

Keep **F**ats, **O**ils and **G**rease out of our drains!

NO FOG  **NO CLOG**

✓ **DO**

- ✓ Put all solid foods into the trash or recycling bin.
- ✓ Scrape food from plates and utensils into the trash or recycling bin before washing or placing them in the dishwasher.
- ✓ Always use the sink basket strainers to collect food waste.
- ✓ Collect and empty grill scrapings & deep fat fryer oil into the oil recycling container.

✗ **DON'T**

- ✗ Put food or liquid foods down the sink.
- ✗ Pour oil down the sink.
- ✗ Use chemicals to remove clogged drains.
- ✗ Pour anything down your outside storm sewer.
