INSTRUCTIONS TO BIDDERS

EXAMINATION OF BIDDING DOCUMENTS. Each bidder by making his bid represents that he has read and understands the bidding documents. The bidder shall include in his bid prices any and all costs that may be necessary to complete the work in accordance with the requirements of the contract documents.

INTERPRETATION OF CONTRACT DOCUMENTS. Questions regarding documents, discrepancies, omissions, or intent of the specifications or drawings shall be submitted in writing to the City through the Engineer at least seven days prior to opening of bids to provide time for issuing and forwarding an addendum. Any interpretation of the contract documents will be made only by addendum duly issued or delivered by the City to each person receiving a set of documents. The City will not be responsible for any other explanations or interpretation of the contract documents.

MATERIAL SUBSTITUTION. Each bidder shall base his bid upon the materials and equipment as described in the bidding documents. The successful contractor will not be allowed to make any substitutions on his own initiative, but in each instance will be required to obtain authorization from the City before installing any work in variance with the requirements of the contract documents.

BOUND COPY OF CONTRACT DOCUMENTS. None of the constituent parts or portion thereof of these contract documents shall be removed from this bound copy of documents prior to the filing of the bid.

QUALIFICATIONS OF BIDDERS. IN DETERMINING THE LOWEST RESPONSIBLE BID, THE FOLLOWING ELEMENTS WILL BE CONSIDERED: WHETHER THE BIDDER INVOLVED (A) MAINTAINS A PERMANENT PLACE OF BUSINESS; (B) HAS ADEQUATE PLANT EQUIPMENT TO DO THE WORK PROPERLY AND EXPEDITIOUSLY; (C) HAS A SUITABLE FINANCIAL STATUS TO MEET OBLIGATIONS INCIDENT TO THE WORK; AND (D) HAS APPROPRIATE TECHNICAL EXPERIENCE.

Each bidder must complete the attached "Qualification Statement of Bidders & Qualifications Statement of Bidders Surety".

Each bidder may be required to show that former work performed by him has been handled in such manner that there are no just or proper claims pending against such work. No bidder will be acceptable if he is engaged on any other work, which impairs his ability to finance this contract or provide proper equipment for the proper execution of same. Each bidder shall demonstrate his ability by meeting all requirements herein stipulated, if asked for them.

BID SECURITY. No bid will be considered unless accompanied by a cashier's check, a certified check or a bidder's bond in the amount of five percent of the bid, as a guarantee that if the bid is accepted, the bidder will execute the agreement and file bonds and insurance as required by the contract documents within 10 days from the date of the award of the contract.

RETURN OF BID SECURITIES. The security of all bidders will be returned after the execution of the agreement with the successful bidder and the approval of his bonds and insurance. If all bids are rejected, the securities will be returned at the time of rejection.

AGREEMENT, BONDS, INSURANCE. The attention of bidders is specifically directed to the forms of agreement and bonds to be executed and the type of insurance to be taken out in the event a contract award is made.

BID SUBMITTAL. Each bid, properly signed, together with the bid security shall be enclosed in a sealed envelope addressed and entitled as specified in the Invitation to Bid. All addenda issued shall be included with the documents at the time of bid submittal.

WITHDRAWAL OF BID. Any bid may be withdrawn at any time prior to the hour fixed in the Invitation to Bid for the opening of bids, provided that a request in writing, executed by the bidder, or his duly authorized representative, for the withdrawal of such bid is filed with the City prior to the time specified for opening of bids. The withdrawal of such bid will not prejudice the right of a bidder to file a new bid.

PENALTY FOR COLLUSION. If at any time it shall be found that the person, firm or corporation to whom the contract has been awarded has, in presenting any bid or bids, colluded with any other party or parties, then the contract so awarded shall be null and void, and the contractor and his sureties shall be liable to the City for all loss or damage which the City may suffer thereby, and the City may advertise for new bids for said work.

LICENSE. Each bidder shall possess State and local licenses as are required by law, and shall furnish satisfactory proof to the City upon request that the licenses are in effect during the entire period of the contract.

BID OPENING. Bids will be opened and recorded at the time and place indicated in the Invitation for Bids. Bidders or their agents are invited to be present.

AWARD OF CONTRACT. The award of any contract or contracts will be made to the lowest responsible bidder or bidders. The City reserves the right to reject any or all bids, or to waive irregularities or informalities at its discretion.

It is anticipated that approval will be received within 30 days of opening of bids. In the event that the approvals are not received or the City cannot award or reject said proposals within 60 days from the date of opening of bids, bidders shall have the right to withdraw their bids on written notice to the City.

EFFECTIVE DATE OF AWARD. If a contract is awarded by the City, such award shall be effective when formal notice of such award, signed by the authorized representative of the City, has been delivered to the intended awardee, or mailed to him at the main business address shown on his bid, by some office or agent of the City duly authorized to give such notice.

EXECUTION OF AGREEMENT. Copies of the agreement in the number stated in the form of agreement, shall be executed by the successful bidder, and returned, together with the required bonds and insurance, within 10 days from and after the date of the award of the contract. Effective date of bonds shall be the same or later than the date of the agreement.

FAILURE TO EXECUTE AGREEMENT AND FILE BONDS AND INSURANCE. Failure of a successful bidder to execute the agreement and file required bonds and insurance within the required time shall be just cause for the annulment of the award. On failure of a successful bidder to execute the agreement and file the required bonds and insurance within the required time, he shall forfeit his bid security as agreed herein before. Upon annulment of an award as aforesaid, the City may then award the contract to the next lowest responsible bidder.

PAYMENT FOR EXCESS COSTS AND LIQUIDATED DAMAGES. The successful bidder will be required to pay for the excess cost of field engineering and inspection and liquidated damages as defined in the General Conditions and the Contract Agreement, if extensions of time are not granted by City because of avoidable delays as therein defined.

CHANGE ORDERS.

Additional work may be added to this contract via a change order if agreed upon by the City of Norman and the Contractor.
