ARTICLE 3

STRIKES AND LOCKOUTS

Section 1. Continuous and uninterrupted service by the City and its employees to the citizens, and orderly collective bargaining relations between the City and its employees being an essential consideration of this Agreement, the City agrees that no lockout of employees shall be instituted. The FOP agrees that neither it nor any of its members shall either cause or counsel any person to hinder, delay, limit, or suspend the continuity or efficiency of the employer's function, operation or service for any reason, nor shall it in any manner coerce, intimidate, instigate, induce, sanction, suggest, conspire with, promote, support, sponsor, engage in, condone, or encourage any person to participate in any strike, slowdown, mass resignation, mass absenteeism, or any type of concentrated work stoppage or speedup.

This notification and action by the FOP shall not constitute an admission by the FOP that either it or any employees have engaged in any unlawful activity.

ARTICLE 4

NONDISCRIMINATION

Section 1. No employee or individual being considered for employment shall be favored or subjected to discrimination by management or by the FOP because of disability, race, religion, creed, color, sex, national origin, ancestry, age, place of birth, sex, sexual orientation, gender identity or expression, familial status, marital status, including marriage to a person of the same sex, genetic information, relationship to any person or persons, or political or Union activities, other than those prohibited by this Agreement.

EQUAL EMPLOYMENT OPPORTUNITY

Section 1. The City and the FOP recognize the right of all persons to have equal employment opportunities as a necessary component of merit principles, which is a phase of affirmative action.

Section 2. The equal opportunity employment commitment will be supported by positive and aggressive practical practices and procedures, which will insure nondiscrimination and equal employment opportunity without regard to race, color, religion, creed, ancestry, national origin, age, place of birth, sex, sexual orientation, gender identity or expression, familial status, marital status, including marriage to a person of the same sex, disability, relationship to any person or persons, or genetic information.

2. To take positive steps to solicit applicants for employment and membership from minority groups and women's organizations.

ARTICLE 6

DISCIPLINE OR DISCHARGE

Section 1. The City reserves the right to discipline or discharge any employee for just cause subject to the provisions of this Agreement. Discipline and discharge shall be the right and responsibility of management and may include, but not be limited to, the following actions: Written reprimand, suspension, probation, demotion, and discharge.

Section 2. By way of illustration, but not by way of limitation, just cause includes any act or omission which interferes with the orderly and efficient administration of the City, and off-duty behavior which adversely affects the City as a public employer.

Section 3. The right of the employer to establish rules and regulations regarding working practices and personal conduct of employees while on duty is recognized.

Section 4. Allegations of policy violations or Officer misconduct will be investigated by the department in accordance with the policies determined by the Chief as outlined in the Norman Police Department Operations Manual and the provisions of this Agreement. The Agreement will control in cases of a specific conflict.

- a. The Chief will be responsible for maintaining guidelines for such internal investigations. The Chief may assign the matter for investigations to a supervisor depending upon the severity of the allegation.
- b. Minor policy violations may be investigated and discipline imposed by a supervisor after informing the supervisor's major. The major may determine that the matter should be forwarded to the Chief for investigation pursuant to Section (a).
- c. The Chief may assign any matter for investigation when it comes to his attention.

Section 5. Interviews of officers in connection with a complaint investigation shall be conducted in compliance with the following conditions:

- a. As soon as reasonably possible, but within no more than two (2) business days of an officer being placed on administrative assignment, the officer shall be informed as to whether the allegation(s) against the officer is criminal and/or administrative and the general nature of the allegation(s) unless the notification would interfere with or jeopardize the integrity of the investigation as determined by the Chief. Prior to any interview or special examination, the employee under investigation will receive confidential written notification of the complaint. This notification will include a copy of the original complaint or a summary adequately listing the relevant facts and a reference to the employee's rights and responsibilities during the investigation. The employee will be allowed ten (10) working days following the receipt of such notification to review the aforementioned rights and responsibilities and to secure a personal representative, if desired, prior to any interviews. This time period of ten (10) working days prior to interviews being conducted may be extended based on extenuating circumstances acceptable to and by mutual written agreement of the parties. The parties further agree management shall not refuse an extension request of the FOP for reasons that are arbitrary, capricious or discriminatory.
- b. After a preliminary investigation of the complaint, if the Chief or his designee determine that the allegations are not sufficient to merit further investigation, they may waive any interview of the affected officer.
- c. Prior to an interview or special examination, the officer shall be informed whether the investigation or inquiry is criminal or administrative in nature. An officer may decline to answer questions in a criminal investigation but must participate in an administrative interview if required by supervisor.
- d. The officer under investigation shall be informed of the rank, name, and command of the officer in charge of the investigation, the interviewing officer and all persons present during the interrogation or interview. All questions directed to the officer during the interview shall be asked by and through one and only one person at a time. All parties in an investigatory interview or interrogation shall be permitted to record the proceedings.

- e. In accordance with the “Garrity Rule”, if the activities, circumstances, or events which pertain to the alleged conduct of acts(s) under investigation could reasonably be expected to subject the officer to criminal charges, the officer shall not be compelled to answer any questions or submit to any special examinations prior to the administration of the Garrity Admonition. Exercising the protections provided under Garrity shall not subject the officer to disciplinary action.
- f. All interviewing shall be limited in scope to the activities, circumstances, or events which pertain to the alleged conduct, act(s), or omission(s) which form the basis for or come to light during the investigation.
- g. Interviewing sessions shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.
- h. When investigation results in discipline against the Officer, the Officer, upon written request, may review the reports, transcripts, or other recordings of the proceedings upon which the discipline is based, and shall be given electronic or hard copies of the same.

Section 6. Once per quarter the Office of the Chief shall provide to the FOP a report that includes a listing of allegations of policy violations or officer misconduct alleged against a FOP Bargaining Unit member that resulted in investigations in the prior quarter. The report shall include the complaint number, type of complaint, disposition of the complaint, and discipline imposed, if any. The report shall not reveal the name of the officer that was the subject of the investigation. Upon request, the FOP President shall be provided or sent copies at the time they are issued, of all disciplinary actions, including written reprimands, suspensions, demotions, or terminations given to any sworn officer of the Police Department within the prior six (6) months. The Chief will attempt to maintain the confidentiality of Officer’s names and case information when initial disciplinary reviews are ongoing within the department. However, the Officers shall have the right to personally inform and involve the FOP at their own discretion at any time when they are aware of any such processes.

Section 7. City employees related by marriage or in the immediate family (including spouse, children, father, mother, brothers, sisters, grandparents, and grandchildren), shall not be assigned by the Chief to the same Norman Police Department Division or act in a superior/subordinate relationship, unless urgent and necessary. When two (2) City employees marry and they both are employed in the same division, one employee shall be transferred. City employees affected by this section shall notify their immediate Supervisors, within ten (10) days of marriage.

ARTICLE 7

PERFORMANCE EVALUATION

Section 1. Employees will be evaluated on forms approved by the Police Chief, once annually, forty-five (45) days prior to the merit date. This evaluation will be followed by a conference between the employee, his Supervisor, and the Department Head or his designee. During this evaluation period, employees will be counseled quarterly. Employees on initial employment probation will be evaluated monthly. A transfer from probationary to permanent status will depend

on the evaluations of performance during the probationary period. Probationary employees may be terminated at any of the rating dates if performance is not satisfactory.

Section 2. Only those employees receiving both an overall and a senior review Officer rating of at least “meets expectations” may be granted merit increases. The following rating scale shall be used on evaluation forms:

Needs Improvement
Meets Expectations
Exceeds Expectations

Section 3. No additions, deletions or changes shall be made on said evaluations without the knowledge of the employee being evaluated.

ARTICLE 8

OUTSIDE EMPLOYMENT

No employee shall have outside employment that is in conflict with his City employment. The Chief of Police, at his discretion, may require employees in his department to obtain approval from him before accepting outside, police related employment. If employment is not police related, the employee shall give sufficient notice and information about said employment to the Chief so that any conflict can be determined.

No outside employment will be permitted if it is anticipated that such outside employment would:

- (1) Not be compatible with the employee’s adherence to the police officer’s code of ethics.
- (2) Take preference over extra duty required by City employment.
- (3) Present a legal or ethical conflict of interest with the police profession.

ARTICLE 9

REDUCTION IN FORCE

Should the City find it necessary to effect a reduction in its police force, seniority shall be the controlling factor as to layoffs except when differences in skill levels or abilities of officers cause the City to be adversely affected. In case of such exception, the City shall not be bound by a strict seniority rule. Each employee involved shall be given two (2) weeks’ notice of layoff whenever possible.

ARTICLE 10

GRIEVANCE PROCEDURE

Section 1. The FOP, or any employee may file a written grievance within fifteen (15) business days (excluding Saturdays, Sundays, and holidays) of said occurrence, as hereinafter defined, and shall be afforded the full protection of this Agreement. No grievance will be considered timely filed

under the terms of this procedure unless a written grievance with sufficient facts pertaining to the alleged contract violation(s) to reasonably inform the City of the basic issue(s) is provided by the FOP or the Grievant, as the case may be, to the Police Chief or designee and an FOP Executive Officer.

Section 2. Any dispute between the employer and the FOP or any employee concerning the interpretation or application of this Agreement, or the actions of the parties under the Agreement, or dismissal, demotion, or other discipline of an employee, shall be handled in the following manner:

- Step 1. If an employee or the FOP intends to file a grievance on any matter, the grievance shall be submitted in writing to the Chief of Police or designee for adjustment. The Chief or his designee, shall have a right to meet with the grievant at this step, at which time the employee or FOP shall have the right to a representative of the grievant's choice.
- Step 2. The Chief of Police or designee shall submit his answer, in writing, to the employee involved and the FOP President within ten (10) business days (excluding Saturdays, Sundays and holidays) after receipt of the grievant's written grievance.
- Step 3. If the grievance has not been settled in Step 2, after receipt of the Chief's response, the grievant or the FOP may submit the grievance in writing to the City Manager or designee within ten (10) business days. The City Manager or his designee shall have a right to meet with the grievant at this step, at which time the employee or the FOP shall have the right to a representative of the grievant's choice.
- Step 4. The City Manager or designee shall submit his written answer to the Chief of Police and the grievant within ten (10) business days. If the City Manager and the grievant have not settled the grievance within that time, the FOP may notify the City Attorney's Office in writing of the FOP's intent to arbitrate the grievance within twenty (20) calendar days from the City Manager's response.
 - (a) Within fourteen (14) calendar days from the date of the notification for arbitration, the grievant and the employer shall attempt to agree upon a neutral arbitrator. If the parties are unable to agree upon the selection of a neutral arbitrator, the moving party shall request, within the same fourteen (14) calendar days, the Federal Mediation and Conciliation Service to provide a list of five (5) arbitrators. Within seven (7) calendar days after receipt of the list of arbitrators from the Federal Mediation and Conciliation Service, the parties shall alternately strike the name of one (1) arbitrator from the list of five (5) until one (1) name remains, with the moving party making the first strike from said list. The neutral arbitrator, whether selected as a result of an agreement between the parties or selected from the

list provided by the Federal Mediation and Conciliation Service, shall conduct a hearing regarding the issue submitted by the grievance.

- (b) The Neutral Arbitrator shall call a hearing to be held as soon as reasonably possible after the date of the appointment. The hearing shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. The Arbitrator shall have the authority to subpoena the production of documents and records and the attendance of witnesses to the hearing. Any and all evidence and other data deemed relevant by the Arbitrator may be received in evidence. The Arbitrator shall have the power to administer oaths and receive evidence relative or pertinent to the issues presented to them for determination.
- (c) A hearing conducted by the Arbitrator shall be concluded as soon as reasonably possible and normally within twenty (20) days from the time of commencement. Within the time allowed in FMCS rules after the conclusion of the hearing, the Arbitrator shall issue a written Award resolving the issues presented. The time periods in this article may be extended by mutual written agreement of the parties or as ordered by the Arbitrator to accommodate transcripts, post hearing briefs, or other additional time periods necessary to achieve a complete and thorough review of the evidence prior to rendering a decision. A copy of said Award shall be mailed or otherwise delivered to the grievant and the employer.
- (d) Pursuant to the FPAA the Award of the Arbitrator shall be final and binding on the parties to this Agreement.
- (e) The parties shall share equally the cost of the arbitrator's fees and expenses. If a transcript of the proceedings is requested, then the party so requesting shall pay for it or the parties may agree to both receive a transcript and share the costs.

Section 3. Post-Arbitration Procedures.

a. Issuance of Award. In no event shall the date of submission of briefs exceed 60 days from the day of the close of the hearing except in cases where all parties are in agreement. In the event briefs are not considered timely by the arbitrator, the arbitrator may render his rulings based upon the facts, evidence, and arguments then before him. If the arbitrator's jurisdiction is forfeited for any reason, the parties shall request another FMCS list and select another arbitrator to hear the grievance pursuant to the provisions of this Article. The arbitrator shall not accept the case except upon agreement to the instant limitations and grant of powers contained in this grievance arbitration clause.

b. Should either the City or the FOP desire to file suit to vacate the award of the arbitrator to a court of competent jurisdiction, they shall do so within twenty (20) business days of receipt of the award of the arbitrator. Failure to file suit within this time period shall be deemed a waiver of the right to sue by both parties, unless an extension of the filing period is granted by written request of the City and the FOP.

Section 4. The FOP President, or his authorized representative, may report an impending grievance to the Chief of Police or designee in an effort to forestall its occurrence. This effort to resolve the matter prior to a grievance being filed shall not result in a timeframe waiver (unless mutually agreed upon in writing by the parties) as concerns the initial filing requirement.

ARTICLE 11

MATTERS APPROPRIATE FOR CONSULTATION

Section 1. Matters appropriate for consultation between the parties include wages, hours, job descriptions, bulletin board postings, working conditions under the terms and conditions of this Labor Agreement, and areas of mutual concern. For the purpose of this Agreement, consultation is defined as mutual discussion of matters appropriate for consultation which are within the discretion of the department and/or the City. Arrangements for any consultation meeting shall be made five (5) calendar days in advance, whenever possible, and an agenda of matters to be taken up at the meeting shall be presented in writing at the time a consultation meeting is requested. Matters taken up in consultation meetings shall be those included in the agenda and FOP representatives shall be limited to no more than four (4) people at any one meeting.

Section 5. When contact is required by the FOP President with Management on matters within the scope of this Article, the point of contact is the Human Resources Director or his designee. Immediate family shall be construed to being those people who are related to the employee or the employee's spouse as follows: (a) Spouse, (b) Children, (c) Parents, (d) Brothers, (e) Sisters, (f) Former guardians, (g) Grandparents, and (h) Grandchildren.

Section 3. Sick leave may be used when there is serious illness within the employee's immediate family. Childbirth shall be considered a serious illness under the provisions of this Article. An employee who becomes pregnant while a commissioned employee of the Norman Police Department may continue in their current duty assignment as long as they have their doctor's approval to do so and the Police Chief is satisfied that she is able to perform her normal duties without endangering her health, the health of her unborn child, and the lives or health of her fellow workers. Should an employee desire, or her doctor advise, that she can no longer perform her current duty assignment due to her pregnancy, such employee may be reassigned to a light duty assignment within the Police Department for the duration of her pregnancy. Such assignment shall not affect the employee's pay, benefits or other rights to compete for promotion or lateral transfer during such period of reassignment. Upon the employee's pregnancy reaching full-term the employee may utilize her accumulated sick leave, vacation leave, and compensatory leave during her recovery period, as well as, or in addition to, the short-term leave of absence described in Subsections 7 and 8 of Article 21. The total of all leave time utilized in the instance shall not exceed twelve (12) calendar weeks from the date of delivery, except in cases of medical complications confirmed by appropriate Physician's statements.

Section 4. An employee who, due to illness or injury, is absent from work shall make provisions to notify the appropriate supervisor of his absence. Supervisors should be notified well in advance of regularly scheduled medical/dental appointments that fall on a shift day. Employees who are absent for three (3) or more days shall normally be required to submit a physician's statement. This statement must indicate that he has recovered sufficiently to return to

work. Sick leave forms are provided in each department and shall be filled out by the employee upon returning to work.

Section 5. In the event an employee suffers a non-duty related injury or illness, the employee may request and may be reassigned to other duties within the Police Department at the discretion of the Police Chief. The employee shall be entitled to their regular pay for the duration of such assignment. The Police Chief may review the appropriateness of a light duty assignment at any time, but at least every 30 days. Should the Police Chief discontinue the light duty assignment, change the light duty assignment or require the officer to report to normal duty then the officer may be granted at least 48 hours' notice of the change. In no event shall the light duty assignment exceed a period of one year from the date of such injury or illness. A physician's statement verifying the officer's inability to perform normal duty functions may be required by the Chief of Police at 30 calendar day intervals.

Section 6. Any employee who shall receive payment for work performed that is inconsistent with the reason for the sick leave for any other employer than the City of Norman while on approved sick leave may be subject to disciplinary action. The employee shall give sufficient advance notice and information about said work to the Chief or designee. Designee shall mean for this article Captain rank or higher. False, fraudulent use, or abuse of sick leave may be cause for disciplinary action against the offending employee. Such disciplinary action may include dismissal.

Temporary disability leave may be granted for an illness or injury which is not job related after the employee has used all accumulated sick leave and vacation leave. The employee taking temporary disability leave shall be required to present periodic medical statements from the physician on the employee's capacity to engage in his or her regular job duties, in accordance with EEOC guidelines. An employee on temporary disability leave shall not accumulate vacation or sick leave days. However, an employee on temporary disability leave shall remain in the City's group hospitalization and life insurance plan with the City paying the normal premium cost as outlined in this Agreement, providing the employee pays his or her normal cost, if any. The willingness of bargaining unit members to donate accrued leave under Section 11 shall in no way restrict the City in its managerial discretion to deny or accept a request for temporary disability leave.

Section 8. At the end of a maximum period of twelve calendar weeks the employee may be transferred to long term disability leave at which time the employee must be removed from the City's group hospitalization and life insurance plans provided, however, the employee may remain in said group plans if the employee will pay to the City Controller the full cost of the necessary premiums. However, long term disability leave shall not be granted for a period of more than twelve calendar weeks.

Section 9. Should an employee die, his estate shall be paid for the unused portion of his accrued sick leave not to exceed the retirement benefit provided in Section 13 of this article.

Section 10. As an incentive to reward employees with exemplary attendance during the contract year, an employee who does not expend any sick leave during a defined six (6) month period shall be given a bonus of two (2) hours of vacation at the end of that six (6) month period.

The two six-month periods are defined as July 1 through December 31, and January 1 through June 30. An employee will receive the bonus even if the maximum accrual of vacation hours has been reached.

Section 11. Sick Leave Accumulation Objective - The City and the FOP, as parties to this Agreement, and in recognition of the welfare of the employees represented by this bargaining unit, understand, acknowledge and agree that the employees in the bargaining unit should make every possible and reasonable effort, both individually and collectively, to accumulate half or more of their accrued sick leave hours as insurance for future sick leave occurrences, especially those of a prolonged nature which may be required because of a lengthy convalescent period taken in conjunction with a major surgical operation, injury, illness or disability which are not job-related.

Section 12. Leave Donation – Bargaining unit members may donate or receive vacation leave and/or compensatory time to or from any City employee who is eligible to accrue and use sick leave. The intent of this program is to allow employees to voluntarily provide assistance to their co-workers who are in critical need of leave due to a catastrophic illness or injury of the employee or a member of the employee's immediate family or to an employee who is placed on temporary disability leave (as described in Section 7).

- (a) Immediate family shall be construed to being those people who are related to the employee or the employee's spouse as follows: (a) Spouse, (b) Children, (c) Parents, (d) Brothers, (e) Sisters, (f) Former guardians, (g) Grandparents, and (h) Grandchildren.
- (b) Catastrophic illness or injury shall be defined as a critical medical condition considered to be life-threatening, terminal, or a long term major physical impairment or disability.
- (c) The willingness of employees to donate accrued leave shall in no way restrict the City in its managerial discretion to deny or accept a request for temporary disability leave.
- (d) An employee may receive donated leave, up to the number of hours the employee is regularly scheduled to work each pay period, if the employee who is to receive donated leave:
 - (1) Has a catastrophic illness or injury (including an immediate family member) or has been placed on temporary disability leave;
 - (2) Has no accrued leave (e.g. compensatory time, sick leave, vacation leave, etc.);
 - (3) Provides verification, including diagnosis and prognosis, to the Police Chief who shall review the documentation to determine whether or not the employee is eligible to receive donated leave.
- (e) Employees may donate leave if the donating employee:
 - (1) Voluntarily elects to donate vacation leave or compensatory time and does so in writing;
 - (2) Donates a minimum of eight (8) hours, subject to a maximum of forty (40) hours in a fiscal year and;
 - (3) Retains a vacation leave balance of at least eighty (80) hours.
- (f) A recipient employee is eligible to receive a total maximum of 480 hours of donated leave time during their employment with the City.
 - (1) If an eligible employee exhausts the maximum 480 hours of donated leave and if the employee's (or eligible family member's) catastrophic illness or injury prevents the

employee from returning to work, the employee or the employee's designee may apply for an increase of the maximum to 960 total hours of donated leave. Requests for approval for the increased maximum shall be made to the City Manager through the Director of Human Resources. The request shall include a recommendation from the Police Chief and is subject to re-verification of the medical condition to determine if the illness or injury still qualifies as catastrophic and prevents the employee from returning to work.

(g) This donation program shall be administered on a pay period by pay period basis. Employees using donated leave shall be considered in active status and shall accrue leave and be entitled to any benefits to which they would otherwise be entitled. Any leave accrued by an employee using donated leave time shall be used in the following pay period before additional donated leave time may be received. Donated leave shall be converted to sick leave of the recipient employee, and all leave qualifying as FMLA leave will be counted as such.

Section 13. Sick leave may be converted, upon qualification for full retirement as specified by the Oklahoma Police Pension Act, to regular vacation time for pay purposes using the exchange rate of 1 day of sick leave for 1 day of vacation. Maximum hours of sick leave conversion shall not exceed seven hundred twenty (720) hours.

ON-THE-JOB INJURY LEAVE

Section 1. General policy - It is the policy of the City of Norman to provide compensated leave for employees in the bargaining unit who incur disabilities which can logically and medically be proven to be the result of accidental injury arising in the course of employment with the City. Injury leave shall be the necessary absence of an employee from the regularly assigned duties of the employee's position because of an injury suffered while properly performing the duties of the position without negligence or misconduct on the part of the employee.

Section 2. Definition of Injury and Accident - "Injury" shall mean violence to the physical structure of the body and such disease or infection as naturally results therefrom. For the purpose of this provision, injury shall also include diseases which qualify as occupational diseases under the Workers' Compensation Laws of the State of Oklahoma. An "accident" shall be construed to mean an unexpected or unforeseen event happening suddenly and violently, producing at the time objective symptoms of an injury.

Section 3. Injury leave may be granted by the City Manager or his designee for such time as the injured employee is unable to return to the regularly assigned duties of the employee's position due to the service connected injury. Injury leave period shall be granted for up to six months. Provided that the injury leave period may be extended an additional six months at the discretion of the City Manager or his designee. While on injury leave the employee shall be paid at his normal net salary inclusive of college incentive pay and longevity pay, but exclusive of overtime compensation, holiday compensation and other such allowances. Vacation leave and Sick leave will continue to accrue in accordance with Article 20 and Article 21 during the time an employee is on paid injury leave. Employees on paid injury leave shall be allowed to participate in the City's group health insurance plan in the same manner as other employees not on injury leave. Such payment during injury leave shall be in lieu of Workers' Compensation disability allowances for said period.

Section 4. Employees who are unable to return to the regularly assigned duties of the employee's position after all injury leave has been expended may be continued on light duty at regular pay, or placed on leave without pay, at the discretion of the City, or retired for "disability" at the discretion of the City or the State Police Pension and Retirement Board, whichever is appropriate. The decision to retire an employee at the end of the injury leave period shall be made after consideration of such factors as the extent of the injury, supportive medical information, prognosis of condition, work record of the employee, and other relevant information. Accrued vacation, accrued sick leave, and compensatory time may be used at the end of injury leave if requested in writing by the employee. Such use of accrued leave shall be taken in whole hours with total weekly wage compensation from temporary total disability pursuant to the Oklahoma Workers' Compensation Act and accrued leave utilized not exceeding the employee's normal salary. An employee's request to use accrued leave under this section shall not affect the City's discretion to retire the employee for disability. An employee who is retired for "disability" shall be paid for unused vacation leave and sick leave in accordance with Article 20 and Article 21 of this Agreement.

Section 5. Reporting of Injuries - When an employee has been injured in the course of employment with the City, he shall immediately report the injury, regardless of the extent, to the immediate supervisor. Should the employee be unable to do so, any employee at the scene shall make the report.

Section 8. Employees on injury leave may be required to submit proof of continuing disability from time to time, as required by the City Manager or his designee.

Section 9. Benefits under this provision shall be in lieu of and not in addition to any similar benefits established under state law. Injured employees should seek prior approval from the City for medical consultation and/or treatment. In the event that an injured employee seeks medical consultation and/or treatment which is not approved by the City or prescribed by the City Physician, the employee bears the risk that the costs for such consultation and/or treatment may not be paid by the City of Norman and/or the employee may not be eligible to receive injury leave payments should the injury be determined not to be covered under this article.

Section 10. Leave for recurrence and aggravation shall stand the same tests of proof as may be required for granting the original leave.

Section 12. Unless prior approval is granted by the City Manager or his designee, any employee who shall receive payment for work performed for any employer other than the City of Norman while on approved injury leave, shall be subject to immediate dismissal. This provision shall also apply to employees who are self-employed and perform work in their private occupation while on approved injury leave.

The City of Norman (the City) and the Fraternal Order of Police, Lodge #122 (the FOP) and collectively, "the Parties", have had discussions and negotiations concerning resolution of the FY 2011/2012 (FYE 12) collective bargaining agreement (CBA). The Parties have reached a tentative agreement subject to approval of the FOP membership and approval by the City, based on changes agreed to and known to the parties and set forth in an FYE 12 CBA settlement summary document.

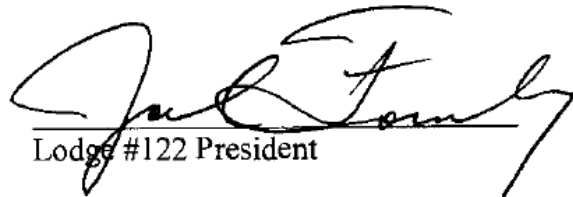

As a part of this tentative agreement, the City and the FOP have agreed to certain provisions of a new "Wellness Program" that will be implemented within this agreement that involves confidential medical testing designed to increase plan participant awareness regarding their health and the risk factors that may influence their future health.

The Parties agree that this MOU and the Wellness Program provisions attached are set forth based on the mutual efforts of the parties to provide greater clarification of these Wellness Program testing processes and shall be considered to be part of the FYE 12 collective bargaining agreement.

APPENDIX C-1

City of Norman/FOP Wellness Program

The City will continue to provide Wellness Program features designed to increase Wellness plan participation. The purpose of this annual health evaluation is to improve participant health awareness, allow employees to avoid significant health issues by taking appropriate preventative intervention measures and therefore promote health, save lives and decrease the financial impacts of major illness on the City's health insurance plan. The following program components will be included within this Wellness Program effort:

1. A comprehensive Health Evaluation will be available to all eligible participants annually. Eligible participants are all City employees and their spouses, if covered by the City's health insurance plan. Interactive Health, a third party administrator, will oversee the evaluation process. The process will include a fasting blood draw, blood pressure test and completion of a Health Assessment. The comprehensive blood screening includes, but is not limited to:
 - Cardiovascular disease risks (high cholesterol, high blood pressure)
 - Diabetes
 - Liver and kidney disease
 - Blood, bone and muscle disease (including certain types of cancer)

(This testing shall not substitute for the annual no cost physical each employee is entitled to under the current health insurance plan.)

2. There will be two options to have screenings performed:

On-Site Testing

Participants wishing to take advantage of convenient on-site testing will be asked to register, in advance, by using the online (www.myinteractivehealth.com) registration tool or calling Interactive Health at 800-840-6100. The Health Assessment form can be completed on-line, or if not on-line, the form will be provided at the on-site screening. Registering online will include selecting your date, time and location of your onsite test. On-site tests will be scheduled approximately the last week in **March** and the first week of **April** for an approximate two (2) week period.

LabCorp Testing

Participants wishing to have their screening conducted at a LabCorp facility will be required to go on-line (www.myinteractivehealth.com) prior to arriving at LabCorp in order to register and complete their Health Assessment. Participants requiring assistance with this online process may call Interactive Health at 800-840-6100. Once a participant has registered, Interactive Health will mail a packet containing a health assessment form, lab locations and instructions. Testing will be available on a "walk-in" basis. Employees can use any available leave accruals if using LabCorp (no leave will be required at the on-site testing). There shall be no co-pay or co-insurance for these services.

Registration and Testing Deadlines

A letter outlining registration and testing deadlines will be mailed to employees in December. Reminder will also be provided via newsletters, emails and flyers.

3. The information compiled within the comprehensive health evaluation will be strictly confidentially maintained between the participant and Interactive Health. The information obtained shall not be made available to the City, or any other person or organization (except as provided in Section 4 below). The information will also be maintained and only utilized in compliance with Federal HIPPA (privacy) and GINA (genetic information protection) laws.
4. Participants will receive a comprehensive Personal Health Evaluation Report that provides the blood test results as well as a Personal Health Scorecard. Upon registration participants must provide their personal physician's fax number in order for Interactive Health to send to the physician the participant's Personal Health Evaluation Report. This process will insure participants receive the maximum benefit of our wellness effort. Participants are then encouraged to follow-up on any possible findings with their personal physician
5. An employee and/or spouse who choose to not participate in the wellness program shall be charged, on a semi-monthly basis, a non-participation fee of twenty five dollars (\$25) per individual. The fee will be collected with regular premium costs to the medical plan with a maximum of \$50 per month per on-participating employee or a maximum of \$100 per month for a non-participating employee and spouse. Fees will be implemented beginning with the first paycheck in July.

For purposes of workers' compensation or unemployment compensation, no employee who tests positive for the presence of substances defined and consumed pursuant to Section 465.20 of Title 63 of the Oklahoma Statutes, alcohol, illegal drugs, or illegally used chemicals shall be eligible for such compensation unless the employee proves by a preponderance of the evidence that the substances, alcohol, illegal drugs, or illegally used chemicals were not the proximate cause of the injury or accident;

If the MRO's final determination is a positive test, the MRO will contact the Human Resources Director with the fact that the employee tested positive. No quantitation of results may be disclosed to the employer. The Human Resources Director will

The employee will be required to use their sick leave, vacation leave or comp time while off duty unless the employee notifies the City he/she specifically chooses to use leave without pay. If no “for cause” factor can be established, testing shall not occur and if a test does occur without such cause any test result shall be treated as a negative test result.

Provided, however, a testing facility shall release the results of the drug or alcohol test, and any analysis and information related thereto, to the individual tested upon his or her request.

SECTION 5: DISCIPLINARY ACTION

- 5.1 No action except for a temporary suspension with pay shall be taken by the employer based upon a positive test result unless the test result has been confirmed by a second test as provided for and defined in the statute.
- 5.2 For a first instance of an unexplained positive test result, the EAP and return to work process identified in this Policy shall be used. An employee who tests positive a second time for the presence of alcohol or drugs as defined in this article, in excess of those limits set by rule of the State Board of Health, shall be subject to discipline, including discharge, in accordance with the provisions of the current bargaining unit contract.
