PREAMBLE

This agreement is entered into by the City of Norman, Oklahoma, hereinafter referred to as the City and Local No. 2067, International Association of Firefighters, hereinafter referred to as the Union, and has as its purpose the promotion of harmonious relationships between the City and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences; to insure the well-being of said employees and the efficient and economical operation of the departments in which they are employed; and the establishment of rates of pay, hours worked, and other conditions of employment. This agreement has been reached through the process of collective bargaining with the objective of serving the aforementioned purposes and with the further objective of fostering effective cooperation between the City and its employees. Therefore, this agreement and the procedures which it establishes for the resolution of differences is intended to be in all respects in the public interest.

It is mutually agreed: The City's obligation to provide efficient responsive service to the citizens of the City of Norman and fulfill its obligations to deal equitably with its employees should not be obstructed by disputes between it and its employees.

ARTICLE 1

RECOGNITION

Section 1. The City of Norman recognizes the International Association of Firefighters, Local No. 2067, as the sole and exclusive bargaining agent of the employees covered by this Agreement for the purpose of negotiating wages, hours and other conditions of employment. The employer further agrees to bargain in good faith with the Union on matters relating to wages, hours, and other conditions of employment.

Section 2. The International Association of Firefighters, Local No. 2067 hereby recognizes Ordinance No. O-7576-1, adopted by the City Council on the 19th day of August, 1975, and accepts its provisions as part of this Agreement, unless or until changed by law.

Section 3. The Union recognizes the City Manager or his designated representative or representatives as the sole representative of the City of Norman for the purpose of collective bargaining. The Union further agrees to bargain in good faith with the City Manager or his designees, on matters relating to wages, hours, and other conditions of employment. Both the City and the IAFF agree to abide by the standard of absolute good faith during collective bargaining.

Section 4. The term "employee" as used herein shall be all uniformed fire personnel of the City of Norman, but does not include, for the purpose of exclusive recognition, the Fire Chief and an Administrative Assistant to be designated by the Fire Chief nor any confidential employee, nor temporary or seasonal employee hired for a time certain of less than six (6) months during a fiscal year. All employees (all members of the Norman Fire Department as defined in Appendix A of this contract) shall be covered by this contract. Should State legislation become effective which addresses the matter of clarifying the definition or makeup of the bargaining unit, the employer and the Union shall consult with the intent of conforming this Article to such legislation.

Section 5. Probationary employees, those employees with less than twelve (12) months of service, shall be covered under the terms and conditions of employment set forth in this Agreement.

- a. A probationary employee shall have no right of appeal if terminated.
- b. Probationary employees are not eligible to receive incentive pay as outlined in Article 29 until successful completion of the Fire Training Academy.
- c. It is further understood that in addition to attending the Fire Training Academy which typically involves forty (40) hours per week, the probationary employee may be subject to additional training hours to maximize the training effort and exposure to the essential functions and responsibilities of a Firefighter. Such probationary employees will be eligible for overtime for any hours worked in excess of 106 hours in a fourteen (14) day period exclusive of any paid time off as provided in Article 13, Section 1 of this Agreement.
- d. Probationary employees must be employed by the City for six (6) months of continuous service before being eligible to expend vacation leave.
- e. Probationary employees shall not be eligible for injury leave benefits for injuries incurred during the twelve (12) month probationary period. Such employees shall be entitled to all benefits provided by the Oklahoma State Workers' Compensation Act.
- f. Probationary employees will not be allowed to exchange time for the first six (6) months of employment unless approved by the Assistant Chief.
- g. Probationary employees will be evaluated six (6) months and thirty (30) days before expiration of the twelve (12) month probationary status. A transfer from probationary to permanent status will depend on the evaluations of performance during the probationary period. Probationary employees may be terminated if performance is not satisfactory.

Section 6. Due to an Oklahoma Supreme Court Decision in October of 1984 which interpreted certain provisions of the Fire and Police Arbitration Law 11 O.S. 1981 §15-101 through 51 -113 dealing with the definition of the bargaining unit, certain heretofore excluded management employees have been included in the bargaining unit as of July 1, 1985. For those employees affected, any benefits previously gained or accrued under the City Personnel Policy shall not be reduced due to an employee's position being assigned to the bargaining unit. Conversely, any increased benefits gained thereby would accrue to the employee's benefit.

ARTICLE 2

MANAGEMENT RIGHTS

Section 1. The Union recognizes that the City has the exclusive right to operate and manage its affairs and direct its work force in all respects in accordance with its responsibilities, and the power or authority which the City has not officially abridged, delegated, or modified by this Agreement, is retained by the City.

Section 2. Nothing herein contained shall be construed or interpreted so as to infringe upon or remove the prerogatives of the City of Norman to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority, nor shall the right to collective bargaining extend to such matters.

Section 3. The employer retains the right, in accordance with the Code and Charter of the City of Norman:

- a. To hire, direct, promote, and take disciplinary action against employees, subject to the provisions of this Agreement;
- b. To relieve employees from duties because of lack of work or for other legitimate reasons, subject to the provisions of this Agreement;
- c. To maintain the efficiency of government operations entrusted to them;
- d. To determine the methods, means, and personnel, by which such operations are to be conducted;
- e. To take whatever action may be necessary to carry out the mission of the City in situations of emergency; and
- f. To implement furlough days, merit freezes, or other economic reductions as an alternative to reduction of force measures as outlined in Article 17 of this contract, subject to agreement between the employer and the Union at any time of financial crisis.

ARTICLE 3

NONDISCRIMINATION

Section 1. No employee or an individual being considered for employment shall be favored or subjected to discrimination by management or by the Union because of disability, race, creed, religion, color, sex, or national origin, relationship to any person or persons, or political or Union activities, other than those prohibited by this Agreement.

Section 2. Management and the Union agree not to interfere with the right of employees to become or not to become members of the Union and further will urge the employees that there will be no discrimination or coercion against any employee because of Union membership or non-membership.

Section 3. All references to employees in this Agreement designate both sexes, and whenever the male gender is used, it shall be construed to include both male and female employees.

ARTICLE 4

EQUAL EMPLOYMENT OPPORTUNITY

Section 1. The City and the Union are committed to the concept and practice of equal opportunity employment as a necessary component of merit principles, which is a phase of affirmative action.

Section 2. The equal opportunity employment commitment will be supported by positive and aggressive practical practices and procedures, which will insure nondiscrimination and equal employment opportunity for racial and ethnic minorities, the employment of disadvantaged and women in securing admission in the City employment force and promotional opportunities at all job levels.

Section 3. The general objectives of the City and the Union in equal employment opportunity will be:

- a. To engage in continuous planning and monitoring of the effects of practices in order to eliminate and prevent the occurrence of arbitrary, discriminatory practices and policies related to employment, membership, and promotion; and
- b. To take positive steps to solicit applicants for employment and membership from minority groups and women's organizations.

ARTICLE 5

STRIKES AND LOCKOUTS

Section 1. The Union, its officers, and members shall neither cause nor counsel any person to hinder, delay, limit, or suspend the continuity or efficiency of the Employer's function, operation, or service for any reason, nor shall any of them in any manner, coerce, intimidate, instigate, induce, sanction, suggest, or encourage any person to participate in any strike, slowdown, mass resignation, mass absenteeism or any type of concerted work stoppage. Any employee engaging in such activity shall be subject to disciplinary action. The Union, its officers, and members shall take all reasonable action to prevent any persons or parties from engaging in the above prohibited conduct, or by providing funds, financial and other assistance for the conduct or direction of such activities or for the payment of strike, unemployment, or other benefits to those persons or parties participating in such prohibited conduct and activities; provided, however, that the Union may provide legal representation. The City agrees that no lockouts of employees shall be instituted. In applying the provisions of this Article, all of the terms used herein shall be given the meaning commonly understood and as defined in Ordinance 0-7576-1.

Section 2. Upon notification confirmed in writing by Employer to the Union that certain of its members are engaging in the above prohibited conduct, the Union shall immediately, in writing, order such members to cease such prohibited conduct. Such characterization of the strike by Employer shall not establish the nature of the strike. Such notification by the Union shall not constitute an admission by it that such prohibited conduct is in progress or has taken place or that

any particular member is or has engaged in such prohibited conduct. The notification shall be made solely on the representation of the Employer. In the event that the above prohibited conduct occurs, the Union, its officers, and members agree to take all reasonable, necessary, and affirmative action to have the members cease such prohibited conduct.

ARTICLE 6

MATTERS APPROPRIATE FOR CONSULTATION

Section 1. Matters appropriate for consultation between the parties include wages, hours, performance evaluation systems, the Employee Drug Free Workplace Administrative Guidelines, and working conditions under the terms and conditions of this Labor Agreement and areas of mutual concern. For the purpose of this Agreement, consultation is defined as mutual discussion of matters appropriate for consultation which are within the discretion of the department in an effort to reach mutual understanding, receive clarification and/or information affecting employees in the bargaining unit.

Section 2. All rights, privileges, work rules, regulations, policies, and procedures of the Fire Department which are not included in this Agreement shall remain in full force unless and except as modified or changed by the specific terms of this Agreement, or by mutual agreement of the parties during the term of this Agreement.

Section 3. A written rule, regulation, policy or procedure in conflict with this Labor Agreement may be resolved by modification, as it affects bargaining unit employees, of such rule, regulation, policy or procedure to be compatible with this Agreement through consultation between the parties.

Section 4. Consultation meetings between Union representatives and Management shall be arranged upon the request of either party. Consultation meetings shall be called by the City consistent with confidentiality, or other legal restrictions, to advise the Union of any anticipated major changes affecting the working conditions of bargaining unit employees. Arrangements for intermittent consultation meeting shall be made five (5) calendar days in advance, whenever possible, and an agenda of matters to be taken up at the meeting shall be presented in writing at the time a consultation meeting is requested.

Section 5. When contact is required by the Union President with Management on matters within the scope of this Article, the point of contact is the Director of Human Resources or his designee. Where contact is required by Management with the Union, the point of contact is the local Union President or his designee.

Section 6. If the Union requests consultation, it shall bear the costs of expenses and compensation for its own representatives. If the City requests consultation, it shall bear the costs of expenses and compensation for employee Union representatives for time spent in consultation.

ARTICLE 7

PERSONNEL DISCIPLINE AND DISCHARGE

Section 1. The City reserves the right to discipline or discharge any employee for just cause. It is understood that the application or just cause as a basis for disciplinary action or discharge includes the principle that the weight to be given prior recorded disciplinary action is reduced by a reasonable passage of time.

Section 2. The employer agrees to make reasonable effort to cause supervisors to administer necessary reprimands to employees under circumstances which will avoid unnecessary embarrassment to the employee.

Section 3. The right of the employer to establish rules and regulations regarding working practices and personal conduct of employees while on duty is recognized.

Section 4. The employee will have access to the grievance procedure outlined in Article 8 of this agreement for any disputes arising out of disciplinary actions or discharge.

Section 5. A meeting between an employee and the supervisor or Fire Chief during which the principle topic of discussion is discipline or potential disciplinary action will entitle the employee involved to request the presence of a Union representative during such meeting. If such request is made, it shall be honored. This employee right does not, however, exclude the employer from discussing policies, procedures or other matters related to employment with the employee informally and without the presence of a Union representative.

ARTICLE 8

GRIEVANCE PROCEDURE

Section 1. Any dispute between the employer and the Union concerning the interpretation, enforcement or the application of any provisions of this agreement shall be adjusted in the following manner:

Step 1. A grievance shall be presented in writing to the Fire Chief or his designee within ten (10) days of occurrence (excluding Saturdays, Sundays, and holidays). Copies shall be made available to the employee or employees if applicable, the Union, and the Director of Human Resources. The Fire Chief or his designee may meet with the employee, the Union, and consult with others before rendering his decision. The Fire Chief or his designee, shall render his decision, in writing, within ten (10) days (excluding Saturdays, Sundays, and holidays) of receipt of the original grievance.

Step 2. A grievance not satisfactorily resolved in Step 1 above, shall be submitted, in writing, within ten (10) days (excluding Saturdays, Sundays, and holidays) to the City Manager. The City Manager will consider all information presented and may consult or meet with the employee, the Union, and others in reaching a decision.

The City Manager shall render his decision within ten (10) days (excluding Saturdays, Sundays, and holidays) of receipt of the Union's grievance.

Step 3. If the City Manager has not settled the grievance upon the completion of Step 2 above, a request to submit the issue to arbitration for adjustment shall be requested within thirty (30) calendar days of receipt of the City Manager's response as follows:

1. Within seven (7) calendar days from the date of a request for arbitration the Union and employer shall jointly request an arbitrator to conduct a hearing under the voluntary labor arbitration rules of the American Arbitration Association if the two parties have not agreed on an arbitrator. The parties shall share equally the cost of the arbitrator's fees and expenses.
2. The arbitrator's award shall be consistent with the authority granted the arbitrator by the Agreement and the Norman City Code and the Charter of the City.
3. The arbitrator shall have no authority to amend, alter or modify this Agreement on its terms.
4. The decision, findings and recommendations of the arbitrator shall be final and binding on the parties to this agreement as long as those decisions have not exceeded the arbitrator's authority as set out herein.
5. The parties to this Agreement may, at any time, satisfactorily resolve the grievance and, thereby, jointly notify, in writing, the arbitrator that the arbitration proceedings should cease.

Section 2. It is understood and agreed that when a grievance is filed the act of filing such grievance shall constitute authorization to reveal to participants in the grievance procedure any and all information available concerning said grievance. Such filing shall further constitute a release from any and all claim of liability by reason of such disclosure.

ARTICLE 9

SOCIAL MEDIA ACTIVITIES

Section 1. The secure use of social media can enhance communication, collaboration, and information exchange; streamline processes; and foster productivity. This policy is not meant to address one particular form of social media; rather social media in general, as advances in technology will occur and new tools will emerge.

Section 2. Social media provides a new and potentially valuable means of assisting the City and its employees in meeting community outreach. The personal use of social media can have bearing on employees in their official capacity.

Section 3. Official On-the-Job Use - Where possible, each social media page shall include an introductory statement that clearly specifies the purpose and scope of the City's presence on the website. Where possible, the page(s) should link to the City's official website. All City social media sites or pages shall be approved by the City Manager or his/her designee in coordination with Information Technology to ensure consistency of City brand and messaging.

- a. Where possible, social media pages shall clearly indicate they are maintained by the specific department and shall have department contact information prominently displayed.
- b. Social media content shall adhere to applicable laws, regulations, and policies, including all information technology and records management policies (located in the IT Policy Library located at \\con-isilon\city\Public IT Policy Library).
- c. Employees shall conduct themselves at all times as representatives of the City and accordingly, shall adhere to all City standards of conduct and observe conventionally accepted protocols and proper decorum.
- d. Employees shall identify themselves as a member of the City.
- e. Employees shall not make statements or comments, nor post, transmit, or otherwise disseminate confidential information, including photographs or videos, related to department activities, or work-related assignments without express permission from their Department Director.
- f. Employees shall not conduct political activities or private business.
- g. Use of personally owned devices to administer the City's social media activities or in the course of official duties is prohibited without express written permission.
- h. Employees shall observe and abide by all copyright, trademark, and service mark restrictions in posting materials to electronic media.

Section 4. Barring state law, employees shall abide by the following when using social media on their personal time.

- a. Employees are free to express themselves as private citizens on social media as protected by law but such expression must be carefully exercised so as to not cause disruption or discredit to their employer, the City of Norman, unless and except when a "whistle blower" and or matter of public concern is expressed. Employees shall not post remarks that are or would be reasonably known to be false, illegal or unlawful.
- b. Employees should assume that their speech and related activity on publicly available social media sites could reflect upon their City employment and could be viewed by anyone, including City officials.
- c. Employees shall not post, transmit, or otherwise disseminate any information to which they have access as a result of their employment and that could reasonably be considered to represent the views or positions of the City without written permission from their supervisor.
- d. For safety and security reasons, employees are cautioned not to post information that would jeopardize the safety and security of another member of the Fire Department, employees of the City of Norman or their family members, or citizens.

- e. Although not an all-inclusive list, some examples of inappropriate social media conduct that could result in an employee being subject to disciplinary processes include: posts that include obscene or sexually explicit language, images, or acts and statements or include threats of violence.
- f. Employees should expect that any information created, transmitted, downloaded, exchanged, or discussed in a public online forum may be viewed by anyone, including City officials.
- g. Employees should refrain from using social media in an excessive manner during their work hours or on City equipment unless it is work-related or as authorized by your supervisor. Use of social media which interferes with or detracts from job performance is prohibited. Employees shall not use the City's email addresses to register on social networks, blogs or other online tools utilized for personal use.

ARTICLE 10

CHECK-OFF OF DUES

Section 1. Deduction of Union Dues or Fair Share Fee - The City agrees to deduct the regular monthly Union dues from the available wages earned each pay period by any Union member, and the regular monthly Union Fair Share Fee from the available wages earned each pay period by any non-member of the Union provided that an "Authorization for Payroll Deduction" form (Appendix C) has been completed and submitted as provided in Section 2 below. The amount deducted each pay period shall be remitted to the Union, together with an itemized statement no later than fifteen (15) business days after the deduction is made. The itemized statement shall indicate the name, employee number, agency/department/division and section, and the deduction amount for each contributing employee. The parties agree that no payroll deductions shall be made for initiation fees, special assessments, fines, or any other Union business except Union dues and Union Fair Share fees.

The parties agree that the City will deduct Union dues or fair share fees only for employees who have voluntarily signed 'Authorization for Payroll Deduction' forms. The parties further agree that it is not a condition of employment for employees to be Union members or for employees to pay Union dues.

Section 2. Authorization for Payroll Deduction Form - Individual employee requests and authorization for the monthly check off of Union dues must be made on the "Authorization for Payroll Deduction" form which is set forth in Appendix C of this Agreement.

In the case of an employee who fails or refuses to complete and submit the "Authorization for Payroll Deduction" form, and pursuant to Section 1 above, that employee shall be personally responsible for making the monthly Union dues or Union Fair Share fee payment directly to the Union in some other manner.

Section 3. Union Dues and Fair Share Fee Rates - The regular monthly Union dues and Fair Share fee rates for bargaining unit employees shall be established by the Union, provided that the Fair Share fee rate shall not exceed Union dues rate. Any change in these rates will be certified to the City Manager by an authorized officer or officers of the Union at least one (1) month in advance of the effective date of such change.

Section 4. Union Dues and Fair Share Refunds - The Union agrees to refund to the City any amount paid to it in error on account of the Union dues or Fair Share fee payroll deductions upon presentation of satisfactory proof.

Section 5. Limitations on the Use of Fair Share Payments - The parties agree that the Fair Share fee payments collected pursuant to this Article shall be used by the Union for the following purposes only:

- a. Expenses relating to the negotiation of this and any succeeding Agreement;
- b. Expenses relating to the administration of this Agreement;
- c. Expenses relating to the adjustment of grievances filed pursuant to this Agreement;
- d. Expenses relating to lobbying activities, provided that these activities relate to the Union's collective bargaining effort;
- e. Expenses otherwise permitted by law to be included in the Fair Share fee amount.

In no event shall any such Fair Share fee payment be exacted or used for the following purposes:

- a. Training in voter registration, get-out-the vote, and political campaign techniques;
- b. Supporting and contributing to charitable organizations;
- c. Supporting and contributing to political organizations and candidates for public office;
- d. Supporting and contributing to ideological causes;
- e. Supporting and contributing to international affairs.

Section 6. Appeal of Fair Share Computation - Should any employee who is required involuntarily to pay the monthly Fair Share fee dispute the amount withheld pursuant to this Article, then that employee may file a written complaint with the Union to that effect, listing the reasons for the dispute. Said complaint may be filed solely on the basis that the Fair Share fee payment amount includes expenses not permitted under Section 5 above. The employee shall provide a copy of the complaint to the City's Human Resources Director.

When a complaint is filed with the Union, the Union shall consider said complaint in accordance with procedures established by it and shall, within two (2) months following the date of the complaint, determine whether the required Fair Share fee payment amount includes any expenses not permitted by Section 5 above. If the Union determines that the Fair Share fee payment amount

includes unpermitted expenses, then it shall adjust the monthly Fair Share fee rate so as to exclude the unpermitted expenses. Pursuant to and in accordance with Section 3 above, the Union shall notify the City of any such change in the regular monthly Fair Share fee rate, in which case this revised Fair Share fee rate shall become the amount withheld each month.

If the employee is not satisfied with the decision of the Union, then that employee may within one (1) month following the issuance of the decision by the Union notify the Human Resources Director and the Union that he or she wishes the complaint submitted to and determined by binding arbitration. The Human Resources Director shall then request either the American Arbitration Association or the Federal Mediation and Conciliation Service to provide the Union and the employee with a list of seven (7) qualified arbitrators. The Union and the employee shall then select the arbitrator by the "striking" process, with the employee having the right to "strike" the first name from the list. The arbitrator so selected shall determine, after a hearing during which both the Union and the employee shall be entitled to present all relevant information concerning whether the Fair Share fee payment amount includes expenses not permitted under Section 5 above, he or she shall determine a new monthly Fair Share rate which excludes these unpermitted expenses. This revised Fair Share rate shall become the amount withheld each month. The cost of such arbitration shall be borne equally by the employee and the Union.

From the date the Union receives notice of the complaint of the employee referred to above, the Union shall thereafter deposit the employee's monthly Fair Share fee payments in an interest bearing escrow account, pending the outcome of the determination of the question. The Union shall distribute the proceeds of the escrow account in accordance with the final decision in the matter, paying earned interest in proportion to payments to the Union and the employee if a new monthly Fair Share fee rate is determined by the final decision.

Section 7. Religious Exemptions - An employee who would otherwise be required in accordance with Section 1 to pay the monthly Union dues or Union Fair Share fee may, on account of bona fide religious tenets or teachings or a church or religious body of which that employee is a member, refuse to pay the monthly dues or fee; provided, however, that said right to refuse shall continue only so long as the employee makes monthly contributions at least equal in amount to the monthly Fair Share fee amount to a non-religious charitable organization mutually agreed upon by the employees so refusing and the Union. In this regard, the employee shall be required, on a monthly basis, to furnish a written receipt to the Union verifying that such monthly contribution has been made.

The Union shall certify to the names of all such employees who are relieved of the obligation to pay the monthly Fair Share fee by virtue of this Section. Furthermore, and in this same regard, it shall be the sole obligation of the Union to verify that the monthly charitable contributions contemplated have actually been made and that said employees are therefore not subject to the involuntary Fair Share fee payment requirement and payroll deduction.

Section 8. Union Indemnification - The Union shall indemnify, defend and hold the City harmless against any and all claims, demands, suits, costs, expenses or other forms of liability, including reasonable attorney's fees and costs, arising from or incurred as a result of any action taken or not taken by the City, its officers, agents, employees or representatives, including but not

limited to claims arising under the United States Constitution or under any federal statute, in complying with or carrying out the provisions of this Article; in reliance on any notice, letter or authorization forwarded to the City by the Union pursuant to this Article; and including but not limited to any charge that the City failed to discharge any duty owed to its employees arising out of the involuntary Fair Share fee payroll deduction. The City shall immediately inform the Union of any appeals or legal actions regarding this Article.

Section 9. Exception to the City's Duty to Collect - Nothing contained in this Article shall require the City to take any action to collect the monthly Fair Share fee payment from any employee in any given pay period, except to the extent that such employee earns sufficient net wages from the City during that pay period to cover the necessary payroll deduction.

ARTICLE 11

SAFETY COUNCIL

The City and the Union are committed to the goal of attaining as safe and healthful a working environment for City employees as is both possible and practical. In this regard, the City and the Union agree to work together cooperatively in the promotion and achievement of this goal. The Union recognizes the need to constantly monitor the safety needs of the workplace and to continually develop the safety program. In this regard it recognizes that the City Manager or his/her designee may institute and formulate such safety councils, committees, procedures, rules and regulations including a process for drug and alcohol testing as set forth in Appendix I, as deemed necessary or in the best interest of maintaining a safe working environment, subject to consultation as provided in Article 6 of this agreement.

ARTICLE 12

BULLETIN BOARDS

Section 1. The City agrees to provide space for a reasonable number of bulletin boards for the posting of Union informational notices. Such notices shall contain no political, controversial, slanderous, or inflammatory matter, as these terms are commonly defined in this community.

- a. Recreational and social affairs of the Union
- b. Union meetings
- c. Union elections
- d. Reports of Union committees
- e. Rules or policies of the Union
- f. Other notices as approved for posting by the Human Resources Director or his/her designee

Section 2. The City reserves the right to remove any material from such bulletin boards which, in the opinion of management, does not conform to the purpose of this Article.

Section 3. Only designated bulletin boards shall be used for posting any material on City property.

ARTICLE 13

HOURS OF WORK

Section 1. The normal workday for shift personnel shall consist of a twenty-four (24) hours. The work period shall be defined as a twenty-four (24) day period. Employees will be paid on an hours-worked basis. Paid leave time to include vacation, funeral, compensatory and military leave shall be counted as hours worked for overtime computation purposes for 24 hour shift employees. Inclusion of any another leave as hours worked will be noted in a Memorandum of Understanding attached as an Appendix to the Agreement. Hours worked on an emergency call out basis will be paid as overtime and shall count as hours worked for 40 hours per week and 24 hour shift employees (except exempt employees.) All hours worked in addition to the regularly scheduled work period shall be compensated as overtime. Sick leave, vacation leave, or emergency leave shall count as hours worked for 40 hour per week employees.

Section 2. The normal workday for all other personnel shall consist of eight (8) hours in a five (5) day workweek or ten (10) hours in a four (4) day workweek. The normal workweek shall be forty (40) hours by mutual agreement.

Section 3. The normal workday tour of duty for shift personnel shall begin at 7:00 a.m. and end at 7:00 a.m. the following day.

Section 4. The normal daily tour of duty for all other personnel working a five (5) day workweek will normally begin at 8:00 a.m. and end at 5:00 p.m., with one (1) hour lunch break. Sick leave forms are provided in each department and shall be filled out by the employee upon returning to work.

The two six-month periods are defined as July 1 through December 31, and January 1 through June 30. An employee will receive the bonus even if the maximum accrual of vacation hours has been reached provided the bonus hours must be taken as time off approved by the Fire Chief within six months of accrual or the bonus hours will be forfeited.

Section 10. Sick Leave Accumulation Objective - The City and the IAFF, as parties to this Agreement, and in recognition of the welfare of the employees represented by this bargaining unit, understand, acknowledge and agree that the employees in the bargaining unit should make every possible and reasonable effort, both individually and collectively, to accumulate half or more of their accrued sick leave hours as insurance for future sick leave occurrences, especially those of a prolonged nature which may be required because of a lengthy convalescent period taken in conjunction with a major surgical operation, injury, illness or disability which are not job-related.

Section 11. Upon retirement, sick leave which has accumulated up to 1440 hours for twenty-four (24) hour shift employees and up to 960 hours for forty (40) hour a week employees may be converted to regular vacation time for pay purposes using the exchange rate of two (2) hours of sick leave for one (1) hour of vacation.

ON THE JOB INJURY LEAVE

Section 1. General policy - It is the policy of the City of Norman to provide compensated leave for employees in the bargaining unit who incur disabilities which can logically and medically be proven to be the result of accidental injury arising in the course of employment with the City. Injury leave shall be the necessary absence of an employee from the regularly assigned duties of the employee's position because of an injury suffered while properly performing the duties of the position without negligence or misconduct on the part of the employee.

Section 2. Definition of Injury and Accident - "Injury" shall mean violence to the physical structure of the body and such disease or infection as naturally results there from. For the purpose of this provision, injury shall also include diseases which qualify as occupational diseases under the Workers' Compensation Laws of the State of Oklahoma. An "accident" shall be construed to mean an unexpected or unforeseen event happening suddenly and violently, producing at the time objective symptoms of an injury.

Section 3. Injury leave may be granted by the City Manager or his/her designee for such time as the injured employee is unable to return to the regularly assigned duties of the employee's position due to the service-connected injury, but in no event shall this be in excess of 180 calendar days. While on injury leave the employee shall be paid at his normal net salary inclusive of all incentive pays in Article 29 and longevity pay, but exclusive of overtime compensation and other such allowances. Any payment under the Workers' Compensation Act for temporary disabilities resulting from such injury shall be deducted from the injury leave payment. It is understood by the parties hereto that such injury leave is in lieu of Workers' Compensation disability benefits payable during such period.

Section 4. Employees who are unable to return to the regularly assigned duties of the employee's position after all injury leave has been expended may be continued on light duty at regular pay, or placed on leave without pay, at the discretion of the City, or terminated for "disability" at the discretion of the City. The decision to terminate an employee at the end of the injury leave period shall be made after consideration of such factors as the extent of the injury, supportive medical information, prognosis of condition, work record of the employee, and other

relevant information. Accrued vacation, accrued sick leave, and compensatory time may be used at the end of injury leave to supplement temporary total disability payments provided under the Oklahoma Workers' Compensation Act if requested in writing by the employee. Such use of accrued leave shall be taken in whole hours with total weekly wage compensation from temporary total disability pursuant to the Oklahoma Worker's Compensation Act and accrued leave utilized not exceeding the employee's normal salary. An employee's request to use accrued leave under this section shall not affect the City's discretion to terminate the employee for disability. An employee who is terminated for "disability" shall be paid for unused vacation leave and sick leave in accordance with the procedures set forth in this Agreement.

Section 5. Reporting of Injuries - When an employee has been injured in the course of employment with the City, he shall immediately report the injury, regardless of the extent, to the immediate supervisor. Should the employee be unable to do so, any employee at the scene shall make the report.

Section 6. Employees who are injured on the job due to their own gross negligence or misconduct or who fail to comply with established requirements of the City of Norman in the reporting and processing on injury reports, or who fail to cooperate with the City Physician, shall be subject to disciplinary action, up to and including discharge, per the just cause basis provided in Article 7.

Section 7. Employees on injury leave with pay shall be returned to duty at the earliest practical date. Employees on injury leave may be assigned to light or limited duty by the City of Norman, as determined by the City Manager or his/her designee, when the employee's physical condition permits such assignment. Duty assignment of this type may be made without reference to the employee's job classification or departmental assignment. Employees assigned to light or limited duty will not be allowed to participate in sports and recreational activities in and around the station. When the affected employees return to full duty, they will not only be required to assume all Firefighter duties but will also be allowed to participate in all sports and recreational activities in and around the station.

Section 8. Employees on injury leave may be required to submit proof of continuing disability from time to time, as required by the City Manager or his/her designee.

Section 9. Benefits under this provision shall be concurrent with and not in addition to any similar benefits established under state law. In the event that an injured employee seeks medical consultation and/or treatment which is not approved or prescribed by the City Physician, and the costs for such consultation and/or treatment are not paid by the City of Norman, the employee shall not be eligible to receive injury leave payments for any absence related to that consultation and/or treatment. Accrued sick leave shall not be used during such absence.

Section 10. Medical costs incurred by the City from approved emergency medical facilities shall be considered to be approved by the City Physician for the purposes of complying with Section 9 of this Article. Furthermore, the employee may request approval for treatment by a physician other than the designated City physician.

Section 11. Necessary leave with pay requested because of recurrence, or aggravation of an injury previously approved for injury leave with pay shall be charged to the balance, if any, of the maximum allowance of leave for such original injury. Leave for recurrence and aggravation shall stand the same tests of proof as may be required for granting the original leave.

Section 12. Any employee who shall receive payment for work performed for any employer other than the City of Norman while on approved injury leave, may be subject to discipline or discharge. This provision shall also apply to employees who are self-employed and perform work in their private occupation while on approved injury leave. It is recognized by the employer that an employee may be able to perform work for another employer or continue his work as self-employed and still qualify for injury on the job leave depending upon the type of work required and the type of injury received.

Section 13. Employees on original probation shall not be eligible for injury leave benefits for injuries incurred during such probationary period. Such employees shall be entitled to all benefits provided by the Oklahoma State Workers' Compensation Act.

City/IAFF Contract Negotiations
FYE05
Mediation - July 15, 2004

Tentative Agreement for Contract Settlement

The City, subject to approval by the City Manager and the City Council, and the IAFF, subject to approval by their membership, tentatively agree to the following as a settlement for the fiscal year ending in 2005 (FYE05) and the fiscal year ending in 2006 (FYE06).

1. No language changes from the FYE04 contract will be made, except for prior tentative agreements that have been signed by the appropriate representative at a prior negotiation/mediation session.
2. Merit Increases. The City will fund merit increases for bargaining unit members in FYE05 and in FYE06 in order that employees who, by their performance, prove themselves eligible will receive the appropriate merit increases.
3. Health Benefit Plan. Benefits changes to the Health Benefit Plan will include those highlighted in Schedule #1 and will be effective July 1, 2004. No additional benefit changes will be made in FYE06.
4. Health & Dental Benefit Plan Premiums. Premiums will be charged as outlined in the attached Schedule #2. On January 1, 2005, all bargaining unit members participating in the plan will pay an additional \$25 per month. The City will consult with the Employee Health Insurance Committee regarding the need to adjust health insurance premiums in FYE06, if such a premium adjustment is recommended and/or if it is projected that the health insurance plan is not adequately funded then an across the board percentage premium increase may be considered by the City, if permitted by contract.
5. Wages. For FYE05, the City agrees to apply a 1.5% increase to the Pay Plan to be effective January 1, 2005. For FYE06, the City agrees to reopen only the issue of wages for further negotiation. The negotiation for a wage adjustment for FYE06 will not occur earlier than March 1, 2005.
6. The City agrees to consult with IAFF regarding HazMat Pay at such time as the City is ready to implement the HazMat Program. The parties agree that HazMat pay is a mandatory subject of bargaining.

7. All other issues are withdrawn.

City/LAFF FYE07 & FYE08 Contracts
SETTLEMENT OFFER
January 8, 2007

THIS SETTLEMENT OFFER IS THE RESULT OF INFORMAL DISCUSSIONS BETWEEN CITY AND IAFF REPRESENTATIVES. THESE DISCUSSIONS ARE NOT CONSIDERED BY EITHER THE CITY OR THE IAFF AS PART OF THE FORMAL NEGOTIATION PROCESS. BOTH THE CITY AND THE IAFF AGREE THIS SETTLEMENT OFFER MAY NOT BE USED IN ANY FUTURE PROCEEDING HELD UNDER THE POLICE AND FIRE ARBITRATION ACT.

1. This settlement offer is to resolve the collective bargaining agreements between the City and the IAFF for the time period of 7/1/06 to 6/30/08 (FYE07 & FYE08 – two year agreement). If the settlement offer is accepted by the IAFF membership and the City then any pending or future proceedings to resolve the FYE07 & FYE08 Collective Bargaining Agreements between the City and the IAFF will be considered moot and of no force and effect.
2. In addition to the Articles outlined below, the parties acknowledge **the prior tentative agreements** reached in the FYE07 negotiations as follows:
 - Article 15 – Promotional Procedures – T/A on 2-14-06
 - Article 18 - Holidays – T/A on 3-9-06
 - Article 20 – Military Leave – T/A on section 1.g on 6-30-06
3. **Article 8 – Grievance Procedure** – add ^{thirty} ~~twenty~~ day time period for grievances to be submitted to arbitration (language attached).
4. **Article 11 – Safety Council** – add drug and alcohol testing program similar to that implemented in the Norman Police Department (language attached).
5. **Article 26 – Health Insurance** – The parties acknowledge the work of the Employee Health Insurance Committee and that Employee Health Insurance continues to be a significant area of mutual concern. Effective January 1, 2007, the insurance plan will be modified to provide for 90/10 co-insurance (rather than 95/5). As an informational item, the City also will adjust premiums, effective January 1, 2007, by 9% as recommended by the Employee Health Insurance Committee. The premium adjustments and schedule of benefits are reflected in the attached schedules. Further, the parties, by mutual agreement, may reopen contract negotiations for FYE08 on the issue of Health Insurance to consider recommendations from the Employee Health Insurance Committee.
6. **Article 27 - Uniforms & Article 28 - Food Allowance**: Article 27 will be modified as shown in the attached, signed tentative agreement. The parties agree to meet in consultation to implement a uniform ordering, replacement and maintenance process that allows the bargaining unit member to make uniform purchases on an "as needed" basis. Bargaining Unit members will be provided a Uniform Allowance of six hundred twenty-five dollars (\$625) per year. The Food Allowance will be deleted from the contract with Article 28 being "reserved". The parties recognize that \$50 in food allowance for the July to December quarters has already been distributed. Therefore, for the remainder of the FYE07, to comply with these contractual changes, the City will issue each bargaining unit member a Uniform Allowance check in the amount of five hundred seventy-five dollars (\$575) no later than thirty (30) days after ratification of the settlement agreement. No further food allowance distribution will be made in FYE07.

1/17/07 - \$575 paid in Food Allowance. One more payment will be made in Jan. for Oct., Nov. & Dec. Qtr.

Appendix F

7. **Article 29A – Tuition Assistance** – City agrees to increase the amount available for tuition assistance to a total of \$10,000 (language attached).
8. **Wages.** The City agrees to implement a **four percent (4%) across-the-board** pay increase for members of the IAFF bargaining unit **effective July 1, 2006 and a four percent (4%) across-the-board** pay increase for members of the IAFF bargaining unit **effective July 1, 2007.**
9. **Pay Plan.** The City agrees to add two (2) two percent (2%) steps to the pay plan in Appendix “A” of the contract (“New Pay Plan”). Merit step movement during FYE 07 will be as follows, provided unit members have satisfactory performance evaluations:

1.	Members who had not reached the top step of the pay plan in FYE 2006 as of June 30, 2006	One step on merit date
2.	Members who reached their top step during FYE 2006 (7/01/05 – 6/30/06)	One step on merit date (2 % step under New Pay Plan)
3.	Members who reached their top step during FYE 2005 (7/01/04 – 6/30/05) (members who have gone one full fiscal year without a step increase)	One step on July 1, 2006 (2 % step under New Pay Plan); and one step on regular merit date (2% step under New Pay Plan)
4.	Members who reached their top step prior to FYE 2005 (members who have gone two full fiscal years or more without a step increase)	Two steps on July 1, 2006 (2) 2 % steps under New Pay Plan) (no additional steps during FYE 07 because members in this category will be at the top step of the New Pay Plan)

10. **Expansion of Training Program with accompanying Rank additions to Pay Plan.** The parties agree to consult regarding expansion of training programs to better prepare bargaining unit members for promotional opportunities as outlined in the attached Memorandum of Understanding.
11. Both parties agree to **withdraw all other offers and counteroffers**, except as outlined above.

 - c. Improper possession of drugs or alcohol by the employee on duty;
 - d. Evidence that an employee is involved in the use, possession, sale, solicitation or transfer of illicit drugs or marijuana while on duty or while on the employer’s premises, or

Before an employee may be subjected to testing for cause at least two supervisors shall identify in writing facts to support the foregoing reasons.

- 3.2. Post-accident testing: The City will require an employee to undergo drug or alcohol testing if the employer has a cause to believe that the employee or another person has sustained a work-related injury or the employer’s property has been damaged as a direct result of the employee’s use of drugs or alcohol, including damage to equipment. For purposes of

workers' compensation or unemployment compensation, no employee who tests positive for the presence of substances defined and consumed pursuant to Section 465.20 of Title 63 of the Oklahoma Statutes, alcohol, illegal drugs, or illegally used chemicals shall be eligible for such compensation unless the employee proves by a preponderance of the evidence that the substances, alcohol, illegal drugs, or illegally used chemicals were not the proximate cause of the injury or accident;

- 3.3. Random testing: The City will require employees to undergo drug or alcohol testing at random. The City will pay the cost of the random testing and the confirmation testing.

Testing shall be on a random schedule basis and will include a number of tests equal to 50% of the firefighters of the entire Fire Department for drug testing and 10% for breath alcohol testing per year.

- a. During the process of random testing, if a positive test is received by the Medical Review Officer (MRO) from the testing lab, the MRO will contact the employee. The employee may then request a second confirmation test be completed of the split sample retained by the laboratory. The City of Norman will pay the cost of the initial confirmation test, and the employee shall pay the cost of any employee requested second confirmation test.
- b. If the confirmation test is positive, the MRO shall contact the employee and give the employee the opportunity to explain the positive result. If the employee has a lawful prescription for the substance causing the positive test, the MRO shall consider the test result as negative. If the MRO's final determination is a positive test, the MRO will contact the Human Resources Director with the fact that the employee tested positive. No quantitation of results may be disclosed to the employer. The Human Resources Director will contact the employee's supervisor to ensure the employee was placed on leave with pay.
- c. An employee who tests positive without adequate explanation will be required to schedule a meeting with the City's Employee Assistance Program (EAP) Counselor. The EAP Counselor shall make an assessment and recommendation for treatment and/or counseling and will notify the Human Resources Director of those recommendations. The Human Resources Director will schedule a meeting with the employee to discuss specific action(s) to be taken. The employee will be required to use their sick leave, vacation leave or comp time while off duty, unless the employee notifies the City he/she specifically chooses to use leave without pay. If no

leave is available, the employee will be placed on leave without pay. At all times during this process the employee has the right to union representation and/or to request a hearing, as in a disciplinary procedure.

- d. If the employee refuses to comply with the EAP Counselor's treatment plan or again tests positive in the future a second time, the employee shall be placed on suspension without pay and a termination proceeding shall commence. As stated above, the employee has the right to union representation and/or to request a hearing at any stage of this process.

3.4 Medical Marijuana License holders: In the event the Medical Review Officer (MRO) notifies the City of a drug test result positive for cannabinoids, and the employee produces proof of having a valid patient medical marijuana license issued by the Oklahoma State Department of Health at the time of the positive test result, the following procedures shall apply:

- a. For employees in safety sensitive positions as defined by Federal or State law; other employees subject to federally mandated substance testing requirements; and/or employees subject to specific departmental prohibitions arising from the department's potential loss of monetary or licensing-related benefits under Federal law or regulations, such positive result shall be determined a positive result, and the standard EAP and/or discipline provisions shall apply.
- b. For all other employees, in order for testing to occur and any positive test result to be considered a positive test result under this policy, the City must be able to establish one or more "for cause" factors as defined in § 3.1 of this policy which indicate the employee may currently be impaired by drugs or possesses or uses drugs while on duty. If no "for cause" factor can be established, testing shall not occur and if a test does occur without such cause, any test result shall be treated as a negative test result.

3.5 The City will consider the following conduct by an employee as refusal to submit to a drug or alcohol test:

- a. Refusing or failing to appear to the testing facility within a specified and reasonable time after being directed to do so;
- b. Failing to remain at the testing site until the collection process is complete;

- c. Failing to provide a urine specimen for collection; failure to provide a sufficient amount of urine when directed, without an adequate explanation;
 - d. Adulterating (i.e. manipulating) or substituting a urine sample or attempting to adulterate or substitute a urine sample; or
 - e. Failing to cooperate with any part of the testing process such as intentionally delaying the collection, or testing process or otherwise engaging in conduct that obstructs or manipulates, or attempts to obstruct or manipulate, the testing process.
- 3.6. Return to Duty: An employee testing positive may return to duty after completing the requirements recommended by the EAP Counselor and has a negative return to duty drug test.
- a. If the employee return to duty drug test is also positive, or if the employee refuses to test at the completion of the EAP process, the employee shall be placed on suspension without pay and a recommendation for termination proceedings shall commence. As stated above, the employee has the right to union representation and/or to request a hearing at any stage of this process.
 - b. If in the future another positive test (2nd positive test) occurs the employee shall be placed on suspension without pay and a recommendation for termination proceedings shall commence. As stated above, the employee has the right to union representation and/or to request a hearing at any stage of this process.
- 3.7. Post-rehabilitation testing: The City may require an employee to undergo drug or alcohol testing for a period of up to two (2) years commencing with the employee's return to work, following a positive test, or following participation in a drug or alcohol dependency treatment program that was required as a condition to return to work following a positive test.

SECTION 4: CONFIDENTIALITY OF TESTING RESULTS AND RECORDS – DISCLOSURE OF GENERAL HEALTH INFORMATION PROHIBITED.

- 4.1 The City shall maintain all drug and alcohol test results and related information, including, but not limited to, interviews, reports, statements and memoranda, as confidential records, separate from other personnel records. Such records, including the records of the testing facility, shall not be used in any criminal proceeding, or any civil or administrative proceeding, except in those actions taken by the employer or in any action involving the individual tested and the employer or unless such records are ordered released pursuant to a valid court or administrative order.

- 4.2 The records described in subsection 4.1, maintained by the employer, shall be the property of the employer and upon the request of the employee tested, shall be made available for inspection and copying by the employee. The employer shall not release such records to any person other than the employee or the employer's review officer, unless the employee, following receipt of the test results, has expressly granted permission in writing for the employer to release such records, or pursuant to a valid court or administrative order.
- 4.3 A testing facility, or any agent, representative or designee of the facility, or any review officer, shall not disclose to any employer, based on the analysis of a sample collected from an employee for the purpose of testing for the presence of drugs or alcohol, any information relating to:
- a. The general health, pregnancy or other physical or mental condition of the employee, or
 - b. The presence of any drug other than the drug or its metabolites that the employer requested be tested and for which a medically acceptable explanation of the positive result, other than the use of drugs, has not been forthcoming from the employee. Provided, however, a testing facility shall release the results of the drug or alcohol test, and any analysis and information related thereto, to the individual tested upon his or her request.

SECTION 5: DISCIPLINARY ACTION

- 5.1 No action except for a temporary suspension with pay shall be taken by the employer based upon a positive test result unless the test result has been confirmed by a second test as provided for and defined in the statute
- 5.2 For a first instance of an unexplained positive test result, the EAP and return to work process identified in this Policy shall be used. An employee who tests positive a second time for the presence of alcohol or drugs as defined in this article, in excess of those limits set by rule of the State Board of Health, shall be subject to discipline, including discharge, in accordance with the provisions of the current bargaining unit contract. In the event of such test results, the employee shall have the opportunity to have additional testing done on the sample and shall have the opportunity to explain the results.

MEMORANDUM OF UNDERSTANDING

Expansion of Training Program with accompanying Rank additions to Pay Plan.

1. Since 1992, Norman Firefighters Union has attempted to negotiate the implementation of expanded ranks within the Norman Fire Department, which it believes would reflect that of many other departments in the metro area.
2. The Union encourages the Fire Chief and the newly managed training division to develop curriculums to better prepare fire department personnel for advanced rank within their assigned positions.
3. Both the City and the Union agree that an expansion of the training program to better prepare bargaining unit members for promotional opportunities would be beneficial to both the Fire Department by increasing the skills and qualifications of its personnel and to the bargaining unit members by better preparing them for promotional opportunities and enhancing their ability to perform required duties as circumstances dictate.
4. The Union believes the addition of the following *italicized* ranks as associated positions would be appropriate: Captain / *Major*; Sergeant (formerly Driver Engineer) / *Lieutenant*; Firefighter / *Corporal*; Fire Inspector / *Major*; Fire Investigator / *Major*.
5. The Fire Chief believes appropriate training requirements and qualifications for eligibility for additional ranks need to be developed and evaluated prior to implementation of additional ranks.
6. The Union acknowledges that development of appropriate training requirements and qualifications for the additional ranks within the Department is necessary and is willing to work with the Fire Chief and the City in that regard.
7. The Fire Chief, in conjunction with the Training Officer and others he deems appropriate, will develop the training curriculum that he believes is appropriate for each additional rank.
8. Once the training curriculum is developed, the proposals will be reviewed by a Labor/Management Committee comprised of the following: Deputy Fire Chief, Chief of Training; EMS Training Coordinator; one Fire Captain; one Driver Engineer; and one Firefighter. The Captain, Driver and Firefighter to serve on the committee will be selected by the Fire Chief from a list that is submitted by the Union of three individuals from each position. The Labor/Management Committee will make its recommendations regarding the proposal to the Fire Chief.

Expansion of Training Program with Rank Additions

9. After the Fire Chief has received and reviewed the recommendation of the Labor/Management Committee regarding the training curriculum for each additional rank, he shall consult with the Union as required under Article 6 of the Collective Bargaining Agreement prior to implementation of the program.

10. It is recognized that the Union's proposal to add additional ranks does not contain additional salary cost for implementation. However, it is anticipated that should the Fire Chief opt to implement the expanded training program with accompanying additional ranks in FYE07 or FYE08, then the Union will anticipate negotiating a slight increase for the expanded ranks and those successfully complementing the aforementioned curriculums will then advance to the expanded rank and be compensated accordingly.

2. Amount of HAZMAT Pay – The City and the IAFF agree that Fire personnel who receive a HAZMAT certification will be compensated at the rate of \$100 per month while remaining active in the Norman Fire Department Hazardous Materials Program.
3. Effective Date of HAZMAT Pay – The City and the IAFF agree that Fire personnel who currently have their HazMat certification will begin receiving HazMat pay July 1, 2005.
4. Payment frequency of HAZMAT pay – The City and the IAFF agree to payment of the HAZMAT pay in 24 equal payments (two per month). It is noted that this payment option results in two pay periods per year in which HAZMAT pay will not be paid.
5. Future effective dates for pay purposes – Employees not currently certified shall be allowed administrative leave to achieve certification. Travel expenses and registration fees may be reimbursed depending on City budget authorization. The City and the IAFF agree that regardless of when an employee becomes HAZMAT certified, his HAZMAT pay will not begin until July 1st following the date in which he became certified.

To summarize, the City and the IAFF agree to administer the Hazardous Materials Program as outlined above and agree to defer specific language changes in the contract to the FYE07 Contract Negotiations.

6. A fixed number of Hazmat certified personnel shall be set at forty-five (45) employees as a long term department target. Employees receiving the Hazmat incentive as of July 1, 2012 shall be grandfathered into the current Hazmat allowance amount and shall not be removed other than through normal attrition (retirement or termination) or due to normal eligibility requirements subject to legal requirements or action of the Chief for cause. Any such cause based removals would be subject to the grievance process.

Grandfathered personnel removed from the Hazmat Incentive program for medical reasons shall be eligible to resume receiving the incentive if they resolve the reason(s) for original removal from the program. The parties agree the intent of this provision shall not be used to frustrate the long term intent of the fixed Hazmat stipend numbers which is based on reaching reasonable department Hazmat certified personnel numbers for operation needs.

8. After July 1, 2012, no one will be added to the Hazmat Incentive program except as provided by the grandfathered employees described in seven (7) above. Once the target Hazmat certification (Hazmat incentive) number of personnel is reached in some future year, new Hazmat certified personnel shall be eligible for and added to the incentive within the parameters of the Hazmat target numbers specified above or any new number if changed by the parties prior to that time. New additions to the program shall be based on department seniority.
