MISCELLANEOUS DISCUSSION

Sight Triangle Violations. Ms. Jayne Crumpley, 423 Elm Avenue, said she had the ordinances related to site triangle distance and from what she has read, the parking on the corner of Symmes Street and James Garner Avenue violates the ordinance. She said it was said this evening that City Staff was aware that parking at this intersection was illegal and the City Manager ordered them not to take any action. She said this is a dangerous intersection. She asked where we go from here.

Mayor Miller said Staff will look into this issue.

Ms. Cindy Rogers, 633 Reed Avenue, asked if anyone knew what the accident rate is at this intersection and does this open the City up to liability if someone gets hurt in an accident.

*

Senior Center/Aquatic Center. Mr. Robert Husky, 3615 Chatham Court, applauded the efforts of Council making a step forward on building a Senior Center.

Mr. Allen Hickey, Sooner Swim Club, said there was talk this evening about earmarking funds for a land acquisition for the Senior Center and he had thought the will of the people included a stand alone Aquatic Center or Sports Center in the NORMAN FORWARD Package. He said the plan was to renovate a building to create a Senior Center not to acquire land. He asked if any progress had been made since the last City Council meeting about a site for the aquatic center.

Mayor Miller said Staff would talk to him after the meeting.

Councilmember Castleberry said part of the \$7.6 million set aside for a Senior Center could be possibly used for land acquisition, which entails the Stand Alone Aquatic Center, the Multi-Sport Center, and the Senior Center, if the City uses the North Base property. He said there is a difference in price and if the City is able to swap the land plus the difference in cash, which the City will then have the ability to do, it could proceed very quickly.

Councilmember Hickman said there were Transportation Bonds, a Stormwater Bond, and a Stormwater Utility which could be coming up in an election. He said he had proposed some items to address some of the concerns involving the NORMAN FORWARD Projects like the Indoor Aquatic Center, the Indoor Sports Facility, and the Senior Center to utilize some of the funds to acquire the property. He said those funds coupled with the \$7.6 million freed up from the Griffin Park long term lease vs. acquisition. He would like to have a plan in place before it goes before the voters. He said there is no funding in the NORMAN FORWARD Bond package for the land acquisition.

*

Bird Scooters. Mr. Matt Ball, CMA Strategies, 201 Robert S. Kerr, Suite 301, Oklahoma City, said he was representing Bird Rides Electric Scooter Company. He said there was a contract with SLIDR Scooter approved by City Council. He said Bird Rides had been in contact with the City Attorney's Office about an agreement with the City of Norman. He said there are some minor concerns about the indemnification provisions and wording and they hope to come to an agreement that can be brought before City Council soon.

Ward 7 Tentatively Scheduled. Councilmember Holman said he was tentatively scheduling a Ward 7 meeting at Reaves Center on Thursday, December 6th. He said there may be a conflict because Ward 2 and Ward 4 were also having a Ward Meeting. He said Reaves Center is one of the sites suggested for a location of the Senior Center and he wanted constituents to look over the site. He said this would be the least expensive option because the City owns the land. He said stormwater, transportation bond, and CART will also be discussed.

*

Ward 8 Meeting. Councilmember Scott said on Sunday, December 2nd, from 1:30-3:00 p.m. a Ward 8 Meeting will be held at Fire Station No. 7. She said there will be light refreshments and stormwater, I-35 Corridor Study, and short-term rentals will be discussed.
