CITY OF NORMAN STORM WATER QUALITY EARTH CHANGE PERMIT APPLICATION

PERMIT AND INSPECTIONS INFORMATION

The following materials shall accompany this permit application before permit can be issued:

- 1) Copy of the Notice of Intent (NOI) that has been filed with Oklahoma Department of Environmental Quality (ODEQ).
- 2) Copy of the Stormwater Pollution Prevent Plan (SWP3).
- 3) Copy of the Erosion and Sedimentation Control Plan.
- 4) Payment of \$100.00 plus \$10.00 per acre.
- 5) Copy of ODEQ Authorization letter.

Prior to commencing any earth disturbing activity, temporary erosion control measures must be installed.

During all construction activity and all other non-construction activity, developers, property owners, and contractors shall be required to keep streets, gutters, inlets, drainage pipes, swales, ditches, drainage channels, and all drainage devices and structures clean and free from debris, sedimentation, soil, and any matter.

Erosion control measures must be regularly inspected and maintained. Records of all inspections must be kept and available for viewing at any time.

City Officials may make regular bi-weekly inspections of the job site.

A 10-day warning shall be given for any failures in the erosion control measures resulting in a Minor violation. A 2-day warning shall be given for any failures in the erosion control measures resulting in a Major violation. After said warning period a Notice of Violation (NOV) will be issued for each violation. If violation has not been resolved after NOV deadline; permit may be revoked or suspended, stop work order issued, denial of issuance of any city permits or inspections, and/or fines in accordance with Section 16-102 of the City of Norman Code of Ordinances.

CERTIFICATION

All applications shall be made and signed by the owner/developer or general contractor of the project. This person shall be held responsible for all erosion control activities described in the SWP3. Please check that your current address and phone number are listed on page 1 of the permit application.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based in my inquiry of the person or persons who manage this system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines.
