ON THE COVER – The City of Norman will celebrate the 125th Anniversary of its incorporation as a municipal township in 2016. The City organization has prospered along with the city, and is well-positioned to continue to provide excellent public services to our citizens and utility customers in the future. The cover and divider page artwork was prepared by the City of Norman’s Office Services Division staff, with sources as cited.

ABOVE – University North Park Town Center, a Tax Increment Finance District, in northwest Norman continues to be developed on what had been the site of a World War II naval aviation base.

THE CITY OF NORMAN

OUR MISSION

“WORKING TOGETHER TO DELIVER EXCEPTIONAL SERVICE”

To fulfill our mission, City of Norman employees pledge themselves to these values:

TEAMWORK

We value each other's contribution and encourage teamwork.

CARING

We value service to others in a caring manner. We listen with a willingness to understand the needs of others. We respond in a friendly, helpful way.

ACCOUNTABILITY

We are responsible for our work and actions.

SERVICE

We are committed to providing exceptional service in a courteous, dependable and efficient manner.

RESPECT

We respect our differences and treat each other with understanding and dignity.

FAIRNESS

We seek to understand the needs of others. We strive for equity in the delivery of services and in the treatment of individuals.

PROFESSIONALISM

We value a knowledgeable, capable and effective organization.

RESPONSIVENESS

We value a timely response to both customer and employee.

We believe that these values are the foundation of all our endeavors to make our community a better place now and for future generations.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Norman
Oklahoma**

For the Fiscal Year Beginning

July 1, 2014

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Norman, Oklahoma, for its annual budget for the fiscal year beginning July 1, 2014.

In order to receive this award, a governmental unit must publish a budget document that meets the program criteria as a policy document, as an operations guide, as a financial plan and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The City of **NORMAN**

201 West Gray, Bldg. • P.O. Box 370
Norman, Oklahoma 73069 • 73070

CITY MANAGER'S OFFICE
Phone: 405-366-5402

June 16, 2015

The Honorable Mayor and City Council Members
Municipal Building
Norman, Oklahoma

Dear Mayor Rosenthal and Council Members:

INTRODUCTION

It is my privilege and responsibility to present to you the adopted City of Norman Budget for the fiscal year July 1, 2015 – June 30, 2016 (FYE 2016). The adoption of an annual budget is required by the City Charter (Article III, Section 4) and by State law (Title 11, Oklahoma Statutes, Section 17-205). An annual budget must be adopted by the City Council at least seven days before the beginning of the new fiscal year, certified by the Cleveland County Excise Board before the start of the fiscal year (July 1) and transmitted to the State Auditor and Inspector within 30 days of the start of the fiscal year. We encourage our citizens to explore their City's budget document, which contains interesting and vital information on all aspects of the City's operation as well as information of general interest on Norman.

The FYE 2016 budget recognizes the progress that the City of Norman has made in addressing the General Fund's long-term condition of spending more revenue than we have been taking in. We continue to budget for a net loss in General Fund operations, however, and it is also recognized, that the reduction in the annual net loss has come at the expense of service provision in some areas. Council has targeted some areas for improved service delivery, and those areas have been at least partially addressed in this budget proposal. As illustrated in the per capita benchmarking information in the Community Profile Section of the Budget document, Norman is already a very small governmental operation and our citizens will be asked to consider whether they choose to continue our current levels of service.

Major capital improvements are underway throughout the City, thanks to the willingness of the Norman voters to approve sales tax, general obligation bond and utility rate increase proposals in recent years to pay for the improvements in recent years. These improvements will be discussed in the Capital and Utility Enterprise Sections of this letter.

The total budget for all City of Norman funds for fiscal year ending 2015 was \$179,681,396 and for FYE 2016, the total budget is \$183,057,260. The primary reason for this increase is that a one-time Community Development Block Grant expenditure for disaster recovery capital projects of \$12,027,053 is budgeted in FYE 2016 (see Special Revenue Fund discussion below).

MAY, 2015 STORM EVENTS

It is rather telling and ironic that the fiscal year 2015-2016 budget is heavily impacted by federal grant revenue and expenditures that we expect to receive and expend in response to wildfire and storm events in 2013. While this adopted budget does not reflect it, there will be significant expenditures to be made, and federal and state reimbursement revenues anticipated, related to historic rainfall, flooding and storm events that occurred in Norman and our surrounding area in May, 2015, as illustrated below:

These storm events, and the state and federal disaster declaration that resulted from them, occurred after the City Manager's Proposed Budget was presented to the City Council. The Council and the entire City of Norman workforce should be commended for our response to these historic events, which fortunately resulted in no loss of life to Norman citizens. The impact on our budget and financial resources, however, will be long-lasting. We believe that the prudent reserve policies that Council has directed will enable us to make the necessary infrastructure repairs, debris removal and other emergency response measures required, but we will need to prepare for several financial actions that can be anticipated:

Debris Removal – The May 6th Enhanced-Fujitsu Scale 1 (E-F1) Tornado that struck a limited area of northwest Norman required mobilization of our on-retainer Debris Removal Contractor, to clean up vegetative and construction debris from public rights of way and private property, at an estimated cost of \$300,000. We have absorbed this expenditure within our General Fund allocations, although the expenditure was not anticipated at the time the fiscal year-end 2014-2015 expenditure projections were presented to the Council in April.

Emergency Response – The flooding events of May 6, 8, 19 and 23 caused personnel from throughout the City, particularly the Public Works, Fire and Police Departments to work many hours of overtime to ensure the public safety during these rain events. There will be unexpected financial burden on the General Fund, Risk Management Fund and Public Safety Sales Tax Fund as a result. Again, we believe that we are well prepared, but we will have to call on reserves in a way that was not anticipated at the time the FYE 2016 budget was presented to Council.

Rebuilding Infrastructure – an estimated \$7.5 million in damage was done to roads, bridges, culverts and drainage structures, primarily in rural Norman, as a result of the May flooding events. While we expect that substantial portions of these infrastructure repair expenses will ultimately be reimbursed by the Federal Emergency Management Agency (up to 80%) and the Oklahoma Department of Homeland Security (up to 12.5%), the Capital Fund (primarily) will be called upon to up-front the repair expenditures. These expenses were not included in the FYE 2016 capital budget, but we anticipate that significant shuffling of budget allocations during the course of the fiscal year will be required. There may be some delays in proceeding with some budgeted capital projects as we await disaster reimbursement funds to be received. As proposed strategies are developed for re-allocating funds, Council will be consulted for your direction.

NATIONAL AND REGIONAL ECONOMIC TRENDS

The overriding economic discussion point in Oklahoma’s region is the status of the petrochemical industry. There are many tangible and intangible impacts of the positive and negative trends in the regional and national oil and gas industries, which compete in international markets. While Norman is less directly impacted by the volatile trends in the petrochemical industry than many cities and counties throughout the state, there is no question that Norman is impacted by the “booms” and “busts” in the oil and gas industry. *The fiscal year 2015-2016 budget is being prepared in a period of great concern about the petrochemical industry* at the State and Oklahoma City Metropolitan Area levels, as reflected below:

Oil "Spot" Price

Source: U.S. Dept. of Energy
Cushing, OK West Texas Intermediate

The oil and gas industry has direct and indirect impact on Norman’s economy. First, the State of Oklahoma’s budget is directly impacted by oil and gas gross production tax revenue, and two of Norman’s major employers are state agencies: The University of Oklahoma and Griffin Memorial Hospital. Many Norman residents work in the industry, and their income level and perceptions of their future income levels has immediate impact on their spending behavior, which in turn impacts Norman’s sales tax prospects. The impact of the petrochemical industry on Norman’s economy (positive or negative) tends to lag current trends by approximately six months to a year. These tangible and intangible impacts have been factored in to projected revenue and expenditures throughout the budget.

There are positive City of Norman budgetary impacts of reductions in the price of oil, however. With lower fuel prices, the City can expect reduced expenditures for fuel, tires and asphalt for paving operations. Savings from these areas has been built in to the projected FYE 2016 budget.

Sales tax growth patterns are a widely accepted indicator of the health of the local retail economy. The striking similarity between the oil and gas industry trend indicators above and the Norman sales tax growth patterns below are indicative of the ties between the health of the petrochemical industry and Norman’s retail economy:

Sales Tax, 10 Year History

In % Change From Prior Year

MAJOR GENERAL FUND REVENUE SOURCES, Fiscal Year 2014-2015

Sales and Use Taxes - The major source of General Fund revenue is sales tax and by its nature, sales tax reflects the overall vitality of the local economy, as discussed above. Sales tax collections for FYE 2015 are 3.5 percent (+3.5%) above FYE 2014 levels, and below budgeted levels (budgeted increase of 4.25%). In FYE 2016, the growth rate in sales tax revenue is projected to moderate (+2.5%), reflecting the slowdown in the state and metropolitan area economies.

The Oklahoma State Legislature responded to requests from municipalities to more closely match the Oklahoma Tax Commission's cost to administer sales and use taxes by reducing the administrative charge taken against local sales and use tax collections. The City of Norman will have the administrative charge reduced from one percent to one-half percent, beginning in FYE 2016. This will increase City sales tax collections by an estimated \$480,000 per year, benefitting the General Fund, Capital Fund, Public Safety Sales Tax Fund and University North Park Tax Increment Finance Fund (this increase was considered in sales tax revenue projections for FYE 2016).

Use Tax collections have grown steadily in FYE 2015 due to activity in the multi-family building industry and increased compliance with use tax laws by on-line retailers. Staff will emphasize the monitoring of use tax collections going forward, as out-of-state purchases of goods for use in Norman, such as internet purchases and purchases of construction materials for the local home building industry should be captured in use tax collections. The City of Norman will continue to partner with other cities and agencies to monitor use tax collection efforts and legislative trends for the payment of taxes for on-line purchases.

Franchise fees – These are payments made by private utility companies (Oklahoma Gas and Electric, Oklahoma Natural Gas, Cox Cable, etc.) to the City of Norman General Fund for their use of the public rights-of-way. Franchise payments are directly tied to utility revenues, which are heavily influenced by seasonal weather patterns (similar to the direct impact of weather on Norman Water Utility revenues). Franchise Fee revenues are projected to be in line with overall budgeted projections for FYE 2015. Collections are projected to increase by three percent overall in FYE 2016, with an additional revenue increase tied to an increase in the ONG franchise rate from three percent to four percent.

Licenses and Permits – These are payments made for obtaining trade licenses to do business in Norman and for obtaining permits to build or alter structures in Norman. Permit volume and revenues are, therefore, an important proxy for the vitality of the local homebuilding industry, which in turn has impact on sales and use tax growth rates, and a direct and significant impact on revenues from the Sewer Excise Tax on New Development (Wastewater Utility revenues are separated from the General Fund). ***Permit volume and values have experienced very healthy growth in recent years, due primarily to large multi-family housing developments*** that have been constructed recently or that are currently under construction. This is reflected in the significant increase in the number of permits issued in the last 2-3 years, as illustrated below:

Residential Permits, 10-Year History

SOURCE: City of Norman Dept. of Planning and Community Development

The data depicted in this graph indicate several important things. First, there are up and down cycles in the local residential homebuilding industry, and Norman seems to be nearing the end of a five-year “up” cycle. Second, the recent “boom” in residential building has been concentrated in the multi-family housing sector. This is indicated by the relatively large gap between the number of permits and permit values during the 2004-2006 period, and the very small gap between permit volume and permit values in more recent years. This indicates that the value of individual permits is much smaller, indicating the construction of smaller housing units (i.e., apartments). *There is concern that this growth in Norman’s multi-family housing sector is not sustainable.* It can be expected that there will be a period of slower growth in the multi-family housing sector, but the impact on the overall residential homebuilding industry and on License and Permit revenues cannot be accurately predicted. Staff will continue to monitor these trends, as the homebuilding industry can act as an indicator of the health of the overall local economy and sales tax base.

Other Taxes – This revenue category primarily reflects the City of Norman’s receipt of state shared Motor Vehicle and Tobacco Taxes.

Fines and Forfeitures – This revenue category is for citation payments for municipal offenses (traffic/parking fines, DUI, etc.). Fine and forfeiture revenue is above budget for FYE 2015.

Investment Income – Investment income reflects the return on the investment of General Fund moneys on hand before they are expended. Due to the decline in fund balances available for investment and bond market conditions, investment income is not a major source of General Fund revenue, but investment portfolio practices will continue to be closely monitored due to their impact on other City funds.

GENERAL FUND RESERVE LEVELS

The City of Norman, in keeping with State law and standards of financial prudence, seeks to maintain adequate levels of fund balance to meet emergency expenditure demands, unexpected claims for worker’s compensation, medical or torts against the City. Fund balance can only be appropriated for expenditure by an act of the City Council, and the adoption of the budget appropriates projected funds for expenditure in the upcoming fiscal year, less funds that are held in fund balance. Norman has adopted fund balance policies in keeping with accepted accounting standards. By Ordinance O-1011-58 (adopted June 28, 2011), the City adopted formal reserve policies for the General Fund which require that a two percent (2%) Emergency Reserve account be appropriated within the General Fund budget; at least three percent (3%) of budgeted General Fund expenditures be held in General Fund balance (these are considered Operating, or “unrestricted” reserves by accounting standards) and at least an additional three percent of General Fund expenditures must be held in a segregated Net Revenue Stabilization (or “Rainy Day”) Fund. The Ordinance targets 4.5% of General Fund expenditures and up to a maximum of 6% of General Fund expenditures be held in the Net Revenue Stabilization Fund. The Ordinance requires that at least the minimum fund balances be restored to the Rainy Day Fund within three years of its establishment, or within three years of any appropriation of fund balance in the Fund. Funds held in Net Revenue Stabilization Fund balance can only be appropriated by the Council if at least one of three circumstances is met:

- The General Fund Operating Reserve falls below one percent (1%) of budgeted expenditures;
- A natural or man-made disaster, declared by the President of the United States or the Governor of Oklahoma for the Norman area, has been declared which necessitates emergency expenditures to be made above the two percent Emergency Reserve appropriation;
- A major one-time or capital expenditure has been necessitated, such as for major repairs to City of Norman facilities or equipment damaged in storms or other circumstances.

Net Revenue Stabilization Fund balances are considered to be “Restricted” fund balances under accounting standards. The combination of these Fund balance reserve requirements results in a minimum of eight percent (8%) of General Fund expenditures to be held in reserve, a target of 9.5% and a maximum of 11 percent (11%).

During fiscal year 2014-2015, the Council allocated funds to be transferred to the Rainy Day Fund from the General Fund and the Public Safety Sales Tax Fund. ***With the completion of these transfers, as of June 30, 2015, the Net Revenue Stabilization Fund is projected to be at***

\$3,188,735, and for the first time since it was established, the Rainy Day Fund will have reached its Targeted level. With the General Fund allocation to the 2% Emergency Reserve and adequate Operational Reserves in the General Fund balance, the City of Norman will have achieved its targeted reserve levels. The City Council has never made any appropriations to spend money from the Rainy Day Fund. The May 2015 storm events would qualify for the Council to appropriate funds from the Rainy Day Fund, but at this point we hope to avoid such an appropriation in order to maintain our targeted reserve levels.

Because of the inherent volatility in Norman's primary sources of General Fund revenue (sales and use tax) and Norman's susceptibility to extreme weather conditions (necessitating unexpected emergency expenditures), it is very important for Norman to maintain adequate fund balances. Projected and actual reserve levels will continue to be proactively managed, and balanced with the ability to provide adequate levels of service to our citizens from within available revenues.

FISCAL YEAR 2015-2016 OPERATIONAL BUDGET PREPARATION

General Fund Budget Preparation

In response to Council direction, aggressive actions have been taken in recent years to manage General Fund expenses within available revenues. After several consecutive years of General Fund expenses outstripping annual revenue collections, the General Fund "bottom line" was positive in FYE 2013 and FYE 2014. Some of these actions include the following:

- We have been able to manage without making extensive expenditures from the Emergency Reserve allocation (mandated 2% Reserve account) for outside contractual debris removal or other services;
- We have had some success in reducing the rate of growth in health insurance and other benefit expenditures;
- We have continued strategic management of filling vacancies, which has resulted in savings in personnel costs;
- The reduction in costs for oil and natural gas has resulted in savings in City fuel costs;
- We have added some new revenue sources, and major General Fund revenues have been slightly above budget overall for the last few years.

This strategic management of General Fund operations has not come without some negative consequences to the provision of services in some areas, however. The City of Norman is an extremely small operation, relative to comparable municipalities (see Inter-City Benchmark City Comparisons in the Community Profile Section) and several General Fund operations have been chronically under staffed over many years. This has resulted in increased overtime expenses, workload concerns, and below-expectation service delivery in some areas. The FYE 16 General Fund budget attempts to address service delivery in some of these critical areas:

- Animal Welfare
- Development Services
- Utility Customer Services

This budget includes additional staffing to improve services in these areas.

Animal Welfare – the new Animal Shelter facility that was funded by voter-approved General Obligation Bonds in 2012 is slated to open in the near future. Council directed that staff be added to enhance service delivery in the facility and the FYE 2016 budget proposes to add an ***Administrative Technician II*** position (authorized during FYE 2015 for in-house customer service and administrative service functions, ***freeing up an existing Kennel Attendant*** to provide direct animal welfare services) and a ***Veterinary Technician*** position.

Development Services – as illustrated in the License and Permit Revenue section above, City permit activity has remained at historically high levels for the last 2-3 years. A ***Plans Examiner*** position has been added to the FYE 2016 budget in an effort to better streamline plan review operations and timelines in the Development Services Division. Concerns have been voiced by permit customers about increasing permit review timelines, particularly for commercial projects and this position will help to alleviate those concerns.

Further ***the management structure of the Planning and Community Development Department is being reorganized*** to provide better services to the development community, homeless and other social service programs. The capital improvements project budget also includes funding for an ***update to the Norman Comprehensive Land Use Plan***, which will be better administered by the reorganized Long-Range Planning Division.

Utility Customer Services – the significant increase in the number of multi-family housing units in Norman has also significantly increased the number of water meters that have to be read and serviced on a monthly basis. Current staffing levels had been insufficient to keep up with (highest priority) meter reading schedules along with (second priority) service initiation and (third priority) termination demands. In some cases, this resulted in undue delays in terminating the services of customers who were delinquent in their utility payments. The FYE 2016 budget adds a ***Meter Service Representative position*** (primarily responsible for meter turn-ons and turn-offs) and a ***Meter Reader position***. The meter services staffing level has not been increased in over 20 years. The General Fund will be reimbursed for the costs of these positions by the City's Water, Water Reclamation and Sanitation Utilities.

An ***Administrative Technician*** position is also added to the Facility Management Division, to handle increased workload from additional City facilities.

Storm Water Management Enhancements

For many years, Norman has been a regional leader in its commitment to concerns for water quality and the reduction of surface and ground water pollution. ***The U.S. Environmental Protection Agency and its state affiliate the Oklahoma Department of Environmental Quality will impose stricter storm water guidelines on cities of Norman's size under the National***

Pollutant Discharge Elimination System. Norman will be required to renew its General Storm Water Permit in June, 2015. The permit renewal will require the City to submit a Compliance Plan for reduction of pollutants, based on the Lake Thunderbird Total Maximum Daily Load (TMDL) study, completed in 2015. Enhanced public education and outreach programs will also be required, along with additional local funding for pollutant reduction operations such as street sweeping and creek and floodway maintenance. The NPDES will also require the implementation of low-impact development standards and compliance inspections.

Norman has been preparing for these standards for many years, particularly with the adoption of the Norman Storm Water Master Plan in 2009. Many actions have been taken already. The FYE 2016 capital budget proposes to allocate approximately \$300,000 to implementation of the TMDL standards. The FYE 2016 General Fund budget proposes a reorganization of the Public Works Department's Storm Water Division into Storm Water Drainage and Storm Water Quality Divisions. No additional financial resources are dedicated to this reorganization, but in order to comply with the new federal and state regulations, the City will have to allocate more resources in the future. Norman has considered the implementation of a Storm Water Utility to provide the necessary financial resources to more adequately address these concerns. The new regulations will require that these resources become available in the near future and the historic storm events of May 2015 highlighted their need and exacerbated the problems that exist in Norman's storm drainage facilities.

Personnel Cost Assumptions

Personnel costs are the major driver of expenditures in the General Fund and impact on expenditures in every City operation. A major component of personnel costs is the cost of benefits provided to City of Norman employees. The fiscal year 2015-2016 budget is based on the following assumptions for personnel costs:

- Budgeted positions are assumed to be filled for the full fiscal year;
- Employees are assumed to receive a merit step raise, if they would qualify;
- An Employer Contribution of \$628 per month (single) and \$1269 per month (family) for health insurance;
- An Employer Retirement contribution of 8.5% of payroll for Norman Employees Defined Contribution Retirement System members;
- An Employer Pension contribution of 13% of payroll for state-mandated Police Pension System members and 14% for Firefighter Pension System employees;
- Federally-mandated Social Security and Medicare contributions for all non-fire employees;
- An assumption of \$800,000 in "Employee Turnover Savings" is built into the budget (approximately 1.6% of Salary and Benefit Category allocations), under the assumption that the net impact on the General Fund of the savings achieved by employees leaving during the course of the year and hiring replacement employees at a lower salary at a later time will outweigh the cost of one-time payouts (accrued leave payouts, etc.) to employees who leave;

- Other allowances and payments, as mandated by union contracts and City policies are anticipated and included in budgeted benefit costs (approximately 80% of the City of Norman’s workforce is unionized, as illustrated in the Overview/Statistical Section).

Public Safety Sales Tax Fund Budget Preparation

In May, 2008, the citizens of Norman approved a temporary ½ percent Public Safety Sales Tax Ordinance (Ordinance O-0708-32), which will be in effect from October 1, 2008 through September 30, 2015. The Public Safety Sales Tax (“PSST I”) funded 41 additional Police Department personnel and 30 additional Fire Department personnel over its seven-year authorization. The PSST I has also financed the construction of two additional fire stations, construction of an Investigations Center and briefing station, replacement of fire apparatus, replacement of the City’s Computer Aided Dispatch and Records Management Systems and funding of the Police and Fire Department’s pro rata share of the Rainy Day Fund’s Targeted balance.

On April 1, 2014, the citizens of Norman approved a permanent extension of the Public Safety Sales Tax, effective at the end of the current authorization period (effective October 1, 2015). The newly-authorized ½ percent Public Safety Sales Tax (“PSST II”) will be used to maintain the 71 personnel added during the PSST I period and the following additional personnel, to be added over a period of four fiscal years:

- 13 Police Officers to implement a School Resource Officer Program
- 4 Communications Officers (Dispatchers)
- 2 Mechanics to maintain emergency vehicles

In addition to these 19 added personnel (bringing the total personnel added by the PSST I and PSST II to 90), the PSST II Ordinance directs that the following, prioritized, Critical Public Safety Capital Facilities be purchased:

Emergency Communications System Replacement	\$15,000,000
Emergency Operations/Dispatch Center Construction	\$ 6,500,000
Fire Apparatus Replacement Program	\$ 6,800,000
Reconstruction/Relocation of Fire Station #5	\$ 3,500,000

In response to Council direction, *the City is moving forward aggressively to fulfill the purposes of the voter-approved PSST II.* The fiscal year 2015-2016 budget proposes to add the first six of the School Resource Officer personnel to the City workforce – *a Police Lieutenant and five Police Officer positions are proposed to be added to the FYE 2016 budget.* In order to adequately train the personnel and fill positions vacated by senior police officers transferring to SRO positions, the hiring processes will begin in the summer of 2015, so that the staff can be assigned to Norman public schools at the beginning of the 2016-2017 school year.

Planning has already begun for the acquisition of the Emergency Communications System equipment, and site selection and preliminary design processes have begun for the Emergency Operations/Dispatch facility. As discussed below, up-front financing for these multi-million dollar capital needs has also been secured, and includes funding for the replacement of the most critical of the fire apparatus, a platform truck with an estimated cost of \$1,100,000.

Other Special Revenue Funds

The City of Norman operates several other special revenue funds to account for separately-funded operations in several areas. In some cases, the General Fund provides support to these areas, but some legally-earmarked revenues pay for the functions in whole or in part.

Among these special revenue operations, Norman's Community Development Block Grant (CDBG) Program will experience some administrative changes in fiscal year 2015-2016. Norman has been an "entitlement city", receiving allocations of federal CDBG and HOME program funding from the federal government for many years. The retirement of the long-serving Revitalization Manager and CDBG Coordinator, along with new program emphases, directed by the Citizen's CDBG Committee, have resulted in the FYE 2016 budget adding a full-time *Program Coordinator* (increased from part-time) and a *Grants Coordinator* position (change of title only).

The City of Norman, Cleveland County and surrounding municipalities were awarded a CDBG Disaster Recovery (CDBG-DR) Grant of over \$21,000,000 to repair infrastructure damaged in tornadoes, severe storms and wildfires over the last three years. This rare opportunity will result in the improvement of over 10 miles of rural roads and bridges in east Norman (see illustration). These grant programs will be jointly administered by the CDBG staff in the Planning Department and engineering staff in the Public Works Department.

It so happened that very few of the streets to be repaired or replaced through the CDBG-DR grant were also among the streets and bridges washed out in the May 2015 storms. We will continue to work to leverage as many funding sources as we can to rehabilitate the rural section line roads in Norman.

Operational Budget Summary

The fiscal year 2015-2016 operational budget continues to provide financial resources for basic service levels, and adds resources in some areas targeted by the City Council. The City's Net

Revenue Stabilization (“Rainy Day”) Fund has reached its Targeted level, and efforts will be made to maintain this level in the future. The City has had some success in managing to bring General Fund costs in line with annual revenues, but the long-term sustainability of this trend is questionable. *The fiscal year 2015-2016 budget will be implemented with an eye to the future, as economic trends and expenditure drivers would indicate a continuing need to develop new long-term revenue sources in the General Fund.*

Capital Expenditure Budget Preparation

Major City of Norman capital improvement projects are funded by the dedicated 7/10% (0.7%) capital sales tax, utility funds, bond issuances and other sources, and are discussed in detail in the separate Capital Improvement Projects Budget document. The Capital Sales Tax (CST) also funds capital equipment, fleet and computer replacement and other “capital outlay” items through transfers from the Capital Fund to the General Fund or related special revenue funds.

Like other full-service municipalities, the City of Norman depends on equipment to deliver vital City services. The City has millions of dollars invested in its fleet of rolling stock and in its automated computer, telephone and radio systems. The replacement of this equipment is an ongoing and high priority budget need. *There is an ongoing concern, however that the costs for replacing the City’s equipment is increasing faster than the CST revenues made available to replace it.* The critical fleet of rolling stock is aged (average age of 8.9 years; approximately 60% older than the recommended useful life), and the aging of the City’s fleet results in higher maintenance and fuel costs and reduces efficiency in all City operations. The FYE 2016 budget allocates over \$2,000,000 to the replacement of the City’s rolling stock, but over \$10 million of critical replacement needs were identified by the Fleet Management Division. The consequence of underfunding fleet replacement needs will yield future spikes in, and further backlogs of, replacement spending needs. *A major policy issue to be addressed is the identification of additional funds for fleet replacement, both on a short-term and long-term basis.*

Capital Financing

Municipal bond market rates remain at very low levels, creating an opportunity for the City of Norman and its related trusts to obtain long-term financing for capital needs at relatively low costs. *The Council and the Trustees of the Norman Utilities Authority and the Norman Municipal Authority recently authorized three debt issuances to finance major capital needs:*

NUA Refunding – Acting as the Norman Utilities Authority, the Trustees approved the re-financing (“refunding”) of the remaining outstanding principal (approximately \$17,300,000) on the NUA’s 2003, 2005 and 2006 Utility Revenue Bonds. The 2003 and 2005 bonds were for wastewater system improvements, and the 2006 bonds were for water system improvements. This refunding, placed with a Bank of Oklahoma subsidiary, will result in over \$680,000 in interest cost savings (average interest rate reduction from 4.05% to 2.17%) over the remaining life of the bonds (primarily accruing to the Water Fund) and will eliminate problematic terms in the previous bond contracts. The bonds will have a final maturity in twelve years.

PSST Financing – The Council anticipated financing the “Critical Capital Needs” promised in the permanent Public Safety Sales Tax initiative (“PSST II”) using a long-term debt issuance. Acting as the Norman Municipal Authority, the Trustees recently approved the issuance of \$22,825,000 in Sales Tax Revenue Notes to pay for the construction costs of the Emergency Operations Center, the purchase of the Emergency Communications System equipment, and the replacement of a fire platform truck. The NMA Notes will mature in twenty years, and were purchased by a subsidiary of JP Morgan Chase Bank at a competitive rate of 2.33%.

2015 General Obligation Bonds

In August 2012, the voters of Norman approved the issuance of \$42,575,000 in general obligation bonds to pay for street widening, bridge replacement and storm drainage improvement projects throughout Norman. The largest of the approved projects was the widening of Lindsey Street from 24th Avenue S.W. to Berry Road. The sale of authorized bonds for this project was anticipated to be done over two issuances, with the first completed in 2012. On April 28, 2015, the Council awarded the bids for the purchase of the remaining \$22,525,000 in authorized general obligation bonds, primarily for road widening and storm drainage improvements on Lindsey Street.

The proceeds of these debt issues will allow important capital projects to proceed on their anticipated schedules at relatively low interest costs.

University North Park Development

Significant growth is happening in the University North Park development (“UNP”, the Planned Unit Development area bordered by I-35, Robinson Street, OU-Westheimer Airport and Tecumseh Road). This growth is facilitated by public improvements funded by the City of Norman’s UNP Tax Increment Finance District (TIF). Infrastructure improvements (streets, storm drainage facilities, waterlines, sewerlines, etc.) have recently been completed to serve the University North Park Corporate Center (UNPCC) which lies to the north of the retail portion of the UNP development. UNPCC is a development of the Norman Economic Development Coalition, of which the City of Norman is a partner (along with The University of Oklahoma, Moore-Norman Technology Center, and the Norman Chamber of Commerce’s “Sooner Centurions”). UNPCC consists of approximately 60 acres of land that is offered to businesses at below-market rates to encourage economic growth and job creation in Norman.

UNPCC has contracted with its first corporate tenant, Immuno-Mycologics Incorporated (“IMMY”). IMMY is a manufacturer of biomedical equipment, primarily testing equipment for the early screening of diseases. IMMY’s major markets are in developing countries outside of the United States, and their markets are rapidly growing. Construction of IMMY’s new office and manufacturing facilities is slated to begin in the summer of 2015. It is hoped that with the infrastructure in place and the first commercial tenant obligated, the UNPCC will attract further employers to Norman, which was a major goal of the TIF incentive and apportionment of City sales and property taxes.

Legacy Park is nearing completion within University North Park, funded by tax apportionments to the UNP TIF Fund. Legacy Park is an 8-acre City park which features a scenic water feature, an amphitheater which has the potential to be attractive regional performance venue, and walking and jogging trails and promenades, which will enhance the lodging and residential development in the area, and which will connect to Legacy Trail, connecting the University North Park development to the City's pedestrian/bicycle trails system.

The Council approved the formation of the University North Park Business Improvement District (UNP BID) on July 8, 2014 (Resolution 1415-11). The BID will collect assessments from property owners in the UNP development, to be matched by City TIF funds, together totaling \$200,000 per year for ten years, beginning in 2015. These allocations are for the purpose of providing for the maintenance of Legacy Park, including park trails and greenways throughout the UNP development. BID proceeds may also be used for landscape and lighting plans, and for the design and/or construction of a decorative entryway into the UNP development. The FYE 2016 budget includes \$25,000 from BID assessments and \$116,485 in City TIF funds for these maintenance expenses.

Future plans for the University North Park development include several additional restaurants and entertainment facilities, along with a potential multi-family housing development proposed to the west of the UNPCC.

NORMAN FORWARD Initiative

While no allocations are included in the fiscal year 2015-2016 budget, the Council is considering the components of a citizen initiative for a package of public capital improvements to improve the quality of life in Norman. The initiative, called "NORMAN FORWARD", includes funding for potential improvements which were also proposed in the City's adopted Parks Master Plan, along with the construction of a new Norman Public Library main branch and eastside branch, and other facilities. A proposed revenue source under consideration is the imposition of a temporary, dedicated sales tax of ½ percent.

The Council conducted a series of public study sessions and meetings discussing the NORMAN FORWARD initiative on a concurrent schedule with its formal budget meetings. The proposals that may actually be referred to the voters were refined in these meetings and a tentative date of October 13, 2015 has been discussed by Council. Formal action to call the election remains to be taken.

Griffin Hospital Campus

The Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS) has discussed making portions of its land in central Norman available to the City of Norman for various public facilities or commercial development. A Steering Committee has been appointed to consider this proposal, and funding was included in the FYE 2015 budget for a study of potential developments or uses of the property.

Norman Comprehensive Land Use Plan Update

The City of Norman has not undergone a holistic update to its Comprehensive Land Use Plan in over ten years. Funding is included in the FYE 2016 capital budget for this update, which will involve extensive citizen input, discussion and professional guidance from City staff and planning consultants. The updated Comprehensive Land Use Plan will incorporate direction from the ongoing Center City Initiative, the recently-completed Norman Comprehensive Transportation Plan, and other studies.

UTILITY ENTERPRISE FUNDS

Norman Water Enterprise Utility

The City of Norman operates three utility enterprises: Sanitation, Water, and Water Reclamation (also known as “Wastewater” or “Sewer”). Enterprise funds are established to account for the operations of the City that endeavor to operate like private businesses, in that their services are provided to a discrete base of customers, as opposed to the citizenry as a whole, and user fees are charged to those customers at a level that seeks to recover the full costs of providing the services. The budgetary status of the Water and Wastewater Utilities is driven in large part by major capital projects.

On January 13, 2015, the voters of Norman approved a water rate increase for the first time in over nine years (the Norman City Charter requires a majority vote of the people to raise utility rates). The new rate structure will enable the Norman Water Utility to ***improve drinking water quality for its customers*** through improvements to the treatment processes at the Vernon Campbell Water Treatment Plant. These improvements were directed by the NUA Trustees/Council to produce higher quality water than mandated by federal and state standards, and to ***address taste and odor issues*** that have been experienced periodically. The rate structure is designed to encourage water conservation by charging higher incremental rates to larger water users. Revenues from the new rates will also enable the Water Utility to ***add additional water supplies*** through the construction of additional ground water wells and the purchase of additional water on a year-round basis from the Oklahoma City Water Trust.

The fiscal year 2015-2016 Water Fund budget anticipates preliminary and final design of the plant improvements and water well siting and land acquisition. Major capital expenditures for the treatment plant and water well construction are anticipated in FYE 2017.

Norman Water Reclamation (Wastewater) Utility

Major improvements are underway at the Norman Water Reclamation Facility. The improvements will include an expansion of the treatment capacity from 12 million gallons per day (MG/D) to 17 MG/D, to serve the Utility customer’s treatment needs for an estimated 15 years.

When the programmed improvements to the WRF are completed (scheduled completion is early 2017), the WRF will be positioned to produce treated sewage of a sufficient quality to serve irrigation and industrial purposes (i.e., cooling towers, etc.) for major commercial customers in the vicinity of the WRF. Providing reclaimed water for these irrigation and industrial purposes will save substantial and valuable drinking water for the customers of Norman's Water Utility. The use of reclaimed wastewater is among the long-term water supply options being considered by the Norman Water Utility.

Norman Sanitation Utility

The Norman Sanitation Utility provides automated municipal solid waste collection, transfer and disposal customers for City customers. The Utility also provides recycling drop-off centers, yard waste collection and composting services, bulky item pickup and participates in a household hazardous waste disposal program. Curbside recycling collection services, included in basic sanitation customer rates, are provided by an independent contractor. The Sanitation Utility, like the general City operation, has underfunded its fleet replacement needs. Addressing these needs will require increased sanitation rates.

CAPITAL BUDGET

Detailed information on individual capital improvement projects is given in the FYE 2016 Capital Improvements Project (CIP) Budget document. Pursuant to voter-approved ordinances, seven-tenths of one percent (0.7%) of sales tax revenue is dedicated for capital improvements, and this is the primary source of revenue for the Capital Fund. By Council budget policy, these dedicated capital sales tax funds are set aside according to the following formula:

- 38% for pay-as-you-go capital projects
- 27% for capital outlay
- 25% for street maintenance
- 5% for maintenance of existing facilities
- 5% for contingency

The FYE 2016 capital budget continues major themes of ongoing street maintenance and maintenance of existing City facilities. The Capital Budget document gives detailed information on all programmed capital projects. As previously discussed, there will be a need to re-allocate some capital project funds to address the road, bridge, culvert and drainage infrastructure needs created by the May 2015 flooding events. It is anticipated that some projects will be delayed until reimbursement revenues are received and re-allocated to the original projects.

CITY COUNCIL BUDGET ACTIONS – ADOPTION OF THE FYE 2016 BUDGET

The City Manager's Proposed Budget was presented to the City Council in a series of public study sessions on April 14th, 21st and 28th. The Council continued its consideration and discussion of budget-related issues leading up to the Public Budget Hearing held at the May 26th Council meeting. Final consideration of the budget was held on June 9, 2015 and the budget was adopted with the following amendments:

1. Capital Fund allocations were **increased by a net of \$158,505** to add funding for the replacement of the roof on the historic Norman Train Depot (+125,000); fund participation in development of a Central Oklahoma Regional Transportation Authority (+62,764); purchase fast-water rescue boats and related equipment (+78,650); for an up-to-date space allocation study for the Norman Municipal Complex, related to the NORMAN FORWARD library and senior center proposals (+\$65,000); re-allocate funding from traffic calming facilities and equipment to park facility projects; and reduce funding allocations for a Firearms Berm Renovation Design project (-\$120,000); and a 168th Avenue N.E. road improvement project, which was funded in FYE 2015 (-\$52,909).

2. Water Reclamation Fund allocations were **reduced by \$600,000** (-\$600,000) and Parkland Development Fund allocations were **reduced by \$40,000** (-\$40,000) to correct for double-counting of capital projects.

3. Public Safety Sales Tax Fund allocations **were increased by \$1,680** for wireless connectivity charges related to the new mobile data terminal program.

SUMMARY

The fiscal year 2015-2016 budget is a “starting point” in many ways. The General Fund has operated on a break-even basis recently, but future trends would indicate that changes will be needed to continue to provide adequate service levels. Major capital programs are underway or are about to start in the utility enterprises and in bond or grant-funded street, drainage and bridge projects, but major infrastructure demands remain unfunded, particularly in the storm drainage area and in repairing damage to roads, bridges and drainage facilities created by the May, 2015 flooding events. The City's TIF fund investment in the University North Park development seems poised to result in many of the regional attractions that were originally envisioned. The comprehensive planning processes that we will undertake in 2015-2016 promise to guide Norman in any number of different ways in the future. The NORMAN FORWARD initiative proposes to move the City in many new directions, if it is approved by the voters of Norman. We are at a challenging point in time for our city, but at an exciting beginning in many ways.

The Council has provided clear direction in the way that this budget should be managed. We will carry out your directions to meet the challenges before us and we look forward to working with you to meet those challenges. We look forward to the additional tasks of educating the public about these challenges and our financial needs to continue to provide general services to our citizens and utility services to our enterprise customers.

CONCLUSION

I would like to express my personal appreciation for the outstanding work done by our professional staff of our Management Team, senior division managers, and our dedicated Finance Department staff who have worked countless hours to prepare this budget and respond to the information and policy direction requests that have come from Council, the Council Finance Committee, and from the public. It is my privilege to present this budget to our citizens and utility ratepayers and to work to implement it in providing the services they justifiably demand.

Sincerely,

Steven Lewis
City Manager

COMMUNITY PROFILE

History of Norman, Oklahoma

In 1870, the United States Land Office contracted with a professional engineer to survey much of Oklahoma territory. Abner E. Norman, a young surveyor, became chairman and leader of the central survey area in Indian Territory. The surveyor's crew burned the words "NORMAN'S CAMP" into an elm tree near a watering hole to taunt their younger supervisor. When the "SOONERS" (those who headed west before the official Land Run date, April 22, 1889) and the other settlers arrived in the heart of Oklahoma, they kept the name "NORMAN." Today, with an estimated 119,362 residents, Norman is the third largest city in the State of Oklahoma.

Norman was primarily developed around the Santa Fe Railroad. Home to a passenger depot as well as a freight station, Norman became the headquarters for the railway. As business grew, it was necessary to expand the depot three times in the first few years of its existence. The last expansion was announced by J.E. Hurley, General Manager of the Santa Fe Railway, in 1909. The Santa Fe Depot was deeded to the City in 1972 and has had major renovations over the past ten years.

The City of Norman has agreed to preserve and maintain the Santa Fe Depot as a historical landmark and use the building in a manner as to benefit the entire community. Performing Arts Studio, Inc. leases the building for rental of meetings, banquets and parties. Daily Amtrak passenger service is provided at the depot as well.

The railroad laid the foundation for Norman to flourish into a prominent city. While other Oklahoma towns were battling to be the capitol, Norman's Mayor, T.R. Waggoner, directed a bill through the Territorial Legislature to become home of the state's first institution of higher learning. In 1890, Norman was chosen as the location for the University of Oklahoma (OU), contingent upon the county passing bonds to construct a building. Town and country residents were also required to donate 40 acres of land for a campus site. The residents of Norman were successful in all their plans to be OU's home and by 1895, the university enrolled 100 students. Today, the Norman campus has an enrollment of approximately 24,044.

Today, OU and the City of Norman are still making history. Norman is recognized as one of the most progressive cities in the state and the Norman Public School system is acknowledged as one of the top school systems in Oklahoma.

Norman's rich history plays an important role in citizen's lives and we continually make our history book more exciting with each passing year.

Norman—The City of Festivals

Widely recognized as the “City of Festivals”, Norman is the host of several annual festivals that are free to the public. Spring and Summer festivals include the Medieval Fair, Earth Day Festival, Norman Music Festival, May Fair, Jazz in June, and Midsummer Night’s Fair in July. Fall and Winter festivals include Winterfest in December and the Chocolate Festival held in February.

Community Profile

Norman is Oklahoma's third largest city and is home to the University of Oklahoma Sooners. Family oriented activities are abundant in Norman. Places of interest include Lake Thunderbird, great shopping areas including Campus Corner and Downtown Norman, and the Sam Noble Oklahoma Museum of Natural History. The City of Norman also sponsors several events throughout the year including Norman Day, held on the 4th of July and Norman's annual "Best" Easter Egg Hunt.

INTER-CITY BENCHMARK COMPARISONS

For purposes of comparative analysis, Norman compares (“benchmarks”) itself to 19 other cities for a variety of criteria. These cities are generally selected based on the following factors.

1. Population within 20 percent (+ / - 20%) of Norman’s
2. Located within a Metropolitan Statistical Area
3. Site of a major university
4. Located in the state of Oklahoma or a bordering state

City	Population	Median Age	Square Miles
Norman	119,362	29.1	189.5
Broken Arrow, OK	103,500	35.7	56.0
Edmond, OK	85,190	35.0	87.0

OVERVIEW/STATISTICAL

INTRODUCTION

The purpose of the Overview/Statistical section of the Budget is to offer an overview of the approved budget along with historical information for comparison. The intent of this section is to give the reader a quick insight to the overall budget and provide a basis for better analysis and understanding of the detailed document.

CITY OF NORMAN

FYE 11 to FYE 12 - Eliminated PT Planning Intern in GIS, added 3 PT Call Takers in Emergency Communications, added 15 Fire Personnel and 5 Police Personnel in the Public Safety Fund. Moved Recreation and Emergency Communications personnel to General Fund per GASB 54 requirements. Started Risk Management Fund again and moved funding for one position from General Fund to this Fund.

FYE 12 to FYE 13 - Added a Development Coordinator position in the City Manager's Office during FYE 12 - General Fund, Added 2 Detectives in the Public Safety Sales Tax Fund and a Laboratory Technician in the Water Reclamation Fund.

FYE 13 to FYE 14 – Cut 12 Frozen Positions (11 in General Fund and 1 in Water Fund). Added a Retail Recruiter position, 3 part-time Recreation Leaders and re-classed a Juvenile Services Coordinator temporary position in Municipal Court to part-time, and reclassified a Crime Intelligence Analyst that will no longer be funded by a grant – all in the General Fund and added 2 Police Officers in the Public Safety Tax Fund.

FYE 14 to FYE 15 - Added PT Admin. Tech for I.T., added an Equipment Repair Supervisor for Fleet and a Mechanic II, reclassified PT Kennel Attendant to FT, reclassified a temporary Tennis Recreation Leader to PT, cut 1 CDBG full-time and added a part-time position and added 2 Police Officers in the Public Safety Fund. Sewer line maintenance operation personnel were transferred to the Water Reclamation Fund.

FYE 15 to FYE 16 – During FYE 15 added one full-time Custodian and four part-time custodians due to the termination of a custodial contract. Added an Admin. Tech. for Animal Welfare. Twenty of the Sewer Line Maintenance Fund employees were transferred to the Water Reclamation Fund in FYE 15. For FYE 16, added a Registered Vet. Tech. for Animal Welfare, added a Plans Examiner for Planning/Development Services, added a Meter Reader and a Meter Service Representative to Finance, added an Admin. Tech. for Facility Maintenance Administration. Added six officers for the Public Safety Sales Tax School Resource Officer Program. Cut a Revitalization Manager counted in CDBG. Cut a part-time Juvenile Services Coordinator in the Seizure Fund. Cut a Water Treatment Plant Operator.

Discussion of the Graph

This graph illustrates the staffing level for the City of Norman relative to the population over a ten-year period. In FYE 2016, the City will employ 848 permanent employees, which are 14 more positions budgeted in FYE 2015. Seventy-seven positions are related to the Public Safety Sales Tax that was approved by citizens of Norman to increase Police & Fire protection. At 848 personnel, the City is budgeting for 111 more positions than in FY 2007, or an increase of 15.1%. In 2016, the City of Norman's population is projected to be 121,224, an increase of approximately 9.8% from 2007.

Note: The population figures used for the graph are estimates provided by the City of Norman Planning and Finance Departments.

BUDGETED POSITIONS BY UNION

FYE 2016
848 Total Positions

Discussion of the Graph

This graph illustrates the distribution of positions by bargaining unit. In FY 2015-2016, 848 budgeted full-time and permanent part-time employees are ADOPTED for the City of Norman. The majority of personnel (341) are in the American Federation of State, County and Municipal Employees (AFSCME) union. There are a total of 242 Police Department personnel, of which 177 are members of the Fraternal Order of Police (FOP) union and 46 are AFSCME members. There are a total of 163 Fire Department personnel, of which 157 are members of the International Association of Fire Fighters (IAFF) union. Executive employees include the 12 Directors and the City Manager of the City of Norman. There are 173 employees that are non-union members including the executive employees.

Discussion of the Graph

Property taxes are utilized by cities in Oklahoma only for repayment of debt and for payment of court judgments against the City. These taxes are assessed on approximately 12% of the estimated actual value of real, personal and public service property. The assessed property valuations reflect the revaluation process as well as the growth factor in the City of Norman. The on-going revaluation process reflects the upswing in real estate values, which began in FYE 1993, and has continued. The City portion of actual property taxes levied in Norman in 2014 were 12.75 mills or \$10,753,856 which is 1.3% of the assessed property value in Norman. According to the Norman Economic Development Coalition the median home value in the City of Norman is an estimated \$154,700.

* Real Valuations do not include the homestead exemption.

Discussion of the Graph

This graph represents new permits for construction of single family residential permit values for the ten-year period. The 2006 increase in the number of permits and permit value follows the national increase in the construction industry encouraged by record low interest rates. The 2007 and 2008 decrease in the number of permits and permit value follows the national decrease in the home construction industry. In 2010, the City of Norman economy followed the U.S. economy recession. In 2013 and 2014, the permit values increased significantly from 2010.

Discussion of the Graph

These are the primary tax sources available to the City of Norman. The property tax is used to service bonded debt and court judgments (see graph of Assessed Property Valuations), while the sales, use and franchise taxes are used for General Fund operations and capital (see graphs of General Fund Revenue and Distribution of Sales Tax). The sewer sales tax revenue and tax increment district revenue are included beginning in fiscal year 2002. Beginning in FYE 09, sales tax includes the Public Safety Sales Tax that was approved by voters on May 13th, 2008. On April 1, 2014 the citizens approved a permanent extension of the Public Safety Sales Tax. Sales tax performance is a good indicator of economic trends. Property tax collections indicate an increasing level of bonded indebtedness.

CITY OF NORMAN

Discussion of the Graph

The City of Norman currently has a 3.5% sales tax rate which is the primary source of revenue for General Fund operations and capital expenditures. On August 14, 2001 Norman citizens approved a 1/2 percent, 5-year, sewer sales tax dedicated to fund current capital needs in the City's wastewater system. This tax ended September 30, 2006. 7/10 of one percent (0.7%) of sales tax revenue is used to finance general governmental capital needs. Sales tax revenues steadily increased from 2008 to 2013. On May 13, 2008 Norman citizens approved a new 1/2 percent (0.5%), 7-year, public safety sales tax dedicated to additional police and fire personnel and two new fire stations. On April 1, 2014 the citizens approved a permanent extension of that tax. Debt funded with sales tax revenues has remained low over the 10-year period. Beginning in FYE 2014, the portion of sales tax diverted to the General Obligation (G.O.) Combined Purpose Bonds Fund (Fund 64) to pay for 1992 G.O. Bonds will no longer be needed. The bond was completely paid off.

FYE 2016 Projected Figures:

Operations	\$39,667,500
Public Safety	\$ 9,481,250
Capital	\$12,385,500
<u>Tax Increment Finance</u>	<u>\$ 3,641,133</u>
Total	\$65,175,383

Discussion of the Graph

Budgeted revenues for FYE 2016 of \$195,663,165 are derived from several sources. General Sales Tax and User Fees & Charges provide the City the largest share of revenue. Fees & Charges include user fees for Sanitation, Water, Water Reclamation, Westwood Park, licenses and fees for other City services. The City of Norman is very reliant on sales tax collections for its operations. The "Other Taxes" portion includes the small percentage of property tax the City gets.

Discussion of the Graph

Budgeted expenditures for FYE 2016 of \$205,018,096 are derived from several uses. The largest portion is Public Safety at 24% or \$49,324,788. The City of Norman is known for being a safe community and the citizens place a high importance on public safety. Tax Increment Finance is the smallest portion of expenditures at 1% or \$2,103,882.

Discussion of the Graph

The primary sources of General Fund revenues are sales and franchise taxes. Total taxes range from 70% of total revenues in FYE 2007 to an estimated 68% of total revenues in FYE 2015 and a projected 70% in FYE 2016. The increase in the percent of other revenues in FYE 08 is due to a FEMA reimbursement of over \$5,000,000 for the December 2007 - January 2008 ice storm damage. The increase in the percent of tax revenue in FYE 09 is due to the 1/2% (0.5%), 7-year, Public Safety Sales Tax increase that citizens approved on May 13th, 2008. Beginning in FYE 11, the Public Safety Sales Tax was accounted for in the Public Safety Sales Tax Fund and removed from the General Fund. The decline of sales tax revenues and other revenues in FYE 10 to FYE 11 is due to the economic recession and the move of the Public Safety Sales Tax to its own fund.

Discussion of the Graph

As shown by the graph, personnel costs represent the largest share of General Fund expenditures. Personnel costs represented approximately 69% of total General Fund expenditures in FYE 2007 and are projected to comprise about 70% of General Fund expenditures in FYE 2016. The significant increase in the other costs category in FYE 2008 is related to costs associated with a severe ice storm that caused damages in December of 2007 and January of 2008. The FYE 2011 decrease in overall expenditures is due to budget cutbacks that included furloughs, no merit and no cost of living increases for employees, and a reduction in operating budgets. Beginning in FYE 2011, the Public Safety Sales Tax Fund was created and the associated expenses were taken out of the General Fund.

Discussion of the Graph

Taxes comprise 70% of the General Fund's revenue; sales and use tax represents 56% while franchise taxes represent 10% and other taxes account for 3%. Cost allocations represent 5% of the General Fund's revenue. These allocations are charges for central services such as management, accounting and data processing provided by the General Fund to other Funds such as Enterprise Funds. Transfers include charges to the utility funds (payments in lieu of franchise fees and property taxes), a transfer from the Capital Fund for reimbursement of street maintenance crew labor used for capital projects and financing General Fund capital equipment needs, and a transfer from Debt Service Fund for judgments and claims against the City. Other revenues include miscellaneous revenues such as animal adoption fees, weed abatement fees, returned check fees, etc.

Discussion of the Graph

The largest departmental expenditure from the General Fund is the Police Department. The Police Department's expenditures total \$21,387,763 or 28% of total General Fund expenditures. This excludes any expenditure from the Public Safety Sales Tax. The Public Works Department has the next highest amount of General Fund expenditures totaling \$16,881,233 or 22% of total General Fund expenditures. Public Safety (Police and Fire) and Public Works account for 70% of General Fund expenditures.

("Other" includes the Norman Public Library, Firehouse Art Center, Historical Museum, Sooner Theatre, Interfund Transfers, and Santa Fe Depot)

WATER FUND OPERATIONS 10 YEAR COMPARISON

Discussion of the Graph

The Water Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. Any excess of operating revenues is used for capital outlay and capital project expenses, as well as to fund debt service. The significant increase in projected revenue in 2016 is due to a water rate increase that was approved by the citizens on January 13, 2015.

Discussion of the Graph

The Water Reclamation Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. The excess of operating revenues is used for capital outlay and capital project expenses, as well as to fund debt service. In FYE 2015, the Sewer Line Maintenance operation was transferred from the Sewer Line Maintenance Fund to the Water Reclamation Fund. The increase in revenues beginning FYE 2014 are due to a water reclamation rate increase approved by the citizens on November, 12, 2013.

Discussion of the Graph

The Sanitation Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. The excess of operating revenues are used for capital outlay and capital project expenses as well as to repay outstanding debt. The increase in 2012 revenue is due to a voter approved service rate increase on March 1, 2011.

FINANCIAL POLICIES

FINANCIAL POLICIES

Several financial policies have been used in the development of the Fiscal Year Ending (FYE 16) Budget and five-year forecast. The applications of the policies vary given the type of Fund. The “Budget Highlights” section identifies the specific application of each policy, if it applies to that particular fund. The financial policies that have been applied to various funds are documented below.

Balanced Budget

The City shall annually adopt a balanced budget in accordance with the Oklahoma Municipal Act (Title 11 Oklahoma Statutes 2006). As such, expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget (i.e., a fund balance cannot be negative).

Five Year Forecast

Five-year forecasts of resources and the utilization of those resources have been prepared for all Funds of the City for the purpose of projecting existing conditions into the future to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy actions. The City legally adopts a budget for a one-year period; five-year forecasts are prepared for financial planning purposes. Based on these actions and other factors, actual financial performance in future years will vary from that projected here.

Reasonable Cost of Service

For purposes of projecting existing costs into the future it has been assumed that existing costs are reasonable given existing service levels.

Reserve Policies

Operating Reserve

In fiscal year 2011, Council directed staff to prepare a formal policy in Ordinance form codifying the City’s reserve policies and complying with Governmental Accounting Standards Board Statement # 54. Direction was given to establish a separate “Rainy Day Fund” which could not be used except in unusual circumstances. The Ordinance (effective July 28, 2011) establishes a Net Revenue Stabilization or “Rainy Day” Fund, which would have minimum fund balance of three percent (3%) of annual budgeted General Fund expenses, a target fund balance of four and a half percent (4.5%) of General Fund expenses and a maximum fund balance of six percent (6%) of annual General fund expenses. The Ordinance also requires a minimum General Fund Operating Reserve fund balance of three percent (3%) of General Fund expenses and would require that the two percent (2%) Emergency Reserve allocation be included in future year budgets. Under the Ordinance, Net Revenue Stabilization Fund balance could only be appropriated for expenditure by the City Council if at least one of three circumstances is met:

- 1.) The General Fund Operating Reserve fund balance is projected to fall below one percent (1%) of budgeted expenditures.

- 2.) A natural or man-made disaster has occurred; AND the City of Norman has spent or obligated to spend the two percent Emergency Reserve account in the General Fund
- 3.) A major one-time or capital expenditure has been necessitated, such as for major repairs to or replacement of City of Norman facilities.

Capital Reserve

A portion of fund balance equal to the average of the forecasted capital expenditures during the five-year forecasted period has been reserved in each fiscal year budget to provide assurance that resources are available to provide for the normal replacement of depreciable assets.

Debt Reserve

A portion of fund balance equal to the average annual debt service requirement has been reserved to provide assurance that resources are available to meet each fiscal year's debt service payment. This policy may be superseded by requirements of bond covenants or the absence of outstanding debt.

Investment Policy

Policy:

It is the policy of the City of Norman to invest all public funds in a manner which will provide the maximum security of principal, while meeting the daily cash flow demands of the City, conforming to all state and local statutes governing the investment of public funds, and providing the highest practical investment return within these guidelines.

Diversification:

The City of Norman will diversify its investments by institution. With the exception of U.S. Treasury and agency securities and authorized pools, no more than 50% of the entity's total investment portfolio will be placed through a single financial institution.

Maximum Maturities:

To the extent possible, the City of Norman will attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City of Norman will not directly invest in securities maturing more than ten years from the date of purchase.

Internal Control:

The City Finance Director shall establish an annual process of independent review by an external auditor. The review will provide internal control by assuring compliance with policies and procedures.

Performance Standards:

The investment portfolio will be designed to obtain a market average rate of return during budgetary and economic cycles, taking into account the City of Norman's investment risk constraints and cash flow needs.

Reporting:

The City Finance Director shall provide the City Council with a monthly investment activity report within fifteen days of the closing of financial transactions for the month for which the report is made. The report shall include a listing of the investment transactions made and the amounts therefor; interest earned on each investment within the month; current investment and maturity schedules; and overall performance compared to previous years and market benchmarks.

Debt Policy

The Debt Policy for the City of Norman is established to help ensure that all debt is issued both prudently and cost effectively. The Constitution of the State of Oklahoma, Article X, Sections 26-28 allow the indebtedness of a city for the purpose of financing the purchase, construction, or improvement of any public utility or combination of public utilities which shall be owned exclusively by such city.

The City of Norman, with differing levels of approval (majority voter approval for some, 60% voter approval for some, Council approval for some), may legally issue debt using any of the debt instruments below:

- Unlimited Tax General Obligation Bonds
- Limited Tax General Obligation Bonds
- Revenue Bonds
- Certificates of Participation (COPs)
- Special Assessment District Bonds
- Tax Increment Finance District Bonds
- Revenue Anticipation Notes
- Bond Anticipation Notes
- Tax Anticipation Notes
- Short Term Debt
- Local Option Capital Asset Lending (LOCAL) Program Debt

The City of Norman's 2014 legal debt limit is approximately \$84,344,000, based on Section 26 of the Oklahoma Constitution. It states that bonds issued for road and/or bridge improvements cannot exceed ten percent (10%) of the net assessed valuation (gross valuation minus homestead) of the City. This limit can be raised by a vote of the people. There is no real legal debt limit; the practical limit is based on what the voters would consider an appropriate level of property tax-backed debt.

The City of Norman's utility revenue bonds are rated AA2 by Moody's Investors Service.

Levelized Rates

Utility rates should be set at a level to meet the average net income requirement over a five-year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Utility Transfer to General Fund

The amount of transfer from the Water and Water Reclamation Funds in support of the General Fund is based on a policy that provides continuity in all three funds. A transfer equal to 5% of the operating revenue in each utility would return to the General Fund an amount consistent with what public utilities provide in franchise fees and property taxes. This transfer was increased in FYE 11 from 2%.

Municipal Budget Act

The City of Norman adopted the “Municipal Budget Act,” a provision of State Statute, by Resolution R-7980-28 dated January 22, 1980. A copy of the Municipal Budget Act is found in this section of the document.

THE BUDGET AND ACCOUNTING PROCESS

The City of Norman, Oklahoma is a municipal corporation incorporated under a Municipal Charter pursuant to Article XVIII, of the Constitution and laws of the State of Oklahoma. The City operates under a Council-Manager form of government and provides such services as are authorized by its Charter to advance the welfare, health, morals, comfort, safety and convenience of the City and its inhabitants.

The City's major activities or functions include police and fire protection, parks and libraries, public health and social services, planning and zoning and general administrative services. In addition, the City owns and operates four major enterprise activities - the Water, Water Reclamation and Sanitation utility system, and the Westwood Park complex. This budget includes the fund and account groups required to account for those activities, organizations and functions that are related to the City and controlled by or dependent upon the City's governing body, the City Council.

THE BUDGET PROCESS

The City prepares its annual operating budget on a basis (Budget basis) which differs from Generally Accepted Accounting Principles (GAAP basis). The major difference between GAAP and Budget basis is that encumbrances are recorded as reservations of fund balance on a GAAP basis as opposed to the equivalent of expenditures (Budget basis) in all governmental funds.

The City of Norman uses modified zero-based budgeting to develop the annual operating budget. This approach requires City Departments to present a basic budget and supplements to the basic budget, which represents program additions or enhancements. The City Council adheres to the following procedures in establishing the budget:

1. Under the City Charter, the City Manager is responsible for preparing and recommending an operating budget for City Council consideration. The City Manager, working with staff in all Departments, reviews and evaluates all basic budgets and supplemental requests to determine whether they fulfill City Council goals and objectives, improve management effectiveness, or increase productivity. The proposed budget, which the City Manager submits to the City Council, includes recommendations of the program of services, which the City should provide, and which can be financed by the City's projected revenue for the budget year. The Manager must submit a balanced budget for the next fiscal year not later than 30 days prior to the end of the current fiscal year.
2. The City Council considers the Manager's recommended budget in a series of work sessions and in public hearings at which citizen comment is invited. Citizens are encouraged to participate in the budget process. A copy of the proposed budget and the adopted budget are filed in the City Clerk's office and the Norman Public Library. Additional or supplemental information is available upon request.
3. The budget for the next fiscal year is legally enacted by the City Council through passage of an ordinance not later than seven days before the beginning of the new budget year.

4. Expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget. The City Manager, without Council approval, may transfer appropriation balances from one expenditure account to another within a Fund/Department of the City. The City Council, however, must approve any transfer of unencumbered appropriation balance or portions thereof from one Fund to another.
5. Annual budgets are legally adopted for all governmental funds. Budgets for the Debt Service Funds are adopted on a basis consistent with Generally Accepted Accounting Principles.

Formal budgetary integration is not employed for the proprietary funds. The City adopts an annual, informal budget as a financial plan for all proprietary funds.

The expendable trust fund includes non-budgeted financial activities, which are not subject to an appropriated budget and the appropriation process nor to any legally authorized non-appropriated budget review and approval process.

6. At the close of each fiscal year, any unencumbered appropriation balance lapses or reverts to the undesignated fund balance.

THE ACCOUNTING PROCESS

The accounting and reporting policies of the City conform to Generally Accepted Accounting Principles (“GAAP”) applicable to state and local governments. Generally Accepted Accounting Principles for local governments include those principles prescribed by the Governmental Accounting Standards Board (“GASB”), which includes all statements and interpretations of the National Council on Governmental Accounting unless modified by the GASB, and those principles prescribed by the American Institute of Certified Public Accountants in the publication entitled Audits of State and Local Governmental Units. The following is a summary of the more significant policies and practices used by the City.

BASIS OF PRESENTATION

The accounts of the City are organized and operated on the basis of funds or account groups, each of which is considered to be a separate fiscal and accounting entity. The operations of each fund are accounted for with a self-balancing set of accounts that comprise its assets, liabilities, fund balances or retained earnings, revenues and expenditures or expenses. The various funds are grouped by category and type. The City maintains the following fund classifications and account groups:

CITY OF NORMAN FUNDS

All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

GOVERNMENTAL FUNDS

Governmental funds are used to account for the relatively liquid portion of the City's assets that are not accounted for through proprietary or fiduciary funds, the short-term obligations pertaining thereto and the net balance of these financial resources available for subsequent appropriation and expenditure.

General Fund - The General Fund is the general operating fund of the City. This fund is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts or major capital projects) that are legally restricted to expenditures for specific purposes.

Debt Service Funds - Debt Service Funds are used to account for the accumulation of resources for, and the payment of general long-term debt principal, interest and related costs.

Capital Project Fund - The Capital Projects Fund is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds). They are presented in a separate document.

PROPRIETARY FUNDS

Proprietary Funds are those used to account for the City's ongoing organizations and activities which are similar to those found in the private sector. The measurement focus is upon capital maintenance and upon determination of net income, financial position and changes in financial position.

Enterprise Funds - Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises wherein the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Internal Service Funds - Internal Service Funds are used to allocate certain costs (e.g. Risk Management/Insurance) to other funds within the government.

FIDUCIARY FUNDS

Fiduciary Funds are used to account for assets held by the City in a trustee capacity or as an agent for other governmental units and/or other funds. Trust and Agency Funds include expendable trust and payroll agency funds. (Not presented in this document).

BASIS OF ACCOUNTING

Basis of accounting refers to the time at which revenues and expenditures or expenses are recognized in the accounts and reported. Governmental funds, expendable trust funds, and agency funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available as net current assets. Available means collectible within the current period or expected to be collected within 60 days after year end and be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include unmatured principal and interest on general long-term obligations which are recognized when due. This exception is in conformity with Generally Accepted Accounting Principles.

Property tax revenues and sales tax receipts are considered measurable and available when collected and recognized as revenue at that time. Licenses and permits, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded on the accrual basis in all funds.

Intergovernmental revenues are recorded on a basis applicable to the legal and contractual requirements of the various individual grant programs.

All proprietary funds are accounted for using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recorded in the accounting period incurred, if measurable.

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities since the commitments will be honored during the subsequent year. For budgetary purposes, encumbrances outstanding at year end and the related appropriation are carried forward to the new fiscal year. Encumbrances constitute the equivalent of expenditures for budgetary purposes.

MUNICIPAL BUDGET ACT
(Title 11 Oklahoma Statutes 2006)

SECTION 17-201. MUNICIPAL BUDGET ACT.

This act may be cited as the “Municipal Budget Act.”

SECTION 17-202. PURPOSE OF ACT.

The purpose of this act is to provide an alternate budget procedure for municipal governments, which will:

1. Establish standard and sound fiscal procedures for the adoption and administration of budgets;
2. Make available to the public and investors sufficient information as to the financial conditions, requirements and expectations of the municipal government; and
3. Assist municipal governments to improve and implement generally accepted standards of finance management.

SECTION 17-203. APPLICATION OF ACT

This act shall apply to any incorporated city or town which, by resolution of the governing body, opts to come under and comply with all its provisions and requirements. Once a municipality has selected the Municipal Budget Act to govern its budget procedures, the provisions of this act shall take precedence over any other state laws applicable to municipal budgets, except as may be provided otherwise in this act, and supersede any conflicting laws. Any action of a municipal governing body to implement, rescind or repeal the application of the Municipal Budget Act shall be effective as of the beginning or end of a budget year pursuant to this act.

SECTION 17-204. DEFINITIONS

As used in this act:

1. “Account” means an entity for recording specific revenues or expenditures, or for grouping related or similar classes of revenues and expenditures and recording them within a fund or department;
2. “Appropriated fund balance” means any fund balance appropriated for a fund for the budget year;
3. “Appropriation” means an authorization to expend or encumber income and revenue provided for a purpose;
4. “Budget” means a plan of financial operations for a fiscal year, including an estimate of proposed expenditures for given purposes and the proposed means for financing them;
5. “Budget summary” means a tabular listing of revenues by source and expenditures by purpose for the budget year;

CITY OF NORMAN

6. "Budget year" means the fiscal year for which a budget is prepared or being prepared;
7. "Chief executive officer" means the mayor of an aldermanic city or a strong-mayor-council city, the mayor of a town, or the city manager or chief administrative officer as it may be defined by applicable law, charter or ordinance;
8. "Current year" means the year in which the budget is prepared and adopted, or the fiscal year immediately preceding the budget year;
9. "Deficit" means the excess of a fund's current liabilities and encumbrances over its current financial assets as reflected by its books of account;
10. "Department" means a functional unit within a fund which carries on a specific activity, such as a fire department or a police department within a general fund;
11. "Estimated revenue" means the amount of revenues estimated to be received during the budget year;
12. "Fiscal year" means the annual period for reporting fiscal operations which begins and ends on dates as the Legislature provides or as provided by law;
13. "Fund" means an independent fiscal and accounting entity with a self-balancing set of accounts to record cash and other financial resources, together with all liabilities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives;
14. "Fund balance" means the excess of a fund's current financial assets over its current liabilities and encumbrances, as reflected by its books of account;
15. "Governing body" means the city council of a city, the board of trustees of a town, or the legislative body of a municipality as it may be defined by applicable law or charter provision;
16. "Immediate prior fiscal year" means the year preceding the current year;
17. "Income and revenue provided" means the amount estimated or actual income and revenue appropriated by the governing body of the municipality;
18. "Levy" means to impose ad valorem taxes or the total amount of ad valorem taxes for a purpose or entity;
19. "Operating reserve" means that portion of the fund balance of the municipality which has not been appropriated in a budget year for another purpose;
20. "Municipality" means any incorporated city or town; and
21. "Purpose" means the specific budget item for a contract or claim.

SECTION 17-205. ANNUAL BUDGET - PREPARATION AND SUBMISSION - ASSISTANCE OF OFFICERS, EMPLOYEES AND DEPARTMENTS

At least thirty (30) days prior to the beginning of each fiscal year, a budget for the municipality shall be prepared by the chief executive officer and submitted to the governing body. The chief executive officer may require any other officer or employee who is charged with the management or control of any department or office of the municipality to furnish estimates for the fiscal year covering estimated revenues and expenditures of the department or office on or before a date set by the chief executive officer.

SECTION 17-206. REQUIREMENTS AND CONTENTS OF BUDGET

- A. The municipal budget shall present a complete financial plan for the municipality and shall present information necessary and proper to disclose the financial position and condition of the municipality and the revenues and expenditures thereof.
- B. Unless the budget is prepared in accordance with the subsection E of this section, the budget shall contain the following contents:
 - 1. The budget shall contain a budget summary;
 - 2. It shall also be accompanied by a budget message, which shall explain the budget and describe its important features;
 - 3. The budget format shall be as provided by the governing body in consultation with the chief executive officer; and
 - 4. It shall contain at least the following in tabular form for each fund, itemized by department and account within each fund:
 - a. actual reserves and expenditures for the immediate prior fiscal year,
 - b. revenues and expenditures for the current fiscal year as shown by the budget for the current year as adopted or amended, and
 - c. estimates of revenues and expenditures for the budget year.
- C. The estimate of revenues for any budget year shall include probable income by source which the municipality is legally empowered to collect or receive at the time the budget is adopted. The estimate shall be based on a review and analysis of past and anticipated revenues of the municipality. Any portion of the budget of revenues to be derived from ad valorem property taxation shall not exceed the amount of tax which is available for appropriation, as finally determined by the county excise board, or which can or must be raised as required by law. The budget of expenditures for each fund shall not exceed the estimated revenues for each fund. No more than ten percent (10%) of the total budget for any fund may be budgeted for miscellaneous purposes. Included in the budget of revenues or expenditures for any fund may be amounts transferred from or to another fund. Any such interfund transfer must be shown as a disbursement from the one fund and as a receipt to the other fund.

- D. Encumbrances for funds whose sole purpose is to account for grants and capital projects and/or any unexpended appropriation balances may be considered nonfiscal and excluded from the budget by the governing body, but shall be re-appropriated to the same funds, accounts and for the same purposes for the successive fiscal year, unless the grant, project or purpose is designated or declared closed or completed by the governing body.
- E. As an alternative to the budget format and content described in subsections B, C, and D of this section, the municipality may prepare its budget in a program or purpose format for the municipality as a whole without regard to fund accounting. Such budget shall be subject to all other requirements of the Municipal Budget Act, except those requirements specifically related to fund accounting.

SECTION 17-207. MONIES RECEIVED AND EXPENDED MUST BE ACCOUNTED FOR BY FUND OR ACCOUNT

Any monies received or expended by a municipality must be accounted for by fund and account, regardless of the format of the budget. Each municipality shall adopt an appropriation for the general fund and for all other funds established by the governing body pursuant to the provisions of Section 17-212 of this title, or as an alternative, for each purpose as established by the governing body. The municipal governing body shall determine the needs of the municipality for sinking fund purposes, pursuant to the provisions of Section 431 of Title 62 of the Oklahoma Statutes, Section 3017 of Title 68 of the Oklahoma Statutes, and Section 28 of Article 10 of the Oklahoma Constitution, and include these requirements in the debt service budget for the budget year.

SECTION 17-208. PUBLIC HEARING ON PROPOSED BUDGET - NOTICE - COPIES OF PROPOSED BUDGET

The municipal governing body shall hold a public hearing on the proposed budget no later than fifteen (15) days prior to the beginning of the budget year. Notice of the date, time and place of the hearing, together with the proposed budget summary, shall be published in a newspaper of general circulation in the municipality not less than five (5) days before the date of the hearing. The municipal clerk shall make available a sufficient number of copies of the proposed budget as the governing body shall determine and have them available for review or for distribution or sale at the office of the municipal clerk. Whenever the total operating budget, not including debt service, does not exceed Twelve Thousand Dollars (\$12,000.00) per year, the proposed budget summary and notice may be posted at the governing body's principal headquarters in lieu of publication in a newspaper. At the public hearing on the budget any person may present to the governing body comments, recommendations or information on any part of the proposed budget.

SECTION 17-209. ADOPTION OF BUDGET - FILING - EFFECTIVE PERIOD - USE OF APPROPRIATED FUNDS - LEVYING TAX

- A. After the hearing and at least seven (7) days prior to the beginning of the budget year, the governing body shall adopt the budget by resolution, or as any charter may require. The governing body may add or increase items or delete or decrease the items in the budget. In all cases the appropriations shall not exceed the income and revenue provided by the governing body from estimated revenues and appropriated fund balance.

- B. The adopted budget shall be transmitted to the State Auditor and Inspector within thirty (30) days after the beginning of the fiscal year of the municipality and one copy shall be kept on file in the office of the municipal clerk. A copy of the municipality's sinking fund requirements shall be filed with the excise board of the county or counties in which the municipality is located.
- C. The adopted budget shall be in effect on and after the first day of the fiscal year to which it applies. The budget as adopted and filed with the State Auditor and Inspector shall constitute an appropriation for each purpose as defined by the governing body, and the appropriation thus made shall not be used for any other purpose except as provided by law.
- D. At the time required by law, the county excise board shall levy the taxes necessary for the municipality's sinking fund for the budget year pursuant to Section 431 of Title 62 of the Oklahoma Statutes.

SECTION 17-210. PROTESTS - FAILURE TO PROTEST - EXAMINATION OF FILED BUDGET

Within fifteen (15) days after the filing of any municipal budget with the State Auditor and Inspector, any taxpayer may file protests against any levy of ad valorem taxes for creating sinking funds in the manner provided by this section and Sections 24104 through 24111 of Title 68 of the Oklahoma Statutes. The fifteen-day protest period begins upon the date the budget is received in the Office of the State Auditor and Inspector. After receipt of a taxpayer protest, the State Auditor and Inspector shall transmit by certified mail one copy of each protest to the municipal clerk, and one copy of each protest to the county treasurer and the excise board of each county in which the municipality is located. The taxpayer shall specify the grounds upon which the protest is based. Any protest filed by any taxpayer shall inure to the benefit of all taxpayers. Provided, the provisions of this section shall not delay any budget expenditures of a municipality if the amount of revenue from the ad valorem tax levy which is deposited in the municipal general fund is less than five percent (5%) of the total revenue accruing to the municipal general fund during the prior year. If no protest is filed by any taxpayer within the fifteen-day period, the budget and any appropriations thereof shall be deemed legal and final until amended by the governing body or the county excise board as authorized by law. Taxpayers shall have the right at all reasonable times to examine the budget on file with the municipal clerk or the State Auditor and Inspector for the purpose of filing protests in accordance with this section and Sections 24104 through 24111 of Title 68.

SECTION 17-211. EXPENDITURE OR ENCUMBRANCE OF FUNDS - BALANCES TO BE CARRIED FORWARD - UNLAWFUL ACTS AND LIABILITY THEREFORE

- A. No expenditure may be incurred or made by any officer or employee, which exceeds the fund balance for any fund. Any fund balance remaining in a fund at the end of the fiscal year shall be carried forward to the credit of the fund for the next fiscal year. No expenditure may be authorized or made by any officer or employee, which exceeds the appropriation of any fund.
- B. It shall be unlawful for any officer or employee of the municipality in any budget year:

1. To create or authorize creation of a deficit in any fund; or
 2. To authorize, make or incur expenditures in excess of ninety percent (90%) of the appropriation for any fund or the budget as adopted or amended until revenues received, including the prior fiscal year's fund balance carried forward, totals an amount equal to at least ninety percent (90%) of the appropriation for the fund. Expenditures may then be made and authorized so long as any expenditure does not exceed any fund balance.
- C. Any obligation that is contracted or authorized by any officer or employee in violation of this act shall become the obligation of the officer or employee himself and shall not be valid or enforceable against the municipality. Any officer or employee who violates this act shall forfeit his office or position and shall be subject to such civil and criminal punishments as are provided by law. Any obligation, authorization for expenditure or expenditure made in violation of this act shall be illegal and void.

SECTION 17-212. FUNDS - ESTABLISHMENT - KINDS

A municipality shall establish funds consistent with legal and operating requirements. Each municipality shall maintain according to its own needs some or all of the following funds or ledgers in its system of accounts:

1. A general fund, to account for all monies received and disbursed for general municipal government purposes, including all assets, liabilities, reserves, fund balances, revenues and expenditures which are not accounted for in any other fund or special ledger account. All monies received by the municipality under the motor fuel tax or under the motor vehicle license and registration tax and earmarked for the street and alley fund may be deposited in the general fund and accounted for as a "street and alley account" within the general fund. Expenditures from this account shall be made as earmarked and provided by law. All references to the street and alley fund or to the special fund earmarked for state-shared gasoline and motor vehicle taxes may mean the street and alley account provided in this section;
2. Special revenue funds, as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes;
3. Debt service fund, which shall include the municipal sinking fund, established to account for the retirement of general obligation bonds or other long term debt and payment of interest thereon and judgments as provided by law. Any monies pledged to service general obligation bonds or other long-term debt must be deposited in the debt service fund;
4. Capital project funds, to account for financial resources segregated for acquisition, construction or other improvement related to capital facilities other than those accounted for in enterprise funds and non-expendable trust funds;
5. Enterprise funds, to account for each utility or enterprise or other service, other than those operated as a department of the general fund, where the costs are financed primarily through user charges or where there is a periodic need to determine revenues earned, expenses incurred or net income for a service or program.

6. Trust agency funds, to account for assets held by the municipality as trustee or agent for individuals, private organizations or other governmental units or purposes, such as a retirement fund or a cemetery perpetual care fund;
7. Special assessment funds, to account for the financing of public improvements or services deemed to benefit properties against which special assessments are levied; a separate fund for each special improvement district established by the governing body shall be established, each of which shall be known as a special assessment fund;
8. Internal service funds, to account for the financing of goods or services provided by one department or agency of the municipality to another department or agency, or to another government, on a cost reimbursement basis;
9. A ledger or group of accounts in which to record the details relating to the general fixed assets of the municipality;
10. A ledger or group of accounts in which to record the details relating to the general bonds or other long term debt of the municipality; or
11. Such other funds or ledgers as may be established by the governing body.

SECTION 17-213. FUNDS - CLASSIFICATION OF REVENUES AND EXPENDITURES

Each fund shall be made up of accounts for classifying revenues and expenditures. Revenues shall be classified separately by source. Expenditures shall be departmentalized within each fund and shall be classified into at least the following accounts:

1. Personal services, which may include expenses for salaries, wages, per diem or other compensation, fees, allowances or reimbursement for travel expenses, and related employee benefits, paid to any officer or employee for services rendered or for employment. Employee benefits may include employer contributions to a retirement system, insurance, sick leave, terminal pay or similar benefits;
2. Materials and supplies, which may include articles and commodities which are consumed or materially altered when used, such as office supplies, operating supplies and repair and maintenance supplies, and all items of expense to any person, firm or corporation rendering service in connection with repair, sale or trade of such articles or commodities;
3. Other services and charges, which may include all current expenses other than those listed in paragraphs 1, 2, 4, 5 or 6 in this section, such as services or charges for communications, transportation, advertising, printing or binding, insurance, public utility services, repairs and maintenance, rentals, miscellaneous items and all items of expenses to any person, firm or corporation rendering such services;
4. Capital outlays, which may include outlays which result in acquisition of or additions to fixed assets which are purchased by the municipality, including machinery and equipment, furniture, land, buildings, improvements other than buildings, and all construction, reconstruction, appurtenances or improvements to real property accomplished according to the conditions of contract;

5. Debt service, which may include outlays in the form of debt principal payments, periodic interest payments, or related service charges for benefits received in part in prior fiscal periods as well as in current and future fiscal periods; and
6. Fund transfers, which may include permanent transfers of resources from one fund to another.

SECTION 17-214. FUNDS - OPERATING RESERVE

A municipality may create an operating reserve for the purpose of providing a fund or reserve out of which to meet emergency expenditures.

SECTION 17-215. TRANSFER OF UNEXPENDED OR UNENCUMBERED APPROPRIATION - LIMITATIONS ON ENCUMBRANCES OR EXPENDITURES

- A. The chief executive officer, or designee, as authorized by the governing body, may transfer any unexpended and unencumbered appropriation or any portion thereof from one purpose to another; except that no appropriation for debt service or other appropriation required by law or ordinance may be reduced below the minimums required.
- B. Any fund balance in an unrestricted fund of the municipality may be transferred to another fund of the municipality as authorized by the governing body. Other interfund transfers may be made only as adopted or amended according to Section 17-206 or 17-216 of this title.
- C. Whenever the necessity for maintaining any fund of a municipality has ceased to exist and a balance remains in the fund, the governing body may authorize the transfer of the balance to the general fund or any other designated fund, unless otherwise provided by law.
- D. No encumbrance or expenditure may be authorized or made by any officer or employee, which exceeds the available appropriation for each purpose as defined by the governing body.

SECTION 17-216. SUPPLEMENTAL APPROPRIATIONS TO FUNDS - AMENDMENT OF BUDGET

- A. The governing body may amend the budget to make supplemental appropriations to any purpose up to the amount of additional income and revenues, which are available and provided for current expenditures due to:
 1. Revenues received or to be received from sources not anticipated in the budget for that year;
 2. Revenues received or to be received from anticipated sources but in excess of the budget estimates therefore; or
 3. Unexpended and unencumbered fund balances on hand at the end of the preceding fiscal year, which had not been anticipated or appropriated in the budget. Any appropriation authorizing the creating of indebtedness shall be governed by the applicable provisions of Section 26 of Article 10 of the Oklahoma Constitution.

- B. If at any time during the budget year it appears probable that revenues available will be insufficient to meet the amount appropriated, or that due to unforeseen emergencies there is temporarily insufficient money to meet the requirements of appropriation, the governing body shall take action as it deems necessary. For that purpose, it may amend the budget to reduce one or more appropriations or it may amend the budget to transfer money from one purpose to another purpose, but no appropriation for debt service may be reduced and no appropriation may be reduced by more than the amount of the unencumbered and unexpended balance thereof. No transfer shall be made from the debt service fund to any other fund except as may be permitted by the terms of the bond issue or applicable law.
- C. A budget amendment as provided in this section authorizing supplemental appropriations or a decrease in the total appropriation of funds shall be adopted at a meeting of the governing body and filed with the municipal clerk and the State Auditor and Inspector.

SECTION 3002 – AUDITS (Title 68 Oklahoma Statutes 2001)

- A. (Pertains to counties and school districts)
- B. Each municipality that does not prepare an annual audit pursuant to Section 17-105 of Title 11 of the Oklahoma Statutes shall make a financial statement as required by this section. Such municipality shall adopt a budget, which shall contain estimates of expenditures and revenues, including probable income by source, for the budget year; provided, that all municipalities may use estimated fund balances if final certified fund balances are not available. The budget shall be in a format similar to the estimate of needs or, at the municipality's discretion, to Sections 17-207 and 17-212 through 17-214 of Title 11 of the Oklahoma Statutes. This section shall not apply to any municipality that has opted to prepare a budget pursuant to the Municipal Budget Act.
- C. Each budget and each financial statement and estimate of needs for each county, city, incorporated town, or school district, as prepared in accordance with this section, shall be published in one issue in some legally qualified newspaper published in such political subdivision. If there be no such newspaper published in such political subdivision, such statement and estimate shall be so published in some legally qualified newspaper of general circulation therein; and such publication shall be made, in each instance, by the board or authority making the estimate.
- D. The financial statements and estimates of all counties shall be filed with the county excise board on or before August 17 of each year; and the financial statements and budgets of all incorporated towns shall be filed with the county excise board on or before August 22 of each year; and the financial statements and budgets of all cities shall be filed with the county excise board on or before August 27 of each year; and the financial statements and estimates of all school districts shall be filed with the county excise board on or before September 1 of each year. Said financial statements and estimates shall have attached thereto an affidavit showing the publication thereof as required herein, or they may be filed and the said affidavit attached thereto at any time within five (5) days after the filing thereof.

NORMAN IMPLEMENTATION OF MUNICIPAL BUDGET STATUTES

The City of Norman and its related Trusts and Authorities have been in full compliance with Generally Accepted Accounting Principles and the Oklahoma Municipal Budget Act since 1988. Some of the defined terms in Section 17-204 and 17-213 of the Municipal Budget Act are further explained as follows:

“Municipality” is The City of Norman and **“Governing Body”** is the City Council;

“Budget Year” and **“Fiscal Year”** is July 1 through June 30;

“Chief Executive Officer” is the City Manager;

“Personal Services” category expenditures are **“Salaries and Benefit”** category expenditures. These expenditures are generally for payments directly to full and part-time employees of the City, including contributions to retirement and pensions, social security, health insurance, uniform allowances and related expenses.

“Materials and Supplies” category expenditures are generally for consumable goods that are used (or “materially altered” when used) by City employees to provide services to the public and/or our customers (e.g., purchases of pencils, oil filters, chlorine).

“Other Services and Charges” category expenditures are **“Services and Maintenance”** category expenses, generally for services provided to the City of Norman by outside vendors (e.g., hiring Xerox to fix a City copier; hiring a Spanish interpreter, etc.).

“Internal Service” category expenditures are similar to **“Services and Maintenance”** category expenditures, except that the “vendor” that is providing the services to the City of Norman is another City department. Internal Service “vendors” of the City include the Fleet Management Division (providing centralized fueling and vehicle repair), the Facilities Management Division (providing centralized building repair, custodial and maintenance), the Office Services Division (providing centralized printing and mailing services) and the Risk Management Division (providing worker’s compensation, health insurance and property casualty services).

FINANCIAL SUMMARIES

**GENERAL FUND
BUDGET
HIGHLIGHTS**

Background

The General Fund is used to account for resources that are utilized for general government activities such as:

- Park and Public Lands Maintenance
- Street Maintenance
- Neighborhood Revitalization and Code Enforcement
- Public Safety and Emergency Response
- Traffic Control
- Public Transportation
- Storm Water Drainage and Flood Control

These services are distinct in that they promote the overall public good, are provided to everyone in the community equally, and cannot be denied to anyone.

The major sources of revenue are sales tax, franchise fees, and cost allocation charges. Sales tax revenues allocated to General Fund are equal to 77% of a three percent tax (3%). Franchise fees are generated by a fee on the gross receipts within Norman of public utilities as follows:

A T & T Cable	5%
A T & T Telephone	2%
Oklahoma Gas & Electric	3%
Oklahoma Natural Gas	4%
Cox Communications Cable	5%
Cox Communications Telephone	2%
Oklahoma Electric Cooperative	5%

The City's Water and Water Reclamation Utility Enterprises also make a five percent (5%) payment in-lieu of franchise fees to the General Fund.

Revenues derived from cost allocation charges are the result of the distribution of the cost of centrally-provided support services benefiting departments of the City such as:

- Management (Council and Manager)
- Accounting/Purchasing/Payroll/Risk Management
- Human Resources
- Information Systems
- Legal
- Investment/Debt Administration

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses, and to provide a base for remedial or supportive financial policy.

FYE 16 Budget

The Fiscal Year Ending June 30, 2016 (FYE 16) budget is a legally balanced budget in that total resources available for appropriations are greater than total expenditures.

Estimated Beginning Fund Balance	\$ 3,983,935
Current Revenues & Interfund Transfers	<u>74,743,525</u>
Total Available Resources	78,727,460
Current Expenditures & Interfund Transfers	<u>(75,834,444)</u>
Estimated Ending Fund Balance	\$2,893,016

In the City's Comprehensive Annual Financial Report, (page 72) for Fiscal Year ending June 30, 2014, reconciliation is given between budget fund balance and the General Fund balance reported on the City Balance Sheet. This reconciliation is summarized as follows:

Fund balances – budgetary basis, June 30, 2014	\$ 2,908,049
Encumbrances outstanding	<u>2,152,744</u>
Fund summary cash balance (see page 56)	5,060,793
Current year accruals	5,523,841
Rainy Day Fund Balance	<u>2,554,595</u>
Total fund balances – fund balance sheet, June 30, 2014	\$ 13,139,229

Estimated sales tax revenues are normally based on a 20-year, multivariate regression model. FYE 16 sales tax is being projected at a 2.5% increase over estimated FYE 15 collections, and a slight increase of 0.04% from the FYE 15 Budget. Other revenues such as use tax, franchise fees, and other taxes are projected at a 3% increase from FYE 15 estimated figures. Licenses and permit fees are projected at a 1% increase from FYE 15 estimated figures. Fines and forfeitures are estimated at a 3% increase and service fees and charges are estimated at a 1% increase from FYE 15 estimated figures.

FYE 16 expenditures are projected based on a line-item analysis within each department. Several cost-containment actions have been adopted in the FYE 16 General Fund budget. Salaries and benefits are budgeted with no cost of living increases to employee salaries, but do include merit increases.

A 2% increase in salaries and benefits, a -6.2 % decrease in supplies and materials and a 7.7% increase in services and maintenance cost from FYE 15 estimated figures are proposed for FYE 16. Internal service costs were decreased by -5.7% from the FYE 15 estimated figures. The increases in the services and maintenance category are related mostly to increased costs for computer system maintenance contracts, employee training and consultants.

CITY OF NORMAN

For the FYE 16 General Fund Budget, several positions were changed as follows:

<u>Department / Division</u>	<u>Added Positions</u>
City Clerk/Facility Mtce Admin	Administrative Technician II
Finance / Utility Services	Meter Reader
Finance / Utility Services	Meter Service Representative
Planning / Development Service	Plans Examiner
Police / Animal Welfare	Registered Veterinarian Technician

<u>Department / Division</u>	<u>Deleted Positions</u>
Planning / Revitalization	Revitalization Manager

All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Five Year Outlook

- Sales tax revenues are projected at an increase of 2.5% from FYE 15 Estimate to FYE 16. Projections for FYE 16 through FYE 20 are projected on an average annual growth rate of 4.2%.
- State use tax, franchise taxes, and other taxes are projected to increase at an average of 3% from FYE 15 Estimate to FYE 16 Projected, while other major revenues are projected to increase at various rates.
- Transfers from the Water and Water Reclamation Utilities will be based on a rate equal to 5% of the gross operating revenues in each utility. This represents a policy to replicate the franchise fee payments from private utilities for franchise fees for the use of public rights-of-way. In addition, transfers from the Capital Improvement Fund are made for financing General Fund capital equipment needs.
- FYE 16 net expenditures represent an approximate 1.6% increase from FYE 15 Budget. Total expenditures are projected to increase an average of 4.1% for future years.
- Other expenditure categories are generally based upon the current year level with a 1% increase per year after FYE 16, except Internal Services, which is projected at a 2% increase after FYE 16. Salaries and Benefits are projected at a 2% increase from FYE 15 to FYE 16 and a 5% annual increase after FYE 16.

Summary

The FYE 16 General Fund Budget is a balanced budget that has maintained major service levels with current expenditures estimated to exceed current revenues by \$1,090,919. Estimated year-end reserves of \$2,893,016 exceed the 3% required operating reserve levels. Future actions will need to be taken to bring ongoing revenues in line with expenditures.

HIGHLIGHTS**

Background

In fiscal year 2011, Council directed staff to prepare a formal policy in Ordinance form codifying the City's reserve policies and complying with Governmental Accounting Standards Board Statement # 54. Direction was given to establish a separate "Rainy Day Fund" which could not be used except in unusual circumstances. The Ordinance (effective July 28, 2011) establishes a Net Revenue Stabilization of "Rainy Day Fund", which would have minimum fund balance of three percent (3%) of annual budgeted General Fund expenses, a target fund balance of four and a half percent (4.5%) of General Fund expenses and a maximum fund balance of six percent (6%) of annual General fund expenses. The Ordinance also requires a minimum General Fund Operating Reserve fund balance of three percent (3%) of General Fund expenses and would require that the two percent (2%) Emergency Reserve allocation be included in future year budgets. Under the Ordinance, Net Revenue Stabilization Fund balance could only be appropriated for expenditure by the City Council if at least one of three circumstances is met:

- 1.) The General Fund Operating Reserve fund balance is projected to fall below one percent (1%) of budgeted expenditures.
- 2.) A natural or man-made disaster has occurred; AND the City of Norman has spent or obligated to spend the two percent Emergency Reserve account in the General Fund
- 3.) A major one-time or capital expenditure has been necessitated, such as for major repairs to or replacement of City of Norman facilities.

On June 28, 2011, City Council approved Ordinance O-1011-58 which amends Article VIII, Sections 8-103 and 8-104 of Chapter 8 of the Code of the City of Norman to create the Net Revenue Stabilization Fund and the requirements to maintain Net Revenue Stabilization Fund Balances.

FYE 16 Budget

Council agreed to transfer \$1,500,000 into the Net Revenue Stabilization Fund in FYE 12. In FYE 14, Council also agreed to transfer \$1,031,330 from the Public Safety Sales Tax Fund. In FYE 15, Council agreed to transfer \$292,885 from the Public Safety Sales Tax Fund for the pro rata share of public safety expenditures, and \$357,181 from the General Fund to bring the Rainy Day Fund balance to the Targeted (4.5%) level. FYE 16 ending fund balance is projected to be \$3,203,735, which meets the targeted (4.5%) level as well.

**PUBLIC SAFETY SALES TAX FUND
BUDGET
HIGHLIGHTS**

Background

On May 13, 2008, the citizens of Norman passed a 7-year, one-half percent (1/2%) Public Safety Sales Tax in order to increase the number of police officers and firefighters, and to construct two new fire stations. Ordinance O-0708-32 authorized the City to assess the new sales tax beginning October 1, 2008 and terminating on September 30, 2015.

Previous to Fiscal Year ending June 30, 2011, the revenues and expenditures associated with the Public Safety Sales Tax (PSST) were accounted for in the General Fund. As of the FYE 11 budget, the PSST Fund is a Special Revenue Fund to account for the temporary PSST revenue and related expenditures. Reserved portions of General Fund balance, totaling \$5,968,899, were transferred to establish the PSST Fund, effective on July 1, 2010.

On April 1, 2014, the citizens approved the permanent extension of the PSST. Over 10-15 years, this extension will enable the City to implement a School Resource Officer program, jointly funded by public school districts in Norman, to improve school safety and improve police-school relationships. The 2014 PSST Ordinance ("PSST II") also directs funding for several critical public safety needs (in priority order):

1. Replacement of City Emergency Communication Systems - \$15,000,000*
2. Emergency Operations Center/Dispatch Facility - \$6,500,000*
3. Fire Apparatus replacement - \$6,800,000*
4. Reconstruct/relocate Fire Station #5 - \$3,500,000*

*Estimated

FYE 16 Budget

Estimated FYE 16 PSST revenues of \$9,917,500 are being projected at a 2.5% increase over estimated FYE 15 collections.

Six positions will be added during FYE 16 in the Police Department for the school resource officer program, making a total of 77 positions in the PSST Fund that have been added for improved public safety. Thirty of these budgeted positions are in the Fire Department.

In the FYE 14 budget, the Council directed that funds be transferred from the PSST Fund to the General Fund to pay for a share of the costs of providing emergency communications (dispatch) functions, in proportion to the ratio of personnel to be added by the PSST to the total personnel in the Police and Fire Departments. Based on this share, the FYE 2015 budget included a \$357,181 transfer from the PSST to the General Fund. This transfer is discontinued after FYE 2015.

During final considerations of the FYE 15 budget, the Council directed that a transfer of \$292,885, representing the ratio of Police and Fire Department expenditures to total General Fund expenditures, be made from the PSST Fund to the City's Net Revenue Stabilization ("Rainy Day") Fund to bring the "Public Safety portion" of the Rainy Day Fund to its Targeted (4.5% of General Fund expenditures) level.

CITY OF NORMAN

In FYE 15, bond proceeds of \$22,825,000 were authorized by the Norman Municipal Authority (NMA) trustees and Council to finance the Emergency Communications (radio) system, Emergency Operations (EOC), and a platform fire truck.

**COMMUNITY DEVELOPMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Community Development Fund is a Special Revenue Fund established to account for the resources allocated to Community Development Block Grant (CDBG), the HOME Partnership Program, and other funds from the U.S. Department of Housing & Urban Development (HUD).

The Community Development Block Grant Program was established by Congress in the Community Development Act of 1974 to consolidate a number of Federal assistance programs into one "block grant" for the utilization of individual communities in solving community development problems. Funds are allocated annually on a formula basis to the City of Norman by the Department of Housing and Urban Development, the funding agency. As an entitlement city, Norman receives a funding allocation each year without having to compete against other cities. Once allocated, the funds remain available to the City until approved activities are completed. In 1995, Norman became an entitlement city for the HOME Program as well, and therefore does not have to compete against other cities for funding.

The projects funded by the CDBG Program must meet the criteria of activities, which either primarily benefit low-to-moderate income persons, or prevent or eliminate slums or blight. The four major categories of eligible activities are: (1) neighborhood upgrading, conservation, and renewal; (2) housing assistance; (3) social and economic development for moderate and low income groups; and (4) activities in support of the other categories, including administration and planning. HOME projects are all housing with all beneficiaries in the low-to-moderate income range, as defined by federal regulations.

A total of \$43,719,539 in CDBG-HOME Program Funds (CDBG - \$33,530,694 and HOME - \$10,188,845) has been allocated to the City of Norman since FYE 76 through FYE 15. The FYE 16 Budget includes a grant of \$744,311 plus the balance of funds not yet utilized from previous allocations. Also, included are HOME Grants totaling \$296,211.

FYE 16 Budget

Expenditures are accounted for based upon program and grant year. Any remaining FYE 14 and FYE 15 funds are expected to be expended in FYE 16. Total revenues are projected at \$12,033,122 and total expenditures are projected at \$12,033,122. The increase over last fiscal year is due to the acceptance of CDBG-DR (disaster relief) project funds that will be used in areas declared a disaster after severe storms and tornadoes. The CDBG-DR Grant totals over \$21,000,000 and will be used by the City of Norman, Cleveland County, and surrounding municipalities to repair and replace roads and bridges damaged in wildfires and tornadoes in recent years.

**SPECIAL GRANTS FUND
BUDGET
HIGHLIGHTS**

Background

The Special Grants Fund (a special revenue fund) is used to account for the proceeds of governmental grants or specific revenue sources (other than grants applicable to enterprise fund activities, or major capital projects) that are legally restricted to expenditure for specified purposes. There are two approved grants (at the time of budgeting) in FYE 16 for which the City qualifies.

DUI Enforcement	\$63,982
Safe Room Grant	\$1,019,975

DUI Enforcement

This program provides for additional officers on selected weekends, holidays, and other special events for enforcement against drinking drivers. The program is completely funded by fines paid by arrested and convicted drunk drivers. A fee from each offending person is collected by the District Court and one-half of the court cost is remitted to the City. The funds are used to pay overtime for enforcement and court time of the officers. FYE 16 expenditures are anticipated to be \$63,982.

Safe Room Grant

This program will fund a rebate program for citizens to have a safe room installed in their residence.

Other Grants

During the course of the fiscal year, the City will continue to pursue appropriate grant opportunities. While it is anticipated that some additional grant funds will become available, and any applicable grants would be accounted for in the Special Grants Fund, the uncertain nature and amounts of the grants do not allow for them to be budgeted.

**ROOM TAX FUND
BUDGET
HIGHLIGHTS**

Background

The Room Tax Fund is a Special Revenue Fund established to account for a tax on the gross revenues of hotel and motel establishments. According to Ordinance Number O-7980-58, which was passed in May 1980, the revenues are to be set aside and “used exclusively for the purpose of encouraging, promoting and fostering the convention and tourism development of the City of Norman. Uses in parks development and in promotion of arts and humanities are thus contemplated.” On April 2, 2013, citizens approved a 1% increase to the room tax rate from 4% to a total of 5%.

A formula was devised for the distribution of the revenue as follows:

Administration Fee (City of Norman):	5%
Parks Development (City of Norman):	25% of Balance
Arts & Humanities (Norman Arts Council):	25% of Balance
Convention & Tourism (Norman Convention & Visitors Bureau):	50% of Balance

The City has authorized agreements between the Norman Arts Council, the Norman Convention and Visitors Bureau, and the City of Norman for the purpose of administering the proceeds of the distribution formula. Among the programs funded by the Room Tax are convention promotion activities, which have attracted major new hotels to the City; improvements to Norman’s six community parks; public artwork; and annual festivals including: Jazz in June, Chocolate Festival, Medieval Fair, and the Norman Music Festival (live alternative rock, Latin, hip-hop, spoken word and other genre). Norman, the “City of Festivals”, is widely recognized for its cultural activities, which are underwritten by the Room Tax.

Special Revenue Fund Financial Policies

Net income and reserve policies do not apply to Special Revenue Funds since revenues have been specifically identified and segregated to be used for special and specific purposes. The amount expended is directly dependent on the amount of revenue raised. Usually expenditures are made on a project basis rather than on a continuing operational basis, negating the need for operating reserves.

FYE 16 Budget

Revenues from the 5% tax are projected to be \$1,828,250, a 3% increase from estimated collections for FYE 15 and a 7.6% increase from FYE 15 budgeted collections. In FYE 15, Council directed the administrative cost increase from 3% to 5%.

CITY OF NORMAN

Expenditures in FYE 16 are based upon a pro rata share of the estimated revenue, as summarized below:

	<u>FYE 2016</u>
	Revenue
	\$1,829,750
Administrative Fee - 5%	\$ 91,488
Arts & Humanities - 25%	450,000
Parks Development - 25%	416,254
Convention & Tourism - 50%	<u>869,131</u>
	\$1,826,873

\$212,500 in Parks projects are scheduled in FYE 16, spending funds accumulated in previous years.

Five Year Outlook

Over the next five years, projected operating revenue of \$9,713,927 will be available through this program to support convention, tourism, arts and humanities and parks development in the City of Norman.

**SEIZURES AND RESTITUTION FUND
BUDGET
HIGHLIGHTS**

Background

The Seizures and Restitution Fund is a Special Revenue Fund used to account for the revenue available through property seizures resulting from criminal investigations.

There are three basic sources of revenue available, two of which are controlled by the Cleveland County District Attorney and one controlled by the U.S. Federal Government.

Property that is seized by local enforcement officers is ultimately disposed of by court rulings. The property, including cash, is remanded to the District Attorney if the case does not involve federal laws. The District Attorney disposes of the non-cash property through an auction and deposits the proceeds into a revolving account. Periodically, distributions are made from the revolving account to municipalities.

The Courts also require restitution by defendants to law enforcement agencies for costs associated with an investigation. The restitution is made directly to the City and placed into this Fund.

The Courts remand property and cash seized through Federal cases to the Federal Government. If local law enforcement officers were involved in the case, they may make application to the Federal Government to recover property to offset the cost of their investigation.

State and Federal statutes provide that monies derived from these sources will be used to support drug enforcement activities and other criminal investigations.

FYE 16 Budget

Expenditures for operations and equipment are projected at \$200,438 on revenues of \$92,500. This fund accounts for a portion of an Assistant City Attorney's compensation for time spent on Juvenile Services.

Available revenues from fund balance are projected to be drawn-down for capital needs to be used in enforcement activities. No capital equipment needs are projected for FYE 16 – FYE 20.

**CLEET FUND
BUDGET
HIGHLIGHTS**

Background

The CLEET (Council on Law Enforcement Education and Training) Fund is a Special Revenue Fund established to account for revenue derived by provision of State law, to be utilized for law enforcement education and training. (Title 20 § 1313.2-1313.4)

State law provides that any person convicted of an offense punishable by a fine of \$10 or more, or by incarceration, excluding parking and standing violations, or any person forfeiting bond when charged with such an offense, shall be ordered by the court to pay \$9, as a separate penalty assessment.

As an “academy city”, the City of Norman has the authority to retain \$2 of the \$9 penalty assessment collected for police, court and prosecution training. All remaining funds collected are forwarded to CLEET. The City is authorized to keep a 2% administrative fee on the amount collected, which is deducted from the \$2 portion retained by the City.

State law also requires that municipalities collect a Fingerprinting Fee in the amount of \$5, which is to be collected and reported to the Oklahoma State Bureau of Investigation (OSBI). The moneys collected from the fingerprinting fee pays for the Automated Fingerprint Identification System (AFIS) managed by the OSBI. An administrative fee of \$.08 on each \$5.00 assessment is retained by the City.

State law also provides for the collection of the Forensic Science Improvement Assessment in the amount of \$5, which is to be collected at the same time and in the same manner as set forth in paragraph two above. Moneys from this fee are for the OSBI and will be used to upgrade laboratory facilities, equipment and personnel. Municipal courts are authorized to retain 5% of the amount collected as an administrative fee.

In May 2008, a state law became effective which provides for a fee assessment of \$5 on marijuana convictions followed in July 2009 by a state law providing for the same assessment on paraphernalia convictions, to be collected and reported to the Bureau of Narcotics Drug Education Revolving Fund. These fees are to be collected at the same time and in the same manner as set forth in paragraph two above. Monies from these fees are to be used for purposes relating to drug education and information in the State of Oklahoma. No administrative fee is provided.

In summary, a total of \$19 is collected on each traffic and non-traffic conviction or forfeiture (except possession of marijuana or paraphernalia which are \$24), and deposited into a special revenue account created for that purpose. The assessments are in addition to and not in substitution for any and all fines and penalties otherwise provided for by law. The money retained by the City, as a result of being an academy city, is divided between administrative fees, police training, and court/prosecution training. The City is authorized to retain all interest accrued prior to the due date for deposits. The remainder of money collected is forwarded monthly by the Court Clerk to CLEET, OSBI, and the Bureau of Narcotics.

FYE 16 Budget

FYE 16 projected revenues are \$32,000 with projected expenditures at \$30,705. This leaves a projected ending fund balance of \$24,994.

**CAMPUS CORNER TAX INCREMENT DISTRICT FUND
BUDGET
HIGHLIGHTS**

Background

The Campus Corner Tax Increment Finance District Fund is a Special Revenue Fund established to account for the increment of sales and property taxes generated from Tax Increment District One, City of Norman. A Campus Corner Revitalization Project Review Committee was convened, consisting of various property taxing jurisdictions (Norman Public Schools, Cleveland County Health Department, Cleveland County, and Moore/Norman Technology District) that would be impacted by the formation of the Tax Increment District. This Committee authorized the City Council to proceed with the formation of the District.

On December 18, 2001, the Norman City Council adopted Ordinance No. O-0102-28, approving the Campus Corner Revitalization Project Plan (“Project Plan”) and establishing Increment District Number One, City of Norman (“Increment District”) pursuant to the Oklahoma Local Development Act, 62 O.S. 850, et. seq. The Project Plan provided for the apportionment of both ad valorem and sales tax increments to leverage private investment by current property owners, as well as present and future businesses, in order to revitalize the Campus Corner commercial district.

FYE 16 Budget

Sales taxes collected from this TIF were complete in FYE 07, reaching the goal of \$1.25 million. Remaining funds will be spent in FYE 15, and the fund will be closed beginning in FYE 16.

**ART IN PUBLIC PLACES FUND
BUDGET
HIGHLIGHTS**

Background

The Art in Public Places Fund is a Special Revenue Fund established to account for revenue derived from citizen donations as a means to fund the acquisition of works of art by the City of Norman and to provide for the maintenance and repair of the works of art in the collection.

On August 28, 2007, City Council passed Ordinance O-0708-5 that established the Public Arts Board and the Art in Public Places Fund. The ordinance also set up the mechanism by which City of Norman utility service customers can opt to donate money to the Art in Public Places Fund by including an additional amount of money in their payment.

The Public Arts Board will report to the Norman Arts Council, who will be charged with expending monies in the Art in Public Places Fund.

FYE 16 Budget

FYE 16 projected revenues are \$16,000. The Artist Designed Bicycle Racks project, to encourage the use of bicycles for transportation in the downtown area, is a recent project supported by donations to the Art in Public Places Fund (see pictures below). The fund has collected \$74,961 in contributions since the beginning of FYE 08.

**WESTWOOD PARK FUND
BUDGET
HIGHLIGHTS**

Background

Prior to FYE 10, Westwood Park Fund was an Enterprise Fund established to account for the resources used to operate an 18-hole municipal golf course and swimming pool. Beginning in FYE 10, the Westwood Park Fund was classified as a Special Revenue Fund instead of an Enterprise Fund due to a change in City course of action regarding Westwood golf and pool operations.

The Norman Municipal Authority (NMA) was created in 1965 for the purpose of issuing revenue bonds for the construction of the 18-hole municipal golf course and swimming pool. The original bonds were retired as of July 1, 1993. A bond issue of \$2,315,000 was issued in May 2002 to fund renovations to the golf course approved by Council NMA in the Westwood Master Plan. Revenue from the Park Capital Improvement portion of the Room Tax was pledged to secure the bonded debt, and these revenues are transferred to the Westwood Fund to pay annual debt service.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses, and to provide a base for remedial or supportive financial policy.

FYE 16 Budget

Statement of Revenues and Expenditures

Projected FYE 16 fee revenues have been increased 2% from the FYE 15 budget. Revenues for Westwood Swimming Pool have been estimated based on actual year-to-date receipts in FYE 15. Revenues for Westwood Golf Course are estimated based on actual current experience in green fees.

FYE 16 operating expenditures have been decreased -3.5% from the FYE 15 budget. Projections for the swimming pool are based upon line-item analysis. Cost allocation charges for centrally provided services have previously been calculated at 5% of revenues; however, these charges (approximately \$62,000 per year) will not be assessed. Debt service expenditures continue on the revenue bonds sold in FYE 02. Revenues from the park and recreation portion of the Transient Guest Room Tax (\$203,754 in FYE 16) will be used as a revenue source to the Westwood Fund for the purpose of paying debt service costs. Beginning in FYE 08 the Golf Cart fleet will be replaced on a revolving basis. Council approved the use of Capital Funds to replace the Golf Cart fleet and one piece of equipment for the next five years. All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Reserve Policy

Special Revenue Funds have no reserve requirements due to their dependence on General Fund support.

Five Year Outlook

Fees and charges, and service levels will continue to be monitored for adequacy and competitiveness to make needed capital improvements and meet all reserve requirements.

Summary

Significant effort will continue to be made to address the financial viability of this fund, to adequately structure rates to recover cost of service, and to explore other options for funding the ongoing concerns of the Fund. The Council has re-affirmed the priority of maintenance of Westwood Golf Course as an operating amenity for the citizens.

**WATER FUND
BUDGET
HIGHLIGHTS**

Background

The Water Fund is an enterprise fund established to account for the resources utilized to treat and supply water to the customers of the City of Norman. Water is supplied from Lake Thunderbird that is owned by the Central Oklahoma Master Conservancy District (COMCD) and by water wells that are owned by the City. The cities of Del City, Midwest City and Norman created the COMCD for the purpose of creating a water supply. The City annually pays a reclamation charge to the District as the City's share of debt retirement for construction of the lake. The City also pays a pro rata share of the cost to operate the District. There are approximately 590 miles of water mains in the City. The City operates a treatment plant whose capacity for treated water is 16 million gallons per day / peak day and as of March 2015 serves an average of 36,000 customers.

FYE 16 Budget

Statement of Revenues and Expenditures

The Norman Water Utility has a highly progressive residential rate structure, designed to encourage conservation of water resources. Current (as of March 2015) monthly residential water rates are as follows:

\$6.00 Base Fee
\$3.35 per thousand for 0 – 5,000 gallons
\$4.10 per thousand gallons for 5,001 to 15,000 gallons
\$5.20 per thousand gallons for 15,001 to 20,000 gallons
\$6.80 per thousand gallons in excess of 20,001 gallons

On January 13, 2015, Norman residents voted on an increase in the water rates for both residential and commercial customers. Revenue projections are based on historic collection patterns and a simple regression model using average rainfall as a predictor variable. Because of the extremely progressive nature of the Norman "inverted" water rate structure, Water Utility revenues are highly dependent on weather patterns, and can therefore fluctuate significantly.

In FYE 16, one Water Treatment Plant Operator was cut from the budget.

The Water Utility has undertaken an aggressive capital improvement program to enhance the City's water supply and treatment systems. Based on the projected revenue from the newly-approved rate structure, the Water Utility will move forward with \$31 million in Treatment Plant improvements to improve drinking water quality; \$11 million in expansion projects to the City's groundwater well supplies; and \$5 million in improvements to waterlines to provide additional water supply (by constructing pipe connections to "blend" water from wells with water quality exceeding standards with water from wells that fall slightly short of standards).

This aggressive water capital project program will be financed through the Statewide Revolving Loan Fund of the Oklahoma Water Resources Board.

This water capital improvement program is the first of several steps to meet Norman's future water supply needs, suggested by the adopted Strategic Water Supply Plan. Future steps will include reuse of wastewater through advanced treatment methods to be employed by the Norman Water Reclamation Utility, to supplement water supplied by Lake Thunderbird.

An emergency water supply is available to Norman through a contract with the Oklahoma City Water Utilities Trust (OCWUT). Under this contract, available treated water is transported to Norman along a waterline located in northern Norman during periods of peak summer water demand. In future years, the Water Utility plans to buy supplemental water from OCWUT year-round.

FYE 2016 expenditure projections are based on line-item analyses within the Water Division. Salary and benefit category expenditures are based on authorized staffing levels. The service and maintenance expenditure category includes increases in operating charges from the COMCD. All line items have been reviewed on multiple occasions by Department staff, Finance Department staff and by the City Manager.

Levelized Rate Policy

Utility rates should be set at a level to meet the average net income requirements over a five-year period without the need for interim adjustments, and to meet all reserve requirements at the end of the five-year period.

Reserve Policy

Enterprise funds by policy, reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

FYE 16 ending fund balance is projected to be \$2,931,630 with a reserve deficit of \$9,237,807, due primarily to the aggressive capital campaign.

Transfer Policy

The amount of transfer from the Water Fund in support of the General Fund is based on a policy that provides for continuity in both funds. A transfer equal to 5% of Water Fund operating revenues returns to the General Fund an amount consistent with what non-governmental utilities provide in franchise fees.

Five Year Outlook

There are various factors, such as weather, population growth, average individual growth in usage, and changes in the mix of residential and commercial revenues that affect total water utility revenues from year to year. Therefore, a conservative approach was taken in projecting revenues due to the uncertainty of the net effect of these factors. The voters of Norman will be asked to consider increased rate structures to fund the near-term and strategic needs of the Water Utility Enterprise.

Summary

The Norman Utilities Authority and City Council have directed a policy through which Norman's water will be treated to levels which meet not only current environmental standards but which provide for future treatment requirements and that address customer's taste and odor requirements year-round. The Norman Water Utility has begun many strategic actions in this direction based on the newly-approved rate structure.

HIGHLIGHTS**

Background

The Water Reclamation Fund is an enterprise fund established to account for the resources utilized to provide wastewater collection, conveyance and treatment to the customers of the City of Norman.

The City operates a Water Reclamation Facility “WRF” (formerly known as sewage or wastewater treatment) with a design capacity of 12 million gallons per day (MG/D). On November 3, 2001, the Norman Utilities Authority (NUA) adopted an updated Wastewater Master Plan, which proposes to expand system-wide treatment capacity to 21.5 MG/D by the year 2040.

Also in 2001, the voters of Norman approved three revenue sources to partially pay for the improvements recommended by the Wastewater Master Plan:

- A temporary, 5-year, ½ percent sales tax dedicated to sewer system improvements;
- A \$5 per month sewer maintenance rate, dedicated to neighborhood sewer line repairs;
- An excise tax on new development.

Currently, there are approximately 494 miles of sewer lines included in the total system. The Water Reclamation Utility is undertaking an aggressive program to rehabilitate existing neighborhood sewer lines and mains, and to construct new sewer mains in north and east Norman.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy action.

Beginning in FYE 15, the sewer line maintenance capital improvements charge revenues and operational expenditures are reported in the Water Reclamation Fund. During FYE 2015 Budget considerations, the Council Finance Committee discussed transferring the sewer line maintenance operations out of the Sewer Line Maintenance Fund into the Water Reclamation Fund in order to better track the collection and distribution of the \$5 per month Sewer Maintenance Rate. This will more accurately reflect the cost of the capital work that is being done with the Sewer Maintenance Rate and will eliminate a transfer of funds between the two funds for the work done by the Sewer Line Maintenance Division during the year. Over time, this change in accounting will better reflect the declining amounts of sewer rehabilitation projects that can be completed, due to inflation of material and labor costs. Additional sewer system capital improvement projects are reported in the Sewer Maintenance Fund, Sewer Excise Tax Fund and Sewer Sales Tax Fund.

A major expansion (from 12 MGD TO 17 MGD) and improvement project is underway at the WRF. The project is scheduled to be completed in early 2017 and will provide treatment capacity for an estimated 12-15 years.

FYE 16 Budget

Statement of Revenues and Expenditures

FYE 16 sewer user fee revenues have been estimated based on actual year-to-date receipts in FYE 15. On November 12, 2013 the citizens of Norman voted and approved a basic sewer rate increase for the first time since November 1, 1996 (pursuant to the Norman City Charter, utility rate increases require voter approval). Water reclamation rates, effective since November 12, 2013 are as follows:

Single Family/ Duplex \$5.00 base plus \$2.70 per 1,000 gallons of treated waste water

FYE 16 expenditure projections are based upon line-item analysis within the Utility. Salaries and benefits are based on current authorized staffing levels. All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Levelized Rate Policy

Utility rates are set at a level to meet the average net income requirements over a five-year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Reserve Policy

Enterprise funds have reserve policies to reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

The FYE 16 ending fund balance is projected to be \$3,487,378. This fund balance is used for meeting the Fund's reserve requirements.

Transfer Policy

The amount of transfer from the Water Reclamation Fund in support of the General Fund is based on a policy that provides for continuity in both funds. A transfer equal to 5% of the Water Reclamation Fund's operating revenues returns to the General Fund an amount consistent with what non-governmental utilities provide in franchise fees.

Five Year Outlook

Over the next five years operating revenues are projected to increase. FYE 16 projected revenues are 1.9% higher than FYE 15 budget revenues.

Summary

An aggressive program of capital improvements has been undertaken. This capital improvement program is reflected in the budgets of the Water Reclamation Fund, Sewer Maintenance Fund, Wastewater Excise Tax Fund, and Sewer Sales Tax Fund. This program has included major repairs and improvements to the sewer interceptors and neighborhood lateral lines throughout the City; the construction of additional sewer mains in northern and southeastern Norman; the construction of major sewerage collection and conveyance systems and lift stations; and major improvements to the handling processes for sewer treatment by-products (“sludge handling”). The Sewer Utility has successfully sought and obtained matching federal funding for the construction of many of these improvements, and will continue to pursue matching funds when feasible.

The final component of these planned capital improvements, financed through the sewer rates approved in 2013, is the expansion of the Sewer Utility’s treatment capacity, to an ultimate capacity of 21.5 million gallons per day. The South Canadian Water Reclamation Facility (WRF) is being expanded from 12 MG/D to a capacity of 17 MG/D over the next 18 months. The improvements to the WRF, estimated to total over \$68 million, are the largest capital project ever undertaken in Norman.

Water reclaimed by the Norman Water Reclamation Facility

**SEWER MAINTENANCE FUND
BUDGET
HIGHLIGHTS**

Background

The Sewer Maintenance Fund is an enterprise fund established October 1, 2001, to account for revenues from the \$5 per month Sewer System Maintenance Rate (SMR). It is used to account for all expenditures related to major maintenance of the water reclamation system (capital improvement projects accomplished through contracts with private construction vendors), primarily for rehabilitation of neighborhood sewer lateral lines.

The SMR is intended to provide a higher level of maintenance, keeping the sewer system in good repair over the long term.

Beginning in FYE 15, Norman Sewer Line Maintenance Division personnel and related budget allocations, along with capital improvements charge revenue, was transferred to the Water Reclamation Fund.

During FYE 2015 Budget considerations, the Council Finance Committee discussed transferring the sewer line maintenance operations out of the Sewer Line Maintenance Fund into the Water Reclamation Fund in order to better track the collection and distribution of the \$5 per month Sewer Maintenance Rate. This will more accurately reflect the capital work that is being done with the Sewer Maintenance Rate and will eliminate a transfer of funds between the two funds for the work done by Sewer Line Maintenance Division personnel during the year. Over time, this change in accounting will better reflect the declining amounts of sewer rehabilitation projects that can be paid for by the flat \$5 rate due to inflation of material and labor costs. The maintenance program for neighborhood sewer collector lines (“laterals”) will continue in FYE 16 and beyond, generally, the oldest lines in the system are scheduled for replacement first (“worst things first”).

FYE 16 Budget

Statement of Revenues and Expenditures

Revenues have been estimated based on actual year to date receipts in FYE 15 extrapolated for a full year.

FYE 16 expenditure projections are based upon line-item analysis. Salaries and benefits are based on current authorized staffing levels. FYE 16 total budgeted expenditures are \$2,863,103.

All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Reserve Policy

Enterprise funds by policy, reserve portion of Fund Balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5-year capital expenditure plan.

**NEW DEVELOPMENT EXCISE TAX FUND
BUDGET
HIGHLIGHTS**

Background

The New Development Excise Tax Fund is an enterprise fund established October 1, 2001, as a result of Ordinance 0001-58, adopted by City Council on June 12, 2001, and approved by voters on August 14, 2001. The fund was established to account for revenues and capital project expenditures from excise tax levied and collected on new development (including developments of tax-exempt property owners) to be served by the City's water reclamation system. The tax imposed is collected at the time a building permit is issued for all construction and based upon the square footage as set forth in the permit as follows:

- New Residential Construction - \$850 for homes up to 1,200 square feet and \$2 per square foot for each square foot in excess of 1,200 square feet.
- Non-Residential Construction - \$115 per employee plus \$4 per gallon per day of additional flow, if estimated flow is greater than 30 gallons per day per employee.
- Residential expansions which include the installation of plumbing fixtures - \$1 per square foot for each additional square foot added to the current structure.

As agreed to between the permit applicant and the City Engineer and Utilities Department, water records for existing facilities will be used to estimate future wastewater flow for non-residential construction and projected employees will be agreed to in advance of the permit issuance.

The funds collected from the Excise Tax shall be used exclusively for wastewater expansion, improvements, and to pay debt service on obligations issued to finance future improvements and expansion of the wastewater system. Since its inception in 2001, the Wastewater Excise Tax has generated over \$24,150,000 for system expansion and improvement.

FYE 16 Budget

Statement of Revenues and Expenditures

Revenues have been estimated on historic building permit records applied to excise tax regulations (i.e., projections are based on revenues that would accrue if past building patterns in an "average" year are continued), and are projected at \$1,700,000 for FYE 16.

Five Year Outlook

Based on extraordinary multi-family residential housing construction in FYE 14 and FYE 15, excise tax revenues have been higher than usual. Excise tax revenues are projected at a 15% decrease from FYE 15 Estimated to FYE 16, and are projected to be the same in years FYE 16 through FYE 20. It is anticipated that construction will return to historic patterns beginning in FYE 15-16.

**SEWER SALES TAX FUND
BUDGET
HIGHLIGHTS**

The Sewer Sales Tax Fund was established October 1, 2001, to account for revenues from the five-year wastewater system sales and use tax, and expenditures for capital improvement projects.

Ordinance 0001-57 was adopted by City Council on June 12, 2001, and approved by voters on August 14, 2001, as a means of financing current capital needs in the City's wastewater system. An additional ½ percent, dedicated sales and use tax imposed by Ordinances 0001-57 and 0102-12 was in effect from October 1, 2001, until September 30, 2006. Funds are dedicated to the reconstruction and replacement of major sewer mains (interceptors) and treatment systems serving current sewer customers. For these purposes, "current" customers are those whose property was attached to the system, or whose properties were in approved platted areas, or areas contracted for City sewer service, as of August 22, 2000.

Resolution R-0102-55 approved a Citizens Oversight Committee consisting of nine (9) members for the purpose of ensuring voter-approved sales tax, excise tax, and maintenance fees are spent in accordance with the Ordinances and report to the City Council on an annual basis. Resolution R-0102-98 approved a Wastewater Master Plan Implementation Committee consisting of Council Members and citizens, for the purpose of ensuring that implementation policies follow the intent of the Citizen's Wastewater Coalition and the Master Plan.

Ordinance 0203-42 was adopted by the City Council/Norman Utilities Authority on April 8, 2003, and approved by the voters of Norman on June 10, 2003. This ordinance clarified the approved uses of the Sewer Sales Tax proceeds of at least \$3.5 million for sludge processing improvements, and at least \$3.2 million towards construction of expanded treatment capacity, and the remainder for sewer main improvements. Remaining proceeds of the 2001-2006 Sewer Sales Tax Fund will be used toward the improvements to and expansion of the Norman Water Reclamation Facility.

FYE 16 Budget

Statement of Revenues and Expenditures

Sewer Sales Tax revenue collections ended September 30, 2006.

Five Year Outlook

The ½ percent sewer sales and use tax generated \$32,099,157 in revenue from October 1, 2001 through September 30, 2006 and interest continued to accrue to the Fund after that time.

All of the sewer sales tax collections are expected to be spent by FYE 15. The fund will be closed for future years.

**SANITATION FUND
BUDGET
HIGHLIGHTS**

Background

The Sanitation Fund is an enterprise fund used to account for the operations associated with solid waste collection and disposal in the City of Norman. Residential collection services are provided weekly, with separate services for yard waste and household garbage. Commercial service is provided on an as-needed basis, and composting and recycling services are also available.

Sanitation rates, approved by the voters in 2011, are as follows:

Residential Customers	\$14.00/unit/month + \$3/month for curbside recycling			
	Container	Base		Rate
	<u>Size</u>	<u>Rate</u>	<u>After</u>	<u>cu. yd.</u>
Commercial Customers	2 cu. yds.	52.12	8 cu. yds.	7.04
	3 cu. yds.	66.34	12 cu. yds.	5.95
	4 cu. yds.	78.17	16 cu. yds.	5.15
	6 cu. yds.	97.12	24 cu. yds.	4.48
	8 cu. yds.	113.71	32 cu. yds.	4.07

FYE 16 Budget

Statement of Revenues and Expenditures

Revenues have been estimated at a growth rate of 2% per year with a projected increase of \$1.00/per month for users who desire additional rollout carts.

FYE 16 expenditure projections are based upon line-item analysis within the Utility. Salaries and benefits are based on current authorized staffing levels. All line items have been reviewed on multiple occasions by Utilities Department staff, Finance Department staff and the City Manager.

One capital project is scheduled in FYE 16 for a Material Recovery Facility.

Reserve Policy

Enterprise funds have reserve policies to reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

The FYE 16 ending fund balance is projected to be \$3,325,057, which meets the operations and Capital Reserve requirements discussed above.

Levelized Rate Policy

Utility rates should be set at a level to meet the average net income requirements over a five year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Five Year Outlook

All reserve requirements will be met and a surplus of funds will be held in reserves.

Summary

The Sanitation Utility will continue to deliver its level of customer service under the approved rate structure. Improvements to the Refuse Transfer Station are complete and fleet replacement schedules will be caught up over time.

**RISK MANAGEMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Risk Management Fund is an Internal Service Fund established to account for the resources utilized to provide for the self-insurance of Worker's Compensation and Unemployment Insurance and to pay "stop loss" premiums on insurance for high-dollar employee health and property casualty claims.

Workers' Compensation benefits are paid to employees who are injured on the job. The Legal Department administers this program in conjunction with the Finance Department and Human Resources Department. Claims are submitted to the Finance Department for review and, if approved, are paid directly by the City. The projected cost in FYE 16 is \$1,927,432.

Unemployment claims are filed with the State and when approved, are then submitted to the City for their response. The FYE 16 estimated cost of unemployment claims is approximately \$22,000. Health insurance claims are accounted for in this fund. The City self-insures for these benefits and utilizes a third party administrator to administer the benefits. Consultants are also utilized to set premiums and structure plan benefits. FYE 16 health claim costs are projected to be \$12,329,313, a 4% increase over FYE 15 budget figures.

Judgments and claims against the City are accounted for in the Risk Management Fund. Judgments are placed on ad valorem tax rolls and revenues are transferred from the Debt Service Fund to cover claims expenditures.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy.

Reserve Policy

Operating Reserves are based on a three-month claim history excluding judgments and claims as they are repaid from ad valorem tax revenues.

FYE 16 Budget

Revenues are being projected to reflect conservative estimates while recognizing some extraordinary losses in the prior year. Claims are customarily paid when reduced to judgments, which depletes fund balance. Collections from the tax rolls in subsequent years rebuild fund balance.

Five Year Outlook

The financial position of this Fund is dependent upon the participating funds.

Changes to employees' current health plan are needed to reduce the rate of growth in claim costs. Close scrutiny of the plan's operations and benefits will ensure minimal increases necessary to maintain existing coverage levels.

**CAPITAL IMPROVEMENTS FUND
BUDGET
HIGHLIGHTS**

Background

The City of Norman Capital Improvements Budget document is produced as a separate document, which contains detailed descriptions of all current and proposed projects for the Fiscal Years Ending (FYE) 2016-2020. The document is divided into sections: an overview of policies and how the Capital Improvement Plan is based on Norman 2025, the City's Land Use and Transportation Plan; and summary information by project name, budget year, and funding source. Also, detailed project sheets describing the project, budget schedule, and progress by budget year.

The Capital Improvements Fund is established to account for capital projects funded by sales tax receipts or general obligation bond issues. Those projects relating to enterprise funds and funded with fees and charges are accounted for in the respective enterprise funds. All capital projects, regardless of the source of funding, are identified and tracked in the Capital Improvements Plan, FYE 2016-2020 document.

All capital projects and their funding are approved by City Council. The City Manager has authority to transfer any unexpended appropriation from one project to another upon completion of the approved project. Transfers made under the City Manager's authorization may be provided to the City Council for information.

Seventy percent (70%) of one percent (0.7%) of sales tax is set aside for capital improvements. Those projects approved for construction with this funding are accounted for in the Capital Improvements Fund. By Council policy, funds are allocated to priority capital categories as follows:

General Maintenance of Existing Facilities:	5%
Contingency:	7%
Capital Outlay:	27%
Street Maintenance:	25%
Capital Projects:	Balance or 36%

Beginning in FYE 10, council approved an increase in the allocation of funds for maintenance of existing facilities from 3% to 5%. An emphasis will be placed on maintaining and improving existing facility structures over the next several years.

The Capital Fund also includes funding for the following positions that provide support to capital projects: a Capital Projects Manager, Capital Projects Engineer, a Storm Water Engineer, Traffic Staff Engineer, 25% of an Engineering Assistant's position, 70% of the Park Planner I, 40% of the Park Planner II, 80% of a Construction Inspector, 50% of a Construction Inspector, 80% of the Utility Coordinator, and 75% of the Facility Maintenance Superintendent.

Capital Projects generally cost more than \$10,000, are relatively fixed or permanent in nature and have an expected life of more than five years. Such projects consist of the construction of a new, expanded or improved tangible asset, which is physically fixed. Major projects normally require more than one fiscal year to complete. Contracted services for design, land acquisition, utility relocations and construction may be required. Examples include land purchase, new buildings, building additions, street improvements, utility line improvements, parks and playgrounds, and major drainage channel improvements.

Capital Outlay on the other hand, is an expenditure directed towards maintaining or purchasing new or replacing tangible assets which themselves have expected life spans of one to five years. Expenses are generally one-time and occur within a single budget year. Examples include the purchase of vehicles and equipment.

On March 2, 2010, a general obligation bond issue was approved by voters; \$19 million for the resurfacing and reconstruction of urban and rural roads and \$2,250,000 to upgrade and expand the outdoor emergency warning system. Some of the road projects will be ongoing during FYE 2016.

On November 8, 2011, a General Obligation Bond issue was approved by voters; \$3,035,000 for the purpose of constructing, equipping, furnishing, remodeling and expanding the City's current Animal Shelter facilities. This project will be completed in FYE 2015.

On August 28, 2012, a General Obligation Bond issue was approved by voters; \$42,575,000 for several transportation projects. These projects will be ongoing during FYE 2016.

FYE 16 Budget

The FYE 16 Budget shows total projected resources available of \$24,973,684, including beginning fund balance, of \$11,406,653 and total expenditures projected at \$19,532,499 with an ending fund balance of \$5,441,186. Sales tax is projected at a -3.8% decrease from FYE 15 estimate after apportionment of taxes to the University North Park Tax Increment Finance Fund, and at an average 4% growth rate in years FYE 16 through FYE 20. Expenditures are based on estimated project costs.

Capital projects funded in FYE 2016 will impact the General Fund operating budget. Various transportation projects are included in the FYE 2016 capital projects. Some of these projects will be streets built at a much higher standard, reducing maintenance expenses and congestion, as well as increasing safety. Other impacts include additional traffic control and parks facilities that will cumulatively add to the City's maintenance burden in future years. Additional public safety personnel and facilities will also burden future capital budgets.

Each project in the Capital Improvements Plan, FYE 2016-2020 document is evaluated for operating budget impact. A "positive" impact is defined as it will either generate some revenue to offset expenses or will reduce operating costs, "negligible" is defined as operating expenses will increase no more than about \$10,000 per year, "slight" is defined as operating expenses will increase between about \$10,001 and \$50,000 per year, "moderate" is operating expenses will increase between about \$50,001 and \$100,000 per year, and "high" is operating expenses will increase more than \$100,001 per year.

CITY OF NORMAN

Below is a list of capital projects and their associated operating impact.

FYE 2016 projects

<u>Project Title</u>	<u>Project Category</u>	<u>Operating Impact</u>	
Emergency Communications Center	New Building	Moderate	New building will require furniture, equipment, staffing and utilities
Emergency Communications System	Equipment	Moderate	New system will require maintenance
Master Meters Installation	Water Distribution Lines	Positive	Maintenance only
Water Distribution System Improvements, Seg. D	Water Distribution System	Positive	Will improve water distribution system capabilities
Water Distribution System Improvements, Seg. B	Water Distribution System	Positive	Will improve water distribution system capabilities
Water Distribution System Improvements, Seg. G	Water Distribution System	Positive	Will improve water distribution system capabilities
WTP Backwash Tower - Resurfacing	Water Towers	Negligible	Maintain asset
Well Field Blending at WTP	Water Treatment Plant	Negligible	Maintain asset
Urban Service Area Waterlines	Urban Service Area Water	Positive	Reduce maintenance cost
Water Line Replacement	Water Line Replacement - Hot Soils	Positive	Reduce maintenance cost
WRF Effluent Reuse at Compost Facility	Non Potable Water System	Positive	Reduced use of potable water for irrigation
WRF Land Purchase	Wastewater Improvements	Slight	Demolition cost of existing structures
WRF Primary Sludge Thickener Replacement	Wastewater Improvements	Positive	Higher efficiency and lower operating / maint. costs
WRF South Digester Boiler Replacement	Wastewater Improvements	Positive	Higher efficiency and lower operating / maint. costs
Sewer Maintenance Royal Oaks Force Main Rehab.	Wastewater Improvements	Positive	Prevent imminent failure of force main, or associated repair costs
Sewer Lift Station Rehabilitation	Line Maintenance	Negligible	Increases reliability of lift station design life
Sewer Maintenance Project FYE 2014	Sanitary Sewer Replacements	Positive	Replacement of lines will reduce the frequency of maintenance calls
Sanitary Sewer Emergency Repairs	Line Maintenance	Negligible	Maintains a means for emergency system repairs
Material Recovery Facility (MRF)	Sanitation - Recycling	Positive	Allows Sanitation Division to be more efficient
12th Ave. NE & High Meadows Dr. Intersection	Intersection Widening with new signal	Negligible	\$5,000 per year for electricity and preventive maintenance
24th Ave. NW & Tee Drive	Intersection Widening with new signal	Negligible	\$5,000 per year for electricity and preventive maintenance
36th Ave. NW & Crail Drive	Intersection Widening with new signal	Negligible	\$5,000 per year for electricity and preventive maintenance
Flood Ave. & Venture Drive	New Signal	Negligible	\$5,000 per year for electricity and preventive maintenance
Indian Hills Road Signals	Intersection Widening with new signal	Slight	\$15,000 per year for electricity and preventive maintenance
Jenkins Ave. & Bratcher Minor	Intersection Improvements	Negligible	\$3,000 per year for sign and pavement marking maintenance
Downtown Streetscape Improvements	Traffic Improvements	Negligible	\$5,000 per year for electricity and preventive maintenance
Railroad Quiet Zone	Traffic Improvements	Negligible	\$5,000 per year for maintenance of channelizing devices
Rock Creek Rd. @ 12th Ave. NW & Trailwoods	Intersection Widening with new signal	Slight	\$10,000 per year for electricity and preventive maintenance
US 77 & Post Oak	New Signal	Negligible	\$5,000 per year for electricity and preventive maintenance
Tree Program - Matching Funds	Parks & Recreation	Negligible	Irrigation maintenance and pruning
Drainage Projects	Drainage	Slight	Project sight will require additional maintenance activity and expenditure due to the addition of storm sewer pipe
Lake Thunderbird Watershed TMDL Compliance	Storm water Drainage	Moderate	Project should have a positive impact on operations. As water quality entering Lake Thunderbird improves, drinking water quality will improve.

On a positive note, the City phone system replacement project completed in FYE 15 is estimated to save \$36,000 in annual maintenance agreement costs. Starting in FYE 17 the annual maintenance cost for this system is estimated at \$114,000 per year.

Water Fund capital projects in FYE 16 are expected to have an impact on the operating budget. As deteriorated water lines get replaced, maintenance costs are reduced. Overtime costs of approximately \$52,000 in FYE 14 have been reduced in FYE 15 by \$6,300 to-date repairing deteriorated lines.

Sewer line capital projects in FYE 16 are expected to have an impact on the operating budget as well. The replacement of old lines will reduce the frequency of maintenance calls which leads to overtime expenses.

Other improvement projects such as parks and recreation, street maintenance and maintenance of existing facility projects will have the operating costs of personnel and material, but will have maintenance cost savings that are difficult to quantify.

Summary

Norman is a vibrant, growing city. This growth puts tremendous demands on capital improvement resources for street construction, park development, storm drainage and capital equipment. Alternative financing methods are being evaluated in order to maximize the accomplishment of needed projects.

**PARK LAND AND DEVELOPMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Park Land and Development Fund is a Special Revenue Fund established for the purpose of accounting for Park Land fees as identified in Ordinance Number O-7576-21 dated January 1976. The Ordinance was amended in September 1994 and provides in Section 19-702, "All persons, firms or corporations subdividing land under provisions of the Code of the City of Norman for residential purposes within the boundaries of said City shall, prior to the recording of their respective final plats, and subject to the other provisions hereinafter following: (1) dedicate land to be used solely and exclusively for public park and recreation purposes or, (2) make an equivalent monetary contribution based upon a value of the land required to be dedicated, in lieu of the actual transfer of land or, (3) dedicate land to a mandatory Property Owner Association (P.O.A.) for private recreation purposes."

An additional park development fee approved in September 1994 is being accounted for in the Park Land and Development Fund. This fee is used 50% for development for community parks and 50% for neighborhood parks.

On March 1, 2011, voters approved a Charter Amendment to allow the use of park land fees in the nearest community and/or neighborhood park in the absence of suitable park land sites in the subdivision that generated the fees.

Community parks include Andrews, Reaves, Griffin, Sutton, Saxon and Ruby Grant. There are in addition 56 neighborhood parks.

FYE 16 Budget

There are revenues of \$100,000 estimated in FYE 16, which include fees of \$85,000.

There is a fund balance of \$627,723 projected at the end of FYE 16 that may be utilized for the purposes discussed in the Park Land Ordinance.

\$37,500 is estimated in FYE 16 for park capital projects.

**UNIVERSITY NORTH PARK TAX INCREMENT DISTRICT FUND
BUDGET
HIGHLIGHTS**

Background

The University North Park Tax Increment Finance District (UNP TIF) Fund is a Capital Fund established to account for the incremental revenue from sales and property taxes generated from Tax Increment District Two, City of Norman and public improvement project costs within the district.

On May 23, 2006, the City Council adopted Ordinance O-0506-66, establishing the University North Park Tax Increment Finance District (City of Norman TIF #2). TIF #2 is located on a 580-acre tract of land along I-35 in north central Norman. Plans for the TIF include the construction of public infrastructure including road and traffic improvements; a conference center, a new community park (“Legacy Park”) and extension of the City’s Legacy Trail; and economic development incentives designed to attract quality jobs to the TIF area.

FYE 16 Budget

In Fiscal Year 2016, incremental apportionment revenues of an estimated \$3,641,133 in sales tax and \$835,000 in property tax are projected. Several transportation improvement projects and Legacy Park, funded by the University North Park TIF, will be under construction or completed in FYE 16. The first major employer to be housed in the University North Park Corporate Center is expected to begin construction on their facility in 2015 (Immuno-Mycologics, Inc.) and a major housing development for UNP is in advanced planning stages. The timing and status of other approved TIF projects will be reviewed in relation to the development of the UNP area.

The Council approved the formation of the University North Park Business Improvement District (UNP BID) on July 8, 2014 (Resolution 1415-11). THE BID will collect assessments from property owners in the UNP development, to be matched by City TIF funds, together totaling \$200,000 per year for ten years, beginning in 2015. These allocations are for the purpose of providing for the maintenance of Legacy Park, including park trails and greenways throughout the UNP development. BID proceeds may also be used for landscape and lighting plans, and for the design and/or construction of a decorative entryway into the UNP development. THE FYE 2016 budget includes \$25,000 from BID assessments and \$116,485 in City TIF funds for these maintenance expenses.

Beginning in FYE 14 a 3% (of TIF revenue) charge for administrative costs was expensed as an Inter-Fund transfer to the General Fund. In FYE 15 this charge was increased to 5%.

**GENERAL DEBT SERVICE FUND
BUDGET
HIGHLIGHTS**

Background

Debt financing allows improvements to be made as the need arises rather than delaying the project until sufficient revenue is accumulated. By using debt financing, the cost of capital improvements can be more equitably distributed to the users of the facility over its expected useful life.

The goal of the City of Norman’s debt policy is to maintain the ability to provide essential City services in a cost-effective manner. This goal is balanced with maintaining the ability to borrow at the lowest possible rates. For a project to be soundly financed through the issuance of long-term debt, the City uses the following guidelines:

- Revenue sources that will be used to pay off the debt are conservatively projected
- The financing of the improvement will not exceed its useful life
- The benefits of the improvement must out-weigh its cost, including the interest cost of financing
- Through the application of these policies, the Council rigorously tests the demand for debt financing

Debt financing supports necessary capital projects. These capital projects are integrated into the City’s capital improvement plan, which also includes significant pay-as-you-go projects. All capital projects are linked to the services that the City provides to its residents, enterprise customers and visitors.

Outstanding Debt

The following table summarizes the City’s outstanding debt as of the year ended June 30, 2015, including debt to be paid by City-operated enterprises.

General Government Debt	Final Maturity	Outstanding Balance	Interest Rate

CITY OF NORMAN

General Government debt is retired with revenues from annual property tax levies unless specific revenue from other sources is dedicated, to the extent available, for debt service. The City's ability to repay this debt is judged on the basis of a combination of factors, including legal debt margin, economic characteristics, governmental organizations, and financial performance. The City's debt capacity is established by Section 26 and 27, Article X of the Oklahoma Constitution. Section 26 limits bonds issued for road or bridge improvements to ten percent (10%) of the net assessed valuation (gross valuation minus homestead) of the City. Section 27 authorizes cities and towns to issue bonds for utilities, broadly defined as anything other than roads and bridges, used by the public. Although the amount of bonds issued under this provision is not specifically limited, debt exceeding 30% of the net assessed valuation would generally affect marketability of the bonds.

Legal Debt Margin - June 30, 2014

Assessed Valuation:		
Net Assessed Value		\$843,440,000
Section 26 limitation:		
10% of net assessed value	\$ 84,344,000	
Section 27 limitation:		
30% of net assessed value		\$253,032,000
Debt applicable to limitation:		
Total general bonded debt	\$ 49,495,000	
Less amount available for payment	<u>(8,967,000)</u>	
Total debt applicable to limitation	<u>\$ 40,528,000</u>	
Legal debt margin		\$212,504,000

FYE 16 Budget

The Combined Purpose Bonds of 1992 in the amount of \$4,340,000 were issued in FYE 93, and \$3,600,000 in FYE 95, but will be paid from sales tax revenue dedicated to capital improvements. The Norman Utilities Authority Water and Wastewater Division's revenues service the five revenue issues, while the Norman Municipal Authority revenues service the Sanitation Equipment Notes and the Recreational Facilities Revenue Bonds. Proposed Revenue Bonds for improvements to the University North Park Tax Increment Finance District will be issued by the Norman Tax Increment Finance Authority. The following table illustrates the ratio of General Government debt service to total General Government expenditures. On March 29, 2005, the voters approved 4 out of 5 General Obligation Bond propositions totaling \$31,830,000. The moneys are being used for major street construction projects, citywide pavement reconstruction, Fire Station #3 relocation, and a railroad crossing underpass on Robinson Street.

**ARTERIAL ROADS RECOUPMENT FUND
BUDGET
HIGHLIGHTS**

Background

Ordinance Number O-9697-31 was passed February 11, 1997, for the purpose of providing for recoupment of costs associated with improvements to arterial roads. Prior to this time, City of Norman policies did not require arterial streets be improved until such time as the abutting property is developed, resulting at times in piecemeal roadways which reduced capacity and safety.

This Ordinance provides that arterial street improvements be made prior to development of abutting properties and that such improvements provide for recoupment of all associated costs from the benefited abutting property at the time the abutting property is improved or developed.

Periodic transfers from the Capital Fund are required since recoupment of costs of a particular arterial street may take place over a period as long as 30 years.

FYE 16 Budget

The FYE 16 Budget shows a beginning fund balance of \$235,163. No expenditures are projected to be made for FYE 16 Capital Projects.

Summary

The Capital Improvements Project Plan, FYE 2016 – 2020 discusses planned recoupment projects in detail.

**RETIREMENT SYSTEMS
BUDGET
HIGHLIGHTS**

The City of Norman contributes to three separate retirement systems on behalf of City employees.

- Norman Employees Retirement System;
- Oklahoma Firefighters Pension and Retirement System;
- Oklahoma Police Pension and Retirement System.

Each of these retirement systems is administered by entities other than the City of Norman and as a result the City does not exercise budgetary control. Therefore, they are not included in the FYE 16 Budget as separate funds of the City. It should be noted that the costs of contributions to the systems appear as a part of salaries and benefit category of expenditure in every operating fund of the City.

Employee Retirement System

The Employee Retirement System (the “Plan”) of the City of Norman is a single-employer public retirement system, which was established on November 1, 1967, by a City ordinance and amended on January 29, 1985 and July 1, 1991. The Plan was a defined benefit pension plan to which the City and employees contributed. The July 1, 1991, amendment converted that portion of the Plan which relates to non-retired participants to a money purchase defined contribution plan under section 414 (h) of the Internal Revenue Code (the “New Plan”). For active employees as of July 1, 1991, an amount equal to the greater of the participants’ vested benefits under the Plan or their account balance in the Plan was transferred to a participant account in the New Plan.

A Board of Trustees, composed of six members, meeting at least quarterly, manages the New Plan. Members by position include the City Manager or a designee, Finance Director, and Human Resources Director. The City Council elects one additional member, and the American Federation of State, County, and Municipal Employees (AFSCME) union membership elects the final two members. All active employees who participate in the New Plan contribute 6.5 percent of their base pay and the City contributes 8.5 percent of member’s payroll to the New Plan.

The Plan will remain in existence to pay benefits to those retired employees receiving benefits at July 1, 1991. As of April 6, 2015, the Plan included 11 retirees and other beneficiaries.

Oklahoma Firefighters Pension and Retirement System

The Oklahoma Firefighters Pension and Retirement System (OFPRS) cover uniformed members of the City's Fire Department, which is a cost sharing multiple-employer public employee retirement system. All full-time firefighters, who are hired before age 45, are eligible to participate in the system. The pension plan provides pension benefits as well as death and disability benefits.

Members of the firefighter's retirement system are required to pay 8% of their base pay to the pension plan. By State Statute, the City contributes 14% of member's payroll to the OFPRS.

Oklahoma Police Pension and Retirement System

The Oklahoma Police Pension and Retirement System (OPPRS) cover uniformed members of the City's Police Department, which is a cost sharing multiple-employer, public-employee retirement system. Police officers employed in participating municipalities are required to participate in the system, provided they meet certain requirements. Police officers are required to pass physical and medical examinations and must be not less than 21 or more than 35 years of age when accepted for initial membership. Members of the police retirement system are required to pay 8% of their base pay to the pension plan. By State Statute, the City contributes 13% of member's payroll to the OPPRS.

OFFICE OF THE CITY CLERK

18 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL CITY CLERK

MISSION:

To serve the citizens and employees of Norman effectively and efficiently providing informed and courteous written, verbal, and electronic communication in response to requests for records, licenses, information or assistance. Provides a safe, productive, and comfortable environment for the employees and citizens of Norman.

DESCRIPTION:

- Official custodian of all records belonging to the City
 - maintains books properly indexed and open to the public for inspection
 - maintains separate books for ordinances, resolutions, and actions of the Council
- City Clerk serves as clerk to the Council
 - attends all Council meetings
 - maintains a record of the proceedings
 - signs and attests all ordinances, resolutions, and other acts of the Council
- Processes applications and monitors the City Boards, Commissions, and Committees
- Issues City licenses
- Prepares City Council agendas and minutes
- Operates the City’s Action Center
- Provides clerical administrative support for the Facility Maintenance Division
- Provides clerical administrative support for the City Council
- Administers Municipal campaign contribution and expenditure reports to ensure their compliance with City and State law
- Programs special announcements and meeting notices on the City’s cable access channel
- Programs various City meetings for rebroadcast on the City’s cable access channel

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CITY CLERK

GOALS:

To enhance customer service by:

- providing error free City Council agendas and minutes in a timely manner
- increase the number of documents provided electronically
- program City meetings for rebroadcast, special announcements, and meeting notices on the cable access channel
- responding to citizens requests through the Action Center

OBJECTIVES:

- Maintain records of the City so they are easily accessible to internal and external customers.
- Maintain records of licenses and permits so businesses are inspected and properly licensed.
- Coordinate and process requests for special events and festivals within the City.
- Prepare City Council minutes and agendas to keep Council and the public informed of the City's business.
- Provide clerical support to the City Council and assist them in resolving citizen complaints.
- Provide efficient and effective assistance to citizens by telephone, written communication, and personal contact.
- Provide responses to citizens through the Action Center with cooperation from all City departments.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
FACILITY MAINTENANCE ADMINISTRATION

GOALS:

- Implement a facility maintenance software program for work orders, preventive maintenance, capital improvements, and utility tracking costs.
- Create a comprehensive assessment of the present condition of City facilities for immediate and future repair and replacement of equipment and maintenance.
- Reduce repeat calls for the same repair work by instituting a program that emphasizes long term solution versus temporary repairs.
- Incorporate sustainable energy and equipment practices.
- Plan and schedule staff for optimal operation of repair and maintenance of City facilities.
- Provide enough resource to the division to accomplish the mission.

OBJECTIVES:

- Plan and accomplish work, anticipate problems, become proactive instead of reactive.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Response time to emergency repair measured in less than 4 hours	95%	95%	95%	98%	95%
Percentage of repeat calls for same problem	10%	10%	10%	7%	10%

Notes to Results Report:

Implementation of new software program in FYE 14 will allow for more accurate measurements for Division.

DIVISION SUMMARY

010-2031 FACILITY CUSTODIAL SERVICES

MISSION:

- Provide a safe, clean environment for the employees and citizens of Norman.

DESCRIPTION:

- Oversee in-house custodial services, operate, stock, and dispense cleaning supplies from warehouse to all City facilities, perform custodial, setup work, and general repair duties as required.
- Provide custodial supplies for departments and divisions through the City of Norman.
- Perform custodial setup work as needed.
- Conduct general repairs.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CITY MANAGER

GOALS:

- Provide professional leadership for the City
- Execute policies and procedures.
- Develop and recommend alternative solutions to community problems for consideration by the Mayor and City Council
- Develop new programs and measures to meet emerging and future needs of the City
- Manage City's operating and capital improvements budgets
- Promote confidence in city government through citizen involvement and excellent customer service

WORK PLAN FOR 2015

- Administration of the 2012 General Obligation Street Bond Package including eight (8) major capital projects valued at nearly \$90M. The program is a hybrid package of storm water and transportation projects.
- Continue implementation of the Storm Water Master Plan Action Plan including creation of a storm water utility rate system.
- Renovation of the Animal Welfare Center.
- Computer Aided Dispatch (CAD) implementation and Records Management System (RMS) integration.
- Continue to work with intergovernmental stakeholders at the local and state level and the business community to prepare proposed rules, options and regulations for water re-use.
- Complete the retail market analysis to assist in retail expansion and development efforts.
- Consult with and develop a Central Oklahoma Master Conservancy District (COMCD) and participating cities' vision of securing additional supply to "firm up" Lake Thunderbird's safe yield through water reuse or augmentation from Oklahoma City.
- Provide analysis and financial projections in support of a citizen based Quality of Life Initiative (e.g. Norman Forward) as directed by City Council.
- Finalize a joint City/NPS School Resource Officer Program and finalize the assessment and purchase of a new City-wide emergency communication system.
- Finalize siting of new Emergency Communication Center and issue Request for Proposal (RFP) to qualified vendor to construct new City-wide emergency radio communication system.
- Complete the Lake Thunderbird Total Maximum Daily Load (TMDL) Compliance Plan with submittal to the Department of Environmental Quality (DEQ) by November, 2015.
- Support Planning collaboration between the City and the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS) for the Urban Land Institute (ULI) panel scheduled for the Spring of 2015.
- Support and participate in the Community Planning project for a master plan and building form standards for the City Center Visioning Project area.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
RETAIL AND DEVELOPMENT SERVICES

GOALS:

- Improve City development processes to enhance local business climate.
- Develop opportunities for feedback and suggestions from the development community to better understand and address issues.
- Work closely with local business organizations, staff, citizens and elected officials to address business-related concerns and foster a cooperative environment for issues to be resolved.
- Clearly communicate requirements for City development and opportunities to new and existing businesses (residential and non-residential).

OBJECTIVES:

- Develop a list of common building/fire code concerns and work with staff to create a series of Code Clarifications for non-residential projects.
- Completion of Fee Study and Analysis of the City of Norman Wastewater Excise Tax on New Development and Connection Fees.
- Revise Building Permit section of Development Services webpage to clarify building permit requirements for users.
- Develop and distribute a Customer Service Survey for the Development Services Division to residential trade contractors, builders and other project representatives to receive their input on plan review and inspection services.
- Develop a process and criteria for priority plan review for priority non-residential projects.

WORK PLAN FOR 2015:

- **Develop a system for updating businesses/developers of large City construction projects:** Public Works Administration, the Retail Marketing Coordinator and the Development Coordinator are developing enhanced informational efforts to keep business owners apprised of updates during the Lindsey Street Construction project. In addition to the traditional elements of information utilized during City projects (i.e. press releases, webpage), staff in on-site face-to-face meetings with impacted business owners and residents in advance of construction impacting their property, use of social media sites (i.e. Twitter, Facebook), development of a construction guide for businesses (currently in draft form) and notification through the Blackboard Connect system. The City and Norman Convention and Visitors Bureau have partnered to develop, implement and install (when the project begins) temporary directional construction signage to help motorists utilizing detour routes for Lindsey Street locate retail, restaurant and lodging destinations in the construction area.
- **Develop a list of common building/fire concerns and work with staff to create a series of Code Clarifications:** Staff has continued research into cities with similar lists and/or webpages to establish “common” items that are clarified on the pages. Residential code clarifications were posted on the Development Services webpage as part of the discussion from the City/Builders of South Central Oklahoma (BASCO) “Brown Bag Lunch” meetings. Work will continue on non-residential code clarifications to post on the Development Services website. Once established, the webpage(s) will need to be reviewed and/or updated to determine if changes need to be made. Once the initial page is complete, notification to the business community will be made through the Norman Developer’s Council, Chamber of Commerce and BASCO.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
RETAIL AND DEVELOPMENT SERVICES

GOALS:

- Increase retail sales tax revenue and attract new retailers to Norman, without compromising existing retail.
- Recognize and capitalize on existing consumer opportunities and identify retail gaps.
- Retention and strengthening of existing businesses.
- Promote retail as an important amenity in the broader context of quality of life and place-making, specifically for mixed use and historic districts.

OBJECTIVES:

- Continue recruitment of targeted retailers from Retail Coach Match List (study conducted in May 2014) and leads from outside sources.
- Represent Norman at industry events, specifically the International Council of Shopping Centers (ICSC), both regionally and nationally.
- Launch a Commercial District Revitalization Program (CDRP), similar to that of Oklahoma City.
- Provide requested data to potential leads in a timely fashion (48 hours or less).
- Maintain and publish up-to-date information on Norman’s retail market, including inventory and classification of retail space, land use inventory, new commercial developments, databases and maps of existing businesses, demographics, etc.

DIVISION SUMMARY

010-3020 ACCOUNTING

MISSION:

The mission of the Accounting Division is to provide, monitor and operate an accounting system which records all the financial transactions of the City on an accurate and timely basis for reporting and dissemination in appropriate format to user departments, management, oversight agencies, and citizens.

DESCRIPTION:

The Accounting Division maintains and operates the financial and budgetary accounting system, which captures and records all financial transactions of the City. In addition to the general ledger system, the Division maintains, processes, monitors and reconciles various sub-systems which capture detailed transactions in the areas of payroll administration and reporting, procurement of goods and services, accounts payable, accounts receivable, Risk Management, and fixed assets. The Division is responsible for special, monthly, and annual financial reporting in various formats, including the Comprehensive Annual Financial Report.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
ACCOUNTING**

GOALS:

- To provide accurate financial information in an appropriate and timely manner to all users.
- To capture and record all financial transactions of the City in accordance with generally accepted accounting principles.
- To implement and observe all applicable Government Accounting Standards Board (GASB) pronouncements.
- To observe and meet all schedules and deadlines for financial reporting, tax deposits, payroll, purchasing, Risk Management, and accounts payable.

OBJECTIVES:

- Produce a Comprehensive Annual Financial Report each year, which conforms to the highest standards of financial reporting.
- Financial statements to be prepared in accordance with all GASB requirements.
- Ensure monthly departmental revenue and expenditure activity and reports are produced within 10 working days after the end of each month.
- Ensure receipt and verification of all personnel changes and time data to produce accurate biweekly payroll.
- Ensure distribution and deposit of all payroll withholdings.
- Monitor all requests for bids and requests for proposals to ensure compliance with statutory and policy requirements.
- Process all receiving and invoice documents when received to meet weekly accounts payable schedule.
- Maintain an organized and up-to-date filing system for all required documentation.
- Maintain project accounting system, which includes all capital projects of the City.
- 100% of fixed assets will be tagged and tracked using the fixed asset tracking system. An annual inventory will be performed to verify the status of the fixed assets and infrastructure activity will be tracked accordingly.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

BUDGET

GOALS:

- Produce a balanced operating budget as required by City Charter, Article III, Section 4 (I) and Article II, Section 17-205 of the Oklahoma Municipal Budget Act.
- Help decision-makers make informed choices about the use of services and capital assets by assisting in research efforts and analysis.
- Stay informed, up-to-date and educated on various technical and policy issues affecting government finance in order to provide professional support and training to others on finance, budget and accounting issues.
- Provide departments with clearly defined financial policies and procedures as they relate to finance and budget transactions to ensure compliance with City Manager, City ordinances and other regulatory governmental agency requirements.
- Monitor operational activities, and proactively strive to improve processes.

OBJECTIVES:

- Ensure the annual operating budget is timely, accurate, and meets the criteria set forth in the Government Finance Officers Association (GFOA) Distinguished Budget Presentation Award Program.
- Assist City departments, Council members and citizens in research efforts and developing approaches to achieve goals by providing accurate information to requestors in a timely manner or directing them to the appropriate resource.
- Increase awareness/knowledge related to various finance and budget issues through workshops and correspondence.
- Monitor daily financial activities for appropriateness/compliance and provide monthly reports to ensure that expenditures are within budgetary guidelines.

DIVISION SUMMARY

010-3025 TREASURY

MISSION:

The primary mission of the Treasury Division is to act as the City’s receipting and disbursing agent of public financial assets in order to maximize the utilization and safekeeping of City funds while maintaining a customer oriented and professional attitude.

DESCRIPTION:

Processing all City revenues, which include utility deposits and payments, processes and generates accounts receivables billing and maintains accounts receivable records for invoice billing and receiving revenues generated by all departments throughout the City. Making bank deposits daily. Maintaining the City’s operating fund for all the departments by reimbursement of petty cash tickets, trip requests and writing checks. Responsibilities include processing and balancing Site Development, Inspection deposits, Oil and Gas Cash Bonds, Bulk Water deposits, and all the liability funds. Maintaining Utility Bank Drafting records and processing for bank debits and credits. Maintains and processes all returned checks. Processes utility and other types of credit card payments including the Interactive Voice Response (IVR) utility payments made by customers on the phone, and the Click to Gov (online utility payments made by customers), and maintains all credit card records for Municipal Court, Parks and Recreation, Westwood Golf, Planning/Development Service the Transfer Station, NPD Records and Animal Welfare. Maintains and processes all purchase orders made from use of more than 17 departmental corporate credit cards.

DIVISION SUMMARY

010-3022 UTILITY SERVICES

MISSION:

- To provide accurate and efficient billing services for the City of Norman utility customers.
- To be a customer advocate within City guidelines by providing modern, adaptable, quality focused customer support, responsive to the customer and their needs.
- To educate customers regarding operating procedures to maintain an informed citizenry.
- To research and provide accurate and prompt information to requests made by citizens and intra-city departments.

DESCRIPTION:

The Utility Division consists of Utility Billing, Customer Service and Meter Reading/Field Service sections. The Division opens accounts, closes accounts, notifies customers of delinquency, reads meters, verifies unusual water consumption, investigates unauthorized water usage, connects and disconnects water service, provides customer service for City utility accounts, and researches and responds to various citizen and agency requests for utility related information.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

UTILITY SERVICES

GOALS:

- To further trust in City government by providing accurate and timely billing for utility customers (within two days of target date).
- Accommodate customers by providing payment options.
- To increase the quality of life in Norman by instituting the “Good Neighbor Policy” which benefits both the customer and the City.
- To ensure that each employee provides informative, courteous, customer service and all customers are treated with respect and fairness. To be knowledgeable about all utility related issues important to the City and citizens.
- To better direct customers to the proper area.
- To work with each employee on a personal goal and objective platform in order to increase job satisfaction.
- To read water meters in a timely and accurate manner.
- To maintain meter boxes in order to get accurate readings.

OBJECTIVES:

- Maintain accurate water meter reading schedules with a variance of less than 1%.
- Clean 183 meter boxes every month.
- Decrease billing errors by <1% of total billing.
- Decrease amount of delinquency accounts by 1% of total delinquency.
- Provide at least one training session per year for employees. Instill pride and confidence in employees, which will be reflected in better performance.
- Provide more direct access to customers by recorded voice commands.
- Implement a complaint/request tracking system.

EMERGENCY MANAGEMENT

GOALS:

- Plan for and coordinate mitigation; preparedness; response and recovery operations throughout the City
- Give warning to the community in case of impending natural, man-made, or technological emergency
- Continue integration of the National Incident Management System (NIMS) into the City Emergency Operations Plan
- Maintain a Community Emergency Response Volunteer Program

OBJECTIVES:

- Increase public awareness of severe weather safety
- Coordinate staff activities in review and update of the Emergency Operations Plan
- Coordinate and present applicable NIMS training
- Provide community outreach concerning severe weather warning and expected actions

DIVISION SUMMARY

010-6442 PREVENTION

MISSION:

Develop and maintain effective partnerships between the Fire Department and all segments of the community for the cause of public safety of the community to decrease the incidence of uncontrolled fire.

DESCRIPTION:

The Fire Prevention Division provides for the public safety and reduces the incidence and effects of fires by developing and enforcing fire safety codes and ordinances; by educating and informing the public in effective safety practices; and by investigating and analyzing fire cause and behavior, determining the nature and scope of the local fire problem.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
PREVENTION**

GOALS:

- Provide for the public’s safety by creating awareness of fire as a personal, family, business and community concern and by securing the cooperation of individuals and property owners in fire-safe practices for the safety of themselves and others.
- Maintain Fire Inspector and Fire Protection Engineer skills to current state law and national standards.
- Provide for a fire-safe community through the development of fire safety codes and ordinances, and inspection and enforcement by discovering and correcting deficiencies that pose a threat to life and property from fire.
- Provide for the public safety through engineering and plan review to ensure compliance with the fire protection and life safety provisions of the fire prevention code.
- Determine the nature and scope of the local fire problem by identifying areas that may require corrective educational efforts, inspection emphasis, and legislation or criminal prosecution.

OBJECTIVES:

- Conduct 100% of all educational programs requested by the public. Host the annual Fire Prevention Week, Arson Awareness Week, Norman Regional Hospital Kids are Special Program, participate in Safety Town and other activities related to public education.
- Maintain Fire Inspector and Fire Protection Engineer skills through certifications to current state law and national standards by attending CLEET courses, seminars and the National Fire Academy. Have qualified Fire Inspectors complete the state CLEET requirement. Send rookie Fire Inspectors to Inspection and Investigation schools for certification.
- Inspect 100% of all new construction and existing “Target Hazard” properties subject to the Fire Prevention Code annually.
- Inspect 100% of all existing small unit properties subject to the Fire Prevention Code biannually.
- Examine 100% of all plans submitted for deficiencies of built-in safeguards designed to prevent fire from starting, protect the occupants and limit the spread of the fire, should it occur.
- Determine the cause for 90% of all fires that occur. Maintain a 60% clearance rate and 95% conviction rate for fires determined to be arson.

DEPARTMENT SUMMARY

TOTAL HUMAN RESOURCES DEPARTMENT

MISSION:

The Human Resources Department is committed to hiring, developing, and retaining a diverse, knowledgeable and effective workforce focused on providing high quality and cost-effective services to Norman citizens. Through leadership, direction, and support, the Human Resources staff partners with managers and employees to provide strategies that support a fair and equitable Human Resources system that values employees. Our programs are designed to optimize contributions to City Council goals and promote open communication between and representation of management and labor aimed at assisting the City government to operate in a financially responsible manner.

DESCRIPTION:

The Human Resources Department fulfills this mission through:

- Administration of all human resource programs, policies, employee relations and benefits through service guided by integrity and professionalism.
- Recruitment and selection in compliance with federal, state, and local laws.
- Training and development to further strengthen our premier workforce and maximize individual and organizational performance.
- Safety management and employee assistance dedicated to the well-being of employees and citizens and aimed at minimizing the adverse effects of risk to the organization.
- Maintenance of an equitable classification and compensation system for municipal employees.

HUMAN RESOURCES

GOALS:

- Provide and interpret policies, procedures, programs and collective bargaining agreements that uphold the welfare, safety, and rights of employees and management.
- Facilitate productive management/employee workplace partnerships, conflict resolution and negotiation.
- Utilize recruitment and selection methods that contribute to our highly qualified workforce.
- Administer a quality benefit program and employee classification and compensation system that is cost effective and assists in attracting and retaining employees.
- Educate employees to be more knowledgeable about their benefits and to deal effectively with health care providers.
- Provide appropriate evaluation criteria for assessing and improving job performance.
- Support City organizational goals by managing training and development systems to bring about changes in people and processes that improve employee performance and so contribute to the City's business results.
- Contribute as a strategic partner in new technology implementation and E-Government services.
- Lead quality management initiatives to ensure continuous process improvement and compliance to quality standards.
- Contribute to a high level of employee engagement that supports individual, group, and organizational performance.

OBJECTIVES:

- Reduce non-conformances related to human resource policies, practices and procedures and employment law through management/supervisory training and counseling.
- Reduce grievances through union and management consultation.
- Recruit, hire and promote highly qualified individuals for entry level and key positions.
- Conduct an active benefits communication program.
- Improve job performance utilizing an evaluation system that provides for year-round action planning and coaching opportunities.
- Conduct programs in leadership and supervisory development.
- Provide Computer Training Lab services for software training, development, testing, and project support.
- Expand interactive Human Resources Website to meet needs of internal and external customers.
- Manage quality initiative through the American Public Works Association and Environmental Management Systems project team.
- Provide employee special events and programs that enhance employee engagement and community involvement.

DIVISION SUMMARY

010-3132 SAFETY

MISSION:

It is the primary mission of the Safety Division to coach and train all City employees to provide municipal services in a manner that minimizes worksite hazards, prevent injuries to people and damage to property and equipment. It is also the mission of this division to ensure that the citizens are protected from potential hazards that may be caused by the City employees engaged in service operations.

DESCRIPTION:

The Safety Division provides City employees with the oversight, coaching and training to assure that safe operations will be the first priority in all City activities. All practical steps shall be taken to maintain a safe and healthy workplace, reasonably complying with all applicable regulations. These assurances are managed through regular worksite inspection, hazard assessment, activity hazard analysis, training needs assessment – gap analysis, and providing the appropriate training / coaching / guidance to the employees.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

SAFETY

GOALS:

- Continue to develop effective safety practices for each department to reduce injuries.
- Continue to inspect facilities to ensure all employees are safe and free from workplace hazards.
- Continue to provide training opportunities for employees that will improve their personal safety efforts.
- Inspire employees to have a more involved workforce in safety procedures and policies.

OBJECTIVES:

- Conduct monthly safety meetings at each CON facility and train to OSHA standards.
- Mentor departmental safety committees for all departments.
- Provide formal instruction to operations employees to ensure that they are trained in correct trenching and shoring operations, confined space operations, traffic safety, operational risk assessment, vehicle operation, and regulatory compliance.
- Conduct quarterly inspections of all CON facilities to ensure hazard free facilities.
- Conduct First Aid/CPR/AED Training to have a better chance of having more suitable first responders readily available for emergency situations.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

INFORMATION TECHNOLOGY DEPARTMENT

12 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL INFORMATION TECHNOLOGY (010-2321)

MISSION:

The mission of the Information Technology (IT) Department is to provide the highest quality technology-based services, in the most cost-effective manner, with optimal delivery, to the citizens, elected officials, and staff members of the City of Norman ensuring the maximization of the citizens' financial investments and the proper utilization, security, performance and availability of those technology-based services.

DESCRIPTION:

The Information Technology Department provides information systems management services to all departments in the City of Norman. This support includes approximately 1,900 personal computers, laptops, and network infrastructure devices. These devices are required for server connectivity to a 5-building main campus and 27 remote sites. The local area and wide area networks (LAN/WAN) provides workstations connectivity to each wireless and wired workstation used by employees in the City of Norman. Services provided by the IT Department include email storage and support, internet access support, desktop support, document administration, departmental systems application support and implementation, enterprise application support in the form of IBM iSeries, quality control for implementation, network servers and virtualization administration and support, web page design, security, telecommunications including VOIP and wireless phones, server and PC configuration management, data storage management, project management, and infrastructure design and support.

*For previous year information see page 156.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

INFORMATION TECHNOLOGY

GOALS:

Information systems and infrastructure are utilized in every department within the City of Norman and therefore the services rendered by the City of Norman staff to the citizens of Norman are directly impacted by Information Technology. Our goal is to provide effective information technology solutions and support in the form of helpdesk operations, applications support, network and server support, and process development to all departments of the City of Norman in order to:

- Ensure the security, integrity, and proper utilization of the City's information and communication systems hardware, software, and data resources.
- Protect the citizens', elected officials', and staff members' investment in the City's information and communication systems resources.
- Ensure that the City's information and communication systems resources are available to City staff members and the public for IT support.
- Ensure that the City's employees have complete support and training for any and all IT systems utilized.
- Strive for standardization of systems and processes when and where applicable.
- Work with other municipalities to create a broader range of technology solutions that are more robust and secure.

OBJECTIVES:

- Implement security tracking filter for email, network traffic, web filtering, and infrastructure protection to reduce and monitor system attacks and intrusions and to help create a solid sustainment strategy.
- Implement Trackit ticketing software enhancements, define, communicate, and follow a solid Service Level Agreement (SLA) for the user base, develop project RAILS, create reports in the Trackit system to measure on time delivery.
- IT staff to attend training for budgeted items, develop onboarding manual, organize meetings with HR for the proper systems removal and equipment collection of employees who terminate and implement these strategies. All items in this category must be 100% complete by the end of Fiscal Year 16.
- Report generation and monitoring for relevant critical systems, enhancements to the data backup strategy, creation and demonstration of disaster recover strategy.
- Monitoring software implementation and reporting, enhancement of data wiring of network cabinets, enhancement of electrical wiring, improvement of fire suppression and cooling systems, and improvement of battery backups at various city locations, fiber mapping and enhanced virtualization efforts.

**DEPARTMENT SERVICE EFFORTS
AND ACCOMPLISHMENTS**
MUNICIPAL COURT

GOALS:

Access to Justice

- Provide access to the judicial system through court proceedings, operations and facilities.

Expedition and Timeliness

- Perform court functions within a proper, suitable and reasonable time.

Equality, Fairness and Integrity

- Afford equality, fairness and integrity to all who have business before the court.

Independence and Accountability

- Affirm and maintain distinction as a separate branch of government and account publicly for the court's performance.

Public Trust and Confidence

- Instill public trust and confidence through adherence to established performance standards.
- Provide educational training for court and legal personnel, emphasizing professional development.

OBJECTIVES:

Access to Justice

- Conduct court proceedings and other public business openly.
- Provide services to persons with special needs.
- Ensure customer service integrity.

Expedition and Timeliness

- Provide timely case processing while keeping current with incoming caseload.
- Maintain a high disposition rate.
- Recover costs for incarceration.

Equality, Fairness and Integrity

- Provide due process and equal protection of the law to all defendants.
- Provide indigent services to qualifying defendants.
- Ensure enforcement of court orders.
- Ensure accuracy and preservation of court records.

Independence and Accountability

- Clarify, promote, and institutionalize effective working relationships with other components of the justice system.
- Provide public education.

Public Trust and Confidence

- Enhance positive image of the court by maintaining a high level of professionalism in working relationships with other branches of city government, citizens, and other entities.
- Provide public education.
- Promote professional development for continuing education for Oklahoma Municipal Court Clerk's Association (OMCCA) certified personnel.

FORESTRY**

GOALS:

- Implement the Community Forest Management Plan; follow recommended priority removals, pruning, replacement and maintenance schedule.
- Promote and provide urban forestry public education opportunities.
- Maintain public urban forest health.
- Collaborate with all City departments, State agencies and non-profit organizations to enhance and improve the urban forest.

OBJECTIVES:

- Obtain required funding to follow recommended schedule of removals, pruning and replacement.
- Provide workshops, volunteer opportunities and special events that teach proper care and maintenance of the tree canopy.
- Implement maintenance schedule of all public trees.
- Increase efforts for new planting opportunities; neighborhoods, green spaces, public schools, parks and open spaces.

DIVISION SUMMARY

010-7096 MOSQUITO CONTROL

MISSION:

The mission of the mosquito control program is to provide scientific surveillance and effective control of mosquitoes, while keeping chemical spraying to a minimum.

DESCRIPTION:

The mosquito control program is a surveillance program, which focuses on the identification and control of mosquito activity in areas throughout Norman. In lieu of spraying for fully mature (flying) mosquitoes, it is the intent to control the mosquito at the larvae stage of their development by providing a better and more extensive larvicide program and by educating the general public as to how to eliminate mosquito habitat in their neighborhoods.

DIVISION SUMMARY

010-7084 PARK BOARD

MISSION:

The mission of the Board of Parks Commissioners is to assist the Parks and Recreation Department in providing accessible, attractive, enjoyable and safe park facilities and recreational activities to the citizens of Norman.

DESCRIPTION:

The Norman Board of Parks Commissioners is a board organized for the purpose of considering and investigating any matter affecting the development and betterment of park and recreational facilities and policies pertaining thereto, and to make recommendations as it may deem advisable to the City Council concerning the same. It is responsible for making recommendations to the City Council regarding a system of supervised recreation. The Board is specifically authorized to make recommendations to the City concerning the recreation programs and policies of the City.

DIVISION SUMMARY

010-7021 RECREATION PROGRAMS

MISSION:

The Recreation Programs Division is committed to providing quality recreational services through programs for both passive and active users of all ages. This is accomplished through teamwork, respect and communication.

DESCRIPTION:

The Recreation Programs Division operates six facilities aimed at target groups of citizens. These centers include: one Senior Citizens Center, two recreational centers attached to middle schools (Whittier and Irving), one agency based community center (Little Axe), one garden, dance and exercise center (Reaves) and one multi-purpose center (12th Avenue). These centers not only provide recreational opportunities through their programming, but also offer rental space for meetings, parties and special events.

Beginning in FYE 12, Recreation Programs is accounted for in the General Fund instead of a Special Revenue Fund due to GASB 54 requirements.

AND ACCOMPLISHMENTS
YOUTH BASEBALL & SOFTBALL**

GOALS:

- To offer a safe youth baseball and softball program in a fun atmosphere at quality facilities.
- To emphasize good sportsmanship for all participants, children and adults.

OBJECTIVES:

- To organize the youth program by registering all children who meet the minimum and maximum age requirement who desire to play.
- To recruit and coordinate volunteer coaches.
- To review and update rules as necessary.
- To manage the program to be self-supporting.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Revenue in excess of expenditures	(\$22,968)*	\$3,275	(\$5,000)	\$2,000	\$2,000
Number of youth participants	1,696	1,660	1,600	1,600	1,650

Notes to Results Report:

*Although many sports tend to experience ebbs and flows in participation, by summer 2013, we had a decrease of 156 baseball/softball players in the junior high and senior high age range which decreased revenue. Additionally, the cost of equipment replacement, field maintenance and field lighting has increased.

PLANNING & COMMUNITY DEVELOPMENT DEPARTMENT

36 EMPLOYEES

Two of the five positions under CDBG are funded in part from the General Fund & in part from the Community Development Fund.

DEPARTMENT SUMMARY

TOTAL PLANNING & DEVELOPMENT

MISSION:

The mission of the Department of Planning & Community Development is to develop, implement, and monitor a comprehensive urban planning process, emphasizing continuing interdepartmental cooperation and assistance in the preparation of plans and programs. And, to protect the health, safety, and welfare of the citizens of Norman through enforcement of City Codes.

DESCRIPTION:

The Department of Planning & Community Development provides support to the City Council, the Planning Commission, Board of Adjustment, Reapportionment Commission, Historic District Commission, Greenbelt Commission, and Board of Appeals. The Department is responsible for developing and updating the Comprehensive Land Use Plan and other plans for the City; reviewing rezoning, subdivision and building permit applications and insuring the timely hearing of requests which are reviewed by various Boards and the City Council. The Department is also responsible for enforcing various codes and ordinances related to the health, safety and welfare of citizens; updating all ordinances, which comprise the regulatory framework against which development proposals are evaluated. Also, the administration of ordinances, which affect the health, safety and welfare of citizens, and administration of federal grants related to housing and urban development. The Department is also responsible for the Capital Improvements Budget and Capital Planning.

DIVISION SUMMARY

010-4040 ADMINISTRATION

MISSION:

The mission of the Administration Division is to provide effective, efficient, and responsive services, and to account for the resources allocated to the Current Planning, Development Services, Revitalization, and GIS Services Divisions of the Department, and to provide support services to all divisions.

DESCRIPTION:

The Administration Division serves as the administrative head of the Department of Planning & Community Development, coordinating division functions to provide for the more efficient operation of the department, and services to the citizens of Norman. This Division also prepares and monitors the Capital Improvements Plan and Capital Budget for the City.

ADMINISTRATION

GOALS:

- Identify present and future community needs, establish priorities, and formulate long-term and short-term planning goals for consideration by City Council.
- Provide leadership ensuring the successful operation of each division of the Planning and Community Development Department in the execution of their goals and objectives.
- Develop and implement new processes and strategies for improved customer service.
- Coordinate and implement departmental planning: budget formulation and administration; personnel administration; and effective distribution and assignment of resources for all Department staff members to provide a healthy and productive work environment.
- Provide staff support to numerous Boards and Commissions which provide oversight for quality development in the City.
- Update Zoning Code changes for distribution internally and on the website for the public.
- Provide public information on land development and planning issues through advertised public meetings and meetings in the office with customers.

OBJECTIVES:

- Provide leadership and guidance to each division of the Planning and Community Development Department.
- Administer resource allocations for each division.
- Provide direction for the department as a whole.

DIVISION SUMMARY

010-4053 CURRENT PLANNING

MISSION:

Provide professional support, guidance, and assistance to the citizens of Norman who are involved with some aspect of planning, zoning, or development, in order to ensure that all proposed development is consistent with the policies and ordinances of the City of Norman.

DESCRIPTION:

The Current Planning Division provides guidance and support to all residents of Norman. The Division provides staff support to the City Council, with primary staff responsibility to the Planning Commission, Board of Adjustment, Greenbelt Commission, and Reapportionment Commission. General and specific guidance is provided to those individuals and corporations interested in zoning and development throughout the community; as well as a detailed review of all commercial, industrial, multi-family building and sign permits for consistency with policies and adopted ordinances.

CURRENT PLANNING

GOALS:

- Ensure that each complete application is processed in an expeditious manner.
- Provide a timely and professional review of development-related requests.
- Provide all required support to the Boards and Commissions which the department staffs.
- Periodically examine and revise the ordinances that regulate development within the community.

OBJECTIVES:

- Assist the public in filing applications to the City Council, Planning Commission, Greenbelt Commission, and Board of Adjustment by providing clear direction and necessary assistance.
- Assist the Department in reviews of all required permits. Perform inspections as needed.
- Hold the annual meeting of the Reapportionment Commission, and provide all necessary data and maps for their annual review of population growth.
- Expedite items from the Planning Commission to the City Council whenever possible, while ensuring that such items are correct, complete, and express the concerns of the Planning Commission. Prepare detailed, accurate minutes of all public meetings.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

DIVISION SUMMARY

010-4051 DEVELOPMENT SERVICES

MISSION:

To provide professional support, guidance, and assistance to the citizens of Norman who are directly or indirectly involved with building or altering the built environment of the community, to ensure that all such activity is consistent with the policies and ordinances adopted by the City Council.

DESCRIPTION:

The Development Services Division provides a variety of services which directly impact all construction activities that occur in our community including: general and specific guidance to those individuals and businesses interested in any aspect of construction; review and coordination of all types of building permits and inspections for compliance with adopted ordinances; and staff support to the Board of Appeals.

DEVELOPMENT SERVICES

GOALS:

- Improve the timeliness of the permit review process by continuously updating the permit application process and adopting specific performance targets.
- Enhance inspection services; utilize all available technologies in order to minimize delays when inspections are requested.
- Increase the level of professionalism by providing appropriate staff training.

OBJECTIVES:

- Continuously refine building permit applications and processes so that they are more easily understood by the public, while still requiring all necessary information to properly process each type of permit.
- Utilize national standards to establish appropriate review time frames for each type of permit and inspection result.
- Continue to improve the effectiveness and consistency of plan reviewers and inspectors.
- Continue to refine the non-residential project plan review process.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

010-4050 GEOGRAPHIC INFORMATION SERVICES

MISSION:

Maintain accurate and complete information relating to the City’s infrastructure and legally mandated management zones and disseminate that information in a professional “customer oriented” manner.

DESCRIPTION:

The division provides maps, analyses, and services in a support capacity for the public, the business community, other governmental agencies, City Council, City Boards and Commissions, and all departments within the City. A partial list of specific functions and activities include:

- Design, implementation, and maintenance of the Geographic Information System, especially as it relates to the various components of the City’s infrastructure.
- Map and research resource for City Council, Planning Commission, the public, other City departments, and other divisions within the department.

GEOGRAPHIC INFORMATION SERVICES

GOALS:

- To maintain accurate and complete records of the land aspects of the City of Norman including physical improvements, legal entities, and administrative districts to support decision making and policy implementation.
- To respond swiftly and courteously to requests for information and provide quality service.
- To promote integration among databases that have a geographic component to improve the City’s reporting and planning capacity.
- To improve access to GIS data from other offices throughout the City to expedite the retrieval of information and maximize its use.

OBJECTIVES:

- Maintain zoning maps and all atlases as current information.
- Produce all appropriate informational maps and reports through the GIS system.
- Provide support to facilitate the integration of databases, to reduce duplication of effort and promote efficiency.
- Reduce the time it takes to integrate final plats and as-builts into the database.
- Improve access opportunities to digital GIS resources by City staff in other departments.

DIVISION SUMMARY

010-4084 GREENBELT COMMISSION

MISSION:

The mission of the Greenbelt Commission is to promote and protect the public health, safety and general welfare by creating a mechanism for providing a Greenbelt System, which will include preserved open spaces, protected natural areas and greenways/trails in a system of land parcels that together will work to help maintain and preserve the beauty and livability of the City.

DESCRIPTION:

Created by ordinance on May 11, 2004, the Greenbelt Commission is charged with advising the City Council on policies pertaining to the promotion, acquisition, maintenance and improvement of the open spaces, greenways and trailways systems in the City of Norman.

DIVISION SUMMARY

010-4080 HISTORIC DISTRICT COMMISSION

MISSION:

The mission of the Historic District Commission is to safeguard the heritage of the City by preserving and regulating historic districts, which reflect elements of the City’s cultural, social, political, and architectural history. And to promote the use of the historic districts for the culture, prosperity, education, and welfare of the people of the City and visitors to the City.

DESCRIPTION:

The Historic District Commission makes recommendations to the Planning Commission regarding the designation of historic districts within the City. The Historic District Commission reviews and approves or denies all applications for certificates of appropriateness concerning proposed exterior changes to structures located within the historic districts and develops guidelines to be used in such evaluations. The Commission also makes recommendations regarding the utilization of grants and budgetary appropriations that may be available to promote the preservation of historical, architectural, and archeological resources.

DIVISION SUMMARY

010-4081 PLANNING COMMISSION

MISSION:

The mission of the Planning Commission is to review land development applications, generally prepare plans for the systematic development and improvement of the City as a place of residence and business, and to make recommendations to the City Council.

DESCRIPTION:

The Planning Commission holds public hearings on all proposed amendments to the City’s long range plan (Norman 2025). It also makes recommendations to the City Council on all proposed rezoning applications and development proposals involving platting and subdivision of land. It reviews and recommends changes to the City’s ordinances involving planning, zoning, building, and subdivision regulations, as well as specific items referred to the Commission by the City Council.

010-4052 REVITALIZATION

MISSION:

To provide a higher quality of life in Norman by protecting the health, safety and welfare of the citizens of Norman through the enforcement of City Codes, the administration of funding for the Social & Voluntary Services Commission, preparation of the Capital Budget, and the management of federal grant programs.

DESCRIPTION:

The Revitalization Division is responsible for the ongoing process of revitalization of our community through the enforcement of various codes that affect the health, safety and welfare of the citizens of Norman. The Division is also responsible for staffing the Historic District Commission, the Social & Voluntary Services Commission, preparation of the Capital Budget, and the management of federal grant programs related to housing and community development. (Details of HUD grant programs are provided in the Community Development Fund Budget Highlights.)

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
REVITALIZATION**

GOALS:

- To educate the citizens of Norman about the health, safety, zoning, and environment to achieve voluntary compliance through awareness.
- To create a partnership with citizens to promote compliance as a part of good citizenship.
- To perform annual inspections to insure the health and safety of hotels/motels, rooming and boarding houses, mobile home parks, salvage yards, and operating oil and gas wells.
- To respond to violation complaints in a timely manner to determine the merit of complaints and pursue correction.
- To achieve correction of violations through notification and voluntary compliance; issuance of citations; abatement by city contractors; or through court action to preserve public health & safety.
- To strengthen the physical and social environment of Norman neighborhoods.
- To maintain the integrity of designated historic districts.
- To produce a balanced capital budget in compliance with long range, comprehensive plans.
- To provide appropriate access to local non-profits for funding from the Social and Voluntary Services Commission (SVSC).

OBJECTIVES:

- Enforce City ordinances pertaining to health, safety, property maintenance, zoning, signs, and oil and gas operations.
- Disseminate information about City Codes through articles in the local news media, presentations, and on the City website.
- Maintain uniform response rates and track responses on complaints.
- Acquire grant funds to supplement the budget related to historic districts and the general welfare of our community.
- Disperse City funds to local non-profits through the SVSC.
- Facilitate neighborhood conversations to create effective neighborhood plans in both new and existing neighborhoods.
- Produce a balanced capital budget that meets the goals of the City’s comprehensive plans and maintains and updates public infrastructure including public facilities.

DIVISION SUMMARY

010-6030 SPECIAL INVESTIGATIONS

MISSION:

The mission of the Norman Police Department is maintain and enhance the quality of life in the City of Norman by protecting life, liberty, property, and keeping the peace.

DESCRIPTION:

The Special Investigations Division provides the resources, personnel, and expertise to conduct complex, lengthy investigations of drug, vice, or property crimes. In some cases, the Division may provide support through advice, equipment, or undercover operatives. Traditionally, however, the Division primarily investigates drug-related offenses. Investigators develop cases by means of criminal intelligence, which the Division collects, organizes, and evaluates.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
SPECIAL INVESTIGATIONS

GOALS:

- Respond to intelligence reports in a timely manner to determine merit and appropriately allocate resources.
- Educate the citizens of Norman about the health, safety, and property concerns associated with illegal use of narcotics, especially prescription drug abuse.
- Create partnerships to prohibit the diversion of legal drugs, specifically with medical professionals and pharmacists.
- Improve and maintain the Narcotic Division’s investigative capabilities in the areas of illicit drug investigations, narcotics interdiction, prescription drug diversion, and technical investigations.

OBJECTIVES:

- Assign intelligence reports with merit for follow-up within 5 working days.
- Disseminate information about drug trends through local media and presentations. Provide representation on local drug and narcotics support group.
- Work with Oklahoma Bureau of Narcotics to identify and collaborate with pharmacists.
- Work with other law enforcement agencies to disrupt transportation and delivery of narcotics/illicit drugs into the Norman community.
- Facilitate training opportunities with NADDI (National Association of Drug Diversion Investigators), NATIA (National Technical Investigators Association), A-One Narcotics Investigators, and NIC (National Interdiction Conference).

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
STAFF SERVICES**

GOALS:

- Provide exceptional service to all customers
- Perform all duties and tasks efficiently, dependably, and courteously
- Enhance services to the public through innovation
- Lead the successful transition to a new records management system
- Create performance tracking measurements for records
- Enhance recruiting strategy for police and extend to civilian positions
- Provide quality training to departmental personnel to meet state requirements and certifications
- Complete issue and training of rifles to all commissioned personnel
- Develop and implement a plan to provide an “On-line” training option to employees

OBJECTIVES:

Records:

- Provide updated customer service related training to all clerks.
- Lead the implementation of the new records management system.
- Assist in updating the agency’s new website to provide more online services.
- Develop a method for tracking request for police records using new software.
- Increase options for customer service delivery methods:
 - Part-time Public Safety Aid in the lobby Kiosk

Training and Personnel:

- Develop, deliver, and manage training for entry level and incumbent employees
- Coordinate and manage entry level police officer recruiting and hiring processes
- Coordinate and manage annual firearms training, qualifications and inspections and required continuing education
- Develop internal subject matter experts/instructors in Emotional Intelligence and Cultural Diversity
- Provide updated Community Oriented Policing training to all commissioned personnel
- Continue to purchase and issue rifles required to equip all commissioned personnel.
- Research, plan and determine a budget for online learning options.
- Host the Women’s Leadership Institute training course.
- Continue to enhance the employee fitness program.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

Notes to Results Report:

In FYE 2015

- All Records Clerks attended Emotional Intelligence training
- All division personnel attended Cultural Diversity training
- Police Recruiter attended Recruitment course
- One employee attended the Women’s Leadership Institute
- Two employees attended the Law Enforcement Fitness Specialist course at the Cooper Institute of Fitness
- The 51st Police Academy was completed and the 52nd began using improved adult learning techniques

NPD – Norman Police Department

PUBLIC WORKS DEPARTMENT

109 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL PUBLIC WORKS

MISSION:

The mission of the Public Works Department is to provide exceptional transportation, storm water/flood control and subdivision development services to the citizens of Norman.

DESCRIPTION:

The Public Works Department is organized into five functional divisions: Administration, Engineering, Fleet Management, Streets, and Traffic Control. The Department provides transportation, storm water/flood control and subdivision development services through the development review, construction, reconstruction, operation and maintenance of public infrastructure. It provides support to every City department through specification development, acquisition assistance, and maintenance of the City fleet.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
ADMINISTRATION**

GOALS:

- Evaluate and identify present and future community needs, establish priorities, formulate long and short range public works plans. Research, develop and implement new strategies for innovative and improved service.
- Ensure all work is performed in conformance with appropriate standards and specifications and maintain an awareness of federal and state regulations as they apply to various areas within the Public Works Department.
- Establish goodwill and resolve/respond to various issues by attending meetings, and through correspondence with various County, State and Federal regulatory agencies, civic and business associations, representatives of the press, City officials, citizens, and other City departments.
- Improve the appearance of the community through implementation of specific projects and programs.
- Implement American Public Works Association (APWA) Accreditation Program with an eye toward “continuous improvement”.

OBJECTIVES:

- Coordinate major highway improvement projects with the Oklahoma Department of Transportation including Interstate 35, State Highway 9, Downtown Streetscape, and Legacy Trail.
- Continue the process of compliance with EPA and ODEQ Phase II Storm Water regulations by fulfilling the requirements of the NPDES permit and educate the community on the new regulations.
- Reduce traffic congestion/delay by monitoring and upgrading current Traffic Signal Timing Program, capital projects and other pro-active traffic system improvements.
- Retain the City beautification program started as a litter control program including a right-of-way mowing and edging program through contract services and enhanced street sweeping operations.
- Enhance City’s storm water management and flood control programs through the successful implementation of the Storm Water Master Plan.
- Assist the community in its desire to improve appearance and appeal of the University of Oklahoma including the development of a citywide Wayfinding Program.
- Develop the City’s first comprehensive Transportation Plan “Moving Forward”.
- Implement 2012 G.O. Bond program including eight (8) major Transportation/Storm Water projects.
- Enhance Compressed Natural Gas (CNG) Fueling Program with marketing and interlocal agreements.
- Complete a Fleet System Management Analysis to address efficiency and budget issues.

NPDES – National Pollutant Discharge Elimination System

DIVISION SUMMARY

010-5010 ENGINEERING

MISSION:

The mission of the Engineering Division is to provide prompt, courteous, skillful, and conscientious service to the citizens of Norman concerning transportation and drainage services.

DESCRIPTION:

The Engineering Division provides for the administration and technical review of public and private improvements within the City. It also helps administer the flood plain permitting process. The Division is charged with implementation of the City's federally-mandated municipal separate storm sewer system and (MS4) urban storm water quality program. The Division also provides engineering and administrative support for implementation of the recommendations set forth and adopted in the October 2009 Storm Water Master Plan; operation and maintenance of the numerous components of the City's storm water management system; and preparedness, response and recovery efforts associated with debris-generating disasters.

DIVISION SUMMARY

010-5070 FLEET ADMINISTRATION

MISSION:

The mission of the Fleet Management Division is to provide safe, economical, state-of-the-art, environmentally friendly transportation and service to allow departments to fulfill their official duties. Fleet Management uses a computer program, Faster Asset Solutions, which tracks mechanic productivity, repair types, work orders, parts issued, inventory, diesel fuel, unleaded fuel, compressed natural gas fuel and equipment replacement needs.

DESCRIPTION:

There are 21 employees within the Fleet Management Administration and Repair Divisions. We provide the administrative, logistical and mechanical support to all other City departments who operate City owned equipment/vehicles. Fleet staff is responsible for establishing budget figures for the coming fiscal year with regards to the internal fuel and parts accounts. Fleet Management Administration staff establishes capital funds for vehicle/equipment purchases. The division completes the drafting and awarding of bids relating to the acquisition of new equipment and vehicles.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET ADMINISTRATION

GOALS:

- Provide support services to all City divisions.
- Provide timely preventive maintenance.
- Web access to status of vehicle repair.
- Right-size the organization for long term sustainability.
- Fuel management and regulatory compliance.
- Pilot/demo/evaluate new vehicle and equipment technologies.
- Create a department culture that fosters and promotes teamwork.
- Strive to present a more professional appearance and attitude.

OBJECTIVES:

- Increase the awareness of City's personnel in the need to support the preventative maintenance service program for vehicles/equipment so that safety standards are continually met, liabilities are reduced and an overall reduction in maintenance costs can be achieved.
- Purchase vehicles and equipment following the guidelines of the City's Alternative Fuel Program.
- Work with City divisions to obtain equipment and vehicles that will be utilized to their maximum potential and remove obsolete, under-utilized equipment and vehicles from inventory.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Preventive maintenance program:					
(missed services)	119	164	>70	194	100
(completed services)	1,133	1,309	1,200	1,468	1,400
Capital Equipment/Vehicle – Outlay (excluding Westwood)	\$2,852,126	\$2,523,228	\$3 mil	\$3.5 mil	\$10.5 mil
Sanitation Fund outlay only	\$685,951	\$1,170,647	\$2 mil	\$1.9 mil	\$1.5 mil
Vehicle Replacement Report:					
No. of requests for replacement	63	70	80	70	153
No. of requests approved for replacement	44	26	55	26	60
No. of requests deferred for replacement	19	44	25	44	106
Fuel Report:					
Diesel / gallons dispensed	320,702	315,179	300,000	294,651	290,000
Unleaded gasoline / gallons dispensed	252,132	251,791	250,000	248,205	240,000
Compressed natural gas / gallons dispensed	41,665	61,505	82,000	95,334	120,000
Compressed natural gas sold to public:					
Gallons	96,909	191,881	200,000	200,787	178,000
Dollars	\$121,550	\$262,406	\$335,000	\$336,827	\$225,000

Notes to Results Report:

Preventive Maintenance Program: The intent is to “prevent” major repairs **before** they happen. Vehicles/equipment are scheduled on a routine basis, specifically every 5,000 miles (250 hours for those with meters) or every 6 months whichever comes first. With the cleaner burning fuel on our CNG vehicles, they are scheduled on a routine basis, specifically every 7,500 miles (500 hours for those with meters) or once a year, whichever comes first

Capital Equipment/Vehicle outlay: Fleet Management uses the Oklahoma State Contract as one of its main tools in purchasing cars, police vehicles, pickup trucks and large chassis, which helps keep the initial investment lower.

Vehicle Replacement Analysis: Available through the FASTER software program used by Fleet Management, this report identifies units that are in need of replacement before maintenance costs exceed the value of a replacement.

Support of City Policies: Fleet Management supports and has aided in drafting policies that prohibit unskilled and untrained employees from performing repairs and/or modifications to City vehicles and equipment. Staff is in the process of drafting a citywide Fleet Management Policy.

CITY OF NORMAN

DIVISION SUMMARY

010-5075 FLEET CNG STATION

MISSION:

The Compressed Natural Gas (CNG) Station is a fueling facility for the City's fleet and the public. Fleet tracks CNG usage of the public and City's fleet while maintaining the fueling facility with repairs and maintenance ensuring it is open to the public 24 hours a day.

DESCRIPTION:

FuelMaster is a system used by Fleet to track usage of compressed natural gas (CNG), unleaded and diesel. FuelMaster allows Fleet to report bi-weekly usage of CNG from the public and private sector to the Internal Revenue Service and the Oklahoma Tax Commission and payment of motor fuel taxes collected. This new division was created beginning in FYE 15 for better accounting purposes.

DIVISION SUMMARY

010-5071 FLEET REPAIR SERVICES

MISSION:

The mission of Fleet Repair is to support the City Departments and agencies in the delivery of municipal services by ensuring that City vehicles and other automotive-related equipment are available, dependable, and safe to operate.

DESCRIPTION:

Supervisors are responsible for prioritizing equipment repairs to ensure all departments have a safe and ample amount of equipment available at all times. They are responsible for writing bid specifications for purchasing vehicles/equipment and decommissioning surplus equipment. They oversee the day-to-day operations, provide for the health, welfare, and safety of the department employees as it relates to personnel, equipment, shop and environmental safety. The Tire Repair Tech performs all in-house tire repairs including replacement, and roadside assistance. The Welder performs all in-house welding and fabrication. The Field Service Mechanic II and performing all repairs in the field on City vehicles/equipment. The Fleet Repair staff also provide support services after hours and weekends during holidays, spring and fall cleanup, and during inclement weather snow and ice removal. After hours and weekends an “on-call” technician is available for emergency repairs and wrecker service.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET REPAIR SERVICES

GOALS:

- Provide safe and reliable repairs to all Divisions that Fleet represent.
- Maintain the ASE Blue Seal of Excellence Program and keep the Fleet facility ASE certified.
- Provide outsourcing for repairs not provided in-house for vehicles and equipment.
- Deliver the highest level of customer service.
- Complete 75% of repairs in 24 hours and 25% of repairs in 48 hours.
- Provide 95% parts on hand.
- Uphold a higher standard relationship with all Fleet customers.

OBJECTIVES:

- Deliver the highest level of customer service.
- Conduct all department business in an ethical and timely manner.
- Always take a proactive rather than reactive approach to identify problems or issues and initiate corrective action immediately.
- Increase the awareness of the City’s personnel in the need to support the Preventive Maintenance Service program for vehicles and equipment so that safety standards are continually met, liabilities are reduced, and an overall reduction in repair costs can be achieved.
- Benchmark repairs with industry standards.
- Keep come-back repairs to a minimum (<5%).

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

010-5022 STORM WATER DRAINAGE DIVISION

MISSION:

Storm Water Division is responsible for the management, maintenance and construction improvements of bridges, culverts and their associated storm water drainage systems. Storm Water Drainage exists to provide safe, well-drained, durable streets, effective channel maintenance and mowing of right-of-way and responsive emergency services to all citizens of Norman and their visitors.

DESCRIPTION:

- Provide for the management, maintenance of drainage systems for flood control purposes.
- Respond to citizen requests.
- Perform erosion control and removal of obstructions from drainage ways.
- Maintenance of approximately 138 miles of storm sewers.
- Provides maintenance to bridges and culverts, and street sweeping.
- Provides emergency disaster response related to flooding, winter storms, severe storms and non-hazardous material chemical spills.
- Coordinates rural drainage improvement projects with Cleveland County.

*Beginning FYE 16, the Storm Water Division was split into two divisions – Drainage and Quality.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
STORM WATER DRAINAGE DIVISION

GOALS:

- To manage and perform maintenance and construction of streets, alleys, bridges, culverts, channels and storm sewers.
- To manage and maintain roadside and drainage maintenance.
- To manage and perform snow/ice control, flood damage control, and respond to emergency situations.
- To aid in the Norman City Council strategic plan, vision, and goals for a functional, attractive, and clean and green Norman.

OBJECTIVES:

- Manage and provide response to citizen’s maintenance requests and the City of Norman Action Center notifications within a twenty-four hour response time.
- Provide efficient storm water sewer system.
- Manage storm water conveyance channel systems.
- Weather related response.
- Maintain clean streets and storm water runoff by sweeping of curb and gutter streets.

DIVISION SUMMARY

010-5021 STREETS DIVISION

MISSION:

The Street Maintenance Division is responsible for the management, maintenance and construction improvements of streets, alleys, bridges, culverts and their associated systems. Related activities include snow removal, ice control, and repairs to maintain roadway conditions within approved pavement management criteria. The Street Maintenance Division exists to provide safe, well-drained, durable streets, effective pavement management and responsive emergency services to all citizens of Norman and their visitors.

DESCRIPTION:

- Provide for the management, maintenance and construction of street and drainage systems.
- Respond to citizen requests.
- Maintenance of Portland cement concrete, asphalt concrete and chip-sealed streets, and aggregate surfaced rural roads.
- Surface and roadside maintenance for approximately 20 miles of aggregate surfaced rural public roads.
- Provides maintenance and reconstruction/repair of the City’s streets and roadways including roadbed drainage and bridges and culverts.
- Provides emergency disaster response related to flooding, winter storms, severe storms and non-hazardous material chemical spills.
- Coordinates rural roadway improvement projects with Cleveland County.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

TRAFFIC CONTROL

GOALS:

- Provide a transportation system that allows the safe, orderly and predictable movement of all traffic, motorized and non-motorized.
- Provide and maintain the control, guidance and warning devices necessary for the efficient movement of people and goods.
- Respond to citizen requests in a courteous, timely and efficient manner.
- Provide prompt assistance to other City Departments and Divisions.
- Ensure employee safety.

OBJECTIVES:

- Investigate traffic problems reported by the public in a timely manner.
- Complete traffic studies in a timely manner.
- Review plans in a timely manner.
- Maintain high quality pavement markings on roadways with more than 1,000 vehicles per day on average. Stripe high traffic volume roadways (with more than 10,000 vehicles per day) utilizing thermoplastic which is re-striped every 4 to 6 years depending on wear. All other roadways with more than 1,000 vehicles per day are striped annually utilizing waterborne paint.
- Respond to damaged traffic control signs in a timely manner.
- Respond to traffic signal malfunctions in a timely manner.
- Perform preventive maintenance on all traffic signal and parking meter equipment.
- Provide a safe working environment for all employees.
- Maintain traffic signal timing plans for coordination of urban arterials on closed loop systems.
- Respond to neighborhood requests for traffic calming projects.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

NON-DEPARTMENTAL

The “Non-Departmental” divisions are City Boards, Commissions, and several City funded agencies and programs. All of these are funded in the General Fund. They are designated as “Non-Departmental” because they have City-wide impact and because no City personnel are budgeted in these divisions.

DIVISION SUMMARY

010-7081 FIREHOUSE ART CENTER

MISSION:

The mission of the Firehouse Art Center is to serve as a vehicle for the visual arts to the citizens of Norman.

DESCRIPTION:

The Firehouse Art Center is a building owned and maintained by the City of Norman for the purpose of promoting and providing an opportunity for the visual arts to the citizens of Norman. The Firehouse Art Center, Inc. manages the day-to-day operations of the Firehouse. The City of Norman is currently providing funding for the utilities and a contribution to help allow continued operation of the center.

MISSION:

The mission of the Historical Museum is to serve as a museum and facility for special research dealing with local history.

DESCRIPTION:

The Norman and Cleveland County Museum is a house owned and maintained by the City of Norman for the purpose of serving as a museum and a facility for specialist research service dealing with local history for the benefit of the citizens of Cleveland County. The day-to-day operations of the museum are managed by the Norman and Cleveland County Historical Society. Currently, the City of Norman is providing the utility costs and a contribution to help with funding for the continued operation of the museum.

DIVISION SUMMARY

010-2080 NORMAN PUBLIC LIBRARY

MISSION:

Pursuant to a contract with the Pioneer Multi-County Library entered into on July 24, 1962, the City has agreed to provide building maintenance and custodial services for the main Norman branch of the Pioneer Library System (PLS) located at 225 North Webster Avenue.

DESCRIPTION:

The Facility Maintenance Division of the City Clerk's Department performs maintenance services and preventive maintenance programs to reduce repairs. Facility Maintenance also provides custodial service to the Norman Public Library. In FYE 2014 two new library programs were added in Norman. First was the installation of a 24-hour Automated Library Services machine at Irving Middle School through a cooperative agreement between the City of Norman, Norman Public Schools, and PLS. Second, a library satellite was opened as Norman Public Library West in a portion of the Pioneer Library Systems new administrative services facility located at 300 Norman Center Court through a lease agreement with PLS.

010-7086 SANTA FE DEPOT

MISSION:

The Norman Depot shall be available for use by the entire community. As stated in the lease of land 6(a): “The City of Norman agrees to preserve the Depot as an historical landmark and will utilize the building in such a manner as to benefit the entire community – restricted for public use.”

DESCRIPTION:

The City will maintain the building and grounds and make the building available to the community on a rental-reservation basis. The building is also made available to morning Amtrak passengers.

FUND SUMMARY

TOTAL COMMUNITY DEVELOPMENT FUND - CDBG (21)

MISSION:

The mission of the Community Development Fund is to account for the resources allocated to the Community Development Block Grant (CDBG) and related federal and state programs. Projects included in the grants must meet the criteria of activities that either primarily benefit low-to-moderate income persons, or prevent or eliminate slums or blight.

DESCRIPTION:

The Community Development Fund is a special revenue fund established to account for resources from a variety of federal programs funded by the Department of Housing & Urban Development. The fund activities include preparation and submission of grants, implementation and management of projects, monitoring of activities, and record keeping and reporting. Fund divisions reflect multi-year funding as well as different grant programs.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS COMMUNITY DEVELOPMENT FUND

GOALS:

- To provide resources to low-to-moderate income residents of targeted areas to revitalize the infrastructure of their residential areas according to an approved Consolidated Plan, with emphasis on leveraging other resources to accomplish as many improvements as possible.
- To assist social service providers who serve low-to-moderate income persons in the City in finding resources.
- To provide resources for a variety of housing programs to rehabilitate existing housing, including accessibility modifications and emergency repairs; and, to assist in the development of affordable rental housing.
- To provide resources to address the continuum of care for homeless persons.
- To continue support of an anti-poverty program to improve the general quality of life in the community.
- To acquire new resources for the City from available grant funds on a competitive basis through collaborative efforts with other agencies to address unmet needs.

OBJECTIVES:

- Facilitate the design and construction of infrastructure projects.
- Provide technical assistance to social service providers.
- Continue existing housing rehabilitation programs and review and potentially implement additional programs to address more households.
- Continue to facilitate the Continuum of Care Steering Committee as the lead entity for Cleveland County; assist providers of homeless services in an effort to expand the continuum of care from prevention to permanent housing.
- Expand anti-poverty plan to work with additional agencies.
- Partner with and/or provide technical assistance to other appropriate local agencies to acquire new resources to address the needs of low-to-moderate income persons.
- Apply for additional resources, which are available on a competitive basis, to address the needs of low-to-moderate income persons.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Number of social services units of service provided	105,744	154,756	50,000	141,424	0
Number of households assisted through housing programs	53	34	25	38	36
Awarded contract amounts for homeless programs	\$534,031	\$493,278	\$500,000	\$518,797	\$500,000
Funding application amounts submitted (not including CDBG and HOME)	\$576,730	\$493,278	\$500,000	*\$22,780,297	\$500,000

Notes to Results Report:

The information provided for units of service and households assisted is from the most recent Comprehensive Annual Performance Report to HUD – FYE 14

*Funding includes CDBG-DR (disaster relief) for projects related to the 2012 wildfires and 2013 tornadoes – all are infrastructure/road projects.

CDBG – Community Development Block Grant

FUND SUMMARY

TOTAL PUBLIC SAFETY SALES TAX FUND (15)

MISSION:

On May 13, 2008, the citizens of Norman passed a 7-year, one-half percent (1/2%) Public Safety Sales Tax (PSST) in order to increase the number of police officers and firefighters, and to construct two new fire stations. Ordinance O-0708-32 authorized the City to assess the new sales tax beginning October 1, 2008, and terminating on September 30, 2015. On April 1, 2014, the citizens passed a permanent one-half percent (1/2%) PSST in order to maintain the personnel added and to fund public safety equipment and projects.

Beginning in FYE 11, Public Safety Sales Tax revenues and expenditures are reported in Fund 15, Public Safety Sales Tax Fund. Prior to FYE 11, these funds were included in the General Fund.

DESCRIPTION:

The Public Safety Sales Tax Fund accounts for the revenues and expenditures related to the Public Safety Sales Tax. Both Police and Fire Departments have divisions in this Fund to account for the expenditures incurred related to the tax.

SPECIAL INVESTIGATIONS

GOALS:

- Respond to intelligence reports in a timely manner to determine merit and appropriately allocate resources.
- Educate the citizens of Norman about the health, safety, and property concerns associated with illegal use of narcotics, especially prescription drug abuse.
- Create partnerships to prohibit the diversion of legal drugs, specifically with medical professionals and pharmacists.
- Improve and maintain the Narcotic Division’s investigative capabilities in the areas of illicit drug investigations, narcotics interdiction, prescription drug diversion, and technical investigations.

OBJECTIVES:

- Assign intelligence reports with merit for follow-up within 5 working days.
- Disseminate information about drug trends through local media and presentations. Provide representation on local drug and narcotics support group.
- Work with Oklahoma Bureau of Narcotics to identify and collaborate with pharmacists.
- Work with other law enforcement agencies to disrupt transportation and delivery of narcotics/illicit drugs into the Norman community.
- Facilitate training opportunities with NADDI (National Association of Drug Diversion Investigators), NATIA (National Technical Investigators Association), A-One Narcotics Investigators, and NIC (National Interdiction Conference).

DIVISION SUMMARY

25- 2135 JUVENILE PROGRAMS

MISSION:

It is the mission of the Juvenile Division of the Municipal Court is to promote education, prevention and accountability for juvenile offenders rather than only punishment thereby preventing juvenile offenders from becoming more deeply involved in the juvenile justice system thus saving taxpayers money and preventing more citizens from becoming victims of crime.

DESCRIPTION:

The Juvenile Division of the Municipal Court provides juvenile offenders a meaningful opportunity to give back to their community through community service, making them more accountable for their actions by promoting education and prevention programs. In cooperation with various City agencies, education and prevention programs have been developed to support intervention efforts aimed at deterring at-risk youth from possible re-offending. The Juvenile Division provides staff supervision and additional support to assist in guiding youthful offenders into becoming productive citizens.

In FYE 13 this division was under the Legal Department (025-2235).

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

JUVENILE PROGRAMS

GOALS:

- Educate teens and parents on the long term effects of tobacco usage
- Partner with agencies that provide juvenile community service opportunities
- Guide development of independent practice of life skills

OBJECTIVES:

- Provide educational brochure that illustrates correlation regarding familial tobacco usage
- Utilize Tobacco Education Group program (TEG)
- Identify new local agencies interested in participating in community service projects
- Utilize Teens and Parents Partnership program (TAPP) agencies

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Distribute brochure regarding familial tobacco usage and its impact on juveniles to parents of all juveniles with tobacco related charges	55%	55%	60%	0%	0%
Number of students referred to TEG	17	20	50	75	80
Number of community agencies contacted for community service projects	8	2	20	3	5
Number of students assigned to TAPP	87	60	85	18	40

Notes to Results Report:

Brochures regarding tobacco usage are disseminated through the TEG program so we will no longer be tracking this information.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WESTWOOD GOLF COURSE

GOALS:

- To grow the game of golf and create future interest in Westwood as an amenity that can be utilized for individual or family recreation, social activity and as a conduit to conduct business for Norman citizens and citizens from across the state.
- To continue to improve the course and provide an excellent golf facility with outstanding customer service and satisfaction.
- To increase revenue by increasing regular rounds of golf played, memberships, association activity and tournament play.
- To create junior, women’s and couples play.

OBJECTIVES:

- Continue to improve membership programs and promote the men’s, women’s and junior associations to increase customer loyalty and frequency of play by implementing current trend indicators in the golf industry (pricing, programs and procedures) that influence our geographic location.
- Keep membership, association members and all players informed by emailing notices and having greater website ability becoming more proactive to the informational needs of the golfing community.
- Promote the game of golf through our professional teaching staff that has knowledge of golfing technique, principals and equipment to provide the individual golfer’s game.
- Support junior clinics and the Junior Golf Academy.
- Implement the First Tee junior golf program.
- Continue to promote couples and family play and tournaments.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:

Notes to Results Report:

*Number of rounds played is affected by weather, course conditions, price and number of other available golf courses in the area. Also Men’s 9-hole Tournaments played on Thursday evenings from March 29th through September 27th are not included in totals above.

DIVISION SUMMARY

029-7031 WESTWOOD PARK MAINTENANCE

MISSION:

To provide a quality championship golfing facility which will be an asset to the Norman community, as well as an attraction for out of town visitors.

DESCRIPTION:

The Westwood Maintenance Division is responsible for maintaining the grounds and equipment at Westwood Park. The facility is a 137-acre complex, which includes an 18-hole championship golf course, 8 lighted tennis courts, a park with playground and pavilion, a 250-space parking lot and a swim complex. The golf course has approximately 65 acres of intensely maintained turf. There are five full time staff members and approximately 6,000 man-hours of temporary labor during the growing season.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
WESTWOOD PARK MAINTENANCE**

GOALS:

- To maintain a high level of customer satisfaction with the golf course operations.
- To maintain a golf cart fleet that is comfortable, easy to operate, safe and trouble free for the customer.
- To maintain putting greens and other turf areas that are consistent, have a good pace and allow for healthy vigorous turf.
- To provide a safe working environment for Westwood staff.
- To collect customer satisfaction data by customer surveys.

OBJECTIVES:

- Provide a program for customer comments.
- Produce vigorous turf using good cultural practices, as well as an integrated pest management system.
- Conduct regular safety meetings and training sessions.
- Initiate renovation projects.
- Monitor and improve quality of turf on the golf course.
- Achieve 95% customer satisfaction level.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WESTWOOD POOL

GOALS:

- Provide a safe and healthy swim complex for the citizens of Norman and the surrounding communities.
- Manage the swim complex on a self-supporting basis.
- Increase the number of youth swim lesson participants each year.

OBJECTIVES:

- Provide highly qualified staff to monitor use of the complex.
- Provide quality swim lessons to the general public.
- Increase attendance through advertising and positive experiences.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Revenue in excess of operating cost	(\$6,846)*	(\$25,474)**	\$1,000	\$1,000	\$1,000
Number of swim lessons sold	666	775	800	800	800
Number of accidents requiring EMS services	0	0	0	0	0
Total season attendance	27,931	24,844	26,000	26,000	26,000

Notes to Results Report

*Due to higher than normal heat, and drought conditions during the summer of 2013, both gate attendance and swim lesson enrollment was down.

**In FYE 2014, new local competition decreased regular clientele.

ENTERPRISE FUNDS

ENTERPRISE FUNDS

The Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the City is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the City Council has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

UTILITIES DEPARTMENT

GOALS:

- Protect the environment and provide a cleaner, greener Norman for our customers.
- Improve services and minimize costs for our water, water reclamation and sanitation customers through long-term planning, proper maintenance of our systems, proper contract and compliance management, by increasing employee knowledge through training and implementing new technologies where practical and cost effective.
- Increase knowledge of the general public regarding the capabilities of our utility systems and our need to maintain compliance with existing and proposed regulatory requirements.
- Provide a safe workplace for our staff, our contractors, and the general public by minimizing safety related accidents and associated costs.

OBJECTIVES:

- **Protect the Environment:**
 1. Implement best available, cost efficient, treatment technologies to minimize pollutant discharges in our effluent.
 2. Eliminate sewer overflows during construction.
 3. Eliminate discharges of chlorinated water to drainage systems.
 4. Implement construction related Best Management Practices to protect storm waters.
- **Improve Utility Services and Minimize Costs:**
 1. Consider adopted land use plan during planning phase for future projects.
 2. Expand Water Reclamation Facility (WRF) capacity in advance of development in order to maintain the quality of effluent discharged and avoid any WRF bypass of wastewater.
 3. Utilize and maintain water and water reclamation models to determine proper sizing of water distribution and wastewater collection systems to keep pace with development.
 4. Explore alternative funding opportunities (grant funding) to minimize user fees for our customers.
 5. Repair or replace deteriorated sanitary sewer lines and perform before and after flow monitoring to document reduction of infiltration and inflow into the collection system.
 6. Maintain compliance with existing and proposed rules and regulations, and grant conditions where applicable.
 7. Provide timely review of development plans and specifications, and coordinate collection of payback fees and excise tax fees with the Planning Department.
 8. Review City of Norman water, water reclamation and solid waste regulations and, if required, coordinate annual updates with the Public Works Department.
 9. Perform customer satisfaction surveys following construction completion.
- **Increase Knowledge of the General Public:**
 1. Inform the public regarding the need for utility improvements prior to and during implementation.
 2. Educate our customers regarding available technologies and the advantages of implementation.

CITY OF NORMAN

3. Expand the discussion of treated effluent reuse for irrigation, process water and educate the public regarding the advantages of indirect reuse as a water supply.
 4. Inform the public regarding changes to regulations and the impact on the cost of our services.
 5. Increase knowledge of employees so they advance into higher positions.
- Provide a safe workplace:
 1. Minimize Capital Improvement Projects (CIP) construction related accidents or injuries
 2. Maximize OSHA compliance by CIP contractors and City staff
 3. Ensure submission of and compliance with Traffic Control Plans
 4. Reduce citizen complaints during construction

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS
SANITATION / ADMINISTRATION**

GOALS:

- Ensure compliance with Federal and State municipal solid waste requirements.
- Protect the environment.
- Ensure that rates fully recover the costs of service.
- Continue ongoing efforts to prolong the landfill’s life expectancy through recycling and compost operations.
- Supervise and administer the Sanitation Division.

OBJECTIVES:

- Improve administration accountability.
- Ensure personnel have the resources to accomplish the work duties required by management.
- Reduce injury rate in the Sanitation Division.
- Reduce the vehicle accident rate in the Sanitation Division.
- Coordinate various clean up and/or collection programs.
- Ensure public notice regarding clean-up programs and/or service day changes.
- Assist citizens to understand requirements regarding the collection of municipal solid waste.

AND ACCOMPLISHMENTS
SANITATION / COMPOST OPERATIONS**

GOALS:

- Recycle yard waste into compost that meets or exceeds commercial quality standards within 120 days of receipt.
- Provide full access to clients that desire to obtain compost or dispose of yard waste at the compost facility.
- Protect the environment by ongoing efforts to promote the compost program.
- Provide for the safety of the employees and public.

OBJECTIVES:

- Encourage citizens to recycle yard waste and divert yard waste from the landfill.
- Provide a safe working environment for all employees by providing proper safety equipment and training.
- Improve the quality of the compost by reducing dust, odor, and the speed of maturing process.
- Eliminate dust by utilizing sprinkler system.
- Improve the quality of the compost and improve the maturing time by utilizing the effluent water from the Water Reclamation Facility.
- Score 100% on all ODEQ inspections.

SANITATION / RECYCLING OPERATION

GOALS:

- Maintain a recycling program that is convenient to the citizens of Norman.
- Operate a recycling program that is cost effective.
- Promote reuse of recyclable materials.
- Ensure employee safety.
- Target recyclable materials and divert from landfill to an appropriate facility.
- Be a leader in the state with the recycling program.

OBJECTIVES:

- Manage the program where proceeds from recyclable materials are at the highest prices available to the City of Norman.
- Encourage citizens to recycle and divert recyclable waste out of the landfill.
- Provide a safe working environment for all employees by providing proper safety equipment and training.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Revenue earned from recyclables	\$345,705	\$340,961	\$311,135	\$249,176	\$308,024
Revenue earned for set fee of cardboard containers	\$96,624	\$112,828	\$93,750	\$118,124	\$108,750

FUND SUMMARY

TOTAL WATER RECLAMATION FUND (32)

MISSION:

The mission of the Water Reclamation Division is to transport and treat all wastewater, received into the City's sewer system, to a sufficient quality that no negative environmental impact will occur to the South Canadian River and agricultural application site.

DESCRIPTION:

The Water Reclamation Division's responsibility is to transport and treat all wastewater discharged into the City of Norman's sewer system, to a sufficient quality before discharging it into the South Canadian River. In FYE 02, the Water Reclamation Fund reorganized into 5 separate cost centers. On October 1, 2002, a new Sewer Maintenance Fund was created to account for the revenues and operations of the previous Sewer Line Maintenance cost center. In FYE 15, the sewer line maintenance operations were transferred from the Sewer Maintenance Fund.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
WATER RECLAMATION / ADMINISTRATION

GOALS:

- Maintain permitted water quality requirements.
- Reduce operational and maintenance cost.
- Provide safe working conditions for all plant staff.
- Cross-train the majority of the staff members in operations, maintenance, centrifuge operations and laboratory analysis.

OBJECTIVES:

- Improve energy conservation through enhanced operator and maintenance input.
- Continue providing safety training for all staff members.
- Provide training for operators and maintenance staff for license upgrades.
- Facilitate cross-training by giving employees time to cross-train in other departments.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 15 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Maintain all water quality requirements	100%	100%	100%	80%	100%
Formal safety training hours per employee	12	12	12	12	12
Formal operations training hours per operator	6	8	8	8	8
Employees cross-trained	3	4	3	3	2

Notes to Results Report:

Water quality is linked to seasonal changes in influent temperatures, pH, dissolved oxygen and aeration basin operation. A proactive approach is taken to eliminate changes in water quality.

DIVISION SUMMARY

032-5545 WATER RECLAMATION / BIO-SOLIDS

MISSION:

To provide a high quality and environmentally sound bio-solids recycling service to permitted landowners.

DESCRIPTION:

The Bio-Solids Division provides support to the wastewater treatment facility by safe handling, transportation and disposal of the treated bio-solids.

PERSONNEL:

AND ACCOMPLISHMENTS**
WATER RECLAMATION / BIO-SOLIDS

GOALS:

- Comply with all Environmental Protection Agency’s and Oklahoma Department of Environmental Quality regulations relating to the safe transportation and beneficial use of agricultural application of bio-solids.
- Increase the number of hours of formal and informal training.
- Cross train other WRF staff on bio-solids process and procedure.

OBJECTIVES:

- Continue safe operation of highway and field equipment.
- Maintain compliance with the City of Norman’s ODEQ approved Sludge Management Plan.
- Conduct in-house training sessions on bio-solids process and procedure.
- Allow for bio-solids staff to attend both practical and class room training.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Reportable number of vehicular accidents	0	0	0	0	0

 PSRP- Process to Significantly Reduce Pathogens

DIVISION SUMMARY

032-5010 WATER RECLAMATION / ENGINEERING

MISSION:

To provide an environmentally safe, efficient and cost-effective wastewater treatment to the community for discharge to the South Canadian River.

DESCRIPTION:

In previous years, an interfund transfer from the Water Reclamation Fund to the General Fund was made for 25% of the salary and benefits of a Development Engineer in the Public Works Department. Beginning in FYE 12, this cost is directly charged to this Water Reclamation division.

DIVISION SUMMARY

032-5543 WATER RECLAMATION / ENVIRONMENTAL SECTION

MISSION:

- To help protect human health, the environment, and the publicly owned treatment works.
- To help ensure City compliance with its Oklahoma Pollutant Discharge Elimination System (OPDES) permit.
- To be proactive in waste reduction.
- To assist citizens, businesses and the City government in preventing pollution.
- Act as the Utilities Department representative on environmental issues.

DESCRIPTION:

The Environmental Section provides support to the Water Reclamation Treatment Facility, Line Maintenance Division, and Sanitation Division by monitoring and controlling pollutants that could cause harm to employees, citizens, environment and City property. This Section also assists other divisions in helping them maintain compliance with environmental permits and requirements.

WATER RECLAMATION / ENVIRONMENTAL SECTION

GOALS:

- Comply with the requirements of the Federal General Pretreatment Regulations at 40 CFR, Part 403.
- Comply with the pretreatment requirements in Part II, Section D of the City’s OPDES Permit.
- Establish programs that will assist citizens in reducing pollutants.
- Recover costs for excessive strength waste, laboratory analysis, and other program expenses.

OBJECTIVES:

- Maintain an up-to-date industrial user database.
- Monitor industrial user compliance with pretreatment regulations.
- Monitor POTW treatment plant influent and effluent for pollutants listed at 40 CFR, Part 122, Appendix D, Tables II and III.
- Administer the Best Management Programs for fats, oil and grease dischargers.
- Publicize and conduct an annual Household Hazardous Waste Collection event.
- Maintain coordination with Storm Water Program Coordinator to ensure pollution prevention in receiving stream.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:

DIVISION SUMMARY

032-5544 WATER RECLAMATION / LABORATORY

MISSION:

To provide cost effective, reliable, timely laboratory data that meets the requirements of the U.S. Environmental Protection Agency and the Oklahoma Department of Environmental Quality for bio-solids application, discharge monitoring reports, and facility process control.

DESCRIPTION:

The Laboratory Division provides support to the Water Reclamation Facility by performing laboratory analysis for effective process control, water quality assessment, and data computation for DEQ Discharge Monitoring Reports. This division also manages the Sludge Management Program and provides our regulatory agencies documentation as needed.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER RECLAMATION / OPERATIONS & MAINTENANCE

GOALS:

- Comply with all Environmental Protection Agency and Oklahoma Department of Environmental Quality regulations relating to our OPDES permit.
- Increase the hours of formal and informal training.
- Increase the amount of unscheduled work orders.

OBJECTIVES:

- Maintain compliance with OPDES permit.
- Conduct in-house training on plant process and allow time for off-campus training.
- Train staff on work order entry protocol and provide incentive for completion of unscheduled work orders.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

032-5552 WATER RECLAMATION / SEWER LINE MAINTENANCE

MISSION:

The Sewer Line Maintenance Division is responsible for safely transporting wastewater from the community and commerce to the water reclamation facility. The water reclamation system is maintained in such condition as to minimize service disruption, household backup or overflow into the environment. Public health and safety are the primary focus of this Division along with employee safety and development.

DESCRIPTION:

Sewer Line Maintenance personnel maintain approximately 494 miles of sanitary sewer mains, sixteen sewage pumping stations, and 11,608 manholes. Personnel are on duty from 8:00 a.m. to 5:00 pm Monday-Friday, and on call 24 hours a day to ensure quick response to main breaks, sewer main stoppages, overflows and lift station malfunctions.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER RECLAMATION / SEWER LINE MAINTENANCE

GOALS:

- Hydroclean 75% of 12” and under collection mains annually.
- Respond to and resolve collection system obstructions within 45 minutes during business hours.
- Respond to and resolve collection system obstructions within 2 hours during emergency call back.

OBJECTIVES:

- Minimize sewer backups
- Quick response to citizen and commerce requests for service
- Reduce on-the-job injuries
- Treat a minimum of 100,000 linear feet of sewer main for roots
- Clean a minimum of 1,800,000 feet of sewer main
- CCTV a minimum of 350,000 feet of sewer main
- Maintain a comprehensive lift station program
- Reduce number of unpermitted sanitary sewer overflows
- Respond to 95% of utility locate requests within 48 hours

DIVISION SUMMARY

031-5010 WATER / ENGINEERING

MISSION:

To provide quality utility service to our customers in the most efficient and professional manner possible.

DESCRIPTION:

In previous years, an Interfund transfer from the Water Fund to the General Fund was made for 25% of the salary and benefits of a Development Engineer in the Public Works Department. Beginning FYE 12, this cost is directly charged to this Water division.

DIVISION SUMMARY

031-5533 WATER / UTILITIES MODELING

MISSION:

To maintain the water and wastewater computer models in order to determine the impact of rehabilitation and new development upon the City's utility infrastructure; to maintain accurate and complete information relating to the City's water and water reclamation infrastructure.

DESCRIPTION:

The Division provides maps, analyses, and model runs of water and wastewater infrastructure for the Department of Utilities. The Division also provides technical support for the CityWorks work order tracking program and assistance in integrating information from the camera inspection vehicle into the City's GIS. The Division is also the primary resource for utility facility inventory tracking as required by GASB34.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
WATER / UTILITIES MODELING

GOALS:

- To respond swiftly and courteously to requests for information and provide quality service.
- To promote integration among utility databases having a geographic component to improve the City’s reporting and planning capacity.

OBJECTIVES:

- Maintain water and wastewater models.
- Produce all appropriate informational maps and reports through the GIS system.
- Maintain water and water reclamation atlases as current information.
- Reduce the time between receipt of as-built and integration of utility improvements into the Utility GIS database; work with line maintenance field personnel to increase accuracy of Utility GIS database.
- Provide support to GIS and Utilities applications, particularly CityWorks work order management system.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Update new subdivision, water and sewer information into database within 1 month of receipt of as-built of the final plat	60%	80%	60%	60%	60%
Complete map requests within 2 days or by specified deadline	100%	100%	99%	99%	99%
Complete all custom requests for model runs within 1 week or by specified deadline	100%	n/a*	99%	99%	99%
Provide technical support to assist line maintenance staff in the completion of reporting for regulatory compliance by required deadlines	100%	100%	99%	99%	99%

Notes to Results Report:

FYE 2013 – As-built data entry delayed due to position being vacant the last month of FYE 2012 and the first 2 months of FYE 2013.

FYE 2014 – Some as-built data entry was delayed due to plat information not being available when the as-builts were received.

*FYE 2014 – There were no model run requests.

GIS – Geographic Information Systems

DIVISION SUMMARY

031-5550 WATER / LINE MAINTENANCE ADMINISTRATION

MISSION:

The mission of the Line Maintenance division is to manage the daily operation and maintenance of the water distribution and wastewater collection systems in such a manner that reliable, effective and efficient service is provided to the citizenry of Norman.

DESCRIPTION:

Utility Line Maintenance Administration manages two sections, Water Line Maintenance and Sewer Line Maintenance, along with capital projects relating to the construction/rehabilitation of the water and collection systems. The administrative staff oversees all expenditures related to the division and follows, local, state and federal reporting procedures. All division employees including the administrative technicians are licensed by the Oklahoma Department of Environmental Quality (ODEQ). Administrative staff administers the required ODEQ training for staff members to ensure that necessary skills are obtained to safeguard public health and safety.

AND ACCOMPLISHMENTS**
WATER / LINE MAINTENANCE ADMINISTRATION

GOALS:

- Manage the water and sewer maintenance sections in such a manner as to provide optimum services to the citizens of Norman.
- Arrange for annual training of all Division personnel to ensure compliance with State of Oklahoma licensing procedures and statutes.
- Adhere to state and federal guidelines for data collection and reporting.
- Publish annual CMOM (Capacity, Management, Operation and Maintenance) report for the sewer system of the City of Norman within established deadline.
- Process all Division-received invoices within 3 working days of receipt.
- Complete capital projects within the fiscal year
- Manage the history of maintenance, repairs, and customer service requests utilizing the CityWorks asset management program of the City.
- Continue to place a great emphasis on the proper management of its water and sewer system network.

OBJECTIVES:

- Provide adequate training for all personnel.
- Provide efficient and effective assistance to citizens in resolving complaints.
- Submit regulatory compliance data to state and federal agencies with rule-specific guidelines
- Collect and arrange data monthly for annual published report.
- Process all invoices when received to meet payment authorization schedule.
- Maintain an organized project meeting schedule to review the status of all Line Maintenance Division capital projects.
- Process all daily work report data utilizing work order system through the CityWorks program.
- Reduce lost time due to injuries through monthly safety training meetings.

DIVISION SUMMARY

031-5551 WATER / LINE MAINTENANCE

MISSION:

The mission of the Water Line Maintenance Division is to transport clean drinking water from point sources within the distribution system to public and private users. The water distribution system is to be maintained in such a manner that the drinking water is safe and that adequate fire suppression supply and storage is available at all times. Public health and safety are the primary focus of this section along with employee safety and development.

DESCRIPTION:

The Water Line Maintenance Division is responsible for maintenance of approximately 590 miles of water lines and associated 5,812 fire hydrants and 10,052 line valves, along with five water storage towers. New water meter services, as well as maintenance on over 38,234 existing water meters, are provided by Division personnel.

Personnel are on duty from 8 a.m. until 5:00 p.m. five days a week, with all personnel subject to emergency callback to ensure public health and safety.

AND ACCOMPLISHMENTS
WATER / LINE MAINTENANCE**

GOALS:

- Maintain an infrastructure capable of transporting an adequate supply of potable water for the purpose of consumption, irrigation and fire suppression.
- Maintain a level of service for new meter installations so as not to create unnecessary delays in construction or disruption in customer service.
- Locate underground water lines as part of the Oklahoma One-Call System, Inc. to protect the City’s infrastructure.
- Maintain residential Automatic Meter Reading (AMR) water meter installation.
- Maintain a comprehensive valve and fire hydrant maintenance program.
- Provide a stable and safe working environment.

OBJECTIVES:

- Minimize disruptions in customer service, by effectively maintaining the water distribution system, water towers, and fire hydrants.
- Respond to customer service requests within 30 minutes during business hours.
- Install new meters and services in an efficient manner. (National benchmark is 15.6 hours per set; City of Norman is less than 12 hours).
- Respond to 95% of Oklahoma One-Call System, Inc. locate calls for contractors and citizens of Norman within 48 hours.
- Install 600 AMR meters per year.
- Reduce on-the-job injuries through safety and education.
- Replace 10,000 linear feet of ductile iron and cast iron pipe annually.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

031-5531 WATER / TREATMENT PLANT ADMINISTRATION

MISSION:

The overall mission of the Water Treatment Division is to efficiently provide safe high quality potable water to the City of Norman. The function of the Administration Division of the Water Production Group is to provide administration and over-sight of the other three water production divisions: Water Treatment Plant, Water Wells and Water Laboratory.

DESCRIPTION:

The Administration Division facilitates the work of the other water production divisions by coordinating work efforts, filing required reports, ordering materials and parts, ensuring safety of the workplace and providing training.

**DIVISION SERVICE EFFORTS
AND ACCOMPLISHMENTS**
WATER / TREATMENT PLANT ADMINISTRATION

GOALS:

- Provide the other three divisions with the support they need to perform their functions effectively and efficiently.
- Ensure employee safety and increase training within the work force.
- Inform and educate the public on various water issues.
- Provide service to the customer at the minimum possible cost consistent with producing high quality water.

OBJECTIVES:

- Continue to develop and refine the water production model designed to meet daily water demand.
- Stay within the allocation for water from Lake Thunderbird.
- Protect water levels and water quality in the wells.
- Minimize water production costs
- Minimize reliance on water from Oklahoma City
- Retain higher skilled, cross-trained workers.

DIVISION SUMMARY

031-5536 WATER / LABORATORY

MISSION:

- Efficiently provide and maintain a laboratory where Water Treatment Plant (WTP) staff can promptly and accurately analyze water samples for various chemical and bacterial constituents.
- Effectively communicate with WTP staff in an effort to meet all DEQ and EPA regulated constituents and reporting requirements.
- Support other divisions.
- Educate the community about water safety and quality.
- Address citizen complaints and concerns regarding water quality of private water wells and City of Norman water system.

DESCRIPTION:

- Monitor water quality testing and accept responsibility for this data on Monthly Operations Report to the Oklahoma Department of Environmental Quality (ODEQ)
- Maintain the State Certification for the Bacteriological Laboratory.
- Collect and arrange for the analysis of tap, well, and distribution system samples for bacterial and chemical contamination.
- Communicate with DEQ to coordinate sampling and data reporting.
- Analyze samples from other public water systems and the public for bacterial contamination.
- Assist the public with drinking water complaints and private well contamination questions.

WATER / LABORATORY**

GOALS:

- Maintain certification from the DEQ for bacterial testing.
- Minimize the number of bacterial samples rejected due to lab error.
- Ensure the WTP and Well field meet all DEQ and EPA regulations for water quality, testing, monitoring and reporting.
- Evaluate and carry out new chemical and bacterial testing regulations.
- Respond to customer complaints and inquiries in a professional and timely manner.
- Provide data and information to consultants and support Water Treatment Division capital projects.
- Maintain records of the Water Treatment testing for use by ODEQ, citizens, staff, and consultants.

OBJECTIVES:

- Bacteriological Laboratory will pass all performance tests and DEQ inspections.
- Collect all required samples, submit for analysis, and review data for accuracy.
- Submit all data to regulatory agencies within the allowed timeframe.
- Read published information on upcoming regulations and relevant research and inform supervisor of the impact on the Water Treatment Division.
- Fully document all complaints, inquiries in writing and respond to each situation appropriately.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / TREATMENT PLANT

GOALS:

- Provide the City with safe, clean water.
- Operate the water plant and water wells to meet demand and maximize water quality.
- Maintain the water plant in good operating condition.

OBJECTIVES:

- Maintain tap turbidity below 0.10 NTU.**
- Work with contractor to keep plant operational as much as possible during plant expansion construction.
- Operate the water production facilities to meet water demand.
- Continue use of maintenance database to capture more of the maintenance activities.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

	FYE 13 ACTUAL	FYE 14 ACTUAL	FYE 15 PLAN	FYE 16 ESTIMATE	FYE 16 PROJECTED
PERFORMANCE INDICATORS:					
Percentage of time tap turbidity was less than 0.1 NTU (quality)	51%	64%	95%	71%	95%
Percent of bacterial water samples passing (quality)	99.2%	99.7%	100%	99.9%	100%
Number of complaints on water quality or pressure	22	66	45	175	45
Water production, million gallons per day					
Average day	12.3	12.4	12.0	9.3	12.0
Maximum day	24.8	20.6	22.0	20.6	22.0

Notes to Results Report:

**NTU, or Nephelometer Turbidity Units, is a measure of water clarity. Regulations require being less than 0.3 NTU for 95% of the time. Our standards are higher, being below 0.1 NTU for 95% of the time.

DIVISION SUMMARY

031-5535 WATER / WATER WELLS

MISSION:

To ensure the City's water wells are available to the Plant Division to provide potable water to the citizens and visitors of Norman.

DESCRIPTION:

The Division maintains the City's water wells in good operating condition including mowing around wells and water towers.

INTERNAL SERVICE FUNDS

INTERNAL SERVICE FUNDS

The Internal Service Funds account for the financing of goods or services provided by one department to other departments on a cost-reimbursement basis.

DEPARTMENT SUMMARY

TOTAL RISK MANAGEMENT FUND (43)

MISSION:

To administer an effective citywide Risk Management program that assists departments in developing employees motivated to work safely in a safe environment.

DESCRIPTION:

The Risk Management / Insurance Fund accounts for health insurance claims against the City including judgments and claims, workers' compensation and unemployment compensation.

Beginning in FYE 12, this function became Fund 43 – Risk Management / Insurance Fund, an internal service proprietary fund.

DIVISION SUMMARY

043-2251 JUDGMENTS AND CLAIMS

MISSION:

Account for and monitor all expenditures related to judgments and claims.

DESCRIPTION:

Established to record all expenditures throughout the fiscal year relating to judgments and claims. A judgment is defined as an amount to be paid or collected by a government as the result of a court decision. Judgments are placed on ad valorem (property) rolls and revenues are transferred from Debt Service Fund to cover claims and expenditures.

Claims are defined in the Governmental Tort Claims Act and are paid administratively or by City Council approval.

Beginning in FYE 12, this function became a division of Fund 43 – Risk Management / Insurance Fund, an internal service proprietary fund.

DIVISION SUMMARY

043-3002 WORKERS' COMPENSATION

MISSION:

To account for and monitor all workers' compensation related expenditures.

DESCRIPTION:

An account established to record all workers' compensation related expenditures throughout the fiscal year. The expenditures consist of payments on all on-the-job-injuries (OJI) medical treatments, subsequent workers' compensation temporary total disability (TTD) payments and workers' compensation court judgments related to an employee's original OJI injury. Claims are submitted to the Legal Department for review, and if approved, are paid directly by the City.

Beginning in FYE 12, this function became a division of Fund 43 – Risk Management / Insurance Fund, an internal service proprietary fund.

CAPITAL PROJECTS FUNDS

CAPITAL PROJECTS FUND

The Capital Projects Fund is established to account for capital projects funded with sales tax revenue. All capital projects, regardless of the source of funding, are identified and tracked in the Capital Improvements Plan document.

FUND SUMMARY

TOTAL CAPITAL PROJECTS FUND (50)

MISSION:

The mission of the Capital Projects Fund is to provide capital needs of the General Fund, supported services in accordance with City goals, policies and strategies as defined in COMPLAN and Five Year Capital Plan. Revenues are derived from the 70% of the second cent sales tax and part of the Room Tax that is dedicated to parks.

DESCRIPTION:

The Capital Improvements Fund is established to account for capital projects funded with sales tax money. Seventy percent (70%) of one cent (\$.01) sales tax is set aside for capital improvements and allocated as follows: 7% contingency, 27% capital outlay (primarily used for vehicle replacements, and other general departmental capital equipment needs), 25% street projects, 5% maintenance of facilities, and 36% other General Fund supporting capital projects. See the Capital Improvements Five-Year Plan FYE 15 - FYE 19 for a detailed analysis of Capital Project Fund.

**OUTSTANDING
DEBT**

OUTSTANDING DEBT

This section includes all outstanding debt related to the General Fund and the Enterprise Funds.

The General Debt Service Fund is established to account for the receipt of monies collected for the payment of general obligation debt and the receipt of monies for the reimbursement of claims and judgments that the City has been ordered to pay.

Schedules for debt service payments made by Enterprise Funds are also included.

FUND SUMMARY

TOTAL GENERAL DEBT SERVICE FUNDS (60)

MISSION:

The Debt Service Fund accounts for the accumulation of financial resources for the payment of interest and principal on the general long-term debt of the City, other than debt service payments made by enterprise funds.

DESCRIPTION:

Account for and monitor tax levies and other financial resources for the payment of interest and principal on the general long-term debt of the City of Norman.

Main Street of Norman

- OU Western History Collection, E.E. Dale #211

PENSION FUNDS

PENSION FUNDS

The City of Norman contributes to three separate retirement systems on behalf of City employees.

- Employee Retirement System
- Oklahoma Firefighters Pension and Retirement System
- Oklahoma Police Pension and Retirement System

Each of these retirement systems is administered by entities other than the City of Norman and as a result the City does not exercise budgetary control. Therefore, they are not included in the budget as separate funds of the City. It should be noted that the cost of contributions to the system by the City is a part of the City's budget and shows up as a part of salaries and benefits.

a design for living

APPENDIX

GLOSSARY OF TERMS and ACRONYMS

ACTIVITY - A specified and distinguishable line of work performed by a Division.

ACCRUAL BASIS – The accrual basis of accounting recognizes revenues in the period earned and expenses in the period incurred rather than when cash is received or paid.

AD VALOREM TAX – An ad valorem property tax is a tax imposed on the basis of the “value of the article or thing taxed.” An ad valorem tax is usually imposed at recurring intervals on the same piece of property.

ADA – American Disabilities Act

AFIS – Automated Fingerprint Identification System

APPROPRIATION - A legal authorization made by the City Council which permits City officials to incur obligations for a specific purpose. Each appropriation is made at the Fund and Department level, which is the highest level of budget control.

ASSESSED VALUATION - A value set upon real estate or other property by a government as a basis for levying taxes.

ASSETS - Resources owned or held by the City which has monetary value.

BALANCED BUDGET - The City shall annually adopt a balanced budget in accordance with the Oklahoma Municipal Budget Act (Title 11 Oklahoma Statutes 2006). As such, expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget (i.e., a fund balance cannot be negative).

BASIN – An area defined by the network of sewer line segments that are tributary to and terminate at a designated and control point.

BIOLOGICAL OXYGEN DEMAND (BOD) – A standard measure of wastewater strength that quantifies the oxygen consumed in a stated period of time, usually 5 days and at 20°C.

BIOLOGICAL PROCESS – The process by which the metabolic activities of bacteria and other microorganisms break down complex organic materials to simple, more stable substances.

BIOSOLIDS – Solid organic matter recovered from municipal wastewater treatment that can be beneficially used, especially as a fertilizer. Biosolids are solids that have been stabilized within the treatment process, whereas sludge has not.

BOND - A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayments of the principal are detailed in a bond ordinance. The most common type of bonds is general obligation (GO) and revenue (Water/Sewer) bonds. These are most frequently used for construction of large capital projects, such as buildings and streets.

BUDGET - A plan of financial operation embodying an estimate of proposed means of financing them. The term usually indicates a financial plan for a single fiscal year. The term “budget” is used in two senses in practice. Sometimes it designates the financial plan presented to the City Council for adoption and sometimes it designates the plan finally approved by the body. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether it has been approved by the appropriating body.

BUDGET YEAR – July 1 through June 30

BUDGETARY CONTROL - The control or management of the organization in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available resources.

CAFR – Comprehensive Annual Financial Report

CAPITAL IMPROVEMENT CHARGE (CIC) – A charge placed upon all consumers and users of sewer or water service furnished by the City. The current CIC is \$1.00 per month for a residential customer. City Code Section 21-107 (a)(1) requires the CIC amount to equal 60 percent of the actual monthly sewer charge for commercial and industrial customers. The CIC was implemented on March 24, 1970, as part of Ordinance 2156.

CAPITAL OUTLAY - Expenditures that result in the acquisition of or additions to fixed assets.

CAPITAL PROJECT FUNDS – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for financial resources segregated for the acquisition, construction or other improvement related to Capital Facilities other than those accounted for in Enterprise Funds and Trust Funds.

CBOD – Carbonaceous Biochemical Oxygen Demand

CDBG – Community Development Block Grant Program

CFR – Code of Federal Regulations

CHIEF EXECUTIVE OFFICER – City Manager

CLEET – Council on Law Enforcement Education and Training

CNG – Compressed Natural Gas Vehicles

COLLECTION SYSTEM – In wastewater, a system of conduits, generally underground pipes, that receives and conveys sanitary wastewater and/or storm water. In water supply, a system of conduits or canals used to capture a water supply and convey it to a common point.

COMCD – Central Oklahoma Master Conservancy District

CONNECTION FEE – Previously known as the tap fee, was first developed in 1970. A charge for sewer or water connection based upon the size of the service line leading into and to be utilized for the furnishing of water or sewer to any user or structure. Monies received from the connection charge are evenly divided between the City of Norman’s Water and Wastewater Funds. Collected fees are used to fund activities performed in both the water and sewer utility systems.

CORE AREA – Boundaries are officially Berry Road on the west, Robinson on the north, 12th Avenue on the east, and Constitution / Imhoff extended on the south.

COST ALLOCATION - Distribution of costs of centrally provided support services such as management, accounting, purchasing, payroll, information services, and legal.

DEBT SERVICE - The City's obligation to pay the principal and interest of general obligation and revenue bonds according to a predetermined payment schedule.

DEFICIT - The excess of the liabilities of a fund over its assets, or the excess of expenditures over revenues during an accounting period.

DEPARTMENT - A section of the total organization which is comprised of Divisions and is under the oversight of a Director who reports to the City Manager.

DEPRECIATION – The decrease in value of physical assets due to use and passage of time.

DEQ – Department of Environmental Quality

DIVISION - A sub-section of a Department which carries out a specific line of work assigned to the Department.

DMR – Discharge Monitoring Report

DO – Dissolved oxygen

DOF – Department of Finance

DUI – Driving Under the Influence

DTMF – Dual-tone-multi-frequency or “touch-tone”

E911 – Emergency 911 Telephone Fund

ECAB – Environmental Control Advisory Board

EEOC – Equal Employment Opportunity Commission

EFFLUENT – Partially or completely treated water or wastewater flowing out of a basin or treatment plant.

EID (Environmental Information Document)– The document which provides the basic information about a project and its environmental effects.

EMD – Emergency Medical Dispatch

EMS – Emergency Medical Services

EMT-B – Emergency Medical Technician-Basic

EMT-P – Emergency Medical Technician-Paramedic

ENCUMBRANCE - A commitment related to unperformed contracts or goods or services. Encumbrances represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed.

ENTERPRISE FUND - A fund established to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

EPA – Environmental Protection Agency

EXCISE TAX – An excise tax is any tax, which is not an ad valorem tax and is generally imposed on the performance of an act, engaging in an occupation, or enjoying a privilege.

EXPENDITURES (EXPENSES) - Decrease in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures.

FACE VALUE (PAR, PRINCIPAL) – The full amount of an investment security, usually appearing on the face of the instrument.

FIDUCIARY FUNDS (TRUST & AGENCY FUNDS) – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for assets held by the municipality as trustee or agent for individuals, private organizations or other governmental units or purposes.

FISCAL YEAR - The time period designated by the City signifying the beginning and ending period for recording financial transactions. The City of Norman has a fiscal year of July 1 through June 30.

FIXED ASSETS - Long-lived tangible assets obtained or controlled as a result of past transactions, events, or circumstances. Fixed assets include buildings, equipment, and improvements other than building and land.

FT – Full-time (employee)

FUND - A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

FUND BALANCE - Fund balance is the excess of assets over liabilities.

FUND BALANCE - RESERVED FOR DEBT SERVICE - A portion of fund balance that is legally restricted to the payment of long term debt principal and interest maturing in future years.

FY – Fiscal Year

FYE – Fiscal Year Ending

GAAP – Generally Accepted Accounting Principles

GASB – Government Accounting Standards Board

GENERAL FUND – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for all monies received and disbursed for general governmental purposes.

GENERAL OBLIGATION BONDS (GO) - Legal debt instruments, which finance a variety of public projects such as streets, buildings, and improvements. These bonds are backed by the full faith and credit of the issuing government and are financed through property tax revenues.

GF – General Fund

GFOA – Government Finance Officers Association

GIS – Graphical Interface System

GO – General Obligation (bond)

GOVERNING BODY- City Council

HEADWORKS – The initial structure and devices located at the receiving end of a water or wastewater treatment plant.

HHW – Hazardous Household Waste Program

HOME – Home Investment Partnerships Program

HUD – Housing and Urban Development

HVAC – Heating Vent Air Conditioning

I / I – An abbreviation for Infiltration and Inflow into the Sanitary Sewer System.

IMPACT FEES – Fees collected from developers and set aside to help fund infrastructure adjustments within the community. Monies to be used as the development further impacts the municipality.

INFILTRATION – Groundwater that enters into the sanitary sewer through defects in the pipes and manholes such as cracks, separated joints, deteriorated manhole components, building foundation drains, and defective service laterals.

INFLOW – Surface storm water that enters into the sanitary sewer through direct sources such as vented manhole covers, downspouts, area drains, and uncapped cleanouts.

INTERCEPTOR – Sanitary sewer interceptors are those lines that convey sewage from neighborhood to neighborhood in route to the wastewater treatment plant. Pipe diameters are generally larger than lines placed within residential developments.

INTERGOVERNMENTAL REVENUE - Grants, entitlements and cost reimbursements from another federal, state or local government.

ISO – International Organization for Standardization standards

INTERNAL SERVICE – Category expenditure for services and maintenance provided by a vendor that is another department within the City.

INTERNAL SERVICE FUND - A fund used to account for the financing of goods or services provided by one department or agency to other departments of a government, on a cost-reimbursement basis.

ISSUER – A political subdivision (city, county, state, authority, etc.) that borrows money through the sale of bonds or notes. The City of Norman is an issuer of General Obligation Bonds and the Norman Utilities Authority and Norman Municipal Authority are issuers of Revenue Bonds.

LAND APPLICATION – The disposal of wastewater or municipal solids onto land under controlled conditions.

LEVY - (Verb) To impose taxes, special assessments or service charges for the support of government activities. (Noun) The total amount of taxes, special assessments or service charges imposed by a government.

LIABILITIES - Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

LIFT STATION – A pumping facility that conveys wastewater flow, from an area that would not naturally drain to the wastewater treatment plant, into the gravity sewer system for delivery and treatment.

LINE ITEM BUDGET - A budget prepared along divisional line items that focus on what is to be bought.

MATERIALS AND SUPPLIES – Category expenditures generally for consumable goods that are used by City employees.

MATURITY – The date when the principal amount of an investment security becomes due and payable.

MSW – Municipal Solid Waste

MUNICIPALITY – City of Norman

NAHC – Norman Arts & Humanities Council

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) – Program in the U.S. to issue, monitor, and enforce pretreatment requirements and discharge permits under the Clean Water Act.

NEDC – Norman Economic Development Coalition

NFPA – National Fire Protection Agency

NIMS – National Incident Management System

NMA – Norman Municipal Authority – Established in April 1965 includes financing and operating the Westwood Park recreational facilities and sanitation services for the City.

NPDES – National Pollutant Discharge Elimination System

NTU – Nephelometer Units

NUA – Norman Utilities Authority – Established in February 1970 includes financing and operating the utility systems for the City (water and wastewater).

NYSCA – Norman Youth Sports Coaches Association

OBJECT - Expenditure classification according to the types of items purchased or services obtained.

ODEQ – Oklahoma Department of Environmental Quality

OFPRS – Oklahoma Firefighters Pension & Retirement System

OJI – On-the-Job Injury

OMCCA – Oklahoma Municipal Court Clerks Association

OPERATING BUDGET - Plans of current expenditures and the ADOPTED means of financing them. The annual operating budget is the primary means by which most of the financing acquisition, spending, and service delivery activities of the City are controlled. The use of annual operating budgets is required by State Law.

OPDES – Oklahoma Pollutant Discharge Elimination System

OPPRS – Oklahoma Police Pension & Retirement System

OSHA – Occupational Safety Hazard Association

OTHER SERVICES AND CHARGES – Services provided to the City of Norman by outside vendors.

OVERFLOW – A condition in which the wastewater flow rate in a sewer system exceeds the capacity of the sewer to the extent that raw wastewater is discharged directly to storm and drainage systems.

PAYBACK ORDINANCE – Ordinance (O-9697-30) allows the City Council to appropriate funds to pay costs of extending wastewater and water lines from an existing location to, alongside or beyond the boundaries of a developer's new construction.

PC – Personal Computer

PER CAPITA DEBT - The amount of a government's debt divided by its population.

PERSONAL SERVICES - Cost related to compensating employees, including salaries, wages, insurance, payroll taxes, and retirement contributions.

PPT – Permanent Part-time (employee)

PRIVATE SECTOR – Those facilities which are owned and maintained by property owners other than the municipality.

PROPERTY TAX - Taxes levied on all real and personal property according to the property's valuation and the tax rate, in compliance with State Property Tax Code.

PSRP – Process to Significantly Reduce Pathogens

PT – Part-time (employee)

PSST – Public Safety Sales Tax

PUBLIC SECTOR – Those facilities which are operated and maintained by the municipality.

QC – Quality Control

REAL PROPERTY - Property classified by the State Property Tax Board including residential, single, and multi-family, vacant lots, acreage, farm and ranch improvements, commercial and industrial, and oil, gas, and other mineral reserves.

REFUNDING – A system by which a bond issue is redeemed by a new bond issue under conditions generally more favorable to the issuer (lower interest rate; fewer restrictions, etc.).

REPLACEMENT COSTS - The cost as of a certain date of a property which can render similar service (but which need not be of the same structural form) as the property to be replaced.

RESERVE, CAPITAL - A portion of fund balance equal to the average of the forecasted capital expenditures during the five-year forecasted period has been reserved in each fiscal year budget to provide assurance that resources are available to provide for the normal replacement of depreciable assets.

RESERVE, DEBT - A portion of fund balance equal to the average annual debt service requirement that has been reserved to provide assurance that resources are available to meet each fiscal year's debt service payment.

RESERVE, (DEFICIT) - The amount by which fund balance does not meet all reserve requirements.

RESERVE, LEGAL - A portion of fund balance that is not appropriate for expenditures or is legally segregated for a specific future use.

RESERVE, OPERATING - A portion of fund balance that has been reserved in each fiscal year budget to protect service delivery from unexpected revenue loss or expenditure requirement.

RESERVE, SURPLUS - A portion of fund balance that is not reserved for any specified purpose, and may be appropriated for one-time expenditures as needed.

REVENUE - Increases net total assets from other than expense refunds, capital contributions, and residual equity transfers. Funds received as income.

REVENUE BONDS - Legal debt instruments which finance public projects for such services as water or sewer. Revenues from the public project are pledged to pay principal and interest of the bonds.

RFP – Request for Proposal

ROI – Return on Investment

ROW - Right-of-Way

SALARIES AND BENEFITS – Payments direct to full and part-time City of Norman employees for services performed, including contributions to retirement and pensions, social security, health insurance uniform allowances and related expenses.

SALES TAX – A tax levied by the City on retail sales of tangible personal property and some services.

SERVICES AND MAINTENANCE – Services provided to the City of Norman by outside vendors.

SIU – Significant Industrial User

SLUDGE – Accumulated and concentrated solids generated within the wastewater treatment process that have not undergone a stabilization process.

SOP – Standard Operating Procedures

SPECIAL ASSESSMENT FUNDS – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for the financing of public improvements or services deemed to benefit properties in a specified area, against which special assessments are levied.

SPECIAL REVENUE FUNDS – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for the proceeds of specific revenue sources and related expenditures separate and apart from other funds, but for which the specified revenues may be insufficient to meet the related expenditures.

STATEWIDE REVOLVING FUND (SRF) LOANS – Under the SRF program, municipalities can obtain up to 40 percent in matching funds for approved projects, when 60 percent of the construction costs can be obtained by the municipality on the open municipal bond market or from available funds of the municipality.

SUBSIDY – A gift or grant of public monies to a private individual or corporation or to another governmental jurisdiction, or a gift or grant of monies from one sub-entity to another within a governmental jurisdiction.

TAX INCREMENT FINANCE (TIF) DISTRICT – The use of incremental sales and property tax in a designated district to be used in accordance with approved plans to finance projects in the district such as facilities, infrastructure, parks, sidewalks and other public improvements.

TAXES - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit.

TIP – Transportation Improvement Plan

TMA – Traffic Management Area

TMDL (Total Maximum Daily Load) – The amount of pollutants, from natural and man-made sources, which can be discharged to a specific body of water without causing harm to the water’s quality or aquatic life. Any pollutant loading above the TMDL results in violation of applicable water quality standards.

TSS – Total suspended solids

TTD – Trial Total Disability (payments)

USE TAX – A tax levied by the City of Norman on out-of-state purchases of tangible personal property that is stored, used or otherwise consumed within the State of Oklahoma by the purchaser.

WTP – Water Treatment Plant

WWTP – Wastewater Treatment Plant

WASTEWATER TREATMENT PLANT INVESTMENT FEE (WWTPIF) – A source of revenue to offset the cost of improvements made to the Norman Wastewater Treatment Plant in 2000. The WWTPIF is the Norman Wastewater Utility’s version of an impact fee that was authorized by Ordinance 9697-2 on July 23, 1996. The WWTPIF is a one-time charge paid at the time new homes or businesses are permitted for connection to the sewerage system. The WWTPIF will expire at the point that sufficient funds have been generated to pay the portion of the costs of the improvements attributable to new development (\$6,192,039).

ZERO-BASED BUDGETING – The process of preparing an operating plan or budget that starts with no authorized funds. Each activity to be funded must be justified every time a new budget is prepared.
