provided by this section and Sections 24104 through 24111 of Title 68 of the Oklahoma Statutes. The fifteen-day protest period begins upon the date the budget is received in the Office of the State Auditor and Inspector. After receipt of a taxpayer protest, the State Auditor and Inspector shall transmit by certified mail one copy of each protest to the municipal clerk, and one copy of each protest to the county treasurer and the excise board of each county in which the municipality is located. The taxpayer shall specify the grounds upon which the protest is based. Any protest filed by any taxpayer shall inure to the benefit of all taxpayers. Provided, the provisions of this section shall not delay any budget expenditures of a municipality if the amount of revenue from the ad valorem tax levy which is deposited in the municipal general fund is less than five percent (5%) of the total revenue accruing to the municipal general fund during the prior year. If no protest is filed by any taxpayer within the fifteen-day period, the budget and any appropriations thereof shall be deemed legal and final until amended by the governing body or the county excise board as authorized by law. Taxpayers shall have the right at all reasonable times to examine the budget on file with the municipal clerk or the State Auditor and Inspector for the purpose of filing protests in accordance with this section and Sections 24104 through 24111 of Title 68.

SECTION 17-211. EXPENDITURE OR ENCUMBRANCE OF FUNDS - BALANCES TO BE CARRIED FORWARD - UNLAWFUL ACTS AND LIABILITY THEREFORE

- A. No expenditure may be incurred or made by any officer or employee, which exceeds the fund balance for any fund. Any fund balance remaining in a fund at the end of the fiscal year shall be carried forward to the credit of the fund for the next fiscal year. No expenditure may be authorized or made by any officer or employee, which exceeds the appropriation of any fund.
- B. It shall be unlawful for any officer or employee of the municipality in any budget year:

1. To create or authorize creation of a deficit in any fund; or
 2. To authorize, make or incur expenditures in excess of ninety percent (90%) of the appropriation for any fund or the budget as adopted or amended until revenues received, including the prior fiscal year's fund balance carried forward, totals an amount equal to at least ninety percent (90%) of the appropriation for the fund. Expenditures may then be made and authorized so long as any expenditure does not exceed any fund balance.
- C. Any obligation that is contracted or authorized by any officer or employee in violation of this act shall become the obligation of the officer or employee himself and shall not be valid or enforceable against the municipality. Any officer or employee who violates this act shall forfeit his office or position and shall be subject to such civil and criminal punishments as are provided by law. Any obligation, authorization for expenditure or expenditure made in violation of this act shall be illegal and void.

SECTION 17-212. FUNDS - ESTABLISHMENT - KINDS

A municipality shall establish funds consistent with legal and operating requirements. Each municipality shall maintain according to its own needs some or all of the following funds or ledgers in its system of accounts:

1. A general fund, to account for all monies received and disbursed for general municipal government purposes, including all assets, liabilities, reserves, fund balances, revenues and expenditures which are not accounted for in any other fund or special ledger account. All monies received by the municipality under the motor fuel tax or under the motor vehicle license and registration tax and earmarked for the street and alley fund may be deposited in the general fund and accounted for as a "street and alley account" within the general fund. Expenditures from this account shall be made as earmarked and provided by law. All references to the street and alley fund or to the special fund earmarked for state-shared gasoline and motor vehicle taxes may mean the street and alley account provided in this section;
2. Special revenue funds, as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes;
3. Debt service fund, which shall include the municipal sinking fund, established to account for the retirement of general obligation bonds or other long term debt and payment of interest thereon and judgments as provided by law. Any monies pledged to service general obligation bonds or other long-term debt must be deposited in the debt service fund;
4. Capital project funds, to account for financial resources segregated for acquisition, construction or other improvement related to capital facilities other than those accounted for in enterprise funds and non-expendable trust funds;
5. Enterprise funds, to account for each utility or enterprise or other service, other than those operated as a department of the general fund, where the costs are financed primarily through user charges or where there is a periodic need to determine revenues earned, expenses incurred or net income for a service or program.

6. Trust agency funds, to account for assets held by the municipality as trustee or agent for individuals, private organizations or other governmental units or purposes, such as a retirement fund or a cemetery perpetual care fund;
7. Special assessment funds, to account for the financing of public improvements or services deemed to benefit properties against which special assessments are levied; a separate fund for each special improvement district established by the governing body shall be established, each of which shall be known as a special assessment fund;
8. Internal service funds, to account for the financing of goods or services provided by one department or agency of the municipality to another department or agency, or to another government, on a cost reimbursement basis;
9. A ledger or group of accounts in which to record the details relating to the general fixed assets of the municipality;
10. A ledger or group of accounts in which to record the details relating to the general bonds or other long term debt of the municipality; or
11. Such other funds or ledgers as may be established by the governing body.

SECTION 17-213. FUNDS - CLASSIFICATION OF REVENUES AND EXPENDITURES

Each fund shall be made up of accounts for classifying revenues and expenditures. Revenues shall be classified separately by source. Expenditures shall be departmentalized within each fund and shall be classified into at least the following accounts:

1. Personal services, which may include expenses for salaries, wages, per diem or other compensation, fees, allowances or reimbursement for travel expenses, and related employee benefits, paid to any officer or employee for services rendered or for employment. Employee benefits may include employer contributions to a retirement system, insurance, sick leave, terminal pay or similar benefits;
2. Materials and supplies, which may include articles and commodities which are consumed or materially altered when used, such as office supplies, operating supplies and repair and maintenance supplies, and all items of expense to any person, firm or corporation rendering service in connection with repair, sale or trade of such articles or commodities;
3. Other services and charges, which may include all current expenses other than those listed in paragraphs 1, 2, 4, 5 or 6 in this section, such as services or charges for communications, transportation, advertising, printing or binding, insurance, public utility services, repairs and maintenance, rentals, miscellaneous items and all items of expenses to any person, firm or corporation rendering such services;
4. Capital outlays, which may include outlays which result in acquisition of or additions to fixed assets which are purchased by the municipality, including machinery and equipment, furniture, land, buildings, improvements other than buildings, and all construction, reconstruction, appurtenances or improvements to real property accomplished according to the conditions of contract;

5. Debt service, which may include outlays in the form of debt principal payments, periodic interest payments, or related service charges for benefits received in part in prior fiscal periods as well as in current and future fiscal periods; and
6. Fund transfers, which may include permanent transfers of resources from one fund to another.

SECTION 17-214. FUNDS - OPERATING RESERVE

A municipality may create an operating reserve for the purpose of providing a fund or reserve out of which to meet emergency expenditures.

SECTION 17-215. TRANSFER OF UNEXPENDED OR UNENCUMBERED APPROPRIATION - LIMITATIONS ON ENCUMBRANCES OR EXPENDITURES

- A. The chief executive officer, or designee, as authorized by the governing body, may transfer any unexpended and unencumbered appropriation or any portion thereof from one purpose to another; except that no appropriation for debt service or other appropriation required by law or ordinance may be reduced below the minimums required.
- B. Any fund balance in an unrestricted fund of the municipality may be transferred to another fund of the municipality as authorized by the governing body. Other interfund transfers may be made only as adopted or amended according to Section 17-206 or 17-216 of this title.
- C. Whenever the necessity for maintaining any fund of a municipality has ceased to exist and a balance remains in the fund, the governing body may authorize the transfer of the balance to the general fund or any other designated fund, unless otherwise provided by law.
- D. No encumbrance or expenditure may be authorized or made by any officer or employee, which exceeds the available appropriation for each purpose as defined by the governing body.

SECTION 17-216. SUPPLEMENTAL APPROPRIATIONS TO FUNDS - AMENDMENT OF BUDGET

- A. The governing body may amend the budget to make supplemental appropriations to any purpose up to the amount of additional income and revenues, which are available and provided for current expenditures due to:
 1. Revenues received or to be received from sources not anticipated in the budget for that year;
 2. Revenues received or to be received from anticipated sources but in excess of the budget estimates therefore; or
 3. Unexpended and unencumbered fund balances on hand at the end of the preceding fiscal year, which had not been anticipated or appropriated in the budget. Any appropriation authorizing the creating of indebtedness shall be governed by the applicable provisions of Section 26 of Article 10 of the Oklahoma Constitution.

- B. If at any time during the budget year it appears probable that revenues available will be insufficient to meet the amount appropriated, or that due to unforeseen emergencies there is temporarily insufficient money to meet the requirements of appropriation, the governing body shall take action as it deems necessary. For that purpose, it may amend the budget to reduce one or more appropriations or it may amend the budget to transfer money from one purpose to another purpose, but no appropriation for debt service may be reduced and no appropriation may be reduced by more than the amount of the unencumbered and unexpended balance thereof. No transfer shall be made from the debt service fund to any other fund except as may be permitted by the terms of the bond issue or applicable law.
- C. A budget amendment as provided in this section authorizing supplemental appropriations or a decrease in the total appropriation of funds shall be adopted at a meeting of the governing body and filed with the municipal clerk and the State Auditor and Inspector.

SECTION 3002 – AUDITS (Title 68 Oklahoma Statutes 2001)

- A. (Also pertains to counties and school districts).
- B. Each municipality that does not prepare an annual audit pursuant to Section 17-105 of Title 11 of the Oklahoma Statutes shall make a financial statement as required by this section. Such municipality shall adopt a budget, which shall contain estimates of expenditures and revenues, including probable income by source, for the budget year; provided, that all municipalities may use estimated fund balances if final certified fund balances are not available. The budget shall be in a format similar to the estimate of needs or, at the municipality's discretion, to Sections 17-207 and 17-212 through 17-214 of Title 11 of the Oklahoma Statutes. This section shall not apply to any municipality that has opted to prepare a budget pursuant to the Municipal Budget Act.
- C. Each budget and each financial statement and estimate of needs for each county, city, incorporated town, or school district, as prepared in accordance with this section, shall be published in one issue in some legally qualified newspaper published in such political subdivision. If there be no such newspaper published in such political subdivision, such statement and estimate shall be so published in some legally qualified newspaper of general circulation therein; and such publication shall be made, in each instance, by the board or authority making the estimate.
- D. The financial statements and estimates of all counties shall be filed with the county excise board on or before August 17 of each year; and the financial statements and budgets of all incorporated towns shall be filed with the county excise board on or before August 22 of each year; and the financial statements and budgets of all cities shall be filed with the county excise board on or before August 27 of each year; and the financial statements and estimates of all school districts shall be filed with the county excise board on or before September 1 of each year. Said financial statements and estimates shall have attached thereto an affidavit showing the publication thereof as required herein, or they may be filed and the said affidavit attached thereto at any time within five (5) days after the filing thereof.

NORMAN IMPLEMENTATION OF MUNICIPAL BUDGET STATUTES

The City of Norman and its related Trusts and Authorities have been in full compliance with Generally Accepted Accounting Principles and the Oklahoma Municipal Budget Act since 1988. Some of the defined terms in Section 17-204 and 17-213 of the Municipal Budget Act are further explained as follows:

“Municipality” is The City of Norman and **“Governing Body”** is the City Council;

“Budget Year” and **“Fiscal Year”** is July 1 through June 30;

“Chief Executive Officer” is the City Manager;

“Personal Services” category expenditures are **“Salaries and Benefit”** category expenditures. These expenditures are generally for payments directly to full and part-time employees of the City, including contributions to retirement and pensions, social security, health insurance, uniform allowances and related expenses.

“Materials and Supplies” category expenditures are generally for consumable goods that are used (or “materially altered” when used) by City employees to provide services to the public and/or our customers (e.g., purchases of pencils, oil filters, chlorine).

“Other Services and Charges” category expenditures are **“Services and Maintenance”** category expenses, generally for services provided to the City of Norman by outside vendors (e.g., hiring Xerox to fix a City copier; hiring a Spanish interpreter, etc.).

“Internal Service” category expenditures are similar to **“Services and Maintenance”** category expenditures, except that the “vendor” that is providing the services to the City of Norman is another City department. Internal Service “vendors” of the City include the Fleet Management Division (providing centralized fueling and vehicle repair), the Facilities Management Division (providing centralized building repair, custodial and maintenance), the Office Services Division (providing centralized printing and mailing services) and the Risk Management Division (providing worker’s compensation, health insurance and property casualty services).

FINANCIAL SUMMARIES

**GENERAL FUND
BUDGET
HIGHLIGHTS**

Background

The General Fund is used to account for resources that are utilized for general government activities such as:

- Park and Public Lands Maintenance
- Street Maintenance
- Neighborhood Revitalization and Code Compliance
- Public Safety and Emergency Response
- Traffic Control
- Public Transportation
- Stormwater Drainage and Flood Control

These services are distinct in that they promote the overall public good, are provided to everyone in the community equally, and cannot be denied to anyone.

The major sources of revenue are sales tax, franchise fees, and cost allocation charges. Sales tax revenues allocated to the General Fund are equal to 77% of a three percent tax (3%). Franchise fees are generated by a fee on the gross receipts within Norman of public utilities as follows:

| | |
|-------------------------------|----|
| A T & T Cable | 5% |
| A T & T Telephone | 2% |
| Oklahoma Gas & Electric | 3% |
| Oklahoma Natural Gas | 3% |
| Cox Communications Cable | 5% |
| Cox Communications Telephone | 2% |
| Oklahoma Electric Cooperative | 5% |

The City's Water and Water Reclamation Utility Enterprises also make a five percent (5%) payment in-lieu of franchise fees to the General Fund.

Revenues derived from cost allocation charges are the result of the distribution of the cost of centrally-provided support services benefiting departments of the City such as:

- Management (Council and Manager)
- Accounting/Purchasing/Payroll/Risk Management
- Human Resources
- Information Systems
- Legal
- Investment/Debt Administration

CITY OF NORMAN

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses, and to provide a base for remedial or supportive financial policy.

FYE 24 Budget

The Fiscal Year Ending June 30, 2024 (FYE 24) budget is a legally balanced budget in that total resources available for appropriations are greater than total expenditures.

| | |
|--|----------------------|
| Estimated Beginning Fund Balance | \$ 17,897,817 |
| Current Revenues & Interfund Transfers | <u>105,057,886</u> |
| Total Available Resources | 122,955,703 |
| Current Expenditures & Interfund Transfers | <u>(106,820,379)</u> |
| Estimated Ending Fund Balance | \$16,135,324 |

In the City’s Comprehensive Annual Financial Report, (page 93) for Fiscal Year ending June 30, 2022, reconciliation is given between budget fund balance and the General Fund balance reported on the City Balance Sheet. This reconciliation is summarized as follows:

| | |
|---|------------------|
| Fund balances – budgetary basis, June 30, 2022 | \$ 9,219,316 |
| Encumbrances outstanding | <u>3,888,121</u> |
| Fund summary cash balance | 13,107,437 |
| Current year accruals | 9,472,599 |
| “Rainy Day” Fund Balance | <u>4,168,853</u> |
| Total fund balances – fund balance sheet, June 30, 2022 | \$ 26,748,889 |

Estimated sales tax revenues are normally based on a 20-year, multivariate regression model. Due to variability in recent collection trends, FYE 24 sales tax is being projected at a 2% increase over estimated FYE 23 collections. Use tax is projected at a 4% increase from FYE 23 estimated figures. Franchise fees are projected at a 3% increase from FYE 23 estimated figures. Licenses and permit fees are projected at a 1% increase from FYE 23 estimated figures. Fines and forfeitures are estimated at a 3% increase over FYE 23 estimated collections and service fees and charges are estimated at a 1% increase from FYE 23 estimated figures.

FYE 24 expenditures are projected based on a line-item analysis within each department. Salaries and benefits are budgeted with no cost of living increases to employee salaries, but do include merit increases.

A 12% increase in salaries and benefits, a -5% decrease in supplies and materials and a -4% decrease in services and maintenance costs from FYE 23 estimated figures are proposed for FYE 24. The salary and benefit increase is attributable to 12 additional employees and merit increases. Internal service costs were increased by 35% from the FYE 23 estimated figures.

CITY OF NORMAN

For the FYE 24 General Fund Budget, the following position changes were made:

Department

Change

City Manager’s Department

Added an Assistant City Manager, transferred 3 Stormwater Quality employees from the Public Works Department, transferred 6 Environmental Services employees from the Water Reclamation Fund, and transferred the Diversity & Equity Officer and ADA Technician to the Human Resources Department

Legal Department

Added an Assistant City Attorney I

Information Technology

Added a Business Systems Analyst

Planning Department

Added a PPT GIS Intern

Parks and Recreation Department

Added a PPT Recreation Technician and a Construction & Facilities Program Manager

All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Five Year Outlook

- Sales tax revenues are projected at an increase of 2% from FYE 23 Estimate to FYE 24. Projections for FYE 25 through FYE 28 are also projected on an average annual growth rate of 2%.
- State use tax are projected to increase at an average rate of 4% and franchise and other taxes are projected to increase at an average of 3% from FYE 24 through FYE 28. Other major revenues are projected to increase at various rates.
- Transfers from the Water and Water Reclamation Utilities will be based on a rate equal to 5% of the gross operating revenues in each utility. This represents a policy to replicate the franchise fee payments from private utilities for franchise fees for the use of public rights-of-way. In addition, transfers from the Capital Improvement Fund are made for financing General Fund capital equipment needs.
- FYE 24 net expenditures represent an approximate 18% increase over FYE 23 Budget. Total expenditures are projected to increase an average of 3% for future years.
- Other expenditure categories are generally based upon the current year level with a 1% increase per year after FYE 24, except Internal Services, which is projected at a 2% increase after FYE 24. Salaries and Benefits are projected at a 12% increase from FYE 23 to FYE 24 and a 5% annual increase after FYE 24.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendments to the proposed budget in the General Fund:

- A total of \$1,391,635 will be transferred from the General Fund to the Capital Improvements Fund for the following capital projects:

CITY OF NORMAN

- \$25,000 for engineering design of capital improvements in the vicinity of Reed Avenue between Main Street and Eufala Street
 - \$300,000 for continuation of an Americans with Disabilities Act Compliance capital program
 - \$216,635 for additional sidewalk improvements
 - \$200,000 for an Association of Central Oklahoma Governments sidewalk matching grant program
 - \$150,000 for a two-year pilot Public Mural Art program
 - \$500,000 for improvements at 718 N. Porter
- Allocations to the City Council Department for the provision of passenger greeting and other services at the Norman Santa Fe Depot were increased by \$4,000.
 - As a result of the voter approval of the Room Tax rate increase, allocations to General Fund Room Tax Administration were increased by \$51,000.

Summary

The FYE 24 General Fund Budget is a balanced budget that has maintained major service levels with current expenditures estimated to exceed current revenues by \$1,762,493. Estimated year-end reserves of \$16,135,324 exceed the 3% required operating reserve level.

**NET REVENUE STABILIZATION FUND
BUDGET
HIGHLIGHTS**

Background

In fiscal year 2011, Council directed staff to prepare a formal policy in Ordinance form codifying the City's reserve policies and complying with Governmental Accounting Standards Board Statement # 54. Direction was given to establish a separate "Rainy Day Fund" which could not be used except in unusual circumstances. The Ordinance (O-1011-58 effective July 28, 2011) established a Net Revenue Stabilization, or "Rainy Day Fund", which would have minimum fund balance of three percent (3%) of annual budgeted General Fund expenses, a target fund balance of four and a half percent (4.5%) of General Fund expenses and a maximum fund balance of six percent (6%) of annual General fund expenses. The Ordinance also requires a minimum General Fund Operating Reserve fund balance of three percent (3%) of General Fund expenses and requires that a two percent (2%) Emergency Reserve allocation be included in annual budgets. Taken together, these codified reserve requirements equal the 8% reserves required by policy in other City funds.

Under the Ordinance, Net Revenue Stabilization Fund balance could only be appropriated for expenditure by the City Council if at least one of three circumstances is met:

- 1.) The General Fund Operating Reserve fund balance is projected to fall below one percent (1%) of budgeted expenditures; or
- 2.) A natural or man-made disaster has occurred, resulting in a federal or stated disaster declaration in Norman and the City of Norman has spent or obligated to spend the two percent Emergency Reserve account in the General Fund;
- 3.) A major one-time or capital expenditure has been necessitated, such as for major repairs to or replacement of City of Norman facilities.

Ordinance O-1819-10, approved by the Council in fiscal year 2019, reduced the budgeted Emergency Reserve allocation requirement from 2% to 1% in each future budget year. Once the 3% Operating Reserve and the 1% Emergency Reserve have been met, this Ordinance also increases the "Rainy Day Fund" minimum balance to 4% and maximum balance to 7% of annual budgeted General Fund expenses. The new targeted balance set by this Ordinance is 5% of annual budgeted General Fund expenses.

FYE 24 Budget

The FYE 24 Budget is projected to have a fund balance that is -\$364,031 less than the Rainy Day Fund's targeted (5%) level and \$615,701 more than the minimum Rainy Day Reserve.

**PUBLIC SAFETY SALES TAX FUND
BUDGET
HIGHLIGHTS**

Background

On May 13, 2008, the citizens of Norman passed a 7-year, one-half percent (1/2%) Public Safety Sales Tax (PSST) in order to increase the number of police officers and firefighters, and to construct two new fire stations. Ordinance O-0708-32 authorized the City to assess the new sales tax beginning October 1, 2008 and terminating on September 30, 2015.

On April 1, 2014, the citizens approved the permanent extension of the PSST. Over 10-15 years, this extension will enable the City to implement a School Resource Officer program, jointly funded by public school districts in Norman, to improve school safety and improve police-school relationships. The 2014 PSST Ordinance ("PSST II") also directs funding for several critical public safety needs (in priority order):

1. Replacement of City Emergency Communication Systems - \$15,000,000*
2. Emergency Operations Center/Dispatch Facility - \$6,500,000*
3. Fire Apparatus replacement - \$6,800,000*
4. Reconstruct/relocate Fire Station #5 - \$3,500,000*

*Estimated

In FYE 15, bond proceeds of \$22,825,000 were authorized by the Norman Municipal Authority (NMA) Trustees and Council to finance the Emergency Communications (radio) System, Emergency Operations Center (EOC), and a platform fire truck.

The PSST II Ordinance contemplated the expanded public safety operations funded by the tax to be accounted for in the City's General Fund (3/8%) and Capital Fund (1/8%) after the Critical Public Safety Capital Needsd were completed.

FYE 24 Budget

Estimated FYE 24 PSST revenues of \$15,277,678 are being projected at a -6% decrease from estimated FYE 23 collections. Two Communication Officers II were added for FYE 24. The General Fund and Capital Fund will absorb any projected deficit of operational and capital costs.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendment to the proposed budget in the Public Safety Sales Tax Fund:

- Allocations were increased by \$2,100,000 for the purpose of a ladder truck.

**COMMUNITY DEVELOPMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Community Development Fund is a Special Revenue Fund established to account for the resources allocated to Community Development Block Grant (CDBG), the HOME Partnership Program, and other funds from the U.S. Department of Housing & Urban Development (HUD).

The Community Development Block Grant Program was established by Congress in the Community Development Act of 1974 to consolidate a number of Federal assistance programs into one “block grant” for the utilization of individual communities in solving community development problems. Funds are allocated annually on a formula basis to the City of Norman by the Department of Housing and Urban Development, the funding agency. As an entitlement city, Norman receives a funding allocation each year without having to compete against other cities. Once allocated, the funds remain available to the City until approved activities are completed. In 1995, Norman became an entitlement city for the HOME Program as well, and therefore does not have to compete against other cities for funding.

The projects funded by the CDBG Program must meet the criteria of activities, which either primarily benefit low-to-moderate income persons, or prevent or eliminate slums or blight. The four major categories of eligible activities are: (1) neighborhood upgrading, conservation, and renewal; (2) housing assistance; (3) social and economic development for moderate and low income groups; and (4) activities in support of the other categories, including administration and planning. HOME projects are all housing with all beneficiaries in the low-to-moderate income range, as defined by federal regulations.

A total of \$61,746,965 in CDBG-HOME Program Funds (CDBG - \$41,128,244 and HOME - \$20,618,721) has been allocated to the City of Norman since fiscal year 1975-1975 (FYE 76), through FYE 24. The FYE 24 budget includes entitlements grants of \$941,659 (CDBG), and \$458,765 (HOME). In addition, \$1,882,256 of CDBG CV CARES Act funds and \$1,506,908 of HOME ARPA funds have been previously allocated to meet the needs of low and moderate income citizens of Norman.

FYE 24 Budget

Expenditures are accounted for based upon program and grant year. Any remaining funds are expected to be expended in FYE 24. Total FYE 2024 revenues are projected at \$1,400,424 and total expenditures are projected at \$1,400,424.

**SPECIAL GRANTS FUND
BUDGET
HIGHLIGHTS**

Background

The Special Grants Fund (a special revenue fund) is used to account for the proceeds of governmental grants or specific revenue sources (other than grants applicable to enterprise fund activities, or major capital projects) that are legally restricted to expenditure for specified purposes. There is one approved grant (at the time of budgeting) in FYE 24 for which the City qualifies.

| | |
|-----------------|----------|
| DUI Enforcement | \$56,577 |
|-----------------|----------|

DUI Enforcement

This program provides for additional officers on selected weekends, holidays, and other special events for enforcement against drinking drivers. The program is completely funded by fines paid by arrested and convicted drunk drivers. A fee from each offending person is collected by the District Court and one-half of the court cost is remitted to the City. The funds are used to pay overtime for enforcement and court time of the officers. FYE 24 expenditures are anticipated to be \$56,577.

Other Grants

During the course of the fiscal year, the City will continue to pursue appropriate grant opportunities. While it is anticipated that some additional grant funds will become available, and any applicable grants would be accounted for in the Special Grants Fund, the uncertain nature and amounts of the grants do not allow for them to be budgeted.

**ROOM TAX FUND
BUDGET
HIGHLIGHTS**

Background

The Room Tax Fund is a Special Revenue Fund established to account for a tax on the gross revenues of hotel and motel establishments. According to Ordinance Number O-7980-58, which was passed in May 1980, the revenues are to be set aside and “used exclusively for the purpose of encouraging, promoting and fostering the convention and tourism development of the City of Norman. Uses in parks development and in promotion of arts and humanities are thus contemplated.” On April 2, 2013, citizens approved a 1% increase to the room tax rate from 4% to a total of 5%.

A formula was devised for the distribution of the revenue as follows:

| | |
|---|----------------|
| Administration Fee (City of Norman): | 4% |
| Parks Development (City of Norman): | 25% of Balance |
| Arts & Humanities (Norman Arts Council): | 25% of Balance |
| Convention & Tourism (Norman Convention & Visitors Bureau): | 50% of Balance |

The City has authorized agreements between the Norman Arts Council, the Norman Convention and Visitors Bureau, and the City of Norman for the purpose of administering the proceeds of the distribution formula. Among the programs funded by the Room Tax are convention promotion activities, which have attracted major new hotels to the City; improvements to Norman’s six community parks; public artwork; and annual festivals including: Jazz in June, Chocolate Festival, Medieval Fair, and the Norman Music Festival (live alternative rock, Latin, hip-hop, spoken word and other genre). Norman, the “City of Festivals”, is widely recognized for its cultural activities, which are underwritten by the Room Tax.

Special Revenue Fund Financial Policies

Special Revenue Funds account for revenues that have been specifically identified and segregated to be used for special and specific purposes. An operating reserve of 8% of the annual operating cost is targeted for the Room Tax Fund, segregated for each of the three purposes of the Room Tax Funds (Convention and Tourism; Park Development; and Arts and Humanities).

FYE 24 Budget

Revenues from the 8% tax are projected to be \$3,439,166, a 100% increase from estimated collections for FYE 23, due to voter approval of a Room Tax rate increase from 5% to 8% on May 9, 2023, effective 7/1/23. In FYE 15, Council directed the administrative cost increase from 3% to 5%. This amount was reduced to 4% in FYE 18 due to budgetary constraints.

CITY OF NORMAN

Expenditures in FYE 24 are based upon a pro rata share of the estimated revenue, as summarized below:

| | <u>FYE 2024</u> |
|----------------------------|------------------|
| | <u>Revenue</u> |
| | 3,441,666 |
| Administrative Fee - 4% | \$ 137,667 |
| Arts & Humanities - 25% | 826,000 |
| Parks Development - 25% | 604,578 |
| Convention & Tourism - 50% | <u>1,958,000</u> |
| | \$3,526,245 |

In FYE 22, bond proceeds of \$3,882,000 were authorized by the Norman Municipal Authority (NMA) Trustees and Council to finance part of the Young Family Athletic Center (YFAC). The debt service payments come from the Parks Development share of the room tax revenue.

Two capital projects are scheduled in FYE 24: Westwood Tennis Center Improvements and the Westwood Park Masterplan.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendments to the proposed budget in the Room Tax Fund:

- As a result of the voter approval of the Room Tax rate increase, projected Room Tax revenue was increased by \$1,275,000, allocations to Visit Norman were increased by \$918,000, allocations to General Fund Room Tax Administration were increased by \$51,000, and allocations to the Norman Arts Council were increased by \$306,000.

Five Year Outlook

Over the next five years, projected operating revenue of \$18,258,999 will be available through this program to support convention, tourism, arts and humanities and parks development in the City of Norman.

**SEIZURES AND RESTITUTION FUND
BUDGET
HIGHLIGHTS**

Background

The Seizures and Restitution Fund is a Special Revenue Fund used to account for the revenue available through property seizures resulting from criminal investigations.

There are three basic sources of revenue available, two of which are controlled by the Cleveland County District Attorney and one controlled by the U.S. Federal Government.

Property that is seized by local enforcement officers is ultimately disposed of by court rulings. The property, including cash, is remanded to the District Attorney if the case does not involve federal laws. The District Attorney disposes of the non-cash property through an auction and deposits the proceeds into a revolving account. Periodically, distributions are made from the revolving account to municipalities.

The Courts also require restitution by defendants to law enforcement agencies for costs associated with an investigation. The restitution is made directly to the City and placed into this Fund.

The Courts remand property and cash seized through Federal cases to the Federal Government. If local law enforcement officers were involved in the case, they may make application to the Federal Government to recover property to offset the cost of their investigation.

State and Federal statutes provide that monies derived from these sources will be used to support drug enforcement activities and other criminal investigations.

FYE 24 Budget

\$1,461,780 is budgeted in FYE 24 to replace 18 Police vehicles.

Available revenues (\$13,557) from fund balance are projected to be drawn-down for capital needs to be used in enforcement activities.

**CLEET FUND
BUDGET
HIGHLIGHTS**

Background

The Council on Law Enforcement Education and Training (CLEET) Fund is a Special Revenue Fund established to account for revenue derived by provision of State law, to be utilized for law enforcement education and training (Title 20 § 1313.2-1313.4).

State law provides that any person convicted of an offense punishable by a fine of \$10 or more, or by incarceration, excluding parking and standing violations, or any person forfeiting bond when charged with such an offense, shall be ordered by the court to pay \$10, as a separate penalty assessment.

As an “academy city”, the City of Norman has the authority to retain \$2 of the \$10 penalty assessment collected for police, court and prosecution training. All remaining funds collected are forwarded to CLEET. The City is authorized to keep a 2% administrative fee on the amount collected, which is deducted from the \$2 portion retained by the City.

State law also requires that municipalities collect a Fingerprinting Fee in the amount of \$10, which is to be collected and reported to the Oklahoma State Bureau of Investigation (OSBI). The moneys collected from the fingerprinting fee pays for the Automated Fingerprint Identification System (AFIS) managed by the OSBI. An administrative fee of \$.08 on each \$10 assessment is retained by the City.

State law also provides for the collection of the Forensic Science Improvement Assessment in the amount of \$10, which is to be collected at the same time and in the same manner as set forth in paragraph two above. Moneys from this fee are for the OSBI and will be used to upgrade laboratory facilities, equipment and personnel. Municipal courts are authorized to retain 5% of the amount collected as an administrative fee.

In addition, state law provides for a fee assessment of \$5 on marijuana and paraphernalia convictions to be collected and reported to the Bureau of Narcotics (BON) Drug Education Revolving Fund. These fees are to be collected at the same time and in the same manner as set forth in paragraph two above. Moneys from these fees are to be used for purposes relating to drug education and information in the State of Oklahoma. No administrative fee is provided.

In summary, a total of \$30 is collected on each traffic and non-traffic conviction or forfeiture (except possession of marijuana/paraphernalia which are \$35), and deposited into a special revenue account created for that purpose. The assessments are in addition to and not in substitution for other fines and penalties provided by law. The money retained by the City, is divided between administrative fees, police training, and court/prosecution training. The City is authorized to retain all interest accrued prior to the due date for deposits. The remainder of money collected is forwarded monthly by the Court Clerk to CLEET, OSBI, and the BON.

FYE 24 Budget

FYE 24 projected revenues are \$32,000 with projected expenditures at \$30,505, which uses \$0 of reserves. This leaves a projected ending fund balance of \$1,495.

**PUBLIC TRANSPORTATION FUND
BUDGET
HIGHLIGHTS**

Background

The Public Transportation and Parking Fund is a Special Revenue Fund established to account for revenue to fund operations, maintenance, and other expenses associated with the City of Norman's public transportation system. Revenue is derived from grants from the Federal Transit Administration (FTA) and the Oklahoma Department of Transportation; the Public Transit Sales Tax; advertising; and a contribution from the Norman Regional Health System.

On July 30, 2019, City Council passed Resolution R-1920-20 that established the Public Transportation and Parking Fund. The creation of the fund was performed during a transition period of the City public transit operations and assets from the University of Oklahoma to the City of Norman.

FYE 24 Budget

Projected revenues for FYE 24 include \$3,168,818 in sales tax, \$2,360,933 in grant revenue from the Federal Transit Administration, and a \$615,694 subsidy from the General Fund. FYE 24 expenditures are budgeted at \$6,830,078, including \$4,883,912 for Services and Maintenance, which includes contract fees paid to EMBARK for the operation of the bus system.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendments to the proposed budget in the Public Transportation Fund:

- Allocations were decreased by \$99,768 to eliminate a proposed downtown parking meter program.
- Allocations were increased by \$12,640 for estimated utility costs at the new City Transit Center.

**ART IN PUBLIC PLACES FUND
BUDGET
HIGHLIGHTS**

Background

The Art in Public Places Fund is a Special Revenue Fund established to account for revenue derived from citizen donations as a means to fund the acquisition of works of art by the City of Norman and to provide for the maintenance and repair of the works of art in the collection.

On August 28, 2007, City Council passed Ordinance O-0708-5 that established the Public Arts Board and the Art in Public Places Fund. The ordinance also set up the mechanism by which City of Norman utility service customers can opt to donate money to the Art in Public Places Fund by including an additional amount of money in their payment.

The Public Arts Board reports to the Norman Arts Council, who will be charged with expending monies in the Art in Public Places Fund.

FYE 24 Budget

FYE 24 projected revenues are \$16,000. The Norman Arts Council manages donations to the Public Arts Fund on behalf of the City of Norman. Projects like Artful Inlets and the Artist Designed Bike Racks are just two examples of the way these funds are used (see pictures below). The fund has collected \$140,274 in contributions since the beginning of FYE 08.

**WESTWOOD PARK FUND
BUDGET
HIGHLIGHTS**

Background

The Westwood Park Fund is a Special Revenue Fund established to account for the resources used to operate an 18-hole municipal golf course, 18-court municipal tennis center and municipal aquatic center.

The Norman Municipal Authority (NMA) was created in 1965 for the purpose of issuing revenue bonds for the construction of the 18-hole municipal golf course and swimming pool. The original bonds were retired as of July 1, 1993. A bond issue of \$2,315,000 was issued in May 2002 to fund renovations to the golf course approved by Council NMA in the Westwood Master Plan. Revenue from the Park Capital Improvement portion of the Room Tax was pledged to secure the bonded debt, and these revenues were transferred to the Westwood Fund to pay annual debt service. These bonds were retired in FYE 22.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses, and to provide a base for remedial or supportive financial policy.

FYE 24 Budget

Statement of Revenues and Expenditures

Revenues for Westwood Golf Course are estimated based on actual current experience in green fees and projected aquatic and tennis center revenue.

Projections for the swimming pool are based upon line-item analysis. All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Reserve Policy

Special Revenue Funds have no reserve requirements due to their dependence on General Fund support.

Five Year Outlook

Fees and charges, and service levels will continue to be monitored for adequacy and competitiveness to make needed capital improvements and meet all reserve requirements. Fee levels for use of Westwood Pool and Tennis have been re-set to reflect the expanded operations in the newly-constructed facilities.

Summary

Significant effort will continue to be made to address the financial viability of this fund, to adequately structure rates to recover cost of service, and to explore other options for funding the ongoing concerns of the Fund.

**WATER FUND
BUDGET
HIGHLIGHTS**

Background

The Water Fund is an enterprise fund established to account for the resources utilized to treat and supply water to the customers of the City of Norman. Water is supplied from Lake Thunderbird that is owned by the Central Oklahoma Master Conservancy District (COMCD) and by water wells that are owned by the City. The cities of Del City, Midwest City and Norman created the COMCD for the purpose of creating a water supply. The City annually pays a reclamation charge to the District as the City’s share of debt retirement for construction of the lake. The City also pays a pro rata share of the cost to operate the District. There are approximately 635 miles of water mains in the City. The City operates a treatment plant whose capacity for treated water is 17 million gallons per day / peak day and as of March 2023, serves an average of 42,000 customers.

FYE 24 Budget

Statement of Revenues and Expenditures

The Norman Water Utility has a highly progressive residential rate structure, designed to encourage conservation of water resources. Current (as of April, 2023) monthly residential water rates are as follows:

| |
|--|
| \$6.00 Base Fee |
| \$3.35 per thousand for 0 – 5,000 gallons |
| \$4.10 per thousand gallons for 5,001 to 15,000 gallons |
| \$5.20 per thousand gallons for 15,001 to 20,000 gallons |
| \$6.80 per thousand gallons in excess of 20,001 gallons |

Residential and commercial water rate increases were last approved by voters on January 13, 2015. Revenue projections are based on historic collection patterns and a simple regression model using average rainfall as a predictor variable. Because of the extremely progressive nature of the Norman “inverted” water rate structure, Water Utility revenues are highly dependent on weather patterns, and can therefore fluctuate significantly.

The Water Utility has undertaken an aggressive capital improvement program to enhance the City’s water supply and treatment systems, including expansion projects to the City’s groundwater well supplies and improvements to waterlines to provide additional water supply (by constructing pipe connections to “blend” water from wells with water quality exceeding standards with water from wells that fall slightly short of standards).

This aggressive water capital project program will be financed through user fees and the Statewide Revolving Loan Fund of the Oklahoma Water Resources Board.

This water capital improvement program is the first of several steps to meet Norman’s future water supply needs, suggested by the adopted Strategic Water Supply Plan. Future steps will include reuse of wastewater through advanced treatment methods to be employed by the Norman Water Reclamation Utility, to supplement water supplied by Lake Thunderbird.

Additional water is supplied to Norman through a contract with the Oklahoma City Water Utilities Trust (OCWUT). Under this contract, available treated water is transported to Norman along a waterline located in northern Norman to supplement the water supplied by Norman's ground water and surface water facilities.

FYE 2024 expenditure projections are based on line-item analyses within the Water Division. Salary and benefit category expenditures are based on authorized staffing levels. The service and maintenance expenditure category includes increases in operating charges from the COMCD. All line items have been reviewed on multiple occasions by Department staff, Finance Department staff and by the City Manager.

Levelized Rate Policy

Utility rates should be set at a level to meet the average net income requirements over a five-year period without the need for interim adjustments, and to meet all reserve requirements at the end of the five-year period.

Reserve Policy

Enterprise funds by policy, reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

FYE 24 ending fund balance is projected to be \$86,701 with a reserve deficit of -\$23,450,822, due primarily to stagnant revenues and the aggressive capital campaign.

Transfer Policy

The amount of transfer from the Water Fund in support of the General Fund is based on a policy that provides for continuity in both funds. A transfer equal to 5% of Water Fund operating revenues returns to the General Fund an amount consistent with what non-governmental utilities provide in franchise fees.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendment to the proposed budget in the Water Fund:

- Allocations were increased by \$16,500 for solar generation administrative fees.

Five Year Outlook

There are various factors, such as weather, population growth, average individual growth in usage, and changes in the mix of residential and commercial revenues that affect total water utility revenues from year to year. Therefore, a conservative approach was taken in projecting revenues due to the uncertainty of the net effect of these factors. The voters of Norman were asked to consider increased rate structures to fund the near-term and strategic needs of the Water Utility Enterprise on April 5, 2022, and again on June 13, 2023. The vote failed in 2022 but passed in 2023. The new water rates will be

effective September 1, 2023, but are not reflected in this budget document.

Summary

The Norman Utilities Authority and City Council have directed a policy through which Norman's water will be treated to levels which meet not only current environmental standards but which provide for future treatment requirements and customer water quality demands.

**WATER RECLAMATION FUND
BUDGET
HIGHLIGHTS**

Background

The Water Reclamation Fund (formerly known as “sewer” or “wastewater”) is an enterprise fund established to account for the resources utilized to provide wastewater collection, conveyance and treatment to the customers of the City of Norman.

On November 3, 2001, the Norman Utilities Authority (NUA) adopted an updated Wastewater Master Plan, which directed a system-wide average treatment capacity expansion from 12 million gallons per day (MG/D) to 21.5 MG/D, by the year 2040. A \$60 million project to expand the Water Reclamation Facility to 17 MG/D capacity, with significant improvements to treatment standards and odor control, was completed in 2017.

In 2001, the voters of Norman approved three revenue sources to partially pay for the improvements recommended by the Wastewater Master Plan:

- A temporary, 5-year, ½ percent sales tax dedicated to sewer system improvements;
- A \$5 per month sewer maintenance rate, dedicated to neighborhood sewer line repairs;
- An excise tax on new development.

Currently, there are approximately 518.5 miles of sewer lines included in the total system. The Water Reclamation Utility is undertaking an aggressive program to rehabilitate existing neighborhood sewer lines and mains, and to construct new sewer mains in north and east Norman. Additional sewer system capital projects are reported in the Sewer Maintenance Fund and Sewer Excise Tax Fund.

FYE 24 Budget

Statement of Revenues and Expenditures

FYE 24 sewer user fee revenues have been estimated based on actual year-to-date receipts in FYE 23. On November 12, 2013 the citizens of Norman voted and approved a basic sewer rate increase for the first time since November 1, 1996 (pursuant to the Norman City Charter, utility rate increases require voter approval). Water reclamation rates, effective since November 12, 2013 are as follows:

Single Family/ Duplex \$5.00 Base Fee + \$2.70 per 1,000 gallons of treated water

FYE 24 expenditure projections are based upon line-item analysis within the Utility. Salaries and benefits are based on current authorized staffing levels. All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Levelized Rate Policy

Utility rates are set at a level to meet the average net income requirements over a five-year

CITY OF NORMAN

period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Reserve Policy

Enterprise funds have reserve policies to reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

The FYE 24 ending fund balance is projected to be \$168,105 with a reserve deficit of - \$1,832,022. This fund balance is used for meeting the Fund's reserve requirements.

Transfer Policy

The amount of transfer from the Water Reclamation Fund in support of the General Fund is based on a policy that provides for continuity in both funds. A transfer equal to 5% of the Water Reclamation Fund's operating revenues returns to the General Fund an amount consistent with what non-governmental utilities provide in franchise fees.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendments to the proposed budget in the Water Reclamation Fund:

- Allocations were increased by \$33,500 for solar generation administrative fees.
- Sewer Replacement Charge revenues were reduced by \$533,041.

Five Year Outlook

Over the next five years operating revenues are projected to increase. FYE 24 projected revenues are 2% higher than FYE 23 budget revenues.

Summary

A major expansion of the Water Reclamation Facility (WRF) was complete in FYE 17. The expansion will allow for treatment capacity to increase and to improve the quality of the reclaimed water from the plant. The below pictures shows the completed expansion project for the Water Reclamation Facility.

**SEWER MAINTENANCE FUND
BUDGET
HIGHLIGHTS**

Background

The Sewer Maintenance Fund is an enterprise fund established October 1, 2001, to account for revenues from the \$5 per month Sewer System Maintenance Rate (SMR). It is used to account for all expenditures related to major maintenance of the water reclamation system (capital improvement projects accomplished through contracts with private construction vendors), primarily for rehabilitation of neighborhood sewer lateral lines.

The SMR is intended to provide a higher level of maintenance, keeping the sewer system in good repair over the long term.

Beginning in FYE 15, Norman Sewer Line Maintenance Division personnel and related budget allocations, along with capital improvements charge revenue, was transferred to the Water Reclamation Fund.

During FYE 2015 Budget considerations, the Council Finance Committee discussed transferring the sewer line maintenance operations out of the Sewer Line Maintenance Fund into the Water Reclamation Fund in order to better track the collection and distribution of the \$5 per month Sewer Maintenance Rate. This will more accurately reflect the capital work that is being done with the Sewer Maintenance Rate and will eliminate a transfer of funds between the two funds for the work done by Sewer Line Maintenance Division personnel during the year. Over time, this change in accounting will better reflect the declining amounts of sewer rehabilitation projects that can be paid for by the flat \$5 rate due to inflation of material and labor costs. The maintenance program for neighborhood sewer collector lines (“laterals”) will continue in FYE 24 and beyond, generally, the oldest lines in the system are scheduled for replacement first (“worst things first”).

FYE 24 Budget

Statement of Revenues and Expenditures

Revenues have been estimated based on actual year to date receipts in FYE 23 extrapolated for a full year.

FYE 24 expenditure projections are based upon line-item analysis. Salaries and benefits are based on current authorized staffing levels. FYE 24 total budgeted expenditures are \$2,900,721.

All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Reserve Policy

Enterprise funds by policy, reserve portion of Fund Balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5-year capital expenditure plan.

**NEW DEVELOPMENT EXCISE TAX FUND
BUDGET
HIGHLIGHTS**

Background

The New Development Excise Tax Fund is an enterprise fund established October 1, 2001, as a result of Ordinance 0001-58, adopted by City Council on June 12, 2001, and approved by voters on August 14, 2001. The fund was established to account for revenues and capital project expenditures from excise tax levied and collected on new development (including developments of tax-exempt property owners) to be served by the City's water reclamation system. The tax imposed is collected at the time a building permit is issued for all construction and based upon the square footage as set forth in the permit as follows:

- New Residential Construction - \$850 for homes up to 1,200 square feet and \$2 per square foot for each square foot in excess of 1,200 square feet.
- Non-Residential Construction - \$115 per employee plus \$4 per gallon per day of additional flow, if estimated flow is greater than 30 gallons per day per employee.
- Residential expansions which include the installation of plumbing fixtures – \$1 per square foot for each additional square foot added to the current structure.

As agreed to between the permit applicant and the City Engineer and Utilities Department, water records for existing facilities will be used to estimate future wastewater flow for non-residential construction and projected employees will be agreed to in advance of the permit issuance.

The funds collected from the Excise Tax shall be used exclusively for wastewater expansion, improvements, and to pay debt service on obligations issued to finance future improvements and expansion of the wastewater system. Since its inception in 2001, the Wastewater Excise Tax has generated over \$25,000,000 for system expansion and improvement.

FYE 24 Budget

Statement of Revenues and Expenditures

Revenues have been estimated on historic building permit records applied to excise tax regulations (i.e., projections are based on revenues that would accrue if past building patterns in an "average" year are continued), and are projected at \$1,470,000 for FYE 24.

Five Year Outlook

Excise tax revenues are projected to be the same in years FYE 24 through FYE 28.

**SANITATION FUND
BUDGET
HIGHLIGHTS**

Background

The Sanitation Fund is an enterprise fund used to account for the operations associated with solid waste collection and disposal in the City of Norman. Residential collection services are provided weekly, with separate services for yard waste and household garbage. Commercial service is provided on an as-needed basis, and composting and recycling services are also available.

Sanitation rates, approved by the voters in 2011, are as follows:

| | | | | |
|-----------------------|---|-------------|--------------|----------------|
| Residential Customers | \$14.00/unit/month + \$3/month for curbside recycling | | | |

FYE 24 Budget

Statement of Revenues and Expenditures

Revenues have been estimated at an average growth rate of 1.8% per year with a projected increase of \$1.00/per month for users who desire additional rollout carts.

FYE 24 expenditure projections are based upon line-item analysis within the Utility. Salaries and benefits are based on current authorized staffing levels. All line items have been reviewed on multiple occasions by Utilities Department staff, Finance Department staff and the City Manager.

Reserve Policy

Enterprise funds have reserve policies to reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

The FYE 24 ending fund balance is projected to be \$4,027,999, which meets the operations and Capital Reserve requirements discussed above.

Levelized Rate Policy

Utility rates should be set at a level to meet the average net income requirements over a five year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Five Year Outlook

All reserve requirements will be met and a surplus of funds will be held in reserves.

Summary

The Sanitation Utility will continue to deliver its level of customer service under the approved rate structure. The Utility will give a high priority to catching up on its backlogged fleet replacement schedules over time.

**RISK MANAGEMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Risk Management Fund is an Internal Service Fund established to account for the resources utilized to provide for the self-insurance of Worker’s Compensation and Unemployment Insurance and to pay “stop loss” premiums on insurance for high-dollar employee health and property casualty claims.

Health insurance claims are accounted for in this fund. The City self-insures for these benefits and utilizes a third party administrator to administer the benefits. Consultants are also utilized to set premiums and structure plan benefits. FYE 24 health claim costs are projected to be \$11,105,284.

Workers’ Compensation benefits are paid to employees who are injured on the job. The Legal Department administers this program in conjunction with the Finance Department and Human Resources Department. Claims are submitted to the Finance Department for review and, if approved, are paid directly by the City. The projected cost in FYE 24 is \$2,143,500.

Unemployment claims are filed with the State and when approved, are then submitted to the City for their response. The FYE 24 estimated cost of unemployment claims is approximately \$22,200.

Judgments and claims against the City are accounted for in the Risk Management Fund. Judgments are placed on ad valorem tax rolls and revenues are transferred from the Debt Service Fund to cover claims expenditures.

Through Internal Service charges, City departmental budgets are charged “premiums” for each budgeted employee. These charges to City department budgets are accounted for as revenue in the Risk Management Fund for health insurance, workers’ compensation, and unemployment benefits.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy.

Reserve Policy

Operating Reserves are based on a three-month claim history excluding judgments and claims as they are repaid from ad valorem tax revenues. Reserve levels for health insurance and workers’ compensation meet and exceed this targeted level.

FYE 24 Budget

After many years of having inadequate revenues to meet expenses or required reserve levels, the workers' compensation and health insurance reserves are now adequate. Much of the credit for this financial improvement goes to the City's Health Insurance Committee and its consultant, and much credit goes to changes in Oklahoma Workers' Statutes.

Five Year Outlook

The financial position of this Fund is dependent upon the participating funds.

Changes to employees' current health plan are needed to reduce the rate of growth in claim costs. Close scrutiny of the plan's operations and benefits will ensure minimal increases necessary to maintain existing coverage levels.

**CAPITAL IMPROVEMENTS FUND
BUDGET
HIGHLIGHTS**

Background

The City of Norman Capital Improvements Budget document is produced as a separate document, which contains detailed descriptions of all current and proposed projects for the Fiscal Years Ending (FYE) 2024-2028. The document is divided into sections: an overview of policies and how the Capital Improvement Plan is based on Norman 2025, the City's Land Use and Transportation Plan; and summary information by project name, budget year, and funding source. Also, detailed project sheets describing the project, budget schedule, and progress by budget year.

The Capital Improvements Fund is established to account for capital projects funded by sales tax receipts or general obligation bond issues. Those projects relating to enterprise funds and funded with fees and charges are accounted for in the respective enterprise funds. All capital projects and their funding are approved by City Council. All capital projects, regardless of the source of funding, are identified and tracked in the Capital Improvements Plan, FYE 2024-2028 document.

Seventy percent (70%) of one percent (0.7%) of sales tax is set aside for capital improvements. Those projects approved for construction with this funding are accounted for in the Capital Improvements Fund. By Council policy, funds are allocated to priority capital categories as follows:

| | |
|---|----------------|
| General Maintenance of Existing Facilities: | 7% |
| Fleet Replacement Supplement: | 7% |
| Capital Outlay: | 27% |
| Street Maintenance: | 25% |
| Capital Projects: | Balance or 34% |

The Capital Fund also includes funding for the following positions that provide support to capital projects: 2 CIP Engineers, 1 Traffic Engineer, 2 Capital Project Managers, a Staff Engineer, 25% of an Engineering Assistant, 25% of the Storm Water Program Manager, 70% of a Park Planner I, 50% of a Park Planner II, 80% of a Construction Inspector, 50% of a Construction Inspector, 80% of a Utility Coordinator, and 15% of a Facility Maintenance Supervisor.

Capital Projects generally cost more than \$10,000, are relatively fixed or permanent in nature and have an expected life of more than five years. Such projects consist of the construction of a new, expanded or improved tangible asset, which is physically fixed. Major projects normally require more than one fiscal year to complete. Contracted services for design, land acquisition, utility relocations and construction may be required. Examples include land purchase, new buildings, building additions, street improvements, utility line improvements, parks and playgrounds, and major drainage channel improvements.

Capital Outlay on the other hand, is an expenditure directed towards maintaining or purchasing new or replacing tangible assets which themselves have expected life spans of one to five years. Expenses are generally one-time and occur within a single budget year. Examples include the

purchase of vehicles and equipment.

On April 6, 2021, the voters of Norman re-authorized a general obligation bond issue for street resurfacing and improvements city wide. This was the 4th renewal of the five-year G.O. Bond program by the voters, based on maintaining the same average property tax levy to repay the bonds. A total of approximately \$27,000,000 in projects will be paid for by these bonds over five years, in the following types:

- 46% - Concrete street panel replacement and improvement
- 20% - Asphalt street resurfacing and improvement
- 15% - Major road reconstruction projects
- 12% - Rural road paving and improvement
- 7% - Preventative Maintenance

FYE 24 Budget

The FYE 24 Budget shows total projected resources available of \$44,875,099, including beginning fund balance of \$25,614,314 and total expenditures projected at \$28,639,550 with an ending fund balance of \$16,235,549. Sales tax is projected at a 2% increase from FYE 23 estimated revenue, and an average 2% growth rate in years FYE 25 through FYE 28. Expenditures are based on estimated project costs.

Capital projects funded in FYE 2024 will impact the General Fund operating budget. Various transportation projects are included in the FYE 2024 capital projects. Some of these projects will be streets built at a much higher standard, reducing maintenance expenses and congestion, as well as increasing safety. Other impacts include additional traffic control and parks facilities that will cumulatively add to the City's maintenance burden in future years. Additional public safety personnel and facilities will also burden future capital budgets.

Each project in the Capital Improvements Plan, FYE 2024-2028 document is evaluated for operating budget impact. A "positive" impact is defined as it will either generate some revenue to offset expenses or will reduce operating costs, "negligible" is defined as operating expenses will increase no more than about \$10,000 per year, "slight" is defined as operating expenses will increase between about \$10,001 and \$50,000 per year, "moderate" is operating expenses will increase between about \$50,001 and \$100,000 per year, and "high" is operating expenses will increase more than \$100,001 per year.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendments to the proposed budget in the Capital Improvements Fund:

- A total of \$1,391,635 will be transferred from the General Fund to the Capital Improvements Fund for the following capital projects:
 - \$25,000 for engineering design of capital improvements in the vicinity of Reed Avenue between Main Street and Eufala Street
 - \$300,000 for continuation of an Americans with Disabilities Act Compliance program

CITY OF NORMAN

- \$216,635 for additional sidewalk improvements
- \$200,000 for an Association of Central Oklahoma Governments sidewalk matching grant program
- \$150,000 for a two-year pilot Public Mural Art program
- \$500,000 for improvements at 718 N. Porter

Below is a list of Capital Projects and their associated operating impact.

**NORMAN FORWARD SALES TAX CAPITAL FUND
BUDGET
HIGHLIGHTS**

Background

NORMAN FORWARD is a citizen-initiative to renovate, expand, construct and fund Quality of Life projects, such as multiple recreational facilities, libraries, parks, athletic venues, public art, trails, swim complexes and other quality of life projects throughout Norman.

On October 13, 2015, the voters of Norman voted on and approved a one half of one percent (1/2%) 15-year temporary sales tax increase to fund Norman Forward Quality of Life Projects. The tax was effective January 1, 2016.

A \$43,160,000 revenue note was approved through the Norman Municipal Authority in December 2015 for the financing of these projects, and a second financing, for \$30,950,000 was completed in June, 2017.

Some of the projects include:

- New Central and Eastside Branch Libraries
- James Garner Avenue Extension
- New Indoor Aquatic Facility*
- Westwood (Outdoor) Pool Reconstruction
- Westwood Tennis Center Renovation
- Reaves Park Baseball Complex Renovation
- Griffin Park Land Purchase
- Griffin Park Soccer Complex Reconstruction
- New Football and Softball Complex
- New Indoor Multi-Sport Facility*
- Neighborhood Park/Trail Development
- Community Park Development
- Canadian River Trails Park Development
- Road and Infrastructure Improvements
- Senior Citizens Center
- Young Family Athletic Center

Other authorized NORMAN FORWARD expenditures could include public art, maintenance and support personnel.

*Combined with Young Family Athletic Center

FYE 24 Budget

In FYE 24, \$17,259,100 in revenue is projected. Expenditures of \$15,054,676 are projected with the majority going towards the Young Family Athletic Center, the new Senior Citizens Center, and the Griffin Park remodel. Design and site preparation work on many other Norman Forward projects will also be undertaken in FYE 2024.

Council Amendments to the Proposed Budget

Upon adoption of the FYE 24 Annual Budget, the Council made the following amendments to the proposed budget in the Capital Improvements Fund:

- Allocations to capital projects were increased by \$358,916 to correct total project allocations.

**PARK LAND AND DEVELOPMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Park Land and Development Fund is a Special Revenue Fund established for the purpose of accounting for Park Land fees as identified in Ordinance Number O-7576-21 dated January 1976. The Ordinance was amended in September 1994 and provides in Section 19-702, "All persons, firms or corporations subdividing land under provisions of the Code of the City of Norman for residential purposes within the boundaries of said City shall, prior to the recording of their respective final plats, and subject to the other provisions hereinafter following: (1) dedicate land to be used solely and exclusively for public park and recreation purposes or, (2) make an equivalent monetary contribution based upon a value of the land required to be dedicated, in lieu of the actual transfer of land or, (3) dedicate land to a mandatory Property Owner Association (P.O.A.) for private recreation purposes."

An additional park development fee approved in September 1994 is being accounted for in the Park Land and Development Fund. This fee is used 50% for development for community parks and 50% for neighborhood parks.

On March 1, 2011, voters approved a Charter Amendment to allow the use of park land fees in the nearest community and/or neighborhood park in the absence of suitable park land sites in the subdivision that generated the fees.

Community parks include Andrews, Reaves, Griffin, Sutton, Saxon, Ruby Grant, and Legacy Park. There are an additional 57 neighborhood parks.

FYE 24 Budget

There are revenues of \$95,000 estimated in FYE 24, which include fees of \$85,000.

There is a fund balance of \$299,558 projected at the end of FYE 24 that may be utilized for the purposes discussed in the Park Land Ordinance.

One park Capital Project is scheduled in FYE 24.

**UNIVERSITY NORTH PARK TAX INCREMENT DISTRICT FUND
BUDGET
HIGHLIGHTS**

Background

The University North Park Tax Increment Finance District (UNP TIF) Fund is a Capital Fund established to account for the incremental revenue from sales and property taxes generated from Tax Increment District Two, City of Norman and public improvement project costs within the district.

On May 23, 2006, the City Council adopted Ordinance O-0506-66, establishing the University North Park Tax Increment Finance District (City of Norman TIF #2). TIF #2 is located on a 580-acre tract of land along I-35 in north central Norman. Plans for the TIF include the construction of public infrastructure including road and traffic improvements; a conference center, a new community park (“Legacy Park”) and extension of the City’s Legacy Trail; construction of an overpass of Interstate 35 at Rock Creek Road; and economic development incentives designed to attract quality jobs and higher-end retail establishments to the UNP Development. The majority of the infrastructure and park projects have been completed.

FYE 24 Budget

The Council approved the formation of the University North Park Business Improvement District (UNP BID) on July 8, 2014 (Resolution 1415-11). The BID collects assessments from property owners in the UNP development, which are matched by City TIF funds, together totaling \$200,000 per year. These allocations are for the purpose of providing for the maintenance of Legacy Park, including park trails and greenways throughout the UNP development. BID proceeds may also be used for landscape and lighting plans, and for the design and/or construction of a decorative entryway into the UNP development. The first entryway sign project was completed in FYE 2018. The FYE 2024 budget includes \$200,000 from BID assessments and \$148,256 in City TIF funds for these maintenance expenses.

Beginning in Fiscal Year 2020, sales taxes earned in the UNP TIF District will no longer be apportioned to the UNP TIF fund. No property tax revenues are projected to be apportioned to the UNP TIF Fund in FYE 2024. Council passed an Ordinance and other actions (Ordinance O-1920-24; accompanied by Contract K-1920-82 and Resolution 1920-63) to amend the UNP TIF Project Plan to enact the end of this sales tax apportionment and deposit the full sales tax collections into the General Fund and Capital Fund.

**CENTER CITY TIF FUND
BUDGET
HIGHLIGHTS**

Background

The CCFBC was adopted by the City Council on May 23, 2017 to codify the goals and objectives of the Center City Vision. The City Council adopted the Norman Center City Project Plan and Tax Increment Finance District No. 3 on December 19, 2017 (O-1718-27), for the purpose of stimulating the development contemplated by the Center City Form-based Code (CCFBC), and promoting smart development practices in the Center City area. The CCFBC consists of infill and new development with residential, multi-family residential, urban mixed-use, and improved streets, streetscapes, public improvements, connectivity, and pedestrian accessibility in the Center City area.

The project plan authorizes \$44,000,000 in project costs for public infrastructure, and an additional \$3,400,000 in project costs for contingencies and implementation/administration costs. The project plan authorizes 90 percent of the incremental tax revenue generated from increases in property taxes resulting from new private investment in the Increment District to be used to pay authorized project costs.

FYE 24 Budget

The FYE 24 Budget shows a beginning fund balance of \$2,207,281 and projected property tax revenues of \$1,470,414. No expenditures are projected for FYE 24.

**GENERAL DEBT SERVICE FUND
BUDGET
HIGHLIGHTS**

Background

Debt financing allows improvements to be made as the need arises rather than delaying the project until sufficient revenue is accumulated. By using debt financing, the cost of capital improvements can be more equitably distributed to the users of the facility over its expected useful life.

The goal of the City of Norman’s debt policy is to maintain the ability to provide essential City services in a cost-effective manner. This goal is balanced with maintaining the ability to borrow at the lowest possible rates. For a project to be soundly financed through the issuance of long-term debt, the City uses the following guidelines:

- Revenue sources that will be used to pay off the debt are conservatively projected
- The financing of the improvement will not exceed its useful life
- The benefits of the improvement must out-weigh its cost, including the interest cost of financing
- Through the application of these policies, the Council rigorously tests the demand for debt financing

Debt financing supports necessary capital projects. These capital projects are integrated into the City’s capital improvement plan, which also includes significant pay-as-you-go projects. All capital projects are linked to the services that the City provides to its residents, enterprise customers and visitors.

CITY OF NORMAN

General Government debt is retired with revenues from annual property tax levies unless specific revenue from other sources is dedicated, to the extent available, for debt service. The City’s ability to repay this debt is judged on the basis of a combination of factors, including legal debt margin, economic characteristics, governmental organizations, and financial performance. The City’s debt capacity is established by Section 26 and 27, Article X of the Oklahoma Constitution. Section 26 limits bonds issued for road or bridge improvements to ten percent (10%) of the net assessed valuation (gross valuation minus homestead) of the City. Section 27 authorizes cities and towns to issue bonds for utilities, broadly defined as anything other than roads and bridges, used by the public. Although the amount of bonds issued under this provision is not specifically limited, debt exceeding 30% of the net assessed valuation would generally affect marketability of the bonds.

The Norman Utilities Authority Water and Wastewater Division’s revenues service the two revenue issues, while the Norman Municipal Authority revenues service the ERP and Public Safety revenue issues. Norman Forward Sales Tax Notes issued by the Norman Municipal Authority are serviced by Norman Forward Sales Tax Revenues.

In April, 2021, a G.O. Bond referendum was approved for continuation of the previous 2016 street maintenance program with additional street locations and the addition of a preventative maintenance program.

**RETIREMENT SYSTEMS
BUDGET
HIGHLIGHTS**

The City of Norman contributes to three separate retirement systems on behalf of City employees.

- Norman Employees Retirement System;
- Oklahoma Firefighters Pension and Retirement System;
- Oklahoma Police Pension and Retirement System.

Each of these retirement systems is administered by entities other than the City of Norman and as a result the City does not exercise budgetary control. Therefore, they are not included in the FYE 24 Budget as separate funds of the City. It should be noted that the costs of contributions to the systems appear as a part of salaries and benefit category of expenditure in every operating fund of the City.

Employee Retirement System

The Employee Retirement System (the “Plan”) of the City of Norman is a single-employer public retirement system, which was established on November 1, 1967, by a City ordinance and amended on January 29, 1985 and July 1, 1991. The Plan was a defined benefit pension plan to which the City and employees contributed. The July 1, 1991, amendment converted that portion of the Plan which relates to non-retired participants to a money purchase defined contribution plan under section 414 (h) of the Internal Revenue Code (the “New Plan”). For active employees as of July 1, 1991, an amount equal to the greater of the participants’ vested benefits under the Plan or their account balance in the Plan was transferred to a participant account in the New Plan.

A Board of Trustees, composed of six members, meeting at least quarterly, manages the New Plan. Members by position include the City Manager or a designee, Finance Director, and Human Resources Director. The City Council elects one additional member, and the American Federation of State, County, and Municipal Employees (AFSCME) union membership elects the final two members. All active employees who participate in the New Plan contribute 6.5 percent of their base pay and the City contributes 8.5 percent of member’s payroll to the New Plan.

The Plan will remain in existence to pay benefits to those retired employees receiving benefits at July 1, 1991. As of April 5, 2023, the Plan included 4 retirees and other beneficiaries.

Oklahoma Firefighters Pension and Retirement System

The Oklahoma Firefighters Pension and Retirement System (OFPRS) cover uniformed members of the City's Fire Department, which is a cost sharing multiple-employer public employee retirement system. All full-time firefighters, who are hired before age 45, are eligible to participate in the system. The pension plan provides pension benefits as well as death and disability benefits.

Members of the firefighter's retirement system are required to pay 8% of their base pay to the pension plan. By State Statute, the City contributes 14% of member's payroll to the OFPRS.

Oklahoma Police Pension and Retirement System

The Oklahoma Police Pension and Retirement System (OPPRS) cover uniformed members of the City's Police Department, which is a cost sharing multiple-employer, public-employee retirement system. Police officers employed in participating municipalities are required to participate in the system, provided they meet certain requirements. Police officers are required to pass physical and medical examinations and must be not less than 21 or more than 35 years of age when accepted for initial membership. Members of the police retirement system are required to pay 8% of their base pay to the pension plan. By State Statute, the City contributes 13% of member's payroll to the OPPRS.

PREVENTION

GOALS:

- Get all inspections and investigations in New World.
- Provide for the public’s safety by creating awareness of fire as a personal, family, business and community concern and by securing the cooperation of individuals and property owners in fire-safe practices for the safety of themselves and others.
- Maintain Fire Inspector and Fire Protection Engineer skills to current state law and national standards.
- Provide for the public safety through engineering and plan review to ensure compliance with the fire protection and life safety provisions of the fire prevention code.
- Determine the nature and scope of the local fire problem by identifying areas that may require corrective educational efforts, inspection emphasis, and legislation or criminal prosecution.

OBJECTIVES:

- Conduct 100% of all educational programs requested by the public. Host the annual Fire Prevention Week, Arson Awareness Week, Norman Regional Hospital Kids are Special Program, participate in Safety Town and other activities related to public education.
- Maintain Fire Inspector and Fire Protection Engineer skills through certifications to current state law and national standards by attending CLEET courses, seminars and the National Fire Academy. Have qualified Fire Inspectors complete the state CLEET requirement. Send rookie Fire Inspectors to Inspection and Investigation schools for certification.
- Following NOC and IFC codes inspect 100% of all new construction and existing "high hazard" properties, inspect 100% of all existing multi-residential properties. All other properties subject to fire inspections completed biannually.
- Determine the cause for 90% of all fires that occur. Maintain a 60% clearance rate and 95% conviction rate for fires determined to be arson.

MISSION:

To ensure systems and resources are aligned to create a more inclusive community and organizational workforce by building and sustaining an ecosystem of education, engagement, and access across all communities in Norman. The mission of the City of Norman Americans with Disabilities Act (ADA) Program is to enforce the ADA Civil Rights law, as it pertains to Title I and II, and ensure people with disabilities have the same opportunities in all programs, activities, and services as everyone else.

DESCRIPTION:

The ADA Program, ran under the Employees Relations Division in Human Resources, is made up of the ADA Coordinator and the one full time ADA Technician. City Council appointed an ADA Citizen Advisory Committee and City Leadership took the initiative to create an ADA Staff Liaison Committee, made up of representatives from all City of Norman Departments. *Note: Prior to August, 2021, ADA functions were ran under Public Works and the City Manager's Department.

INFORMATION TECHNOLOGY

GOALS:

Information systems and infrastructure are utilized in every department within the City of Norman and therefore the services rendered by the City of Norman staff to the citizens of Norman are directly impacted by Information Technology. Our goal is to provide effective information technology solutions and support in the form of helpdesk operations, applications support, network and server support, network security, network infrastructure design/support, and process improvement/development to all departments of the City of Norman in order to:

OBJECTIVES:

- Sustain and monitor filters for email tracking, web filtering appliance, and infrastructure protection to reduce system intrusion and to help create a solid sustainment strategy. This includes the implementation of a new enhanced SIEM (Security Information and Event Manager) appliance to be monitored by IT Department System Administrators and their supervisor. This will enhance security while minimizing data loss and maximizing data protection.

DEPARTMENT SUMMARY

TOTAL PLANNING & DEVELOPMENT

MISSION:

The mission of the Department of Planning & Community Development is to develop, implement, and monitor a comprehensive urban planning process, emphasizing continuing interdepartmental cooperation and assistance in the preparation of plans and programs, to protect the health, safety, and welfare of the citizens of Norman through enforcement of City Codes.

DESCRIPTION:

The Department of Planning & Community Development provides support to the City Council, Planning Commission, Board of Adjustment, Historic District Commission, Greenbelt Commission, and Board of Appeals. The Department is responsible for developing and updating Chapter 22 – the Zoning Ordinance – and updating the Comprehensive Land Use Plan and other plans for the City. The Department reviews building permit applications, rezoning requests and subdivision of property while ensuring timely hearing of requests, which are reviewed by various Boards and the City Council. The Department is also responsible for enforcing various codes and ordinances related to the health, safety and welfare of citizens; updating all ordinances, which comprise the regulatory framework against which development proposals are evaluated. In addition, the Department is responsible for the administration of ordinances that affect the health, safety and welfare of citizens, and administration of federal grants related to housing and urban development.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

DEVELOPMENT SERVICES

GOALS:

- Improve the timeliness of the permit review process by continuously updating the permit application process and adopting specific performance targets.
- Enhance inspection services; utilize all available technologies to minimize delays when inspection are required.
- Improve employee training, certification and knowledge base to allow for greater skill sets so we have redundant skills for various tasks.
- Ensure work is built in the conformance with the Building Codes.
- Help educate the public and stake holders about the permit process, building science, and the building codes to promote quality plans and buildings.
- Continue improving customer service in permitting and inspection services.

OBJECTIVES:

- Provide the highest level of professionalism and customer service to those seeking permitting and inspection services.
- Utilize national standards to establish appropriate review time frames for each type of permit and inspection results.
- Continuously refine building permit application processes so that they are easily understood by the public, while still requiring all necessary information to properly process each permit type.
- Continue to improve the effectiveness and consistency of plan reviewers and building inspection staff.
- Continue to maintain the professional standard of the staff with appropriate certifications and licenses.
- Continue to refine the non-residential plan review process for all agencies (Building, Planning, Public Works, Fire) reviewing permit applications.
- Continue to modernize the permit and inspection process to help seasoned and new builders through the permit and inspection processes.
- Continue to coordinate with Building Departments in the Oklahoma City Metro Area to strive for consistency between each department for common inspection and plan review items.
- Continue to ensure safe, accessible, efficient and quality buildings are built to benefit the current and future building occupants.
- Remain current and involved with State Code Adoptions through the Oklahoma Uniform Building Code Commission (OUBCC).

10660270 ANIMAL WELFARE

MISSION:

The mission of Norman Animal Welfare is to encourage responsible pet ownership by promoting and protecting the health, safety, and welfare of the residents and pets of Norman through education, enforcement, and community partnership.

DESCRIPTION:

Norman Animal Welfare is comprised of three sections: Response, Facility, and Medical. Animal Welfare Officers (response) respond to citizen complaints, apprehend dangerous animals, confiscate and render aid to animals in need of care, pick up stray or deceased animals, handle loose livestock or nuisance wildlife, conduct animal cruelty investigations, and provide education to the public. Animal Welfare Facility staff provide customer service to citizens in-person, over the phone, or through electronic communication; conduct the intake of animals at the facility; conduct behavior evaluations; provide care to animals housed at the facility; maintain and clean the facility; provide education to the public; and work towards positive animal outcomes through transfer, foster, and adoption. The Medical Section provides medical evaluation and treatment of animals in our care; spay neuter services; and provides procedural guidance regarding care of animals in our custody.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

ADMINISTRATION

GOALS:

- Evaluate and identify present and future community needs, establish priorities, formulate long and short range public works plans. Research, develop and implement new strategies for innovative and improved service.
 - Ensure all work is performed in conformance with appropriate standards and specifications and maintain an awareness of federal and state regulations as they apply to various areas within the Public Works Department.
 - Establish goodwill and resolve/respond to various issues by attending meetings, and through correspondence with various County, State and Federal regulatory agencies, civic and business associations, representatives of the press, City officials, citizens, and other City departments.
 - Improve the appearance of the community through implementation of specific projects and programs.
 - Implement American Public Works Association (APWA) Accreditation Program with an eye toward “continuous improvement”.
-

OBJECTIVES:

- Coordinate major highway improvement projects with the Oklahoma Department of Transportation including Interstate 35, State Highway 9, West Main Street Bridge Project, 24th Avenue East Bond Project, 36th Avenue NW Bond Project, and Legacy Trail.
 - Continue the process of compliance with EPA and ODEQ Phase II Stormwater regulations by fulfilling the requirements of the NPDES permit and educate the community on the new regulations including the Lake Thunderbird TMDL.
 - Reduce traffic congestion/delay by monitoring and upgrading current Traffic Signal Timing Program, capital projects and other pro-active traffic system improvements.
 - Retain the City beautification program started as a litter control program including a right-of-way mowing and edging program through contract services and enhanced street sweeping operations.
 - Enhance City’s stormwater management and flood control programs through the successful implementation of the Stormwater Master Plan and enforcement of the City’s Floodplain Ordinance.
 - Assist the community in its desire to improve appearance and appeal of the University of Oklahoma including the implementation of a citywide Wayfinding Program.
 - Implement the City’s first (2014) Comprehensive Transportation Plan “Moving Forward”.
 - Implement 2012 G.O. Bond Program including eight (8) major Transportation/Stormwater projects.
 - Implement the City’s adopted Alternative Fuel Program including enhancement of the City’s Compressed Natural Gas (CNG) Fueling Facility and Vehicle Conversion Program.
 - Implement the City’s 2013 Fleet Management Plan to address efficiency and budget issues.
 - Implement the City's 2021-2026 Street Maintenance Bond Program valued at \$27 million
 - Serve as the City’s liaison to the Association of Central Oklahoma Governments (ACOG) for all transportation issues including acquisition of up to \$10 million in federal grants per year for local projects in Norman.
 - Serve as a key member of the City’s Response and Recovery Team for all weather disasters in Norman, particularly in the repair of damaged public infrastructure and the removal of debris.
 - Maintain over 800 miles of public streets in Norman.
 - Coordinate the land development, platting and building permit applications for hundreds of new residential, commercial and industrial properties each year.
 - Maintain the City’s fleet of over 900 vehicle and equipment items to the satisfaction of our customers who are made up on other City department personnel.
 - Manage the City's Public Parking Program.
 - Manage the City's Public Transportation (bus) System, EMBARK Norman.
 - Implement 2019 Transportation Bond Program including nineteen (19) projects.

DIVISION SUMMARY

10550170 FLEET ADMINISTRATION

MISSION:

The mission of the Public Works Fleet Administration Division is to provide safe, economical, state-of-the-art, environmentally friendly transportation and service to allow departments to fulfill their official duties and to enhance citizen mobility, accessibility, and transportation choices that are safe, economical, and reliable. The Public Works Fleet Administration Division also ensures the City's Public Compressed Natural Gas (CNG) Fueling Facility and Public Electric Vehicle (EV) Chargers remain open to the public 24 hours a day. Fleet Administration uses a Fleet Management Information Software program to ensure accurate mechanic productivity, repair types, work orders, parts issued, inventory, fuel, and equipment replacement needs are posted. In addition, FuelMaster is a fuel management system used by the Fleet Division to track usage of compressed natural gas (CNG), unleaded and diesel. FuelMaster allows the Fleet Division to report accurate usage of CNG from the public and private sector to the IRS for tax purposes.

DESCRIPTION:

There are 29 employees within the Fleet Administration and Repair Divisions. The Fleet Division provides the administrative, logistical and mechanical support to all City departments who operate City owned equipment/vehicles. In addition, the Fleet Division provides the administrative, logistical, and mechanical support to the public who utilize the City's Public Compressed Natural Gas (CNG) Fueling Facility, as well as, the Public Transit services. Fleet staff is responsible for establishing citywide budget figures based on a five year average usage for the coming fiscal year with regards to the internal fuel, parts, and sublet accounts. Fleet Administrative staff establishes capital funds by awarding bids and/or using state contracts relating to the acquisition of new equipment/vehicles. The Equipment Support Supervisor and 1 Light Equipment Technician are responsible for the daily maintenance and the periodic repair, including ordering all parts and supplies for both repairs and preventative maintenance of the City of Norman's CNG Fueling Facility.

Notes to Results Report:

Preventive Maintenance Program: This program is designed with the intent to “prevent” major repairs before they happen. Vehicles/equipment are scheduled on a routine basis, specifically every 4,000 miles (250 hours for those with meters) or every 6 months, whichever comes first. With the cleaner burning fuel on our CNG vehicles, they are scheduled on a routine basis, specifically every 7,500 miles (500 hours for those with meters) or once a year, whichever comes first. Public Transportation fixed route and paratransit vehicles are scheduled on a routine basis, specifically every 5,000 miles. With the cleaner burning fuel on our CNG vehicles, they are scheduled on a routine basis of once a year.

Capital Equipment/Vehicle outlay: The Fleet Division uses the Oklahoma State Contract, where applicable, as one of its main tools in purchasing cars, police vehicles, pickup trucks and large chassis, which helps keep the initial investment lower.

Vehicle Replacement Analysis: Available through the FASTER program used by the Fleet Division, this report identifies units that are in need of replacement before maintenance costs exceed the value of a replacement. FASTER automatically calculates equipment replacement needs based on age, usage, and maintenance dollars spent using a fifteen (15) point system. Items ranked twelve (12) points and above are evaluated for replacement.

Support of City Policies: The Fleet Division supports and aids in drafting policies that prohibit unskilled and untrained employees from performing repairs and/or modifications to City vehicles and equipment.

DIVISION SUMMARY

10550175 FLEET CNG STATION

MISSION:

The Compressed Natural Gas (CNG) Station is a fueling facility for the City’s fleet and the public. Fleet tracks CNG usage of the public and City’s fleet while maintaining the fueling facility, ensuring it is open to the public 24 hours a day.

DESCRIPTION:

FuelMaster is a system used by Fleet to track usage of compressed natural gas (CNG), unleaded fuel, and diesel. FuelMaster allows Fleet to report bi-weekly usage of CNG from the public and private sectors to the Internal Revenue Service and the Oklahoma Tax Commission for payment of motor fuel taxes. The approximate annual amount of CNG gallons is 307,290.

10550171 FLEET AUTOMOTIVE/LIGHT EQUIPMENT REPAIR

MISSION:

The mission of the Fleet Light Repair Shop is to support the City Departments and agencies in the delivery of municipal services by ensuring that City vehicles and other automotive-related equipment are available, dependable, and safe to operate in a timely manner.

DESCRIPTION:

The Fleet Light Repair Shop is comprised of 1 shop Supervisor and 7 Technicians: 1 Mechanic II, 3 Mechanic I's, 2 Auto Service Technicians, and 1 Tire Technician. These 8 Fleet employees are responsible for 583 of the 905 pieces of equipment and automotive units in the City's fleet. The Fleet Automotive/Light Equipment Shop has maintained the Automotive Service of Excellence (ASE) Blue Seal Program since October 2008. This is achieved by having 75% or more technicians ASE certified in each area of service provided. The Shop Supervisor is responsible for prioritizing equipment repairs to ensure all departments have a safe and ample amount of equipment available at all times. The Supervisor oversees the day-to-day operations, provides for the health, welfare, and safety of the division employees as it relates to personnel, equipment, shop, and environmental safety.

DIVISION SUMMARY

10550222 STORMWATER MAINTENANCE

MISSION:

The Stormwater Division is responsible for the protection of the health, safety, and welfare of the people of Norman through the regulation and maintenance of the City’s municipal separate storm sewer system (MS4) and the administration of the floodplain permitting process. The Stormwater division controls the direct or indirect introduction of pollutants by any source or user into the MS4 through the permitting process and emergency spill response process to ensure compliance with state stormwater regulations, including the Phase II MS4 general permit and the Lake Thunderbird Total Maximum Daily Load (TMDL). Maintenance and improvement of the City's MS4 addresses continued efficient day to day operation as well as emergency repairs to help ensure flood waters move safely throughout the city. The Stormwater division is additionally responsible for administering the City's floodplain permitting process. Floodplain permitting efforts help ensure the welfare and protection from floodwaters of lives and property within the City as well as the protection of the City's natural water resources.

DESCRIPTION:

- Respond to citizen requests, drainage concerns, and the City of Norman Action Center notifications within a twenty-four hour period.
- Administer the floodplain and earth change permitting processes.
- Ensure proper management of compliance with the Phase II MS4 program and Lake Thunderbird TMDL Compliance and Monitoring Plans.
- Control the direct or indirect introduction of pollutants into the MS4 by stormwater discharges from any source or user.
- Control the introduction into the MS4 of any spills or dumped or disposed material other than stormwater.
- Prohibit illicit connections and illegal discharges to the MS4.
- Inspect and monitor the MS4 to ensure compliance with applicable stormwater requirements.
- Inspect and enforce stormwater requirements at construction sites.
- Provide for the management and maintenance of the MS4 for flood control purposes.
- Perform erosion control and debris removal within publicly owned drainage ways.
- Maintain approximately 102 miles of storm sewers.
- Maintain bridges and culverts.
- Conduct street sweeping on major arterial and collector streets.
- Provide emergency disaster response related to flooding, winter storms, severe storms, and non-hazardous material chemical spills.
- Coordinate rural drainage improvement projects with Cleveland County.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

TRAFFIC CONTROL

GOALS:

- Provide a transportation system that allows the safe, orderly and predictable movement of all traffic, motorized and non-motorized.
- Provide and maintain the control, guidance and warning devices necessary for the efficient movement of people and goods.
- Respond to citizen requests in a courteous, timely and efficient manner.
- Provide prompt assistance to other City Departments and Divisions.
- Ensure employee safety.

OBJECTIVES:

- Investigate traffic problems reported by the public in a timely manner.
- Complete traffic studies in a timely manner.
- Review plans in a timely manner.
- Maintain high quality pavement markings on roadways with more than 1,000 vehicles per day on average. Stripe high traffic volume roadways (with more than 10,000 vehicles per day) utilizing thermoplastic which is re-stripped every 4 to 6 years depending on wear. All other roadways with more than 1,000 vehicles per day are striped annually utilizing waterborne paint.
- Perform appropriate Capital Project Management.
- Serve as ACOG MPO TC Member including development of periodic TIP submissions and addressing various calls for projects to Regional Plan Updates.
- Respond to damaged traffic control signs in a timely manner.
- Respond to traffic signal malfunctions in a timely manner.
- Perform preventive maintenance on all traffic signal and parking meter equipment.
- Provide a safe working environment for all employees.
- Maintain traffic signal timing plans for coordination of urban arterials on closed loop systems.
- Respond to neighborhood requests for traffic calming projects.

FUND SUMMARY

TOTAL COMMUNITY DEVELOPMENT FUND - CDBG (21)

MISSION:

The mission of the CDBG program is to promote the development of viable urban communities by providing decent housing, a suitable living environment, and expanded economic opportunities, principally for persons of low and moderate incomes. CDBG eligible activities are initiated and developed at the local level based upon the community's needs, priorities, and benefits. The mission of the HOME Investment Partnership Program (HOME) provides formula grants to fund a wide range of activities including building, buying, and/or rehabilitation of affordable housing for rent or ownership or providing direct rental assistance to low-income people.

DESCRIPTION:

The Community Development Fund is a special revenue fund established to account for resources from a variety of federal programs funded by the Department of Housing & Urban Development. The fund activities include preparation and submission of grants, implementation and management of projects, monitoring of activities, and record keeping and reporting. Fund divisions reflect multi-year funding as well as different grant programs.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

COMMUNITY DEVELOPMENT FUND

GOALS:

- To provide resources to low-to-moderate income residents of targeted areas to revitalize the infrastructure of their residential areas according to an approved Consolidated Plan, with emphasis on leveraging other resources to accomplish as many improvements as possible.
- To assist social service providers who serve low-to-moderate income persons in the City in finding resources.
- To provide resources for a variety of housing programs to rehabilitate existing housing, including accessibility modifications and emergency repairs; and, to assist in the development of affordable rental housing.
- To provide resources to address the continuum of care for homeless persons by serving as the Collaborative Applicant for the Cleveland County Continuum of Care (OK-504).
- To continue support of an anti-poverty program to improve the general quality of life in the community.
- To acquire new resources for the City from available grant funds on a competitive basis through collaborative efforts with other agencies to address unmet needs.

OBJECTIVES:

- Facilitate the design and construction of infrastructure projects that primarily benefit low and moderate income areas of the City.
- Provide technical assistance to social service providers.
- Continue existing housing rehabilitation programs and review and potentially implement additional programs to address more households.
- Continue to facilitate the Continuum of Care Steering Committee as the lead entity for Cleveland County (OK-504); assist providers of homeless services in an effort to expand the continuum of care from prevention to permanent housing.
- Partner with and/or provide technical assistance to other appropriate local agencies to acquire new resources to address the needs of low-to-moderate income persons.
- Apply for additional resources, which are available on a competitive basis, to address the needs of low-to-moderate income persons.

FUND SUMMARY

TOTAL PUBLIC SAFETY SALES TAX FUND (15)

MISSION:

On May 13, 2008, the citizens of Norman passed a seven-year, one-half percent (1/2%) Public Safety Sales Tax (PSST) in order to increase the number of police officers and firefighters, and to construct two new fire stations. Ordinance O-0708-32 authorized the City to assess the new sales tax beginning October 1, 2008 and terminating on September 30, 2015. On April 1, 2014, the citizens passed a permanent one-half percent (1/2%) PSST in order to maintain the personnel added and to fund public safety equipment and projects.

DESCRIPTION:

The Public Safety Sales Tax Fund accounts for the revenues and expenditures related to the Public Safety Sales Tax. Both Police and Fire Departments have divisions in this Fund to account for the expenditures incurred related to the tax.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET - EVT

GOALS:

- Provide safe and reliable repairs for the Public Safety Fleet.
- Maintain the ASE Blue Seal of Excellence Program and keep the Fleet facility ASE certified.
- Allocate funds and provide specifications for the replacement of our Heavy Fire and Police Fleet units.
- Provide outsourcing for repairs not provided in-house for vehicles and equipment.
- Deliver the highest level of customer service.
- Complete 80% of repairs in 24 hours and 90% of repairs in 48 hours.
- Provide 85% on demand for parts non-consumables; 90% of parts requirements will be available within 4 business hours; 98% on demand of repair parts designated as preventative maintenance requirements.
- Uphold a higher standard relationship with all customers.
- Productivity goal of 72% or above.
- 95% overall equipment availability at any given time.

OBJECTIVES:

- Deliver the highest level of customer service as well as availability of our Public Safety Fleet units.
- Conduct all department business in an ethical and timely manner.
- Always take a proactive rather than reactive approach to identify problems or issues and initiate corrective action immediately.
- Increase the awareness of the City's personnel in the need to support the Preventive Maintenance Service program for vehicles and equipment so that safety standards are continually met, liabilities are reduced, and an overall reduction in repair costs can be achieved.
- Benchmark repairs with industry standards.
- Keep come-back repairs to a minimum (<5%).

ENTERPRISE FUNDS

ENTERPRISE FUNDS

The Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the City is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the City Council has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

UTILITIES DEPARTMENT

GOALS:

- Protect the environment and provide a cleaner, greener Norman for our customers.
 - Improve services and minimize costs for our water, water reclamation and sanitation customers through long-term planning, proper maintenance of our systems, proper contract and compliance management, by increasing employee knowledge through training and implementing new technologies where practical and cost effective.
 - Increase knowledge of the general public regarding the capabilities of our utility systems and our need to maintain compliance with existing and proposed regulatory requirements.
 - Provide a safe workplace for our staff, our contractors, and the general public by minimizing safety related accidents and associated costs.
-

OBJECTIVES:

- Protect the Environment:
 1. Provide safe reliable potable water that meets and exceeds all State and Federal regulations at a reasonable cost for our customers.
 2. Implement best available, cost efficient, treatment technologies to minimize pollutant discharges in our effluent.
 3. Eliminate sewer overflows during rainfall and construction.
 4. Provide safe and environmentally approved collection and disposal of municipal solid waste for all Norman residents.
 5. Implement construction related Best Management Practices to protect stormwaters.
 - Improve Utility Services and Minimize Costs:
 1. Consider adopted land use plan during planning phase for future projects.
 2. Expand Water Reclamation Facility (WRF) capacity in advance of development in order to maintain the quality of effluent discharged and avoid any WRF bypass of wastewater.
 3. Utilize and maintain water and water reclamation models to determine proper sizing of water distribution and wastewater collection systems to keep pace with development.
 4. Explore alternative funding opportunities (grant funding) to minimize user fees for our customers.
 5. Repair or replace deteriorated sanitary sewer lines and perform before and after flow monitoring to document reduction of infiltration and inflow into the collection system.
 6. Maintain compliance with existing and proposed rules and regulations, and grant conditions where applicable.
 7. Provide timely review of development plans and specifications, and coordinate collection of payback fees and excise tax fees with the Planning Department.
 8. Review City of Norman water, water reclamation and solid waste regulations and, if required, coordinate annual updates with the Public Works Department.
 - Increase Knowledge of the General Public:
 1. Inform the public regarding the need for utility improvements prior to and during implementation.
 2. Educate our customers regarding available technologies and the advantages of implementation.
 3. Expand the discussion of treated effluent reuse for irrigation, process water and educate the public regarding the advantages of indirect reuse as a water supply.
 4. Inform the public regarding changes to regulations and the impact on the cost of our services.
 5. Increase knowledge of employees so they can advance into higher positions.
 - Provide a safe workplace:
 1. Minimize Capital Improvement Projects (CIP) construction related accidents or injuries.
 2. Maximize OSHA compliance by CIP contractors and City staff.
 3. Ensure submission of and compliance with Traffic Control Plans.
 4. Reduce citizen complaints during construction.

DIVISION SUMMARY

33955166 SANITATION / RECYCLING OPERATION

MISSION:

The mission of the City of Norman Recycling Department is to provide a cost effective, informative way for our residents to recycle. This will be accomplished through coordinated administrative, operational and educational projects in waste reduction, reuse, recycling and disposal.

DESCRIPTION:

The Recycling Department of the Sanitation division collects recyclables from local businesses and recycle centers placed throughout the city. The Recycling Department oversees a private contractor that collects our residents' recyclables at the curb. The Recycling Department holds said contractor to the same standard of services our residents have come to expect from our Sanitation division.

33955163 SANITATION / WASTE DISPOSAL

MISSION:

The mission of the City of Norman Transfer Station is to provide a convenient, clean, and environmentally sound facility for our commercial trucks, as well as residential homeowners and commercial customers. This will be accomplished through coordinated administrative, operational, and educational projects in waste reduction, reuse, and recycling.

DESCRIPTION:

The City of Norman Transfer Station receives solid waste including household garbage, yard waste, construction debris, and tires. The City of Norman Transfer Station loads garbage into transfer trailers, and transports it to the Oklahoma City landfill. Yard waste is processed at the compost facility. Tires are collected and transported by a licensed tire processing and recycling facility. There is a recycling drop center hub located at the facility.

FUND SUMMARY

TOTAL WATER RECLAMATION FUND (32)

MISSION:

The mission of the Water Reclamation division is to transport and treat all wastewater received into the City's sewer system to a sufficient level of quality that no negative environmental impact will occur to the South Canadian River or agricultural application sites.

DESCRIPTION:

The Water Reclamation Division's responsibility is to transport and treat all wastewater discharged into the City of Norman's sewer system, to a sufficient quality before discharging it into the South Canadian River. In FYE 02, the Water Reclamation Fund reorganized into five separate cost centers. On October 1, 2002, a new Sewer Maintenance Fund was created to account for the revenues and operations of the previous Sewer Line Maintenance cost center. In FYE 15, the sewer line maintenance operations were transferred from the Sewer Maintenance Fund. In FYE 24, the Environmental Services division was transferred to the City Manager's Department.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER RECLAMATION / ADMINISTRATION

GOALS:

- Maintain permitted water quality requirements.
- Reduce operational and maintenance cost.
- Provide safe working conditions for all plant staff.
- Cross-train the majority of the staff members in operations, maintenance, centrifuge operations and laboratory analysis.

OBJECTIVES:

- Improve energy conservation through enhanced operator and maintenance input.
- Continue providing safety training for all staff members.
- Provide training for operators and maintenance staff for license upgrades.
- Facilitate cross-training by giving employees time to cross-train in other departments.

DIVISION SUMMARY

32955145 WATER RECLAMATION / BIO-SOLIDS

MISSION:

To transport environmentally safe bio-solids for beneficial usage on regulated farmlands and assist administration, maintenance, and operations in the performance of their duties.

DESCRIPTION:

Bio-solids sub-division operates all solids handling and dewatering equipment. They also transport our bio-solids to either our land application sites or the landfill. They are responsible for the operations of heavy equipment including front-end loaders, field tractors, forklifts, mowers, semi-tractor trailers and other equipment at the facility. This sub-division consists of three heavy equipment operators.

DIVISION SUMMARY

32955244 WATER RECLAMATION / LABORATORY

MISSION:

To collect and analyze water quality and bio-solids, and meet quality analysis/quality control (QA/QC) standards. To interpret lab analysis in order to provide operations staff and management accurate/reliable data in determining process control changes.

DESCRIPTION:

Laboratory staff consists of two lab technicians and one lab manager. Their responsibility is to analyze all wastewater samples which include influent, effluent, activated sludge, bio-solids and other samples. They also ship samples for other analysis including metals, bio-monitoring and other parameters as deemed necessary.

DIVISION SUMMARY

32955246 WATER RECLAMATION / OPERATIONS & MAINTENANCE

MISSION:

Operations: To monitor the treatment process and interpolate lab data to make proper adjustments and to facilitate environmentally safe effluent. To maintain necessary monitoring records as required by management and regulatory agencies.

Maintenance: To maintain all treatment processes through preventative maintenance tasks, scheduled and unscheduled maintenance, repairing, calibrating, and monitoring of all equipment, and maintain maintenance records of that equipment.

DESCRIPTION:

Operations staff consists of 4 shift operators. Their main focus is to assure the treatment processes are performing as designed. Maintenance staff consist of a crew chief, a plant mechanic, a maintenance worker II, a maintenance worker I, and 2 maintenance operators. Maintenance staff maintain the treatment equipment to design standards as well as other duties. Maintenance staff consist of (6) staff members, one crew chief, plant mechanic, maintenance worker II, maintenance worker I and two (2) maintenance operators. The maintenance operators cover shifts for the operations staff in the event they are off duty, maintenance staff maintain the treatment equipment up to design standards including, oil changes, repairs of any equipment taken out of service, and preventive maintenance on equipment. Other duties involve painting, mowing, cleaning of treatment equipment and new equipment installations.

DIVISION SUMMARY

32955252 WATER RECLAMATION / SEWER LINE MAINTENANCE

MISSION:

To safely transport wastewater from the community and commerce to the water reclamation facility. The wastewater collection system is maintained to minimize service disruptions, household backups, and overflows into the environment. Public health and safety are the primary focus of this Division along with employee safety and development.

DESCRIPTION:

Sewer Line Maintenance personnel maintain approximately 500.8 miles of gravity mains, 13 miles of force mains, 4.7 miles of service laterals, 12,191 manholes, and 13 sewage lift stations. Personnel are on duty from 8:00 a.m. to 5:00 pm Monday-Friday, and on call 24 hours a day to ensure quick response to main breaks, sewer main stoppages, overflows and lift station malfunctions.

DIVISION SUMMARY

31955233 WATER / UTILITIES MODELING

MISSION:

To maintain accurate and complete GIS information relating to the City's water and wastewater assets and make that information available to support utility planning operations; to facilitate the operation of water and wastewater models to assist in determining the impact of rehabilitation and new development on the City's utility infrastructure.

DESCRIPTION:

The division provides geographic data, analyses, and services to support the Department of utilities. The division serves as technical support to City applications that consume utility data, and assists in the integration of resources requiring a geographic component. The division also supports the reporting of utility asset information as required for regulatory compliance.

31955136 WATER / LABORATORY

MISSION:

- Efficiently provide and maintain a laboratory where Water Treatment Plant (WTP) staff can promptly and accurately analyze water samples for various chemical and bacterial constituents.
- Effectively communicate with WTP staff in an effort to meet all DEQ and EPA regulated constituents and reporting requirements.
- Support other divisions.
- Educate the community about water safety and quality.
- Address citizen complaints and concerns regarding water quality of private water wells and City of Norman water system.

DESCRIPTION:

- Monitor water quality testing and accept responsibility for this data on Monthly Operations Report to the Oklahoma Department of Environmental Quality (ODEQ).
- Maintain the State Certification for the Bacteriological Laboratory.
- Collect and arrange for the analysis of tap, well, and distribution system samples for bacterial and chemical contamination.
- Communicate with DEQ to coordinate sampling and data reporting.
- Analyze samples from other public water systems and the public for bacterial contamination.
- Assist the public with drinking water complaints and private well contamination questions.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / LABORATORY

GOALS:

- Maintain certification from the DEQ for bacterial testing.
- Minimize the number of bacterial samples rejected due to lab error.
- Ensure the WTP and Well field meet all DEQ and EPA regulations for water quality, testing, monitoring and reporting.
- Respond to customer complaints and inquiries in a professional and timely manner.
- Maintain records of the Water Treatment testing for use by ODEQ, citizens, staff, and consultants for a minimum of 10 years.
- Maintain an organized schedule for completing all necessary sample collections and ensure staff understands all standard operating procedures to collect and carry out any analyses.

OBJECTIVES:

- Microbiology Laboratory will pass all performance tests and DEQ inspections.
- Collect all required samples, submit for analysis, and review data for accuracy.
- Submit all data to regulatory agencies within the allowed timeframe.
- Fully document all complaints, inquiries in writing and respond to each situation appropriately.
- Staff will read and understand all completed standard operating procedures, and create new procedures when they arise, as well as complete an annual Laboratory Assessment.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / TREATMENT PLANT

GOALS:

- Maintain well grounds and equipment
- Meet all DEQ requirements for ground water

OBJECTIVES:

Meet all primary drinking water standards. Perform scheduled preventive maintenance. Continue to use Antero system to schedule work, document the nature of work, condition of the equipment and categorize the nature of the work (emergency or routine).

Notes to Results Report:

*The division took more than 3 billion gallons of water from Lake Thunderbird. The water was taken through routine allocation and through Temporary Permit allowing the City to take water from the Flood Pool without exceeding the permitted allocation.

DIVISION SUMMARY

31930122 WATER / UTILITY SERVICES

MISSION:

To provide accurate and efficient billing services for the City of Norman utility customers; to be a customer advocate within City guidelines by providing modern, adaptable, quality focused customer support, responsive to the customers and their needs. The customer service area strives to educate customers regarding operating procedures, and to research and provide accurate and prompt information to requests made by citizens and intra-city departments.

DESCRIPTION:

In previous years an interfund transfer from the Water Fund to the General Fund was made for the salary and benefits of a Meter Reader, Meter Service Rep., and a Customer Service Rep. I in the Utility Services Division of the Finance Department. One-third of the total cost is charged here beginning in FYE 19. The other two-thirds are split between the Water and Water Reclamation Funds.

43122351 JUDGMENTS AND CLAIMS

MISSION:

Account for and monitor all expenditures related to judgments and claims.

DESCRIPTION:

Established to record all expenditures throughout the fiscal year relating to judgments and claims. A judgment is defined as an amount to be paid or collected by a government as the result of a court decision. Judgments are placed on ad valorem (property) rolls and revenues are transferred from Debt Service Fund to cover claims and expenditures.

Claims are defined in the Governmental Tort Claims Act and are paid administratively or by City Council approval.

CAPITAL PROJECTS FUNDS

CAPITAL PROJECTS FUNDS

The Capital Projects Fund is established to account for capital projects funded with sales tax revenue. All capital projects, regardless of the source of funding, are identified and tracked in the Capital Improvements Plan document.

FUND SUMMARY

TOTAL CAPITAL PROJECTS FUND (50)

MISSION:

The mission of the Capital Projects Fund is to provide capital needs of the General Fund, supported services in accordance with City goals, policies and strategies as defined in COMPLAN and Five Year Capital Plan. Revenues are derived from the 70% of the second cent sales tax and part of the Room Tax that is dedicated to parks.

DESCRIPTION:

The Capital Improvements Fund is established to account for capital projects funded with sales tax money. Seventy percent (70%) of one cent (\$.01) sales tax is set aside for capital improvements and allocated as follows: 7% contingency, 27% capital outlay (primarily used for vehicle replacements, and other general departmental capital equipment needs), 25% street projects, 5% maintenance of facilities, and 36% other General Fund supporting capital projects. See the Capital Improvements Five-Year Plan FYE 22 - FYE 26 for a detailed analysis of Capital Project Fund.

OUTSTANDING DEBT

OUTSTANDING DEBT

This section includes all outstanding debt related to the General Fund and the Enterprise Funds.

The General Debt Service Fund is established to account for the receipt of monies collected for the payment of general obligation debt and the receipt of monies for the reimbursement of claims and judgments that the City has been ordered to pay.

Schedules for debt service payments made by Enterprise Funds are also included.

FUND SUMMARY

TOTAL GENERAL DEBT SERVICE FUNDS (60)

MISSION:

The Debt Service Fund accounts for the accumulation of financial resources for the payment of interest and principal on the general long-term debt of the City, other than debt service payments made by enterprise funds.

DESCRIPTION:

Account for and monitor tax levies and other financial resources for the payment of interest and principal on the general long-term debt of the City of Norman.

In Memory of George W. Ingels 1936 - 2020

Husband of Jane, father of four, passionate Hall Park resident who served four terms as mayor. With a vision to preserve Hall Park as a country community, George was a tireless champion for maintaining the lakes and green spaces that make Hall Park unique. We, the Hall Park residents, are the beneficiaries of his work and legacy.

George's contributions to the First Christian Church, Red Cross, Norman Regional Hospital, Rotary, Central Oklahoma Grape Growers Association, and Hall Park live on in those who knew and loved him.

The City of Norman owns and maintains the lakes and green spaces in Hall Park. The Hall Park Property Owners Association and volunteers complete additional projects with the dues of the owners. Please direct concerns for safety or maintenance to the City of Norman Action Center (405)366-5396

PENSION FUNDS

PENSION FUNDS

The City of Norman contributes to three separate retirement systems on behalf of City employees.

- Employee Retirement System
- Oklahoma Firefighters Pension and Retirement System
- Oklahoma Police Pension and Retirement System

Each of these retirement systems is administered by entities other than the City of Norman and as a result the City does not exercise budgetary control. Therefore, they are not included in the budget as separate funds of the City. It should be noted that the cost of contributions to the system by the City is a part of the City's budget and shows up as a part of salaries and benefits.

APPENDIX

GLOSSARY OF TERMS and ACRONYMS

ACTIVITY - A specified and distinguishable line of work performed by a Division.

ACCRUAL BASIS – The accrual basis of accounting recognizes revenues in the period earned and expenses in the period incurred rather than when cash is received or paid.

AD VALOREM TAX – An ad valorem property tax is a tax imposed on the basis of the “value of the article or thing taxed.” An ad valorem tax is usually imposed at recurring intervals on the same piece of property.

ADA – American Disabilities Act

AFIS – Automated Fingerprint Identification System

APPROPRIATION - A legal authorization made by the City Council which permits City officials to incur obligations for a specific purpose. Each appropriation is made at the Fund and Department level, which is the highest level of budget control.

ASSESSED VALUATION - A value set upon real estate or other property by a government as a basis for levying taxes.

ASSETS - Resources owned or held by the City which has monetary value.

BALANCED BUDGET - The City shall annually adopt a balanced budget in accordance with the Oklahoma Municipal Budget Act (Title 11 Oklahoma Statutes 2006). As such, expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget (i.e., a fund balance cannot be negative).

BASIN – An area defined by the network of sewer line segments that are tributary to and terminate at a designated and control point.

BIOLOGICAL OXYGEN DEMAND (BOD) – A standard measure of wastewater strength that quantifies the oxygen consumed in a stated period of time, usually 5 days and at 20°C.

BIOLOGICAL PROCESS – The process by which the metabolic activities of bacteria and other microorganisms break down complex organic materials to simple, more stable substances.

BIOSOLIDS – Solid organic matter recovered from municipal wastewater treatment that can be beneficially used, especially as a fertilizer. Bio-solids are solids that have been stabilized within the treatment process, whereas sludge has not.

BOND - A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayments of the principal are detailed in a bond ordinance. The most common type of bonds is general obligation (GO) and revenue (Water/Sewer) bonds. These are most frequently used for construction of large capital projects, such as buildings and streets.

BUDGET - A plan of financial operation embodying an estimate of proposed means of financing them. The term usually indicates a financial plan for a single fiscal year. The term “budget” is used in two senses in practice. Sometimes it designates the financial plan presented to the City Council for adoption and sometimes it designates the plan finally approved by the body. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether it has been approved by the appropriating body.

BUDGET YEAR – July 1 through June 30

BUDGETARY CONTROL - The control or management of the organization in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available resources.

CAFR – Comprehensive Annual Financial Report

CAPITAL IMPROVEMENT CHARGE (CIC) – A charge placed upon all consumers and users of sewer or water service furnished by the City. The current CIC is \$1.00 per month for a residential customer. City Code Section 21-107 (a)(1) requires the CIC amount to equal 60 percent of the actual monthly sewer charge for commercial and industrial customers. The CIC was implemented on March 24, 1970, as part of Ordinance 2156.

CAPITAL OUTLAY - is an expenditure directed towards maintaining or purchasing new or replacing tangible assets which themselves have expected life spans of one to five years. Expenses are generally one-time and occur within a single budget year. Examples include the purchase of vehicles and equipment.

CAPITAL PROJECT FUNDS – generally cost more than \$10,000, are relatively fixed or permanent in nature and have an expected life of more than five years. Such projects consist of the construction of a new, expanded or improved tangible asset, which is physically fixed. Major projects normally require more than one fiscal year to complete. Contracted services for design, land acquisition, utility relocations and construction may be required. Examples include land purchase, new buildings, building additions, street improvements, utility line improvements, parks and playgrounds, and major drainage channel improvements.

CBOD – Carbonaceous Biochemical Oxygen Demand

CDBG – Community Development Block Grant Program

CFR – Code of Federal Regulations

CHIEF EXECUTIVE OFFICER – City Manager

CLEET – Council on Law Enforcement Education and Training

CNG – Compressed Natural Gas Vehicles

COLLECTION SYSTEM – In wastewater, a system of conduits, generally underground pipes, that receives and conveys sanitary wastewater and/or stormwater. In water supply, a system of conduits or canals used to capture a water supply and convey it to a common point.

COMCD – Central Oklahoma Master Conservancy District

CITY OF NORMAN

CONNECTION FEE – Previously known as the tap fee, was first developed in 1970. Elevated Water Storage Tank

New Storage Tank:

Construction began in May 2015 and was complete in June 2016. With its completion, more than 11,000 residents in Northeast Norman will benefit from increased pressure. The elevated tank provides storage to meet fire demands, meet peak demands due to summertime irrigation, and maintain reliable pressures during short-term power outages.

This one million gallon elevated water tank, located north of Robinson Street and east of 24th Avenue NE, will bring the total above-ground storage capacity in Norman to 5.5 million gallons. The composite tank was built by Landmark Structures, with design engineering by Professional Engineering Consultants. With a composite tank, a painted steel bowl is installed upon a concrete pedestal.

Tank Facts:

- ⇒ Amount of Water.....1 Million Gallons (>4,000 tons)
- ⇒ Design & Construction Cost.....\$3 Million
- ⇒ Height to Overflow.....195.5 feet
- ⇒ Height to Top of Structure.....205 feet
- ⇒ Top of Antenna.....225 feet
- ⇒ Diameter of the Tank.....74 feet
- ⇒ Diameter of the Pedestal.....32 feet
- ⇒ Placed in Service.....July 1, 2016
- ⇒ Time to Fill When Empty.....3.5 hours
- ⇒ Water Contained in Upper Bowl, not in Pedestal

Why It's Critical:

A water tank is used to handle peak demand such as fighting fires in an emergency. It also helps maintain water pressure when the entire city gets ready for work or school at the same time of day, with everyone's faucet running at once. The water tank provides extra water when the treatment plant pumps can't keep up. At night when water demand is low, a pump is used to refill the water tank.

HALL PARK

Hall Park was incorporated as a town by Ike and Mildred Hall on August 23, 1960. On March 2, 1962, the town was formally dedicated by Ronald Reagan, spokesperson for General Electric Corp. and future president of the United States, as Oklahoma's first all-electric community. Reagan served as honorary mayor. By 2003 the town population exceeded one thousand. After two years of planning and by mutual agreement, Hall Park voted to disincorporate and was annexed by Norman at midnight on September 30, 2003.
