

Bonus Criteria Certification

Development Name: _____

The Undersigned hereby certifies:

Applicants may select any or all of the following:

- Additional income targeting. The extent to which very low-income households at and below 50% area median income are incorporated into the income mix to be served. [3 points]
- Home Energy Rating System Score. Once construction of the Development is complete, it will receive a HERS Score less than or equal to 80 evidenced by a report from a Certified Home Energy Rater that conducted an inspection of the property post-construction. [2 points]
- Washers and Dryers are provided and located within each unit. [1 point]
- Storm Shelter or Safe Room will be constructed following the most recent State of Oklahoma Uniform Building Code. Storm Shelter(s) must accommodate all possible residents based on the number of bedrooms. Multi-family developments may integrate safe rooms into a monitored community room area or individual units. [4 points]
