

Cleveland County

Hazard Mitigation Plan

2014 – 2019

Developed by:

Cleveland County Hazard
Mitigation Planning Team

Prepared by:

*Hazard Mitigation Specialists, L.L.C.
Eufaula, Oklahoma*

Table of Contents

Chapter One	24
Introduction	24
Funding	26
Purposes Of The Plan	26
Scope	27
Community Mitigation Planning Goals	28
Plan Point Of Contact	28
Existing Plans, Programs And Capabilities	29
Community Profile - Cleveland County	35
Community Profile - Town Of Etowah	36
Community Profile - City Of Lexington	37
Community Profile - City Of Moore	38
Community Profile - City Of Noble	39
Community Profile - City Of Norman	39
Community Profile - Town Of Slaughterville	40
Population	41
Climate	46
Chapter Two	67
The Planning Process	67
Cleveland County Hazard Mitigation Plan Formation	67
Chapter Three	70
Hazard Identification And Assessment	70
Review Of Natural Hazards	70
Recent Disaster History	72
Dam Failure - Cleveland County	73
Location	75
Extent	89
Previous Occurrences	90
Probability Of Future Events	92
Vulnerability And Impact	92

Conclusions.....	93
References.....	93
Drought- Cleveland County	94
Location	94
Extent.....	96
Previous Occurrences	97
Probability Of Future Events.....	99
Vulnerability And Impact.....	99
Conclusions.....	101
References.....	102
Earthquake . Cleveland County.....	103
Location	103
Extent.....	104
Previous Occurrences	106
Probability Of Future Events.....	108
Vulnerability And Impact.....	109
Conclusion	110
References.....	110
Extreme Heat . Cleveland County	111
Location	112
Extent.....	112
Previous Occurrences	113
Probability Of Future Events.....	114
Vulnerability And Impact.....	115
Conclusion	116
References.....	117
Flood.....	118
Location	119
Previous Occurrences	120
Probability Of Future Events - Cleveland County.....	136
Vulnerability And Impact.....	136
Conclusions.....	137
References.....	137
Hail . Cleveland County.....	138

Location	138
Extent.....	138
Previous Occurrences	140
Probability Of Future Events.....	142
Vulnerability And Impact.....	142
Conclusion	143
References.....	143
High Winds . Cleveland County.....	144
Location	144
Extent.....	144
Previous Occurrences	146
Probability Of Future Events.....	148
Vulnerability And Impact.....	149
Conclusion	150
References.....	150
Lightning . Cleveland County.....	151
Location	151
Previous Occurrences	153
Probability Of Future Events.....	154
Vulnerability And Impact.....	154
Conclusion	156
References.....	156
Tornado . Cleveland County.....	157
Location	158
Extent.....	159
Previous Occurrences	161
Probability Of Future Events.....	168
Vulnerability And Impact.....	169
Conclusions.....	171
References.....	172
Wildfire.....	173
Location	174
Extent.....	177
Previous Occurrences	179

Probability Of Future Events . Cleveland County	210
Vulnerability And Impact.....	211
Conclusion	212
References.....	212
Winter Storms . Cleveland County.....	213
Location	213
Extent.....	214
Previous Occurrences	216
Probability Of Future Events.....	218
Vulnerability And Impact.....	220
Conclusions.....	221
References.....	221
Long Range Growth And Post Disaster Redevelopment	222
Analyzing Development Trends.....	222
Chapter Four.....	228
Mitigation Strategies.....	228
Local Hazard Mitigation Goals.....	228
National Flood Insurance Program Participation.....	228
Mitigation Action Plan	229
Current Mitigation Projects	230
Action Project 1 . Individual Safe Room Program	230
Action Project 2 . Outdoor Early Warning Devices	231
Action Project 3 . Emergency Generator For Critical Facilities	231
Action Project 4 . Community / School Safe Rooms	232
Action Project 5 . Protective Crosswalks For Schools.....	233
Action Project 6 . Weather Monitoring Equipment (Tied With Fiber Optics)	233
Action Project 7 . Tone Alert Radio Warning System	234
Action Project 7d . Tone Alert Radio Warning System	236
Action Project 8 . Establish Water Lines / Supply	237
Action Project 9 . Fire Awareness Program	237
Action Project 10 . Stormready Business.....	238
Action Project 11 . Mass Communications System	239
Action Project 12 . Wildfire Awareness / Prevention	242
Action Project 13 . Public Awareness / Education.....	242

Action Project 14 . 72nd N Of Slaughterville Road To Etowah Road	245
Action Project 15 . Window Film On Critical Facilities	245
Action Project 16 . Drainage Improvements.....	246
Action Project 17 . Drainage Bridge Structure (84th And Lewis)	247
Action Project 18 . Drainage Bridge Structure (Eastern & Indian Hills).....	247
Action Project 19 . Bury Electrical Distribution Lines.....	248
Action Project 20 . Maguire Road 144th-156th Project (Roadway Flooding).....	248
Action Project 21 . 72nd Ave South Of Hwy 39 In Lexington.....	249
Action Project 22 . Portable Motorist Information Signs	249
Action Project 23 . Establish Routine Dam Checks.....	251
Action Project 24 . Pipeline Identification	251
Action Project 25 . Convert Outdoor Warning System To Solar Power	252
Action Project 26 . Master Ups System For Critical Facilities.....	252
Action Project 27 . Drainage Project (Little River 1200-19th St.).....	253
Action Project 28 . Drainage Project W/ Norman (Telephone To I-35).....	253
Action Project 29 . Pedestrian Bridge Structure (Little River).....	254
Action Project 30 . Drainage Bridge Structure (34th St.)	254
Action Project 31 . Shelter For City Vehicles.....	255
Action Project 32 . Citywide Master Drainage Study	255
Action Project 33 . Public Education Equipment	256
Action Project 34 . Public Information/Education On Hail.....	258
Action Project 35 . Choteau Creek Property Buyout	259
Action Project 36 . Stream Monitoring On Little River	259
Action Project 37 . Cooling Stations / Facilities	260
Action Project 38 - Inhoffe Creek Channel Improvements	260
Action Project 39 . Extreme Heat Education	261
Action Project 40 . New/Existing Building Updates	261
Action Project 41 . Drainage Project 1400 Nail Parkway.....	262
Action Project 42 . Relocate Mobile Home Parks.....	262
Action Project 43 - Drainage Project . Markwell.....	263
Action Project 44 . Property Acquisition In Flood Plain	263
Action Project 45 . Parking Garage.....	264
Action Project 46 - Web/Apps For Community Outreach	265
Action Project 47 . Vegetation Management.....	267

Action Project 47a . Vegetation Management.....	268
Action Project 48 . Drought Public Awareness.....	268
Action Project 49 . Earthquake Preparedness	269
Action Project 50 . Hail Damage Prevention Documentation	269
Action Project 51 . Snow Fencing	270
Action Project 52 . Box Structure Fairmoore Park.....	270
Action Project 53 . Maintain Floodplain Administrator	271
Action Project 54 . City Of Norman Flood Projects.....	272
Action Project 55 . Safe Room At Moore Brand Senior Center	272
Completed Mitigation Projects	273
Prioritization	273
Chapter Five	274
Plan Maintenance	274
Monitoring, Evaluating, And Updating Plan.....	274
Implementation Through Existing Programs	276
Continued Public Participation And Involvement	280
Appendix A - Plan Organization	282
Appendix B . Maps	314
Appendix C . Critical Facilities	504
