

Sept. Minutes. City of Norman BAC

Visitor Present. Mark Campbell.

Members present. Helen Robertson, Michelle Carr, Thomas Woodfin, Gary Miller

Ex officio present. James Briggs, Angelo Lombardo

Minutes from Previous meeting. Amend 3E. Path is not yet designated multiuse.

Amended minutes approved.

Mr. Lombardo presented a report on the bond election

A very successful election with >60% support for the Bond.

Discussion followed on the adoption of bike lanes for the Cedar lane project.

Mr. Lombardo then indicated that he will request that a BAC presentation be put on the agenda of the city council meeting for approval of bike lanes within the transportation projects.

The identification of collectors to be striped with bike lanes for the new bike route map will be a priority.

Identifying the locations for striping induction spots will be discussed at a future meeting.

City of Norman Updates. North flood was improved to level with new construction and to add turn lanes.

There was a suggestion from Mr. Campbell to change the wording of "Advanced Route" on the Norman bicycle route maps. Brief discussion followed.

Dr. Woodfin mentioned the traffic skills 101 class to be offered on Sept 29 in OKC.

OU is moving forward with adding bike lanes to Asp Ave.

BLN report. Sooner stampede is planned for Oct. 7.

City events. Tie Dye Tri will be on Sept. 30.

Mr. Briggs indicated that official appointments need to be updated.

Meeting was adjourned.
